INT. CLASSROOM - DAY

The TEACHER's giving her class, she's dressed with very bad taste, we don't really listen to what she's saying, we see the STUDENTS in the classroom most of them paying attention but with a bored face, we see the back of MELISSA, she's wearing a pony tail, and starts writing a message in a piece of paper, and pass it to CHARLES who's sitting besides her. We don't see their faces.

MELISSA (V.O.)  
Is she for real?

CHARLES (V.O.)  
Who?

MELISSA (V.O.)  
Ms. Madison! Can you believe her outfit?

CHARLES (V.O.)  
Oh my god! I know, she looks terrible with that... skirt?

MELISSA (V.O.)  
(laughs)  
I know, poor thing, we must say something to her, she was dressed like that the whole semester

We continue watching CHARLES and MELISSA writing each other messages, we hear them as if they were talking instead of writing, we don't see them, just their hands writing and passing the messages.

CHARLES (V.O.)  
Do you know what she's talking about?

MELISSA (V.O.)  
No idea

CHARLES (V.O.)  
Me neither, seen any cute boys?

MELISSA (V.O.)  
Not really, I'm done with men!

They both laugh.

MELISSA (V.O.) (CONT'D)  
That girl, Stacy, she's been checking you out

CONTINUED:

CHARLES (V.O.)

Who?

MELISSA (V.O.)

Aww poor little thing, you don't even know who she is, her world is gonna be so over

We see STACY, a cute brunette, with a pair of glasses and no make up.

CHARLES (V.O.)

You mean the girl with the glasses?

MELISSA (V.O.)

That's her

CHARLES (V.O.)

She's sort of cute

MELISSA (V.O.)

Yeah, If you're into nerds

CHARLES (V.O.)

You're so mean, so, what are you doing today?

MELISSA (V.O.)

I'm going to the mall with my mom, wanna come?

CHARLES (V.O.)

I can't I promised my mother to help her pack her things

The bell rings CHARLES and MELISSA are the first ones in the class to stand up and get ready to leave, but MS MADISON cuts their short.

MS. MADISON

I'm impressed, the whole semester, you two managed to stand up before the rest of the class, you should be proud of yourselves

MELISSA

Thank you Ms. Madison, of course we're proud of ourselves, despite your efforts to make this class so boring the whole semester, we managed to get straight A's, so there you go, see ya

CONTINUED: (2)

MELISSA starts walking out of the classroom followed by CHARLES, who stops at the door and turns to MS MADISON.

CHARLES

I'm so sorry about that, is just that bad dressed people really get on her nerves, we'll be happy to join you shopping one of these days, bye

We just hear the classroom trying to hold their laughs, and murmuring between them.

INT. COLLEGE HALLWAY - SAME

The hallway is full of STUDENTS, walking around one of the corners comes MELISSA, with some books on her hand, and besides her CHARLES.

SANDRA

CHARLES

ANDREW

Please, Charles, I'll make it up to you, besides it would be just an hour per day

CHARLES looks up to MELISSA, who's just about to get in her car, and she gives him two thumbs up, and then he waves goodbye to her MOTHER, and they drive away.

CHARLES

ANDREW gives a hug to CHARLES, which surprises him.

ANDREW

ERICK

You still hang out with him

MELISSA

Yeah

ERICK

Good, have you been thinking about  
me?

MELISSA

No, not at all

ERICK stops walking and gently takes MELISSA'S hand.

I'm really different now, and I was  
wondering if we could

CHARLES gives his MOTHER a hug, and then they continue cooking like nothing happened.

KAREN DAVENPORT  
So do you have a boyfriend?

CHARLES  
I don't want to talk about that mom

KAREN DAVENPORT  
But I want too, you don't have to  
feel ashamed, I want you to tell me  
about your personal life

CHARLES  
I don't have a boyfriend mom, I

Wow, nice room

CHARLES  
Thank you

CHARLES walks up to his desk, and takes out his books, he motions ANDREW to sit-down next to him, but instead ANDREW sits down on his bed.

CHARLES (CONT'D)  
So where do we start?

ANDREW  
How come there's nothing pink in  
your room?

CHARLES  
Why would there be pink stuff?

ANDREW  
Yes, 'cause your gay and all that

CHARLES  
So what? If I'm gay doesn't mean I  
have to have a girly room

ANDREW  
When do you knew you were gay?

CHARLES  
When I was about 14

ANDREW  
Really? Wow how you knew it?

CHARLES closes his book and relaxes a little bit.

CONTINUED:

CHARLES

Well I just, you know, realize it,  
sort of noticed how I liked more  
boys than girls

ANDREW

Have you ever done it with a girl?

CHARLES

No, never

ANDREW

You never even kissed Melissa?

CHARLES

No, never

ANDREW

So, how do you know you're gay?

CHARLES

I don't need to do it with a girl  
to know that I don't like it

ANDREW

So you've done it with boys?

CHARLES

I'm not so sure I'm going to answer  
that

ANDREW

That's a yes

CHARLES opens the book again.

CHARLES

We should start working on math

ANDREW stands up and starts rubbing CHARLE'S shoulders.

I'm sorry, I'm just curious about  
it

CHARLES

About what?

ANDREW

How does it feel to be with another  
man, I've never been

CONTINUED: (2)

CHARLES

You should be more curious about  
math, and you wouldn't have  
problems with the swimming team

ANDREW laughs and sits down besides CHARLES.

ANDREW

OK, bring it on  
(pause)  
Professor

ANDREW winks at CHARLES and they both start studying.

you cooking for them

CHARLES

I told you our parents must think  
that we're mature enough to be by  
ourselves without them calling us  
every day

They stop in front of the pasta and CHARLES starts looking for the one that he's going to cook.

MELISSA

Guess who came to visit me today?

CHARLES

Who?

MELISSA

Erick

CHARLES stands up and turns to look at MELISSA.

him

An OLD LADY in the back starts coughing after this comment,  
she's been obviously listening to their conversation.

