FADE IN:

EXT. PARK - DAY

ON A CLOUDY DAY ROBIN SONG 6 YEARS OLD IS PLAYING IN THE PARK UNDER THE TREE WITH A RABBIT, HE IS FEEDING THE RABBIT.

ROBIN SONG

With a smiling face. Eat my friend
you look very hungry. Where did you
get this scar from? Don't worry I
will always protect you.

Few squirrels come in front of him as he continues to feed them.

He hears a voice of a lady as a soft wind blows on his face

UNKNOWN LADY (V.O.)

Light is upon you always. Bridge
the beautiful creation. Once chosen
no turning back and Beyond is
death.

As soon the message is complete. It starts to drizzle.

ROBIN does not understand any of it.

He sits under the tree.

ROBIN SONG

If I sit here too long. I might
forget the message. Let me go home
and write it down.

He immediately runs towards his home.

DISSOLVE TO:

INT. INSIDE THE HOUSE - CLOUDY DAY

In ROBIN'S bedroom, slight drizzle can be seen from his window.

ROBIN takes out his pencil and writes down that message on a paper.

While writing he reads them out as well.

ROBIN SONG

Light is upon you always. Bridge
the beautiful creation. Once chosen
no turning back and Beyond is
death. Not sure what it means, I
will figure it out anyway.

When he is finished writing. He hears his TV being switched on by itself.

He slowly walks towards the hall.

He sees a bright light in the TV as it says a message.

LIGHT IN THE TV

Stop hunting animals and destroying
nature. Humans have taken enough
from us and if you do not stop in
20 years from now be ready for your
destruction.

Same message is seen by the entire world.

DISSOLVE TO:

INT. DEFENCE FORCE OFFICE - BRIGHTLY LIT ROOM

In the office most of the people are working on computers.

Defence force is alerted and they are advised by the President to find out the source of the message.

OFFICER MARK

Listen up people, I want everyone
to bring their A game and find out
the source.

LADY

It could be a prank as well sir.

OFFICER MARK

It could be yes, could be some kid making a prank.

LADY 2

Or it could be some nation threatening for a war in a coded message.

OFFICER MARK

Yes, or it can be a indirect way of attacking our nation. We will not let that happen. Let's get to work.

Everyone starts working on computers and making calls.

DISSOLVE TO:

INT. ROBIN'S HOUSE. SLIGHT DRIZZLE CAN BE SEEN FROM HIS WINDOW - CLOUDY DAY

GRANDMA ELISE

ROBIN runs and hugs his grandma.

ROBIN SONG

Thank you grandma, what cake is this? Chocolate?

GRANDMA ELISE

Yes dear it is your favorite chocolate cake.

ROBIN SONG

Did you know, I just saw a message from TV saying it will destroy us.

GRANDMA ELISE

Don't you worry about that. I saw the message too while I was buying the cake. Listen to me, only those who do bad to nature they must be worried. Not us and now it is time for your present.

ROBIN is excited and he starts jumping.

ROBIN SONG (CONT'D)
What is it? What is it?

GRANDMA ELISE
Close your eyes now. No peeping ok.

She keeps a big basket in front of him.

GRANDMA ELISE (CONT'D)
Open your eyes and here it is your
present.

ROBIN opens his eyes and sees the basket and is very excited.

He opens the basket and sees a puppy in it.

ROBIN SONG
I don't believe this. Thank you so
much grandma. I always love animals
and I am so happy. Thank you, thank
you.

GRANDMA ELISE
You are very welcome and what will
you name it?

ROBIN SONG

LADY
Officer Mark, we have a news about
the message source.

OFFICER MARK
Lets hope it is a good one.

LADY
Unfortunately not so good sir.

OFFICER MARK
What is it then, if not good?

LADY
There is no source. We have done
everything possible to locate but
it's neither a prank nor any enemy.
No trace at all.

OFFICER MARK
Well, what can I say?

He immediately dials Presidents office.

OFFICER MARK (CONT'D)
Hello, I am officer mark.

VOICE ON PHONE (O.S.)
We were expecting your call.

OFFICER MARK
We have figured it out about the
message. After all, it's just a kid
playing prank. Nothing else. It
will be taken care of. No need to
worry.

VOICE ON PHONE (O.S.)
That is very nice to hear officer.
I shall pass on this message to Mr.
President. Have a nice day.

