I thought maybe you wouldn't mind
grabbing another one, for this
romantic evening together.

Smiling as he knew she was expecting that he'd say he wanted
to make love.

KELLY

(laughing)

I know your not playing with my
emotions and desires mister.

She smacks him in a sexy fashion on his thigh and runs to
get the candle. She wants to make it back before the next
lighting strikes. Michael stairs at the storm while petting
the cat.

KELLY (CONT'D)

I'll be right back, let me go get
it!

Lighting strikes again.

KELLY (O.S.)

(frightened)

Screams!

BORIS

world. Every time I come with you,
I really understand more and more
about our friends.

Looking at the city and the people while traveling.

(CONTINUED)

MICHAEL

You just have to be very polite and respectful to their culture. The Chinese people are very intuitive and sensitive about their history. If your kind to them, they'll love you and understand that we're good people despite politics between our countries.

BORIS

I'm really starting to see that now. What's on our schedule for the day?

MICHAEL

First, I need to see Mr. Ming, he will probably want us to stay the night. Then I need to get online and let the guys know we're hear... He has a daughter that is just a doll that likes me and he knows it. He tries to get me to talk to her cause I think he wants me to take her out or something, but I can't do that to Kelly. Kelly and I have history together, you know?

BORIS

If he wants you to date his daughter, I think you should.

MICHAEL

What fuckin good are you man? Here I am telling you about my love for Kelly, and your telling me I should bang my business partner's daughter! I'm sorry, I forget that your a pimp.

BORIS

You really mean to tell me that you can't screw another women? You have problems!

MICHAEL

I have problems? Your an idiot! Of course I would screw another women, but not May Lin. I can't hurt that girl's heart, besides, she's only 21 years old.

(CONTINUED)

BORIS

Well,.. everyone has their own thoughts! Are you ready to meet my little brother? Your gonna get along with him real good.

MICHAEL

Yeah! Cormack tells me he is cool and that he has a crazy attitude about doing business.

BORIS

So Cormack and him get along?

Both of them laughing.

MICHAEL

Yeah man, he brings the guys a case of Vodka every time they meet up.

BORIS

No shit? He never tells the details, that little mother fucker!

MICHAEL

We're here. Be cool with his daughter and try not to check her out, OK?

BORIS

Your kidding right?

MICHAEL

(CONTINUED)

BORIS

MICHAEL

May Lin,. hello!

May Lin bows to Michael and smiles while very well pleased to see him. Mr. Ming notices his daughter's joy and smiles at Michael and answering to Boris.

MR. MING

Thank you Boris, come, let me show you my garden.

MICHAEL

I'll need my lab top from my luggage so I can contact the guys Mr. Ming.

MR. MING

(speaking Chinese)

Hurry! His computer May Lin!

May Lin walks fast to her fathers request and to be at service to Michael.

EXT. - OUTSIDE GARDEN - DAY

Red, purple, yellow flowers, green trees, and ponds full of big gold fish and floating paper boat models fills this scene with the Chinese culture. A wooden walk way through the garden takes them to a Chinese hut in the center of the garden where they sit down on pillows on the floor.

BORIS

You live the life Mr. Ming. Do you know how many girls I can fill this place up with? We can have a party like the one we had last week.

Boris says this in a joking manner as they are alone and no one is around to hear. They all laugh.

MR. MING

I would love to do that, but I have my daughter which is much like what her mother was like!

Saying this as his wife has passed on.

They sit down.

(CONTINUED)

MICHAEL

Information has come in that my men are having trouble at the boarder Mr. Ming. I would like it if you attend the meeting.

MR. MING

I'm aware of this problem! One of my operatives informed me of this. The problem is that the Chinese government enforced security with Tajikistan and Afghanistan last month to weed out terrorist from coming into the country. As you know the West side of China is mostly boarder to Muslim countries. This is a situation that has faded away, no need to worry Michael.

MICHAEL

We need to re-organize our operations to minimize risk.

MR. MING

What do you suggest we do?

MICHAEL

We can...

Stops talking as he sees May Lin approaching with his computer as she understands English.

MICHAEL (CONT'D)

Thank you May Lin.

May Lin bows to her heart's love, turns around and leaves. Michael sets up his lap top as it has satellite connection.

MICHAEL (CONT'D) (cont'd)

As I was saying. What I have in mind is fairly simple and smart actually! My guys can deliver the weapons into Afghanistan, because the Chinese Boarder Security do not check out going vehicles. And your men can pick up the shipments of the drugs one mile outside the boarder before entering China. This works out because your organization has more influence than we do, plus we take all the risk providing security, avoiding an attack from the Taliban or terrorist. You see,

MICHAEL (CONT'D) (cont'd)
we have built a solid relationship
with the Warlord and we're well
informed of what routes to take.

MR. MING
I think it's a very good idea, but
can you insure security up to the
boarder?

MICHAEL
We can, but we take the risk of the
Chinese government noticing an
affiliation as they have high
security measures being
implemented. I'm afraid, once we
deliver the goods to your men, our
job is done.