MELISSA

Of course I didn't!

(pause)

Although he was very good at that

eyes.

CHARLES

What did he wanted then?

MELISSA

Well I guess he wants to open that  
chapter again

CHARLES again stop what he's doing and looks at MELISSA.

CHARLES

You obviously dismissed him, right?

MELISSA

I don't know, I didn't exactly  
dismissed him, I told him that I

CHARLES just rolls his eyes, and walks to the door pushing  
both his parents out and closing it.

CHARLES

Ugh my father

MELISSA

When are you planning to tell him,  
that they're not going to be grand  
children for him

CHARLES

The boy... Melissa

MELISSA

Huh

CHARLES

You were talking about a boy you met, or was it a girl?

MELISSA

Oh you wish I was a big lesbo, that way we wouldn't fight over men, OK, so I was wandering around the store when I bumped to the most gorgeous boy I ever met, he was just so cute

CHARLES

Did you asked his name?

MELISSA

Who do you take me for? His name's Johnny and... Here's the best two things, he's new in town and lives right on this street

CHARLES

Really? How funny

MELISSA

I know, isn't that weird, and we just bumped and

CHARLES

(interrupting)

MELISSA

What's his name

CHARLES

Didn't ask

MELISSA

How come?!

CHARLES

I was at a seven eleven, excuse me  
if I'm not a hore

MELISSA

Maybe they're brothers

CHARLES

Well I hope so for you, because the  
guy was obviously checking me out

MELISSA

Then we must be talking about  
different persons because Johnny  
was totally hitting on me

CHARLES

Well if they're brothers we can  
make double dates

MELISSA

That would be fun, are you done  
yet?

MELANIE FOX

I just admire how much Charles love cooking, I wish my husband was just like him

GEORGE FOX

Well I told you when we got married, I handle the money you handle the kitchen

KAREN DAVENPORT

I don't know, maybe it was because we use to spend a lot of time together when he was a kid, and he would be watching me cooking and asking a lot of questions

CHARLES comes out of the kitchen bringing with him the food, and putting it at the center of the table.

CHARLES

There you go

KAREN DAVENPORT

And look at him now, he's better than me

CHARLES

Of course I'm better than you, you should at least watch the food network and you'll improve

MELANIE FOX

As long as you're living with them I don't think she's going to need to learn

They laugh at the comment and MELISSA opens a bottle of wine and starts serving everyone in the table.

MELISSA

OK, before we start, let's make a toast

They all raise their glasses and look at MELISSA.

MELISSA (CONT'D)

For the wonderful moments your going to spend at the cruise

KAREN DAVENPORT

Oh could you two stopped already, Edward made the same comment just a few hours ago, I think we should let them do whatever they want

MELANIE FOX

I agree theirs no rush for you two to get married

MELISSA

Mom, we're not even dating

GEORGE FOX

You hang out together most of the time, I call that dating

MELISSA

Whatever dad

 care

CHARLES  
 Yeah mom, don't worry

CHARLE'S MOM gets inside the van where the OTHERS wait for  
 her, and the van drives away, MELISSA waves goodbye lazily  
 from the front door, she's still in her payamas.

CHARLES (CONT'D)  
 Wanna go jogging with me?

MELISSA  
 You gotta be kidding

MELISSA turns around and closes the door.

CHARLES  
 Sweet dreams!

CHARLES starts jogging, and he just goes one block when he  
 stops mesmerize by the site of JOHNNY shirtless gardening his  
 lawn.

CHARLES points at his house

JOHNNY

Cool, maybe we can hang around

CHARLES

JOHNNY

INT. MALL - DAY

MELISSA walks out of the dressing room. CHARLES's sitting at a sofa just outside.

MELISSA

What do you think of this one?

CHARLES stands up and starts watching MELISSA and arranging a little bit the dress.

CHARLES

I don't know, I mean it's fine, I  
just don't love it

MELISSA

Yeah you're right, there's just  
something missing

CHARLES

That's it change it

MELISSA walks back to the dressing room, still talking to CHARLES.

MELISSA

So who's the mysterious guy?

CHARLES

What guy?

MELISSA

Don't play innocent with me, you  
made a call to an unidentified  
number from your cell

CHARLES

You spied on my cell again?!

CONTINUED:

MELISSA

Honey, your mother told me to take  
care of you

MELISSA comes out of the dressing room, and they start  
walking out the store.

CHARLES

It's from our neighbors

MELISSA

That's why the number seemed  
familiar

(pause)

So, what did they said?

CHARLES

I don't know how to tell you this

MELISSA

Tell me what?

JOHNNY walks out of a store and stops right in front of them,  
he shakes hands with CHARLES.

JOHNNY

Hey how are you?

CHARLES

I'm fine, this is my friend...

JOHNNY

(interrupting)

Melissa, I already met her

MELISSA

(coming out of her shock)

Hi

MELISSA turns to look at CHARLES, and very subtle she kicks  
CHARLES leg.

JOHNNY

It seems my mother can't stop  
shopping, she keeps coming here

MELISSA smiles from ear to ear

MELISSA

You should call me next time you  
come, I happily join you

CONTINUED: (2)

JOHNNY

I didn't know if you were available

CHARLES

CHARLES looks at his watch.

CHARLES

JOHNNY

Sure thing, bye guys

JOHNNY walks away, CHARLES starts walking fast towards the entrance, MELISSA chases him.

MELISSA

Charles Davenport! Stop right now!

CHARLES stops and turns to look at MELISSA.

CHARLES

How was I suppose to know we met the same guy!

MELISSA

I met him first, so back off honey

CHARLES

He's gay!

MELISSA

In your dreams! Not because you're gay means that every hot guy's gay!

CHARLES

He's totally hitting on me

MELISSA

No he's not!

have to go

CHARLES start walking again. And then stops and turns to

MELISSA

It's so typical of Charles, ever  
since I met him we fight over the  
same boy, and he always thinks that  
everybody's gay! I mean come on!  
Besides I met Johnny first, he has  
to step aside

EXT. MELISSA'S HOME - SAME

MELISSA steps down of CHARLE'S car, and before closing the door she tells him.