OFFICER MARK
You too. Have a nice day.

Disconnects the phone.

LADY
But sir, it was not a prank.

OFFICER MARK
What do you expect I say to the
President. No source, that we are
so incapable of fining it. Anyway,
proceed by closing the mission with
a statement of prank.

LADY
Sure sir. Will do.

She walks out of his office.

BOSS

What is this? Who is this? I asked
you to bring a car and you brought
a man.

MAN 1

We had the car and he chased us
down and our car crashed.

BOSS
Don't you know the difference
between a car & a man.

MAN 1
We do know boss. Man is a living
being and car is a non living
thing.

MAN 2
Where did you learn so much?

MAN 1
I was in a this school you know

BOSS
Stop it you idiots.

MAN 1
He has a garage boss, we can get
more cars. He has BMW, MERCEDES,
AUDI and many other.

BOSS
As always you are useless.

Robin opens his eyes and sees there are many guns & bombs
near by as he sees 6 men talking.

ROBIN SONG
Hey, untie me you thieves. I will
teach you a lesson.

Boss walks towards Robin.

BOSS

lesson?

BOSS (CONT'D)
Guys, let him be here. Lets test
our weapons.

MAN 1
Should we shoot him to test it?

BOSS
You fool. Do you know what kind of
weapon is this?

MAN 1
It's a gun and you have bomb in
your hand.

Other men laugh sarcastically.

BOSS
Which school did you study by the
way?

MAN 1
It was in a village. The name is..

BOSS
Shut up and fire only at the trees.

MAN 1
What about the small plants next to
those trees?

BOSS
If you open your mouth once more.
Bullets will be in it.

MAN 1
Got it boss. No talking.

BOSS
Finally you learnt something after
all from your school.

MAN 1
No boss.

Boss removes the pin from the bomb.

MAN 1 (CONT'D)
Sorry I forgot. Silence.

They pick up their guns.

Man 1 fires a bullet the tree. Tree turns black and falls.

Boss throws the bomb and a tree falls.

ROBIN SONG

What is that thing? What kind of weapons are those?

BOSS

My friend these are called biological weapons (laughs).

ROBIN SONG

Stop this, we must protect the nature not destroy it.

BOSS

That is what we are going here. Protecting us.

ROBIN SONG

You call this protecting by destroying?

BOSS

We must get these land to the big shots to build their business. That is how we make our living.

ROBIN SONG

That is very cruel.

BOSS

Is it? Welcome to Earth my friend.

ROBIN SONG

Stop, please stop hurting nature.

They ignore it and continues to fire and throw bombs.

All the trees and greenery around turns into ashes.

There is that soft wind blows on the face of ROBIN.

ROBIN SONG

CLARA taps her foot and she runs and catches the bullet and the bomb she disables it.

All is back in motion now. 5 men look at each other.

BOSS
Shoot them you idiots.

All 5 men starts firing at CLARA & ROBIN. She smashes hard on the ground with her fist. Ground crack opens and all 5 men fall into it. Ground seals up & looks very normal.

ROBIN is shocked by looking at it and he also sees a bright light while she is walking towards him.

He remembers the message as he is about to faint.

ROBIN SONG

Some people come running towards them. Screaming Fire Fire.

ELISE
I told you something was burning.

ALL FRIENDS
Run, run.

They all run by screaming as they see fire is increasing and
catching up quick.

While running, ELISE hears a crying voice.

ELISE
Wait, do you hear someone crying
there?

FRIEND 1
Elise its fine. Run, save your
life.

All friends run away.

ELISE walks towards the bushes and sees a little girl crying
alone as the fire is approaching nearby.

Elise is full of joy and very happy to see the girl grown up.

ELISE

How are you doing? Where were you for so many years? And today my grandson born we have names him ROBIN SONG.

LITTLE GIRL

I know, that is why I am here. I come with a purpose. And it is about your grandson ROBIN.

ELISE

He is just born today and what possible purpose are we talking about?

LITTLE GIRL

He will be the bridge between 2 creations. He must be ready when the time comes.

ELISE

I don't understand. What is happening?

LITTLE GIRL

Nature is in deep trouble so as humans, I represent nature but your grandson must represent both humans and nature.

