I mean football firms group of hoodies or well casual dressed guys going to games and putting their foot into someone head or face. The Lynch family are the top family in gangland in Dublin and are responsible for some of the most brutal assassinations carried out. Aidan brother Colm and Steven are in the gang also.

Their grandfather started the gang in the 70s stealing cars and post office but when their uncle Jerry took over in the late 80s the hit drug dealing and loansharking. Jerry Lynch was gunned down by a rival in 1999 which made Aidan father Paddy head of the gang he died in 2007 with a heart attack. Jerry Jr took over but he fled the country in 2010 and is still on the run from the law.

The Lynch gang as two huge rules and very important rules. 1. Don't be seen with a cop and 2. Don't ever talk to a cop or the will be consequences. Usually the consequences is a bullet in the head. Aidan as a huge secret though that nobody knows about.