CHARLES

Sorry I'm late

ANDREW

No problem, I hate when my  
girlfriend does that

CHARLES

I know  
(pause)  
Women

ANDREW

stretching his legs, MELISSA tries to do the same but she  
can't reach the floor, JOHNNY notices this and walks up to  
her to help her stretch more

JOHNNY  
You know for a girl you don't have  
that much flexibility

the mornings

MELISSA

Yeah, well I just sort of started  
doing that recently

towards them, she's wide eyed and tries to find a place to  
hide.

ERICK

MELISSA starts grabbing her pony tail, and playing with her  
hair.

ERICK

Do I still make you nervous?  
(to Johnny)  
We dated for two years, trust me I  
know when this girl's nervous

JOHNNY

Really?

MELISSA

Yeah, well that was along time ago,  
and no Erick I'm not nervous

ERICK

You look gorgeous  
(to Johnny)  
Doesn't she?

JOHNNY

Yeah

MELISSA

Thank you guys, now you're making  
me feel uncomfortable

ON THE OTHER SIDE OF THE PARK

CHARLES arrives with his dog, he whispers something to him,  
and unleashes the dog, who starts running towards the OTHERS,  
the DOG knocks ERICK down, CHARLES runs up to them, CHARLES

going to the girl's room

MELISSA stands up with the help of ERICK and walks funny to the bathroom, as soon as she closes the door, there's a brief moment of silence between the boys, then ERICK turns to CHARLES and grabs him and gives him a kiss on the lips, and starts rubbing his jeans, CHARLES breaks the kiss surprised and pushes ERICK back

CHARLES  
(whispering)  
What are you doing?

ERICK  
Don't you like it?

ERICK tries to kiss CHARLES again, but CHARLES moves back.

CHARLES  
(whispering)

MELISSA'S wide eyed and red furious by CHARLES comment, and she's about to say something but ERICK interrupts her.

ERICK

I won't take long, I'll just clean myself up

MELISSA

OK

MELISSA walks away with ERICK, but constantly looking back at CHARLES who stayed with JOHNNY at the park

CHARLES

I'm sorry about that

JOHNNY

Don't worry, I love dogs I use to nurse them, I know they can get a little wild sometimes

JOHNNY plays a little bit, with CHARLE'S dog.

CHARLES

Well chuck, really likes you, look at him

The dog starts licking JOHNNY'S face.

CHARLES (CONT'D)

CHARLES continues eating his ice cream.

JOHNNY

I'm talking about the movie

CHARLES

Oh, yeah the movie, it was good

JOHNNY

I thought you didn't like it since you were staring at me the whole time

CHARLES is just taking the spoon full of ice cream in his mouth, his eyes go big, and leaves the spoon there for a moment

CHARLES

I wasn't staring at you

JOHNNY

Yes you were

CHARLES

OK I'm busted, you had whip cream all over your face from the coffee, and I just couldn't concentrate

JOHNNY laughs a little bit, and continues eating his ice cream

JOHNNY

That's why I hate cappuccinos

CONTINUED:

CHARLES

So anyway, did you left a heart  
broken back where you come?

JOHNNY

Florida

CHARLES

It's that a girl?

JOHNNY

It's a state, I'm from Florida

I mean I did know Florida was a  
state

(pause)

from

(pause)

Florida

CHARLES takes another spoon full of ice cream into his mouth.

JOHNNY

You're funny

(pause)

And no, I didn't left someone back  
home

CHARLES

Cool

JOHNNY

It's not cool when you're almost 20  
and still single

CHARLES

You never had a boy I mean  
girlfriend before?

JOHNNY smiles

JOHNNY

No, never, how about you?

CHARLES

Never too

CONTINUED: (2)

JOHNNY

have to go

They both stand up

CHARLES

I'm sorry, you want a ride back?

JOHNNY

No thanks, she's actually waiting  
for me outside, it's embarrassing  
when she does that

ANDREW and JENNIFER, his girlfriend, arrive to the table.

CONTINUED: (3)

ANDREW  
Hey Charles

CHARLES  
Hi Andrew

JOHNNY  
Well I gotta go

CHARLES  
Yeah, OK, talk to you tomorrow

JOHNNY  
Sure

CHARLES turns to ANDREW and JENNIFER.

ANDREW  
Did we interrupt something?

CHARLES  
No, he was leaving

ANDREW  
Good, this is my girlfriend  
Jennifer

CHARLES and JENNIFER shake hands

CHARLES  
Nice to meet you

JENNIFER  
So you're the one who steals my  
boyfriend away every afternoon

ANDREW  
Jen, we talked about this, I need  
to pass this test

JENNIFER  
I could help you with that

ANDREW  
Yes I know you can, but I could not  
concentrate if I'm with you

CHARLES is just there looking at them, not really knowing  
what to say or do.

ANDREW (CONT'D)  
Can we sit with you?

CONTINUED: (4)

CHARLES

Sure

JENNIFER pinch ANDREW'S arm

ANDREW (CONT'D)

Hey auch! That hurt, it's the true, he did looked pretty gay, you're gay you should know when a guy it's a gay

JENNIFER

Can you stop saying that word

CHARLES roles his eyes, ANDREW takes the spoon from CHARLE'S ice cream and takes some winking at CHARLES.

ANDREW

I love chocolate

JENNIFER

Andrew! Why are you acting like such a little kid

ANDREW

What?! He doesn't mind I take some of his ice cream  
(to Charles)  
Right?

ANDREW rubs his leg under the table to CHARLES, CHARLES quickly takes his legs back

CHARLES

No, go ahead, I'm full anyway

ANDREW

See

CONTINUED: (5)

ANDREW, takes more ice cream.

JENNIFER

There's Christina, I'm gonna go say  
hi to her, see you at the cinema?