MR. MING
Please, let's have some tea, it is
good for the soul. We have an
understanding Michael. The demand
from my connection in Europe is
requesting bigger amounts! I'm
afraid I have no choice but to
agree. I understand the situation
very well, and you're right. Drink!

Toasting to the cup of tea honoring the trust and
relationship.

BORIS
This is good stuff Mr. Ming!
Michael, what is the plan with the
weapons!

MICHAEL
With YURI we are not changing
anything. We'll continue to buy the
weapons on the boarder of China and
Altay. Altay is safe for us and
security between the Chinese and
Russians is not as high! We'll pick
up the weapons and travel them
through China to Afghanistan. This
is the only way I will continue
doing business, we have to much to
risk! Besides, the Warlord gives me
more than what the weapons are
worth only because we're the only
ones in the region providing them
weapons. The US Military still has

a lot of influence in Afghanistan.
Which works out for you Mr. Ming
because we don't care for the
drugs, you keep the difference. We
make our money with the Warlord
when we deliver the weapons.

MR. MING
So are we all set for the meeting?

MICHAEL
Not yet. We'll be meeting at the
safe house. We'll need to leave
early in the morning. Boris, I need
you to call your brother and have
him attend the meeting. He'll need
to travel all day, but let him know
that I want to meet him in person,
he'll come! Mr. Ming, can you
provide transportation?

MR. MING
Yes, I've already set this up for
us.

Screen pops up: Operation "GO GET EM"

MICHAEL looks up at Boris and Mr. Ming while logging in.

As they toast to another cup of tea Mr. Ming pored.

Michael types away.

Meeting at 7:00 P.M. two days from today, tell Ra shad that
he needs to attend. Safe house.

Michael closes his computer.

MICHAEL
All set!

All three of them smile as Michael is the master mind and
head of the whole operation.

INT. - SAFE HOUSE - TWO DAYS LATER - NIGHT

Michael, Boris, Ra shad, Yuri, Mr. Ming, Cormack, John, and
Dooley are all at the safe house inside China. They have
computers out and maps of the whole region. Operations on
the smuggling of the weapons and drugs, but not any
information of the terrorist activity.

(CONTINUED)

MICHAEL

We've come a long way! Our operation has been a success till now. The reason I called for this meeting is to inform all of you about my plans for our future. Being that the World Economy is doing well right now, we can not forget that politics and governments influence our business in the black market. If war continues against the terrorist and Alqueada, I'm afraid that China, Russia, and Afghanistan and the U.S. will boost security at borders jeopardizing our operation to prosper. Being that we need to play by ear. I've made the decision that Cormack, John, & Dooley will no longer have to deliver the opium into China. Mr. Ming's men will pick up the shipment one mile from the boarder before entering China from this point forward.

Furthermore, our operations to transport weapons to Ra shad doesn't change. Ra shad needs his weapons as Mr. Ming needs his drugs.

The US is continuing for the search of Usama Bin Ladin and fighting the Taliban. We all know that Usama is between Pakistan and Afghanistan hiding,.. and at war with the US in Iraq!

We can not let this effect our operation, we're not interested in the political arena nor the war against terror. We're international drug smugglers and weapons dealers providing supply for demand.

Keeping an eye out on boarder security, militias, terrorist, and governments patrolling the regions, we'll report to Cormack. Working together providing security and any information that may cause any problems. We'll move around their skirmishes and patrols, so new routes for transportations will be taking affect. Three shipments a month for the next six months is our goal for right now.

MICHAEL (cont'd)

Any questions?

RA SHAD

I will take care of Afghanistan and inform Cormack.

MICHAEL

Good Ra shad, your loyalty is not in question here! We know that you will help.

MR. MING

I agree with Michael, we need to be very careful on the borders.

YURI

As long as you continue buying weapons from me to give to Ra shad to fight! I have no problem!

MICHAEL

(laughing)

Yuri, you really don't surprise me, your just like your brother!

CORMACK

From everything that has been said here,. We have to realize that Ra shad is at most risk, he's our eyes and ears now. Ra shad, we're trusting in you! Our lives are in your hands!

RA SHAD

I am a black sheep with no herder! You need not to worry!

MICHAEL

Good, everyone agrees!

MR. MING

Very well, I will be leaving now!

Mr. Ming walks out and everyone stays normal for the moment.

JOHN

OK,. now that he's gone, can you really fill us in?

RA SHAD

Yes, please! Fill me in! What is happening here?

(CONTINUED)

Standing firm, lost and confused on what's being said!
Having no idea Michael is about to let him in on his secret.

MICHAEL

Ra shad, calm down and have a seat
please! Cormack, Johnny, will you
show Ra shad what we're really here
for.

Cormack and John pull off a canvas that reveals pictures of
terrorist camps, pictures of caves, pictures of weapons and
all the intelligence they have acquired.

YURI

Did you know about this?

Referring to his brother Boris.

BORIS

Yes, I knew about this from the
beginning, we helped Michael set
this up Yuri.

RA SHAD

Are you C.I.A.?

Everyone laughs as Ra shad is very interested now because
it's in his benefit to go along with this.

