SCENE 1 - CLOCK

FADE IN

int. - classroom - day - 2:55PM

TEACHER talking to a mostly full class. LOGAN (fifteen) sitting near the back of the class staring at the clock at the front of the room it reads 2:55pm, he has a blank/bored expression on his face.

LOGAN

(mumble) Why can't this day just end?

Logan sits at desk and turns to a new page in his book starts doodling/drawing. The drawing is a picture of himself in a wide open field with a girl, lots of balloons everywhere these are all stick drawings. Logan finishes drawing looks back up at the clock (time on clock is 2:57pm) with the same bored expression, then he looks around at his class mates and his best friend (ERIC) next to him and teacher (POV SHOT). He rest his elbow on the table, leans head on hand and starts to daydream.

CLOSE UP: LOGAN CLOSING HIS EYES

int. - classroom - day - 2:59PM

Friend tries to wake up Logan by poking his arm.

ERIC
(whispers) oi logan wake up Mr.
Bamford is coming.

Teacher walks up to Logan and slaps a ruler on his desk and
Which wakes him up, he jumps a little.

TEACHER
Mr. Smith, was my lesson
interrupting you nap.

LOGAN
(In a defeated tone)
No Mr.Bamford.

TEACHER
Then what were you doing, I don't
see any work in your book and what
are all these drawings. (Pause)
You're going to have to stay behind
now and catch up on work.

LOGAN
But sir there's only like 1 minute
of school left and I've already
done all of my work (shows work on
previous page)

School bell goes off.

LOGAN
Saved by the bell.

Logan shoves his book and other school stuff into his bag
and runs for the door.

FADE OUT