ANDREW

Yeah I'll be right there

JENNIFER

Nice to meet you Charles

JENNIFER stands up and leaves the table.

CHARLES

She doesn't look really happy

ANDREW

I know it pisses me off, she's  
always like that all bossy and know  
it all, and jealous

(pause)

She's always on top of me

(pause)

Not that I mind people being on top  
of me

ANDREW winks at CHARLES and again rubs his leg to his.

ANDREW (CONT'D)

You know what I mean

CHARLES laughs nervously, then MELISSA arrives

CHARLES

Hey Melissa, finally!, Should we go  
now?

MELISSA stares at CHARLES for a moment, then he looks at  
ANDREW.

MELISSA

Yes, I'm sorry to interrupt Andrew,  
but we need to go

ANDREW

No problem, see you tomorrow at 5?

CHARLES

Yeah sure, like usual

CHARLES stands up and walks away with MELISSA.

CONTINUED: (6)

CHARLES (CONT'D)

Thank you so much for saving me  
from Andrew, he was all over me,  
even in front of his girlfriend

MELISSA

You mean, Jennifer?

CHARLES

Yeah, you know her?

MELISSA

Yeah, she was in one of my classes,  
it's a cool girl, I thought they  
broke up

CHARLES

Apparently not, but he was all over  
me

MELISSA

Maybe you should date him

CHARLES

Are you kidding?

MELISSA

He's hot

CHARLES

Yeah, he's hot, but I don't know, I  
don't like him

MELISSA

Maybe you should give him a chance

CHARLES

You would love that so you can stay  
with Johnny

MELISSA stops walking

MELISSA

OK, about that

CHARLES stops and turns around to look at her.

MELISSA (CONT'D)

Let's make a truce

CHARLES

You're quitting already?

CONTINUED: (7)

MELISSA

I'm not quitting but it's  
ridiculous that we're fighting  
about it

(pause)

We're not in high school anymore

CHARLES

I guess you're right

(pause)

So

(pause)

That means we're friends again?

MELISSA

Sure

CUT TO:

INT. CHARLE'S KITCHEN - DAY

CHARLES is still wearing his PJ's, he's finishing cooking  
breakfast when MELISSA comes in from the patio door.

CHARLES

You know, usually people knocks  
before coming in

MELISSA

Not really into knocking

MELISSA sits in front of CHARLES setting a couple of movies  
on the table

CHARLES

Specially if they're not getting  
into their own homes

(pause)

I can sue you for this

MELISSA

Well go ahead, I'll just say that  
you drugged me and attacked me  
sexually

CHARLES

Like you can prove that

MELISSA

Honey you gotta hurry, I know you  
look sexy as hell but I don't know  
if Johnny is into PJ's

CONTINUED:

CHARLES

Can you just let me finish my  
breakfast in peace, what are we  
watching anyway

MELISSA

She's the man

CHARLES

Interesting choice, considering  
he's gay

MELISSA

(faking laugh)

Ha ha very funny mister, he's  
straight, plus I like the movie,  
and so do you so shut up

CHARLES stands up and puts his plate in the sink.

CHARLES

OK I'm done, I'm going to take a  
shower and be right out

MELISSA

Don't take to long, I get bored in  
this house

CHARLES

You chose the place

MELISSA

Yeah well my place is really a  
mess, and you always clean up so I  
guessed that your house was in  
better shape

(pause)

And I was right

CHARLES leaves the kitchen and runs up to his room.

CUT TO:

INT. CHARLE'S DRESSING ROOM - SAME

CHARLE'S trying out some clothes

MELISSA and JOHNNY are seating in front of the TV.

CHARLES

Hey Johnny

MELISSA

Charles, what were you doing up  
stairs, you're such a girl when you  
shower

CHARLES

Just because you're a tom boy,  
doesn't mean everybody should look  
bad

MELISSA

(to Johnny)

Does it take that long to you to  
shower?

JOHNNY

Well it depends, if I'm going out  
to party or something, yeah

CHARLES

See, it's perfectly normal

MELISSA

We're watching movies, this is not  
a party

JOHNNY

But it's his house and he's having  
us as guests, so it can apply

CHARLES just makes a gesture with his hands pointing at  
JOHNNY.

MELISSA

Which side are you Johnny? You're  
suppose to be on the girl's side  
not the gay guy side

JOHNNY turns to CHARLES

JOHNNY

You're gay?

CHARLES freezes for a second

CONTINUED:

CHARLES

Yeah, I'm  
 (pause to look at Melissa  
 evilly)  
 Gay

JOHNNY

Cool

MELISSA

What do you mean by cool?

JOHNNY

Don't worry I'm not gonna beat him  
 or anything, I'm cool about  
 people's sexuality, my mother's  
 brother is gay, are you a les?

MELISSA

What?! No, I'm not a lesbian

JOHNNY

(laughing)  
 I'm kidding you don't look like a  
 lesbian

CHARLES

So you mean I look like a total  
 fag?

JOHNNY

No, I mean, no,  
 (pause)  
 What movies you've got

MELISSA grabs the movie from the table and winks at CHARLES  
 about the abrupt change of subject of JOHNNY.

MELISSA

She's the man

JOHNNY

(pause)  
 I love that movie

CHARLES

We can play a game or something if  
 you don't like it

JOHNNY

No it's OK I'm fine with it

CONTINUED: (2)

CHARLES  
Well I'll get the popcorn

CUT TO:

INT. CHARLE'S LIVING ROOM - SAME

JOHNNY's sitting in the middle of CHARLES and MELISSA, the three of them are half awake, half asleep, CHARLES sighs out loud.

CHARLES  
Well guys is not that I'm throwing you out, but Andrew's about to arrive and we need to work on his math

MELISSA  
You mean your boyfriend is about to arrive and you're going to get jiggy with it

JOHNNY laughs. And CHARLES stands up.

CHARLES  
First of all he's not gay, and second even if he was he's not my boyfriend

MELISSA stands up and grabs JOHNNY by the hand.