BORIS

Ra shad, we are not C.I.A. we just
want the twenty five million
dollars for Usama Bin Ladin's head!
Michael is financing all this,
using Mr. Ming to be able to
transport weapons in and out of
your country to get closer to Usama
Bin Ladin. The US is not going to
leave Afghanistan until they find
him, just like they did not leave
Iraq for HUSSAIN.

MICHAEL

We need your help Ra shad! We have
put together a plan so that you can
continue receiving weapons from
Yuri, and another plan to have you
continue business with Mr. Ming
after we accomplish our mission.
It's in your interest that you help
us. The faster we find him, the
faster the US will leave your
country. The more opium you can
produce and sell!

(CONTINUED)

DOOLEY

We know that Bin Ladin is between this training camp here, and this one here.

Pointing to the map on the board.

DOOLEY (cont'd)

Bin Ladin is back and forth between Afghanistan and Pakistan. Mainly hiding in Pakistan. The US can not go into Pakistan because of political reasons between the governments. He's pinned to a corner in this region here. We will go into Pakistan and kill him. We're all ex military including Michael.

Next to the map pointing out what he's saying.

JOHN

Ra shad, I don't speak much. But you are a man with honor, . a drug dealer but a man with honor! Will you help us find him.

RA SHAD

How much do I get for me out of the twenty five million?

Everyone screams and laughs as he's now part of the family.

MICHAEL

It will be split evenly! Deal?

RA SHAD

You have yourself a deal.

MICHAEL

Can we move our safe house to your land Ra shad. It's too dangerous to keep this intelligence here in China, and we need to be closer to you as well.

RA SHAD

I have a secret cave. My men are going to be very happy to fight along with you!

(CONTINUED)

YURI

OK, I'm in too! Are we going to the boarder to pick up weapons?

BORIS

Ra shad, are you ready for this? We're going to bring more weapons than ever now! Straight from Mother Russia! Russia's people want pay back for the war Russia fought against the Taliban and Bin Ladin years ago! Do you remember that?

RA SHAD

Yes I do! How can I forget that? We can start immediately.

They all shack hands, laugh, a drink beer as a new alliance and trust has been formed.

Laughing and excited.

(CONTINUED)

KELLY

I'm not doing anything until he gets back! I'll just go to the doctor's office tomorrow. I'm so happy!

I'll defiantely get two "Thumbs Up" for that!

KELLY (CONT'D)

MICHAEL

We're going to wait until it starts raining, we're in monsoon season, so we'll let the weather help us.

MICHAEL

Alright, let's finish loading so you men can move out!

MICHAEL

Alright bye!

KELLY (FILTERED)

Bye!

Tosses the phone aside on the couch. Then reaches for the

JIMMY

If that girl loves you half as much
as Samantha did, you should
consider keeping her!

MICHAEL

They're so much alike, that's what
attracted me to her. I'm just not
ready, especially with all this
shit we got going on.

JIMMY

Tell me about it, do you really
think we'll get him Michael?

Walks and sits down with Michael to watch the political
bullshit drama on the TV.

(CONTINUED)

MICHAEL

That son of bitch is gonna pay!
George Bush can't find his head out
of his ass, and the government is
caught up in this stupid war in
Iraq. You know I don't know what
Bush is thinking! Instead of being
in Afghanistan and Pakistan with
all of our troops, he's engage in
the middle of a civil war having
our guys die in Iraq.
Look at that, three more attacks
again today!

Looking at the news.

JIMMY

The Bush family is over their
because of oil man, everyone knows
that shit! You see it all over the
news. You wanna know what really
bothers me?

MICHAEL

Tell me.

JIMMY

That they're so deep into this war
with Iraq and worried about Iran
with their nuclear development
bullshit, that they forgot Bin
Ladin actually was the master mind
of the attacks on 911. The fuckin
Pentagon man and the Twin Towers!

MICHAEL

That's why we're doing what we
doing! If we wait on our government
to bring that motherfucker in,
we'll get bombed again or maybe
even attacked by biological weapons
or some shit.

MICHAEL (CONT'D)

We're doing the right thing! If all
these major billionaire people like
Donald Trump, Bill Gates, shit even
Opera would pitch in. We can hire
and finance killers to go in and
search for that son of bitch in
Pakistan.

(CONTINUED)

JIMMY

We're the only ones crazy enough to pull this shit off man, besides, it hasn't been easy either. You've spent about fifteen million on this so far, and nothing! Your right about all these billionaires. they criticize the war and the government but don't do anything about it.

MICHAEL

I know! Tell me about it. We need to find his ass fast! Media coverage, all about media coverage and ratings! We should get Anderson Cooper to come and give us media coverage. Could you imagine that?

JIMMY

That's not a bad idea! Except we're transporting drugs and shit!

MICHAEL

I was only kidding!

The door of the house opens! Michael and Jimmy stop talking when Kelly comes in.

KELLY

Why did you guys all of sudden stop talking when I came in?

MICHAEL

No reason baby! Come here give me a kiss!

Kelly walks to Michael and gives him a big kiss and hug!

KELLY

I missed you so much!

JIMMY

That's so sweet! I guess I'll be leaving now so you loves birds can spend some time together.

KELLY

Jimmy, you don't have to leave!