ELISE

I am not so sure about that as it's his choice what to choose in life

LITTLE GIRL

True, all we can do is guide him towards the benefit of nature & animals. It's always humans hunt animals take away from nature and nature answers in a harsh way like, earth quake, cyclones. That is not what nature wants to do. But humans leave no choice and creates imbalance to nature. Your Grandson will get his message and when the time comes he will know about it.

FORTUNE
Of course not. We were on a
vacation.

ROBIN SONG
How do you have these super powers?

JAX LANCE
Some other day kid. It's a long
story.

JAMES RICH
I can't hold the time for so long.
Let's finish them.

ROBIN SONG
Right right so you are slowing the
time.

ROBIN looks there and sees CLARA.

ROBIN SONG (CONT'D)
CLARA you are here. Where were you?
I thought.

CLARA
I know what you thought.

COMMANDERS gets a light from the sky and they are no more in
slow motion.

Again there is rain of fire and some more monsters come
through.

ROBIN SONG

This is not good. This is not good
at all.

All 5 commanders are standing in from of them.

Behind the commanders are the monsters.

Behind ROBIN are animals and humans.

Here ROBIN, CLARA, FORTUNE, JAX and JAMES.

There 5 commanders standing right opposite.

FORTUNE

What's the play young man?

ROBIN SONG

Who? Me? Are you asking me?

FORTUNE

Who else, you are the leader right.

ROBIN SONG

No, not me CLARA is the leader.

CLARA

I am just a messenger here to help.

ROBIN SONG

Oh come on. Can anyone help in
giving some advice. JAX? JAMES?
FORTUNE? Never mind FORTUNE. JAX &
JAMES please help.

JAX LANCE

Ask the commander to go for one on
one fight.

JAMES RICH

Ask them we will fight first and
then we can let their monsters
fight.

ROBIN SONG

Sounds good enough to me. What do
you say CLARA?

CLARA

What ever you decide ROBIN we are with you.

ROBIN SONG

That is so much encouraging.

ROBIN decides to go with JAX & JAMES advice.

ROBIN SONG (CONT'D)

Hey you, yes you 5. I have a request.

COMMANDER 1

What is that? To spare you? Not gonna happen.

ROBIN SONG

I haven't even said anything yet.

COMMANDER 2

Go ahead. What is your request.

ROBIN SONG

Thank you for allowing.

FORTUNE

Stop with your gratitude. Say it soon.

ROBIN SONG

Right, all I am saying is. We shall fight first with each other. You 5 Versus We 5. Whoever wins they take over everything.

COMMANDER 3

You mean you 5 want to die first.

ROBIN SONG

That's not what I meant.

COMMANDER 4

From where I see that is how it looks to us.

He looks at other COMMANDERS

COMMANDER 4 (CONT'D)
But one condition is none of you
must use your super powers.

FORTUNE
What? How are we suppose to fight
without powers?

ROBIN SONG
With our character.

All look at the 5 commanders.

ROBIN SONG (CONT'D)
So be it then. Deal. Shall we start
our fight?

COMMANDER 5
Anytime, anytime.

5 Commanders get ready in a fighting position.

ROBIN SONG
Guys, on my mark.

FORTUNE
What should we do on your mark?

ROBIN SONG
We run towards them and fight of
course.

FORTUNE
Sure, that's was we agreed right.

JAX LANCE
Get ready everyone.

JAMES RICH
JAX, FORTUNE. Just like old times.

JAX LANCE
Just like old times.

FORTUNE
I love old times.

CLARA

For the new & good times & also for
the future time. Sounds good to me.

All 5 run towards 5 commanders.

5 commanders also run towards these 5 superheroes.

5 commanders hit them hard on their faces.

These superheroes are on the ground with lot of pain.

5 commanders use their powers on them. They send a bright
black light.

It hurts the superheroes very much.

They get into hand fight and after a while.

These 5 superheroes are down and hardly have anything left to
fight. No energy at all.

COMMANDER 1

Let us kill you one by one. You
first.

He points at JAMES

COMMANDER 1 (CONT'D)

You thought you could defeat us
easily. Your powers are no match to
us.

COMMANDER 2

Let us do one thing. Why don't we
kill all of them at once?

COMMANDER 3

Not a bad idea at all.

All 5 commanders take their advanced weapons.

5 superheroes are down on their knees.

Commanders point their weapon to their head.

Just when they are about to pull the trigger.

He looks at his hands sees the that light is upon him always.

