(synopsis - Space Travelers become stranded on a Alien planet, their Android finds tragic love before finding a way back to their ship for all)

SCENE 1

DAY - EXTERIOR - ALIEN PLANET OMEGA 11

JANET and DOLLY beam down to the surface of OMEGA 11, another of countless Earth like planets awaits them below

JANET:  
(looks around) so where is this scientist, I don't see any places of habitation

DOLLY:  
(closes eyes, her computer brain scans the horizon) ... No, right here (turns) behind that tree!

A man in late 20's walks out from behind the tree, smiles feisty grin

JETT:  
Hello, Hello, I am JETT KRAMER ... I picked up your ship, thought I MIGHT be having company (looks both over) yes, Indeed (walks around both) INDEED!

JANET:  
where are the others?

JETT:  
(just smiles at the two newly arrived women)

JANET:

There were four other scientists  
on this planet!

JETT:

(strange) well, they vanished into  
THIN AIR, yep ... gone, not a  
trace!

DOLLY:

(forceful) YOU killed THEM!

JETT:

No, nothing quite as sinister as  
that ... something on this planet,  
dissolves matter, they, slowly  
faded away, It's what we came to  
study, a molecular disturbance from  
a parallel dimension

JANET:

(interrupts) OK, where are the  
bodies, THAT was pretty lame,  
REALLY!

JETT:

Look! (points to JANET's hand, now  
disappearing a bit) see!

JANET:

(looks down) OHhhhhhhh (shakes  
arm, comes back visible) whew,  
That's my favorite hand

DOLLY:

(turns away from others)  
confessions of a desperado!

JANET:

NO (shakes hand again) to eat  
with, what where you thinking  
(gives dirty look to DOLLY) No, MY  
boyfriends do all the heavylifting,  
otherwise ... like super carpal  
tunnel symptoms (grins and winks at  
JETT) totally! no need (smiles  
again)

JETT:

(interrupts) were you speaking  
English, I didn't GET any of that

DOLLY:

JANET never gets IT either, sad  
really (said superior) that's why  
... (makes odd frown)

JANET:  
(hand now normal but still shakes)  
so, how come you haven't faded away

JETT:  
I was built to last (smiles  
strangely)

DOLLY hears something she recognizes and turns to JETT,  
looking the roughly handsome figure over

DOLLY:  
You are ...

JETT:  
doesn't mean I'm a bad person  
(smiles)

JANET:  
doesn't mean you are a person at  
all ... you are a blinking android,  
(sighs) all this way down for  
nothing, NOTHING!

DOLLY:  
(getting more interested) nothing?  
(stands closer to JETT)

JANET:  
ok, we will take him back to the  
ship, you can share a bottle of  
lubricating oil (thinks of  
ramification, stops self) I mean,  
ummm some crunchy screws  
(improvises) ... Android roughage,  
umm ... right ...

JETT:  
oh, I prefer nuts, I wonder how  
you taste (looks at JANET, bares  
robot teeth then laughs at own  
joke)

JANET:  
charming (give the others smug  
look) a mental robot

DOLLY:  
I LIKE a nutty guy

JANET:  
You would

DOLLY:  
would you like to come back with  
us?

JETT:

well is a bit boring here (makes  
ROBOT goo-goo eyes at DOLLY) I like  
to be social (smiles)

JANET:

oh, another MR. Social!

DOLLY:

well, let get back (as if anxious  
to start a date, pushes TELEPORTER  
control, no response)

JANET:

(looking over) NO, not stuck here  
(looks at hand fading again) NO!

FADE TO:

SCENE 2

JANET keeps trying the TELEPORTER while DOLLY and JETT chat  
each other up

DOLLY:

(now love-struck, less interest in  
beaming back to ship) So what is  
your sign?

JETT:

well, ... I was assembled  
completely July twentieth

DOLLY:

(thinks) oh, A Leo, we are ...  
VERY compatible, now this is silly,  
but WHAT is your favorite color

JETT:

well, gunmetal grey, that and  
(thinks) ... chrome, that color  
always calms me down

DOLLY:

oh, me too (bats eyes)

JANET:

(walks up) before you two get your  
wires too HEAVILY crossed, and we  
have a bunch of walking coke cans  
around that need a nap, ... UM,  
this is serious, If we don't get  
back to ship in 4 point 1 hours, it  
will fail its orbit, and I DON'T  
CARE MUCH for this party!

JETT:  
 (stand back) I think its me ...  
 some malfunction, stops  
 TELEPORTING, the only way to get  
 back to your ship would be to  
 (makes gesture of cutting throat,  
 DOLLY looks tearful) ... however  
 for the LADY here, I would forfeit  
 my life

JANET:  
 ... forfeit your life, you are  
 just old chevy parts with a cheeky  
 grin!

DOLLY gives JANET a very threatening look, then turns to  
 JETT

DOLLY:  
 (soft and caring) we will find  
 ANOTHER way

CUT TO:

SCENE 3

JANET keeps trying the TELEPORTER, DOLLY and JETT walk away  
 from the landing spot

DOLLY:  
 I have ... never been in Love  
 before

JETT:  
 IT is not a good feeling (thinks)  
 It is not a bad feeling either  
 (they stand close)

DOLLY:  
 ... my circuits feel funny (feels  
 by waist)

JETT:  
 It is normal, Love butterflies ...  
 it is the most telling sign,  
 besides, lack of hunger (smiles)

Both laugh at ideas of eating food

JETT:  
 (continues) and missing the other  
 ...

DOLLY:  
 (tenderly) I miss you now and you  
 are standing right here! (both look  
 at each other tenderly)

JETT:

You are a lovely person, but I  
feel sometimes, .. cruel to the  
humans

DOLLY:

(smiles) sometimes (both laugh  
again) They are so stupid at times

JETT:

very much so, very much so (both  
smile)

THEY sit together on a rock and stare into each others eyes

JANET rounds the bend

JANET:

OMG, this, is pathetic (thinks,  
less anger) but, kinda cute ... our  
time is running out! okay love  
birds, ... ah um, Love ... bots  
(thinks, gets mean again) you'll  
just get rusty parts (grins)

JETT:

wait for us by the spot you beamed  
down, to, be ready!

JANET:

finally ... a gentleman, well,  
close, superior programming (walks  
off)

JETT:

come with me over here

DOLLY and JETT walk behind a set of trees, we hear silence,  
then loud destructive sounds

CUT TO:

SCENE 4

DOLLY walks back with a small mechanical component, JANET  
waits looking at her watch and tapping foot impatiently,  
shakes hand to keep visible, DOLLY stands close to landing  
spot

DOLLY:

we can go NOW! I have ...  
terminated him (says with no sign  
of emotion)

JANET:

(looks around) Ok, lets go ...  
what's that (points to component)

DOLLY:  
(speaks bravely now) He gave me  
his heart

JANET:  
(affected by) That was sweet, he  
was a gentleman

DOLLY:  
(almost tearful) he was!

JANET:  
you will find another ... umm  
(stops self)

DOLLY:  
(resolutely) they will be no  
others!

JANET:  
(laughs friendly) Aww, that WHAT  
we ALL say!

JANET smiles at the sad android and pushes TELEPORT button,  
they vanish from planet surface, only silence remains
