

Fade In: center stage

INT. A DINING ROOM SET WITH MOM, DAD, DAUGHTER, AND SON.

the family is sitting while passing around the food and eating.

DAD
how was your day today everyone?

EVERYONE
(flatly)
good.

they all continue to eat for a moment.

SON
mom, dad, when do i get my permit
back?

MOM
ha, when we stop feeling angry
about paying for your speeding
ticket.

SON
but that will be forever.

MOM
well there's your answer.

SON
(shrugs)it's not like i was going
that fast.

MOM
you were caught going 60 in a 35
zone.
(pause)
just eat your dinner.

everyone goes back to eating for a few moments.

DAD
(speaking to daughter) so...meet
any cute boys today?

DAUGHTER
uhhh...no...

DAD
how about any cute girls?

DAUGHTER

what the...NO. why are you always asking me about my personal life? i have already mentioned that i would tell you if i was dating anyone.

(Pause)

and by the way, just because my best friend is gay, it doesn't mean i am.

DAD

okay okay...nothing wrong with a dad wanting to know whats going on in my daughters life. better to be an overprotective parent than underprotective, right?

DAUGHTER

NO.

SON

be quiet sis, lets talk about your hot friend. why does she have to be gay? i'm standing right here, and she doesn't want a piece of this???

DAUGHTER

nobody does little boy.

SON

(ignoring his sister)

man, i can't believe she's gay. my friends and i always talk about how we wanna-

DAUGHTER

don't even say it perv!

MOM

young man! i really hope you know how disrespectful that is. i never want to hear you say anything like that ever again. are we clear?

SON

yes ma'am.

DAD

look son, i know that all guys can think about at your age are sex, cars and money. it is very disrespectful. if you keep acting

(MORE)

DAD (CONT'D)

like that, you can miss out on a great opportunity.

SON

(winks)got it dad.

DAD

that is not what i meant. you obviously don't understand what your mother and i are trying to say. i think it's time we had the talk.

SON

what? NO. not now. not ever.

DAD

yes. i want you to be prepared for when the time comes.

SON

dad, i already know all of this stuff.

DAUGHTER

do i have to sit and listen too?

MOM

no, you-

DAD

yes, you have to.

mom and dad look at each other. dad stares her down and mom eventually looks away.

MOM

your father is right. stay and listen.

DAUGHTER

but all these two are going to be talking about are how to put on condoms and crap. its not my job to do that.

MOM

well, it is a good thing to know how to as well. for example, if a guy forces him to...ya know...give him oral...there is a great trick you can use to put a condom on by using your mouth and-

son and daughter drop fork

SON AND DAUGHTER

MOM!

MOM

you need to know this.

DAUGHTER

NO! this is gross. i'm leaving.

SON

me too. i can't eat any more.

son and daughter exit off stage quickly.

MOM

(speaking to dad) i don't get it?
it's good to know this kind of
stuff...right?

DAD

well...just bad timing. this is
dinner after all.

MOM

oh come on! you dragged me into
this whole conversation. YOU
started it. you can clean up.

mom gets out of chair aggressively and exits off stage.

dad follows quickly behind her.
