is

Match cut to Chris with Red and blue flashing
lights bouncing off his face emulating Cop Cars

Chris looks dead and he looks very tired

We hear noises which appear to be tire screeches
and a car crash

He walks into the doorway of his house and puts a
shovel against the wall

He slowly walks to the washroom he looks down at
the bathtub and then looks into a mirror that is
slightly crooked...he fixes the mirror then leaves

INT. SCHOOL HALLWAY A COUPLE DAYS LATER

Chris watches yet again from a far at his dream
girl...this time she is sitting alone in the
hallway

She appears to have lost everything that made her
happy

Chris walks up to where she is and we see that he
is talking to her and quickly picking up
conversation with her and begins to sit down...he
then slowly puts his arm around her

THE END.