MICHAEL

Yeah man! Why you leaving? Role a joint!

(CONTINUED)

KELLY

Why are you gonna to smoke right
now Michael. You know I don't like
that.

MICHAEL

I just wanna relax a little baby.
Role it Jimmy!

Jimmy looks at Kelly and she tells him no by turning her
head.

JIMMY

Sorry buddy! Can't do it.

Then takes his last drink from his beer before leaving.

MICHAEL

(laughing)

Take the day off tomorrow Jimmy, I
am.

JIMMY

Good night guys!

KELLY

Bye Jimmy.

Jimmy leaves and closes the door behind himself. They're
still laying on the coach talking.

MICHAEL

So how was it for you while I was
gone?

KELLY

It was surprising.

MICHAEL

What do you mean?

KELLY

Honey, I really don't know how
you're gonna react, but I went to
the doctor yesterday.

MICHAEL

(concerned)

What's wrong?

KELLY

Sit back, . you ready?

(CONTINUED)

MICHAEL

Yes, c'mon tell me already!

KELLY

(excited)

I'm pregnant baby!

MICHAEL

Your are? Nah, I don't believe you!
Stop pulling my leg.

Taking this as bad news!

KELLY

I'm serious baby. I'm pregnant!

MICHAEL

This is great news, but you know I
wasn't ready to start a family yet.
I have things that I needed out of
my life before moving to the next
step with you!

KELLY

(screaming mad and now crying)

Michael, you need to forget about
Samantha! You need to face reality,
that she's gone and that I love
you!

MICHAEL

Stop yelling. Calm down.

KELLY

Don't you dare tell me to stop
yelling Michael! You have guts
telling me this, after everything.
I understand what you went through
with Samantha was hard for you! But
I've been patient! If you think for
one moment that I can go through
this pregnancy worried about you
still having feelings for Samantha,
then your wrong! I can't Michael, I
love you! Can't you understand
that? Don't you love me?

MICHAEL

Stop crying, and of course I love
you! I just wasn't ready for this
Kelly! You knew this all along! I'm
being truthful to you. Would you
rather have me lie about it!

(CONTINUED)

KELLY

NO Michael! This is wrong of you to tell me this! You would think that you could commit to me by now! I'm leaving, I want to be alone! When you feel that your love for me is unconditional, you call me! Good bye Michael! You upset me!

Getting up and crying hysterically. She walks out!

Michael can't believe this is happening to him right now! Goes and gets another beer thinking to himself!

INT. - FIRST TRUCK - DAY

BORIS

Let's make this fast!

CORMACK

Yeah, let's give them the trucks
and we can jump in the jeep.

BORIS

They stand out like a sore thumb!

Looking at the China men.

EXT. - DIRT ROAD - DAY

They pull up to the Chinese men. They get out of the trucks!

CORMACK

Be careful driving to the boarder,
we have information that Alqueada
knows about the operation, so be
alert!

CHINA MAN

Thank you! We will hurry and I will
tell Mr. Ming.

The Chinese men jump in the trucks and the guys jump in the
jeep and take off.

INT. - JEEP - DAY

YURI

That was easy!

JOHN

Easy, but very risky! Stay alert!

CORMACK

We did good guys! Can any of you
see Ra shad's men?

BORIS

I saw them when they pulled off,
they should be right up ahead on
that ridge line. I guess they
figured they can keep an eye on us
from up their.

EXT. - HILL TOP - DAY

Ra shad's men are looking and waiting from the top of the
hill.

INT. - JEEP - DAY

CORMACK

Yeah, I see them off to the right
over their. Dam their good!

Pointing.

EXT. - HIJACKED - DAY

An air traveling shot from the top of the ridge line where Ra shad's men are posted, through the valley capturing the jeep with the men in it. Then continuing through the valley capturing the trucks traveling to the boarder with the Chinese men, and continuing up ahead to capture the terrorist plotting an attack on the trucks that the Chinese are driving. The shot swerves through the canyon valley.

INT. - MR. MING'S HOME - NIGHT

One of the men got away from the attack injured.

The man has arrived at Mr. Ming's home. Knocks on the door. Speaking Chinese.

CHINA MAN

(hurting from the gun shot
wound)

Boss, the convoy was attacked
before we could get to the boarder,
everyone is dead and they took the
opium.

Blood coming out of the side of his mouth.

MR. MING

Come inside quickly! Who did this?

CHINA MAN

The Americans warned us of
terrorist. Alqueada organization
knows of our operation. They warned
we should be careful.

Mr. Ming is mad at this. As his maid attends to the China Man's wound providing first aid.

INT. - MR. MING'S OFFICE - NIGHT

Mr. Ming's office in his home.

MR. MING

Hello Michael!

INT. - CONDO - DAY

Caller I.D. informs Michael it's an international call.

MICHAEL

Mr. Ming how are you?

It's morning now and Michael just woke up from a bad hang over! He notices Jimmy is passed out sleeping on the coach.

INT. - MR. MING OFFICE - NIGHT

MR. MING

Not to well Michael. Our convoy was attacked by terrorist right before my men could get to the boarder. One of my men made it out alive, the are dead. Who is going to pay for this Michael? I was afraid this might happen!