MELISSA  
Let's go friend, let's give him so privacy

CHARLES rolls his eyes and walks them to the door, he starts cleaning up a bit the glasses and the plates with some popcorn left, when the door bell rings, he opens it and it's ANDREW with a small backpack.

CHARLES  
Hey there, come on in

ANDREW  
Thanks

CHARLES  
Let me just clean up here and we're start on your math

CONTINUED:

ANDREW

Yeah sure, don't worry about it,  
I'm not in a hurry or anything  
(pause)  
You had a party and didn't invite  
me?

CHARLES

I just had Melissa and a friend  
over to watch a movie, you're not  
going to see your girlfriend today?

CHARLES walks to the kitchen ANDREW following him behind.

INT. CHARLE'S KITCHEN - SAME

CHARLES comes in with some dishes in his hands, ANDREW  
follows him.

ANDREW

No, we sort of had a fight

CHARLES

Really? Why?

ANDREW

I really don't want to talk about  
it, you know, it's the usual, she's  
so jealous and doesn't let me  
breathe, I need my space man

CHARLES starts washing the dishes of the morning and the ones  
from the movie, ANDREW sits on the counter.

CHARLES

Yeah I get it, sorry about it

ANDREW

Look at you, how come you're still  
single, I mean, you cook, you're  
very clean around the house,  
everything is in order, you're  
already a housewife

CHARLES

I'm not a housewife

ANDREW

Don't get me wrong, it's a  
complement

CONTINUED:

CHARLES

A complement?

ANDREW

Yeah, like you've been alone for a few days and your house, I think it looks better than when your parents were here

CHARLES

Well I guess you're right then, I just like a clean house, but who doesn't?

ANDREW

So, why are you single?

CHARLES

I...just... Don't know...

CHARLES stops doing the dishes and turns to ANDREW.

CHARLES (CONT'D)

I guess, I'm afraid

ANDREW

Afraid of what?

CHARLES

Of messing things up, of not being able to have a descent relationship for long

ANDREW

Would you like to try it?

CHARLES

I don't know, I mean I still need to find someone

ANDREW

I mean, would you like to try it with me?

CHARLES's silent for a moment, looking at ANDREW with a serious expression, ANDREW comes down the counter and starts slowly approaching CHARLES but the phone rings, CHARLES takes the phone and answers.

CHARLES

Hello?

(pause)

(MORE)

CONTINUED: (2)

CHARLES (CONT'D)

Johnny how are you

(Charles smiles for the  
first time during the  
conversation)

I'd love to go man, but actually,  
I'm kinda busy, Andrew's test is  
the day after tomorrow and we're  
having a long day of study

(pause)

Yeah well, maybe some other time

CHARLES hangs up and now ANDREW's very serious.

CHARLES (CONT'D)

Sorry that was a friend

ANDREW

No it's OK, I get it, you're seeing  
someone

CHARLES

It's not like that it's just

ANDREW

(interrupting)

No I get it, you never smile like  
that when you're with me

(pause)

Look just forget what I said

ANDREW takes his bag and leaves the kitchen and CHARLES  
house, CHARLES stays at the kitchen frozen.

EXT. PARK - DAY

MELISSA'S walking with a basket in her hands, JOHNNY'S right  
beside her, carrying the drinks, when they arrive to their  
spot, MELISSA starts arranging all the stuff on the grass.

JOHNNY

It's a shame Charles couldn't come,  
don't you think

MELISSA

Well we can do it again some other  
time with him, but today it's our  
day

JOHNNY

He he you're right, so what you  
made for lunch?

CONTINUED:

MELISSA

Me? Cook? Ha, I bought some subs at a deli

JOHNNY

You bough it?

MELISSA

Hey! Like you said Charles didn't come, and he's my personal chef

They both sit down, and JOHNNY pours the soda.

MELISSA (CONT'D)

So, tell me how do you like it here so far?

JOHNNY

Well it's nice, I mean you've been really nice to me, otherwise I wouldn't have like it at all

MELISSA

Is it that bad?

JOHNNY

Well I'm just not use to the whole big city thing, I rather go back to my home town

MELISSA

What would you do there?

JOHNNY

I'd love to put a really cool bar snack type of thing at the beach, you know, for parties and having a good time with your friends and all

MELISSA

So you're like an entrepreneur

JOHNNY

Well you can call it that way, how about you? What do you want to do?

MELISSA

I don't really know, I mean I'm just starting college, so I guess it's going to be a while until I have to worry about that

CONTINUED: (2)

JOHNNY

So, let me get this straight,  
you're studying a mayor without  
really knowing why?

MELISSA

No, I mean, I love the media, show  
business you know that stuff, is  
just that I still don't find the  
right place in there for me

MELISSA has something at her lips, and JOHNNY gently with his  
hand cleans her up.

MELISSA (CONT'D)

You know you're really sweet

JOHNNY

(blushes)  
Thanks

MELISSA

Don't blush, because you will only  
look cuter

JOHNNY

(laughing)  
Stop it already  
(pause)  
So how did you met Charles?

MELISSA

Well, don't tell him I told you,  
because he's always very  
embarrassed about that, we were at  
school, like on first grade

JOHNNY

Wow first grade

MELISSA

Yeah I mean we've been neighbors  
our whole lives, so this kids were  
bullying him, and I sort of rescued  
his lunch from this kids

JOHNNY

So, it's like you're his hero?

CONTINUED: (3)

MELISSA

Sort off, he has always been like  
the weak one, my parents never  
notices that I'm always bossing him  
around

JOHNNY

You're so mean with him

MELISSA

Yeah but I love him anyway

JOHNNY

You mean like love him?