CLARA

Are you sure ROBIN? Do you want to surrender to super powers? Once chose no going back.

ROBIN SONG

As I said, this has nothing to do with individuals. This is for our home, our earth. I have decided to submit myself and join these 3 Legends.

JAX LANCE

4 Legends ROBIN.

ROBIN SONG

4 Legends?

JAMES RICH

Yes, your mother ROBIN. ROSALYNN SONG was our 4th partner. After all you are the son of an ultimate superhero.

ROBIN SONG

What? Mom was a superhero?

FORTUNE

Yes, very brave, very ferocious and very kind too. We were honored to have lived with your mother. You posses the same quality.

CLARA

Yes ROBIN your Mom was a legend in her time. She still is.

ROBIN SONG

Why did you not tell me about this. Was Grandma aware of this? What about my father?

CLARA

No one was aware of it. Not even your grandma and to be honest your father passed away even before your mom. So, no one knew about it.

ROBIN is in tears.

He only has his mothers pictures but he never got a chance to know her in person.

Fog clears and 5 commanders give order to the monsters.

COMMANDER 1

Attack and kill everyone.

COMMANDER 2

Yes, destroy every single living being.

COMMANDER 3

Make them history.

When all the monsters approach towards animals and humans.

Choppers and fighter jets come from behind 5 superheroes and start firing at the Monsters.

All 5 turn back and see that OFFICER MARK is commanding the choppers, fighter jets and tanks and army to destroy the monsters.

All 5 are very happy to see this.

ROBIN SONG
You did this CLARA.

CLARA
I just prayed and yeah. It worked.

ROBIN SONG
Thank you so much for helping us.

CLARA
No worries. Lets take care of these
5 commanders.

FORTUNE
JAMES? Can you please help us with
the time?

JAMES uses his powers and slow down the time only for those 5 commanders.

As they are in slow motion. 5 superheroes run towards them and cut off their hands, legs use the sword & cut off their heads.

As they see there are just too many monsters to be handled.

CLARA
ROBIN I guess this is yours to take
care.

ROBIN SONG
Right right. Everybody stand back.

ROBIN runs backward.

FORTUNE
Is he running away?

JAX LANCE
No, he is the superhero we missed.

JAMES RICH
Come on ROBIN do it.

CLARA
Do it ROBIN, do it.

ROBIN stops running backwards.

He now runs towards the monsters. Jumps very high in the air.

He lands very hard on the ground right in the middle of the monsters.

All the monsters are destroyed together.

Everything is very calm and quite. It's pin drop silence.

Everyone looks at ROBIN. All shout in happiness.

EVERYONE

it. We won.

Everyone is in joy and happiness all around.

ROBIN and other superheroes sees that. Human kids are running towards their parents.

They are hugging and crying. Some are smiling, laughing.

By seeing all that. All 5 heroes are in tears.

They also see that animals are very calmly walking towards the forest.

must thank you on behalf of all the
animals.

ELEPHANT

What next?

ROBIN SONG
Do you know something FORTUNE? When
I was 6, my Grandma gifted me a
puppy and I named it FORTUNE.

Everyone laughs.

FORTUNE
Come on. That's in the past.

JAMES RICH
So what, FORTUNE is named after a
DOG or is it the DOG named after
FORTUNE.

JAX LANCE
Either way no difference.

Everyone laughs.

CLARA
Why don't you look happy ROBIN? We
won.

ROBIN SONG
Yeah, for today yes.

JAX LANCE
I know what you are thinking ROBIN.
I suggest you enjoy the moment.

FORTUNE
What is he thinking?

JAMES RICH
Thinking of the ultimate dark
power, the darkest villain. How to
put an end to him.

FORTUNE
Right, looks like I am the only one
who does not know anything here.

CLARA
That is not on you ROBIN. It must
be a team work and besides you are
new to this super heroes thing. You
must seek guidance.

ROBIN SONG
From whom?

CLARA
Guidance is right in front of you.

ROBIN SONG
These 3?

CLARA
Yes, these 3 Legends who fought
beside your mother.

ROBIN SONG
I can't risk their life for my
quest.

CLARA
Your quest? Get that out of your
head. It is everyone's quest.

JAMES RICH

You guys decide and come to conclusion. I guess we need to leave. What do you say JAX?

JAX LANCE

Yes yes, we will take our leave and let's see how the future sets up.

FORTUNE

If you need us then I am sure you know how to find us.