Speaking with disappointment but not yelling.

INT. - CONDO - DAY

MICHAEL

Terrorist? First let's find out what went wrong! And don't worry about the money for now, we can always make it back. I'm the one that told them to move forward!

Shacking Jimmy to wake up while on the phone and then walking to his office.

MR. MING (FILTERED)

So this was your decision to move forward?

MICHAEL

Yes it was, we both knew their where risk involved.

MR. MING (FILTERED)

Your men let themselves be followed!

MICHAEL

(mad now raising his voice)
My men have been doing this for a year now, and I doubt they'd allow

(MORE)

(CONTINUED)

MICHAEL (cont'd)
themselves to be followed. Let me
contact them, I will call you
later.

Scratching his head he wonders what to say next.

MICHAEL (CONT'D)
I'm truly sorry about your men. And
Mr. Ming, let me tell you one
thing, don't you ever again try to
implement that my organization is
at fault for your obligations and
commitment to the operation, do
you understand me?

MR. MING (FILTERED)
Please Michael don't get mad. This
is just a bad situation for me, I
have to contact Europe now.

MICHAEL
Do that, and tell them we've had
misfortune this time around, it
happens! Explain to them what
happened! They'll understand it's
the risk we take in this business!
Got it?

MR. MING (FILTERED)
Yes! That is a good idea! Thank you
Michael.

MICHAEL
Talk to you soon.

JIMMY
What happen?

MICHAEL
Let's get online and find out.
According to Mr. Ming the convoy
got attacked near the boarder after
the guys made the drop off. All his
men where killed except for one
that made it out alive. Let's find
out if our guys are OK.

JIMMY
They probably won't answer right
now! We'll have to stand by.

(CONTINUED)

MICHAEL

Then we're just gonna have to stand
by Jimmy, I need to know if the
guys are alright!

Michael is worried and is walking back and forth thinking of
what to do. Jimmy gets on the computer.

JIMMY

I bet it was Alqueada!

Michael turns to Jimmy placing his hands on the desk.

MICHAEL

Why would Alqueada be involved?

JIMMY

You don't remember last night do
you?

MICHAEL

OK, so I was a little fucked up,
tell me!

JIMMY

While you where sobbing and
drinking last night the guys sent
word that Alqueada knows about our
operation. Ra shad told them when
they arrived at the his camp. You
told me to have them move forward
with the the drop off Michael!

MICHAEL

(pissed off)

Fuck! Alright send word that I want
them to hold tight and that the
convoy was attacked. Shit! Fuck me,
man!

JIMMY

I think it's time for us to get the
fuck out of their Michael!

MICHAEL

(yelling mad at Jimmy)

Are you crazy! We can't just leave
now! What about Ra shad and Yuri,
and Mr. Ming's commitment to this!
I can't do that!

(CONTINUED)

JIMMY

(yelling back at Michael)
Yes you fuckin can! Get our guys
out of their! This whole thing was
a crazy fucking idea anyways! I
don't want to be a part of this any
more!

MICHAEL

What do you mean you want out? You
mean to tell me that your willing
to give up on your sister, my
ex-wife!.. They killed her on 911
Jimmy, she died innocently in the
towers along with all the other
victims, in case you don't
remember! NO! I will not give up,
and that son of a bitch is mine!

JIMMY

(screaming)
Don't fuckin tell me that I'm
giving up on Samantha. Lord knows
that I want to avenge my sister's
death, but you also have to
understand that you have the
opportunity to start all over
again, with Kelly! Samantha would
want you to continue your life and
grow a family! And this is holding
you back! That's the reality to all
this!

Tossing papers off the desk referring to the operation.

MICHAEL

Your absolutely right! That's why I
need you to help me. I can't find
it within myself to move forward
with Kelly without giving closer to
Samantha's death. And the only way
that is going to happen is by
killing Bin Ladin!

Screaming at first, but then calmly asking.

MICHAEL (CONT'D)

Six more months, just give me six
more months! Look if in six months
we haven't got him, I give you my
word, that I'll pull the guys out!
I just feel we're getting closer!

Waiting on Jimmy to agree, but doesn't.

(CONTINUED)

MICHAEL (CONT'D) (cont'd)
Think about it man! The fucker has just come to us! His people just attacked our convoy full of opium. I bet they thought it was weapons! All we have to do is set him up to attack us again!

JIMMY
What good is that gonna do?

MICHAEL
We can put a GPS tracking system under the truck and track him down! But in order for him to actually want to see the trucks, we would need to bait him with something of value. Something he'll want to see for himself. Then we can take him out!

JIMMY
OK, I'm help you. But you have to give me your word!

MICHAEL
I do give you my word Jimmy.

JIMMY
This could actually work.

MICHAEL
Let's think of plan to make this happen!

They both hesitate and look at each other for answers, when all of a sudden it dawns on Jimmy.

JIMMY
I know! Let's put maps with fake co ordinances of American troop movements and some high tech computers to go along with it. We can also put a shit load of C-4 and anti aircraft shoulder fired weapons in the trucks along with a lot of ammunition, and claymore mines and grenades. This way when they take it to him we can shot the trucks and blow his ass up in case he gets near the trucks if we don't have a clear shot.