MELISSA

No, love I mean like him, eeuu, no  
I would never love Charles, he's  
like my brother

JOHNNY raises his glass

ANDREW

Hi

JOHNNY

I was waiting for you, we were  
suppose to finish your studying  
today

CONTINUED:

ANDREW

Don't worry about that I think I've got everything I needed to know, one more day of studying it's not going to help me

JOHNNY

Yeah, well

(pause)

About yesterday, I'm sorry, I mean this summer we've got to know each other better, and I like you, but as a friend, I don't have a boyfriend, I'm not dating anyone, is just that I rather have you as a friend

We see JENNIFER coming down her car, and walking towards the BOYS, she gives ANDREW a big kiss and a hug.

JENNIFER

How are you baby?

ANDREW

I'm fine

JENNIFER

Did I interrupt anything, I thought I was going to help you with math

CHARLES

I just came to give Andrew a book he forgot at my place, well I gotta go now, good luck with your test

CHARLES starts walking away muttering.

CHARLES (CONT'D)

Stupid, stupid, stupid, and I was freaking feeling sorry for him, aah!! Men!

EXT. JOHNNY'S HOUSE - DAY

CHARLES is driving down his block, when he sees, MS. REED, Johnny's mother, having trouble with the bags from the supermarket, CHARLES parks his car at his driveway, and walks to Johnny's house to help his mother.

CHARLES

MS. REED

CHARLES starts putting back in the bag some stuff that rolled out from them during the ride, and they both walk inside the house to put everything inside the kitchen.

INT. JOHNNY'S KITCHEN - SAME

CHARLES puts the bag on the counter, and starts helping MS. REED arranging the stuff in the kitchen.

MS. REED

I thought you were going out for a picnic today

CHARLES

I couldn't go I had some stuff to do

MS. REED

Now that you said that I think Johnny said something about it

CHARLES

Yes I was tutoring a friend from school to help him pass a test

MS. REED

That was so nice from you, are you missing your parents?

CHARLES

Well, the house a little quiet, without my mother there, but it's OK they needed a vacation, and I could use the time by myself you know

MS. REED

He said that your house even cleaner than ours

CONTINUED:

CHARLES

That's not true, they just make fun of me because I'm always doing something, and not just messing things up now that my parents aren't home

MS. REED

Well your parents did a great job with you then, I'm sure they're very proud

CHARLES

Thank you, they better be proud of me

MS. REED

How modest

(pause)

My son told me that you're very good at cooking, I love cooking myself

CHARLES

Really? Well the thing is my mother isn't exactly a chef at the kitchen so I had to do something in order to survive

MS. REED

Why don't you stay for dinner and we'll cook something nice for dinner, that way we both could teach each other a few tricks?

CHARLES

Well, thank you

FADE TO:

INT. JOHNNY'S KITCHEN - NIGHT

JOHNNY enters to the kitchen and finds CHARLES helping MS. REED making dinner.

MS. REED

Well honey, thank you I had a very nice day

JOHNNY

Hi mom

CHARLES and MS. REED are finishing dinner, and are setting up the plates.

CHARLES

We call it up early, Andrew didn't felt like studying much, and well I saw your mother having trouble with the bags from the supermarket and help her out

MS. REED

And I invited him to dinner, you were right Johnny, he's very good at cooking, I feel like I'm a student beside him

CHARLES

Of course not you're pretty good yourself, OK check this soup, how is it?

MS. REED approaches the stove and with a spoon tastes the soup CHARLES making.

MS. REED

It's really good

CHARLES

It doesn't need more salt?

MS. REED

No it's fine like that

JOHNNY sits down and watches CHARLES and his mother.

MS. REED (CONT'D)

You know, Johnny never brings his friends home much, I never got to meet anyone back in Florida

CHARLES

But I thought you lived in a small town

JOHNNY

Yeah but never really had someone over

CONTINUED: (2)

MS. REED

Everything I knew of his friends  
was from their mothers, but not  
from them

CHARLES

Well it's a pleasure then

JOHNNY stands up and he's about to put his finger to taste  
the soup, when CHARLES grabs his hand and doesn't let him.

MS. REED

Oh no sir!

CHARLES

Go and wash your hands, we'll be  
serving dinner in 5

MR. REED

Well it was about time that you  
invited Charles to dinner, since  
you spent the whole summer with him

JOHNNY

Yeah well, it never occurred to me

MS. REED

We trust Johnny here, but since we  
moved to LA, well it's been hard  
for us to get used to the whole  
metropolis thing

CHARLES

Well once you get used to the city  
you sort of like it I guess, I  
can't imagine myself in a small  
town

CONTINUED:

MR. REED

Well small towns are not bad at all, you get to know everyone, it's more safe

JOHNNY

The thing is Charle's gay, so I guess that would be a trouble in a small town like ours

CHARLES stops abruptly eating and looks shocked at JOHNNY for his comment.

MR. REED

Don't put that face, we may be from a small town but we do understand the liberty of choosing a lifestyle

CHARLES breaths out.

MS. REED

And I guess Johnny's right, you wouldn't have many choices in a small town, and probably a lot of trouble trying to fit in

MR. REED

Does your parents know?

CHARLES

Only my mother, I still don't want to tell may father

MR. REED

Why all sons have such a hard image of their fathers, I still don't get it, you should tell your father, give him more credit

MS. REED

If he throws you out of your house, you're more than welcome to spend the holidays with us

JOHNNY

Mom!

MS. REED

It's a joke honey

CHARLES laughs.

CONTINUED: (2)

CHARLES

I'll keep that in mind thanks

MS. REED

And your mother, how did she took it?

CHARLES

Great, no trouble at all, I think she took it too good in fact, she's always trying to play match maker with me, it's really embarrassing

JOHNNY

Well you know, maybe she knows that it's going to be hard to find someone that can stand you

ERICK

I'm not going to open the door,

JOHNNY

We're not interrupting or anything?

ERICK walks down the stairs still in his boxers.

ERICK

Who was it?

ERICK stops rubbing his eyes and sees the boys there.

CHARLES starts taking things out of the fridge and looks for other things, JOHNNY looks for the pan, and starts taking out other tools that CHARLES may use, they both start working on breakfast.