ROBIN SONG

Can you guys tell me more about my mother. How was she, what did she do?

JAMES RICH

For now all I can say it she sacrificed the most compared to all of us. It's time for us go now.

ROBIN SONG

Please do not go. I will not stop you. But I trust we will meet again. And you will tell me everything about my mother.

CLARA

Don't leave please. We need you.

JAMES RICH

You can come to us anytime.

FORTUNE

Except now. Else, we would have stated right.

ROBIN SONG

Let them go CLARA. I don't need anyone. I can take care by myself.

CLARA

That is a fools thinking.

JAX LANCE
That's ok he is just a kid. He will
learn. Goodbye.

JAMES RICH
Goodbye.

FORTUNE
See you soon. Bye.

CLARA
Good bye for now.

JAMES, JAX and FORTUNE walk away, FORTUNE whistles as his
ride arrives in a form of a rock which can fly it has
controls just like a plane.

All these jump on that rock. They go away.

CLARA (CONT'D)
They are the legends ROBIN.

ROBIN SONG
Legends? What do you mean?

CLARA
You have no idea who they are and
what they are capable of.

ROBIN SONG
What are they capable of?

CLARA
They had to sacrifice so much
including your mother for the good
of people.

ROBIN SONG
What do you know about them?

CLARA
I know everything about these 4
legendary superheroes.

ROBIN SONG

Tell me everything please. I want to know all about them and my mother too.

CLARA

I have a better idea. Come with me.

ROBIN SONG

Wait.

CLARA

What now?

ROBIN SONG

Why did you not tell me about them before?

CLARA

Time ROBIN time. There is a time for everything.

ROBIN SONG

I never understood your theories about time.

CLARA

You will, in time you will understand everything. Now, let's go.

ROBIN SONG

But, to where?

CLARA

Just trust me. Why are you so impatience?

ROBIN SONG

Is that a bad thing?

CLARA

Of course it is. You know everyone has a boss to answer?

ROBIN SONG

Are you saying even you report to someone higher?

CLARA
Of course I do.

ROBIN SONG
Can I meet them?

CLARA
Why do you want to meet them?

ROBIN SONG
If they can grant me some patience.

CLARA
Trust me. They already have.

ROBIN SONG
Is that so? Where is it?

CLARA
It is inside you. You will find all
answers at the right time.

ROBIN SONG
Time again? No worries. I

mother built a time machine.

ROBIN SONG

My mom was a scientist who built a time machine.

CLARA

Yes, she was the very first human to invent it. But unfortunately it was destroyed when the enemy attacked this building.

ROBIN SONG

So you mean it has been destroyed.

CLARA

Your mother was very smart. She built 2 such travel room.

ROBIN SONG

You mean time travel was not a machine.

CLARA

Yes, it was just a simple room filled with the past.

ROBIN SONG

Where is the other room.

CLARA

Right below where you are standing.

CLARA hits a switch in the wall. They both start going underground.

ROBIN SONG

I am so much excited. What Should I do now?

CLARA

Just lie down on the bed and press the switch.

ROBIN SONG

Will it be my mother I will be seeing first?

CLARA

It was JAMES who first got his powers and we will be seeing JAMES first before your Mother.

ROBIN SONG

That is fine, as long as I see all 4 legends. That is absolutely fine.

CLARA

Don't worry ROBIN. You are only a kid.

ROBIN SONG

A kid?

CLARA

I mean in terms of discovering your super powers and to know what you are capable of.

ROBIN SONG

How will I discover those?

CLARA

Through training, practice and right guidance.

ROBIN SONG

I see, who will be training me?

CLARA

If you are lucky all 3 can step in.

ROBIN SONG

What about you and your boss?

CLARA

We do not train anyone. We let them discover their our abilities.

ROBIN SONG

Easy job.

CLARA

Yes it is. So as our abilities. It is all in the mind. We restrict ourself purely out of fear. While in face we all are capable of more than what we thing of ourself.

ROBIN SONG

Absolutely. I guess we need to travel now.

CLARA

Yes. Just hit the switch ROBIN and we shall start travelling back in time.

CLARA and ROBIN hit the switch next to the bed.

Travel room is covered with fog and they close their eyes slowly.

UNKNOWN VOICE

Beyond is death.

ROBIN has a smile on his face as soon as he hears that unknown voice.