(CONTINUED)

MICHAEL

Set it up! I'm going to get dressed, I have to go out for a few hours.

JIMMY

Where you going?

MICHAEL (O.S.)

I'm gonna see my mother, then, fix things with Kelly. I'll bring you food! Call Maria to come clean and keep her out of the office.

JIMMY

The guys are going to be excited about this!

Jimmy gets on the computer and starts to go to work and plan, viewing maps of the region, putting it all together. While waiting on a reply from the men.

INT. - MOTHER'S INTUITION - DAY

Michael is at an elderly home where his mother lives. All the elderly are playing games and he doesn't see his mother. So he walks outside to the center court yard where he finds her. She is picking flowers from her wheel chair all alone.

MICHAEL

Hello mother!

GAIL

Michael! Aren't these flowers just beautiful?

Hand full. As she sees him and picks a few more very happy! Michael approaches and gives her kiss.

GAIL

Your father told me once that life is all about how you approach it! How you doing?

MICHAEL

I'm well mother, Kelly and I are going to be getting married and she's pregnant.

GAIL

Oh dear God! I'm so happy for you Michael. How is Kelly? I haven't

MICHAEL
(amazed as he wasn't aware)
Really? Mom, you never told me she comes to see you.

GAIL
She asks that I didn't tell you! Michael, she loves you so much! After Samantha's tragedy, I thought you'd never recover or find someone else. But Kelly has managed to capture your heart, and for that, I'm happy!

MICHAEL
Mom, I have a problem that I want to talk about.

GAIL
What's the problem, you know I'll give you my best advice?

MICHAEL
I can't find myself letting go of Samantha, mean while I feel love for Kelly. It's hard to explain, but I wanna have the baby and get married and all. But I just don't know if I will fully come around for Kelly.

GAIL
You can only do one thing Michael. And that is to follow your Heart's Beat.

MICHAEL
I'm not sure I understand what your trying to tell me mom.

GAIL
It's easy Michael! Follow your Heart's Beat for Samantha to give that relationship closer. And then follow your Heart's Beat to embrace your love relationship for Kelly! Just follow your Heart's Beat.

(CONTINUED)

MICHAEL

Mom, you really just amaze me sometimes. You have the answers to everything. How are you feeling these days?

GAIL

I'm feeling strong, I eat well, I see movies with the girls, you know, I have fun hear.

Michael starts pushing his mother's wheel chair to take her back inside as she's very, very old.

MICHAEL

How about you come and live with me and Kelly. Now that you can have company at home with her, you can help her with the pregnancy and help her plan our wedding as well.

GAIL

If she's going to be home, then I'm willing to come live with you. Other wise I would rather stay here because I have company,.. you understand? I'm old Michael and I get lonely.

MICHAEL

Here's what we'll do. Let me move Kelly in first, this way you can say good bye to everyone as well. Then you can come a settle in.

GAIL

Oh, Michael! That makes me so happy, the nurse of course will have to come by on occasion.

MICHAEL

That's fine mom! For right now I'm going to follow my Heart's Beat! So I'm going to role you over hear with your friends because I have to run.

GAIL

That's fine Michael, give me a big kiss! I love you very much! Remember Michael, always follow your Heart's Beat! Give Kelly a big huge for me.

Michael gives her kiss.

EXT. - KELLY'S FRONT DOOR - DAY

Michael gets out of his car in the front of Kelly's building and runs to her door step.

He rings the door bell. Rachel opens the door with a big smile on her face, happy he came to see Kelly.

RACHEL
Hi Michael.

MICHAEL
Hello Rachel.

Michael walks in the apartment with roses in hand.

KELLY
(smiling)
So I guess it's time to make up?

MICHAEL
Yes it is baby!

Kelly runs and jumps, wrapping her legs around him kissing him relentlessly!

MICHAEL (CONT'D)
I love you so much! Will you forgive me?

KELLY
I forgive you!

Michael reaches in his pocket and drops to his knees. Kelly starts to cry joining Rachel as she looks at her.

MICHAEL
I couldn't wait to get it out or even think of a better time. Will you marry me?

KELLY
(screaming of the excitement)
Yes! Yes, oh God YES! Of course, YES!

Jumping in place. They kiss as she jumps on him again.

RACHEL
(sobbing of joy)
You guys are just too much for me to
handle!

Rachel is crying from the joy in the background. Then they
all smile.

EXT. - CAR - DAY

They are both happy listening to music on the way to the
condo.

INT. - CONDO - DAY

Maria is cleaning the condo and they are eating.

JIMMY
Why did you guys buy Sushi?

KELLY
Because it's good for Jimmy!

JIMMY
How is raw fish good for any one?
You should be careful now, your
eating for two now!...
Congratulations by the way! Burger
King, KFC, and Pizza Hut all down
the street, and you guys bring me
Sushi?

Drinking coke from eating some raw Sushi and wanting to get
the taste out of his mouth.

JIMMY (CONT'D)
You know that little boy is gonna
hang out with his uncle!