CHARLES

I didn't know you knew how to cook

JOHNNY

Well it's not like I know how to  
cook, but I do know myself around  
the kitchen

MELISSA and ERICK enters the kitchen, sit at the counter and watches the boys work.

MELISSA

I didn't know we had that pancake  
stuff

CHARLES

Really? I'm surprised it seems you  
haven't opened that fridge since  
your parents left

MELISSA

I have opened that fridge

CONTINUED:

CHARLES

Really? Then why's all that food  
that your mother left you still  
there

MELISSA

She left me food?  
(pause)

Wow

ERICK

You should be ashamed that they're  
doing all the cooking and not you

MELISSA

Well that's why I have them as  
friends

(pause)

Johnny you cook!

JOHNNY

Yeah, not as good as Charles, you  
should have seen him last night  
cooking with my mom

MELISSA

You cooked with Johnny's mom?

CHARLES

Yeah, she invited me over for  
dinner

JOHNNY

My father like you a lot

MELISSA

(sarcastic)

We see a montage of each of them preparing themselves for the game, putting on all the necessary gear, and loading their weapons, the goal of the game is to stay "alive" and too grab the other team's flag, everybody runs to their stations and the game begins, we see CHARLES behaving like a professional soldier, eliminating a BLUE TEAM MEMBER, then MELISSA eliminating a RED TEAM MEMBER, they seem to be looking for someone, they are hunting each other, they don't care about the flag or the game, a bullet passes by near CHARLES and he turns to see MELISSA behind him, he jumps and rolls over covering himself behind some sand bags as soon as he's in place he watches ANDREW right in front of him, he quickly shoots before ANDREW eliminating him, after that he runs to other place, trying to find a better spot to hunt Melissa, we see a RED TEAM MEMBER shot by MELISSA, then she finds JENNIFER, who's no match to MELISSA and ends up eliminated, CHARLES is still looking for Melissa, he finds ERICK, apparently he saw someone, they mouth to each other to cover themselves, CHARLES looks to find JOHNNY, walking to the other side, CHARLES gives sign to ERICK that it's OK to go, and ERICK starts running to Johnny's direction but he's not there anymore, CHARLES comes out of his hiding following ERICK, and then ERICK gets shot by MELISSA, so finally we have MELISSA and CHARLES face to face ready to shoot each other, they're waiting for the other to do something, when they hear a noise they both turn at the same time and shoot, after shooting they realize they just shot JOHNNY out of the game, and then the alarm announcing that the red team won the blue team's flag.

JOHNNY

Well yeah but the point is shooting the member of the other team not your own

MELISSA

I'm so sorry Johnny, but I was so stress out! I finally had Charles in my sight!

CHARLES

obviously hitting on you

CHARLES

You think so?

MELISSA

CHARLES

But he's sort of all over you too

They both silent again

MELISSA

really lost about him, I don't know  
what to think anymore

CHARLES

I guess you're right, so, are we  
over him?

INT. CAFE - DAY

The cafe is full of people, there's not an empty spot in it, CHARLES is sitting at a table at the back and besides the window, he's drinking a coffee and reading a magazine, he raises his head when he sees JENNIFER sitting right in front of him, she seems upset.

JENNIFER  
I hope you're happy now, Andrew  
just dumped me?

CHARLES  
What are you talking about?

JENNIFER  
That now I'm not in your way,  
finally you seduced my boyfriend,  
and now he's gay like you

The people at the cafe start staring at them CHARLES notices this.

CHARLES  
Look, I don't know what you're  
talking about, I didn't seduced  
Andrew, and I don't need this right  
now

CHARLES stands up and walks towards the front door of the cafe, when he opens the door he bumps into ANDREW.

ANDREW  
Hey, I thought you would be here

CHARLES looks at him then at JENNIFER and leaves the place leaving ANDREW behind.

EXT. JOHNNY'S HOUSE - DAY

The front door opens revealing JOHNNY, MELISSA standing at the front, JOHNNY closes the door behind him and they both sit at the front steps of his house.

MELISSA

I don't know where to start

JOHNNY

How about from I'm sorry

MELISSA

Yeah I'm sorry

(pause)

Look I don't know what happened to me this morning

JOHNNY

I thought you two liked me and wanted to be my friends, not just trying to get it on with me

MELISSA

It's not like that, we do like you, you're a great guy

(pause)

And there aren't many great guys out there, is just that Charles thinks every guy he likes is gay, and he can't stand it when he sees someone interested in me

JOHNNY

What makes you think I'm interested in you?

MELISSA

You mean you do like Charles?

JOHNNY

See what I'm talking about?, you're right now just trying to hit on me instead of apologizing

JOHNNY stands up and MELISSA follows him trying to stop him from getting inside his house, but she's interrupted by her cell phone.

MELISSA

Hello?

(pause)

What now Erick?

JOHNNY slams his door.

CONTINUED: (2)

MELISSA (CONT'D)

(pause)

I'm just a block away I'll be there

EXT. MELISSA'S HOME - SAME

ERICK is at the front door sitting in one of the chairs there, when MELISSA arrives.

ERICK

Where were you?

MELISSA

It's not of your business, what do you want?

ERICK

He haven't talk about what I asked you the other day

MELISSA

About what?

ERICK

Of

(pause)

Us!

MELISSA

Erick, there is no us, look we had our chance, you blew it, maybe we both blew it, but the thing is, we're not together anymore, and we won't be, so just get over it

ERICK

But Melissa

MELISSA

Erick, just go

(pause)

Please

ERICK lowers his head and walks away, MELISSA stays outside her house, and sees CHARLES car parking at his house, he comes out, and she sees that he's upset too. MELISSA walks over to him.

EXT. CHARLE'S HOUSE - SAME

CHARLES is looking for his keys inside his pants when MELISSA approaches him.

CONTINUED:

CHARLES

You know, I'm really having a bad day, so just save what you've got to say until tomorrow

MELISSA

I'm just here to tell you I'm sorry

CHARLES

Apology accepted so now if you don't mind, I'll get inside

CHARLES walks to his front door and opens it. MELISSA follows him.