KELLY
That was so sweet of you to say
Jimmy! Except the part where it's
going to be a little baby boy!

JIMMY
(laughing)
I want a little boy, as a matter of
fact I'm gonna buy him his first
football tomorrow!

Michael is laughing at both of them while stuffing his
mouth.

her Spanish accent)

JIMMY

Trying to get away with it.

MARIA

mess! Pay me please!

JIMMY

OK you got me! How much Maria?

MICHAEL

Uh hundred bucks!

MARIA

Yes! One hundred dolares, sank you!

With her hand out giving Jimmy attitude.

JIMMY

You set me up didn't you?

Kelly and Michael are laughing their butts off! Then
Maria leaves after Jimmy reaches in his pocket and pays
her.

MICHAEL

Yeah I did, this way you'll think
twice about leaving a mess behind.

MICHAEL (CONT'D)

Now that she's gone we can finally
speak freely! Did you hear from the
guys yet?

JIMMY

Why did just insinuate that it's my
fault Maria was here cleaning? I
would have eventually picked up my
mess! And no the guys haven't
responded yet!

(CONTINUED)

MICHAEL

Yeah when?

KELLY

How are the guys doing?

The audience is shocked to realize that she is aware of the operation, they thought she didn't know.

JIMMY

Our last convoy got attacked and Mr. Ming lost his load.

KELLY

Oh my God, are you serious? Are the guys OK?

MICHAEL

It was Mr. Ming's men that got killed and ambushed almost crossing the boarder, he lost some men and one made it out alive. We're hoping the guys are fine.

KELLY

So what now? I mean what are we gonna do?

JIMMY

We have information that it was Alquada. So we came up with plan to have them attack us again, so we can track them down with a GPS system.

KELLY

Alqueada! You need help Jimmy?

JIMMY

Yeah, if you care too!

MICHAEL

Let's go to work!

Jimmy leaves to the office to continue planning the set up. At the same time Kelly holds Michael back to talk in private for a moment.

KELLY

Michael, I want you to know that the reason I want you to finish this, is because I want you to have full closer with Samantha. That's

KELLY (cont'd)

MICHAEL

I know this honey! That's why I felt so bad the other night. C'mon, let's get to work and finish this, so we can move on with our lives!

They kiss and go to the office.

MICHAEL (cont'd)

Our guys are here at Ra shad's camp, the terrorist camps that we have intell from are here and here. The route we take is this one here. The convoy was attacked around here.

Pointing to a map that he pulled down from the ceiling.

JIMMY

So they're likely to attack again but not in the same place.

KELLY

Also, who is willing to get caught, not to mention drive the trucks?

MICHAEL

I've already thought about all that! What we're gonna do is have two trucks! So Cormack and Boris will drive the trucks. I have a plan so they don't get caught. I'll be following the trucks with Ra shad and his men.

KELLY

(worried)

Your going?

MICHAEL

I have to go honey, don't worry I'll be safe. Besides, for this plan we'll have communication through an international phone.

e-mail from the men.

INT. - CAVE - NIGHT

The men are all together wondering what is next for them.
They are all sitting down talking when..

DOOLEY
Shit! Check this out guys! The
convoy got attacked yesterday by
the terrorist after we made the
drop off.

They all rush to read the e-mail.

CORMACK
Holly shit! I can't believe it!

BORIS
I'll get Ra shad!

Leaves the cave running.

CORMACK
Write back and tell him that we're
all alive and OK! Ask him what he
wants us to do!

Dooley types away.

DOOLEY
Well, he's telling us to hold
tight. Let's see! He's online
right!

JOHN

We're fucked!

JOHN (CONT'D)

I think we should go back and hang out with Ra shad, I was having a good time with that belly dancer! Man she's hot for me!

YURI

Did you see the one I was with?

CORMACK

Can you guys just concentrate for a moment.

YURI

Concentrate! That's exactly what we're doing!

Laughing, giving John a high five!

JOHN

What's done is done! We delivered! And we warned their asses too!

CORMACK

That's not the point Johny!

Yuri and John continue to talk about the girls.

INT. - CONDO - DAY

They finally get word!

JIMMY

They're OK!

KELLY

Thank God!

MICHAEL

OK, tell them that I want them to hold tight and not move until further notice! Let them know that we are putting a plan together! Also, let them know we will meet in Beijing in a week! We'll notify them of the date to meet in Mr. Ming's house.

Jimmy types away.

He wants us to meet in a week at
Mr. Ming's house! He's instructed
us to hold tight until further

JOHN

(screaming of joy)

Let's go party Yuri! Michael, I
love you! Yeah! Alright!

Laughing their asses off and getting up.

YURI

See you guys later!

CORMACK

Don't get lost.

Ra shad walks in as John and Yuri where walking out, so they
turned around since Ra shad is the man they need.

RA SHAD

(serious)

Boris tells me our friends where
attacked.

CORMACK

Yes, after we met with them.

RASH AD

What does Michael want to do?

DOOLEY

Come see for yourself! He wants us
to meet up with him in a week at
Mr. Ming's house.

Ra shad sees the technology they have and is impressed. Dooley is typing a message back saying that they acknowledge.