MELISSA

I'm mean it Charles, I don't want to be like this

CHARLES turns to look at her.

CHARLES

Yeah, I'm still having a bad day, wanna drink something?

MELISSA

That would be good.

CUT TO:

EXT. CHARLE'S POOL - SAME

MELISSA is sitting at one of the high chairs at the bar, right beside the pool, on the other side is CHARLES making some Margaritas. They're bot wearing bathing suits now. She's holding already a cup with a little umbrella on top of it.

MELISSA

She told you that?

CHARLES

Yeah, can you believe it? Andrew dumped her for me

MELISSA

Well he was totally hitting on you

CONTINUED:

CHARLES

Well yeah, but why would she think that I was the one responsible for that, can you believe her being in college and blaming me for her boyfriend being gay

MELISSA

She has never been that bright of a person

(pause)

I did the same with Erick

CHARLES

You did what?

(pause)

You dumped him?

MELISSA

Well, is not dumping, we were not dating, so

CHARLES

Good for you, I don't like him at all

(pause)

So Johnny is he mad?

MELISSA

Yeah I just made things worst by talking to him

CHARLES walks around the bar and goes and sit at the chairs by the pool to get some sun, MELISSA sits beside him.

MELISSA (CONT'D)

You know, we should not do this again

CHARLES

Fight for a guy?

MELISSA

Yeah it's silly

CHARLES

OK, let's not do it again

(pause)

I still think he's gay though

MELISSA

He's totally not

CONTINUED: (2)

They both look at each other and laugh

CHARLES  
Cheers

MELISSA  
Cheers

They drink from their beverages, they hear the door open and close, when they turn to look who is it, they see JOHNNY standing there.

JOHNNY  
Hey guys

CHARLES  
Hey, do you wanna tan with us, I have another bathing suit in my room

JOHNNY  
Yeah thanks, let me go get it

CHARLES  
You want me to come?

JOHNNY  
I'm cool

JOHNNY goes inside the house, MELISSA turns to look at CHARLES who's still staring at the now empty door.

CHARLES  
He's so into me

MELISSA  
As if!

CHARLES  
Shut up Cher!

MELISSA  
I just love the movie, and found the appropriate moment to quote her

CHARLES turns around taking another sip from his drink, he stands up and goes to the bar to prepare another round

CHARLES  
Do you want another one?

CONTINUED: (3)

MELISSA

Yeah I could use another one

JOHNNY comes out of the house wearing a bathing suit, a red very short one, MELISSA stares at him.

MELISSA (CONT'D)

Oh my god Johnny, that bathing suit should be illegal in you

JOHNNY blushes

JOHNNY

Shut up

JOHNNY looks at CHARLES who stopped preparing the drinks and is just staring mouth open.

JOHNNY (CONT'D)

Stop drooling on our drinks

CHARLES

Sorry

CHARLES continues with what he's doing while JOHNNY sits besides MELISSA. CHARLES brings them their drinks.

JOHNNY

Cheers

They all clap their glasses together and take a sip.

MELISSA

I'm sorry

JOHNNY

(interrupting)

I'm the one sorry, I'm just making a big deal out of this, but it's not what is bothering me

CHARLES

What is bothering you then?

JOHNNY

My parents decided to move back to Florida, they don't seem to fit here

(pause)

And to be honest neither do I

CHARLES and MELISSA are silent for a moment.

CONTINUED: (4)

MELISSA

Well you said you liked more your hometown, so you should be happy about it

JOHNNY

Yeah, is just that I'm going to miss you

JOHNNY is looking at his feet, and MELISSA's sad too.

CHARLES

OK stop that faces, we had a great time this summer, and you know, it's not like there's not internet and phones you know, you can call us, and we'll write

MELISSA

Yeah, and we could go visit you, or you can come here

CHARLES

That too

JOHNNY raises his head.

JOHNNY

Thank you guys, you're more than welcome at my place in Florida

MELISSA

Of course we'll go, and you can introduce us to all the hot guys in your town

CHARLES

Which I'm sure it's a genetic thing from that place, considering that your whole family is good looking

JOHNNY smiles at their comment, and hugs them.

FADE TO:

They are now wearing clothes, and are standing at the front door. JOHNNY is with MELISSA besides the couch.

JOHNNY

I'm very happy that I met you

MELISSA

It was a pleasure

JOHNNY gives her a kiss on the cheek and a hug. He then walks towards CHARLES who's at the door, trying to hold his tears.

JOHNNY

You're an awesome guy Charles

CHARLES

Thank you, you're too

JOHNNY puts one of his hands in CHARLES shoulder, and slowly approaches him, giving him a light kiss on the cheek too.

JOHNNY

MELISSA

Fine and you?

MELISSA sits besides CHARLES.

CHARLES

Fine, I'm just so busy with homework and stuff that I don't have time to cook something or to eat well

MELISSA

I know what you mean

CONTINUED:

MELISSA grabs CHARLES bar and takes a bite. A HOT FOREIGN STUDENT stands in front of them.

HOT FOREIGN STUDENT  
(British accent)  
Excuse me, do you know where is  
this classroom

The HOT FOREIGN STUDENT shows them a paper, MELISSA grabs it.

MELISSA  
Yeah, I know where it is, I used to  
take a lesson there

HOT FOREIGN STUDENT  
Can you show me?

MELISSA  
Of course

CHARLES  
What other lessons are you taking?

CHARLES grabs the paper from MELISSA'S hand.

CHARLES (CONT'D)  
You know what, I already did this  
course, I can help you if you need  
any help

MELISSA turns to look at CHARLES, he just smiles at her.

HOT FOREIGN STUDENT  
That would be amazing, I'm new  
here, and I'm already behind  
schedule in so many things, can you  
guys help me?

MELISSA turns again to look at CHARLES.

MELISSA  
Of course we can

They both stand up and walk with the HOT FOREIGN STUDENT,  
when he's distracted they both wish each other luck.