RA SHAD

This is impressive! So what are you men going to do?

CORMACK

We are going to wait, that's all we can do!

RA SHAD

(laughing and touching his beard)

Wrong answer! We celebrate for one week! Follow me!

John and Yuri get excited and start screaming!

EXT. - CAMP - NIGHT

Walking back to the tent.

JOHN

Ra shad, that one girl that was with me! She's very pretty!

RA SHAD

(laughing)

Oh yes! She's one of many daughters I have! She is yours now! Never married.

Laughing and grabbing John hugging him as though he is now a son of his own. John laughs.

YURI

(laughing)

How many daughters do you have?

RA SHAD

I have thirty four daughters and sixteen wives!
The rule is this. Once you claim the women she is yours to keep, but you can not give her away, she will always be yours! Especially one of my daughters! So do you still want my daughter?

(CONTINUED)

JOHN

Yes, I do want your daughter!

RA SHAD

John, you are serious, yes?

JOHN

Hell yeah I'm serious!

RA SHAD

(serious but yet laughing)

OK, you have claimed her, she is now yours! You are now my son-in-law. We will celebrate your marriage!

JOHN

(laughing and happy)

Yeah, let's celebrate my marriage!

YURI

Congratulations man, your getting married! Can I be your son-in-law too Ra shad?

Still walking from the cave to his tent. Cormack, Dooley, and Boris stayed behind!

RA SHAD

Are you willing to be John's brother?

YURI

Why not!

RA SHAD

Pick yourself one of my daughters as well, we will celebrate for two marriages!

They all have an understanding and head towards the tent laughing.

INT. - CONDO - DAY

INT. - TENT - NIGHT

Ra shad enters the tent with John and Yuri. Girls are belly dancing and people just eating away having a fun time. Music is also playing.

ABIA is looking at John and walking towards him belly dancing.

RA SHAD

(speaking in Arabic)

Announcement, everyone quite please!

Music stops and everyone gets quite. John and Yuri are wondering what is going on.

RA SHAD (CONT'D)

John here, has claimed Abia. I honor his claim! We celebrate their marriage as Abia excepts, yes?

ABIA

(speaking Arabic and smiling)

I honor my fathers choice of marriage for me.

Everyone jumps up and starts celebrating happy of the decision. Abia grabs John's hand and takes him to lay down on some pillow bedding. Rubbing his back and belly dance for him.

RA SHAD

Quite please! I have another announcement to make. Yuri has claimed JANA, and I honor his claim as well! We celebrate two marriages as Jana excepts, yes?

(CONTINUED)

JANA
 (hysterically happy)
 I too honor my fathers choice of
 marriage for me!

Jana wasn't expecting to be chosen for marriage and started jumping with the other belly dancers. Then she did the same and grabbed Yuri by his hands and sat him down next to John.

JOHN
 I'm never leaving this place!

YURI
 We're getting married my friend!

They toast, they're happy and laugh as this is just a crazy decision but they don't care. They party into the night.

Ra shad sits next to them.

RA SHAD
 Welcome to my family! The girls
 like you, other wise they would not
 honor my choice for marriage.

JOHN
 I like her very much!

John gets up with a bottle of wine in hand to make a toast! He gestures with his hands for Ra shad to please get up, to translate for him.

RA SHAD
 Quite please! John has an

JOHN
 Thank you very much for honoring me

RA SHAD (CONT'D)

INT. - CAVE - NIGHT

CORMACK

BORIS

I'm with you on that!

Cormack and Boris decide they're going to join the party. Dooley stays behind to write his wife a letter.

BORIS (cont'd)

Since your witting a letter, do you mind staying here with the equipment? We're gonna join the party.

DOOLEY

Go ahead! I'm fine, I just haven't wrote to Sara in awhile.

Laying down in his sleeping bag with a note pad in hand next to the fire in the center of the cave. The men leave.

CORMACK

Sleep tight my man, see you tomorrow.

DOOLEY

Have fun!

JIMMY

Stop crying! He'll be fine, watch and see. Are you for craving ice cream yet? Or is it to early for cravings?

JIMMY

Michael! I know this place in South
Beach.

They start to walk out of the airport.

KELLY
(still crying)
You really think I'll gain weight?

Whipping her tears with her sweater's sleeve.

JIMMY
Yup, a whole lot. Especially while
hanging out with me. I eat like a
pig! Don't you see I'm fat! Why do
you think Michael doesn't allow me
to go on these missions. Cause I
can't keep up, that's why!

KELLY
(smiling now)
Shut up! I'm not gonna to get fat!

Smacking him on his shoulder.

KELLY (CONT'D)

So what kinda ice cream we talking
bout? Your buying by the way!

JIMMY

JIMMY (CONT'D)

(laughing)

Cravings! No seriously, what?

KELLY

Your sister? How was she?

JIMMY

I'm glad you asked! Because you
have to understand that my sister
wasn't your regular girl. She was
very special. You know...
conservative, well kepted,
organized, responsible, and
beautiful at that! Just like you!
Kelly, you have to understand my
sister and Michael had a very big
bond together, stronger than
anything I've ever seen! I see that
same bond between you and him, and
