Part of the 1. Season (Pilot):

**„Mimi & Vitus - Adventures Beyond the Wall“**

Stand: 2025

SCENE 1 - EXT. CITY SKYLINE / DAY (MONTAGE)

Narration over soft music. A wide view of the city skyline.  
Cars, people, life on the move. Then:

NARRATOR (V.O.)

It was finally here. The long-awaited, heavily discussed,  
slightly chaotic..

Day X.

The kind of day parents call "a decision" - but kids know it's  
a big goodbye.

NARRATOR (V.O.) (CONT'D)

Mom and Dad planned it. Everyone talked about it for months.  
Leaving the city. Starting over.

Bye-bye apartment.

Hello... old red-brick house in the countryside.

For Mimi and Vitus, it wasn't just a move.

It was the end of one life - and the beginning of something  
magical.

SCENE 2 - INT. FAMILY CAR / DAY - ON THE ROAD

A family car rattles over a narrow country road. Piled boxes.  
A giant plush toy peeks from the trunk. Inside:

MIMI (7) is wide awake, staring out the window with curiosity.

VITUS (7) is half-asleep, head leaning against the seatbelt.

MIMI

Are we finally there? I want to pick my room first!

DAD (smiling, tired)

Next time I say "let's move to the country," remind me of these boxes.

VITUS (yawning)

We're already here... hey hey Mimi, you said we'd play Rock, Paper, Scissors!

MOM (grinning)

Just a few more minutes.

And don't worry - you'll see soon... there's no need to play for it.

They drive around a final curve. The house appears. It's old. Beautiful. A little wild.

SCENE 3 - EXT. NEW HOUSE / DAY

The car stops in front of an old red-brick house with ivy and a mysterious garden. Mimi and Vitus jump out of the car with excitement.

MOM

Here we are! Our new home.

MIMI (excited)

It looks like a fairytale house!

VITUS (half serious)

Or like a wizard's house.

DAD

Or both!

The family laughs.

SCENE 4 - INT. UPSTAIRS HALLWAY / CHILDREN'S ROOMS -  
MOMENTS LATER

Two doors, side by side. In between them - an old wall.

MOM (pointing)

These are your rooms. Same size - fair and square.

Fifty-fifty. So... happy neighbors!

DAD (walking into the rooms)

In the city you shared one room.

Now each of you gets your own kingdom.

If you get bored, just talk through the wall.

It's thick - very old - but I swear, sometimes it feels...  
alive. And I don't know why the paint keeps fading. Always  
back to that same strange, stone gray..

MOM

Oh, and don't forget - the first dream in a new home... is a  
magical one. They say if you make a wish, it might just come  
true.

DAD (yawning)

I wish for my bed. That's all I need tonight.

Mimi gently places her hand on the wall.

MIMI

It feels... alive somehow.

VITUS (grinning)

Maybe there's a secret tunnel inside. Like in stories.

SCENE 5 - INT. MIMI'S ROOM / NIGHT

Mimi lies awake. The room is quiet. She hears Vitus breathing  
through the wall.

MIMI (whispering)

Vitus? Are you still awake?

VITUS (O.S., THROUGH WALL)

Yeah... and now I can't fall back asleep.

I dreamed about the wall. Our wall.

MIMI

Me too!

And... I heard something. Or maybe saw it in the dream.

A rhyme. A spell. Something like...

VITUS

I had the same one!

Mimi hops out of bed. So does Vitus. On each side of the wall, they press their palms flat against it. Then, in perfect sync:

MIMI & VITUS

**Silent wall, silent Wall.**

**take us to the Land beyond**

**Time and Space, are standing still.**

**Now and then, till we meet again**

A gentle glow appears. The wall vibrates. A warm breeze flows through the room.

Then - silence. And suddenly - the wall pulls them in.

SCENE 6 - EXT. ADVENTURELAND / DAY

Mimi and Vitus land softly on glowing grass under a bright, magical sky. For a moment, they're speechless.

A warm voice speaks - calm, kind, and mysterious.

THE WALL (V.O.)

Two voices... in perfect unison.

Only true adventurers can speak the words together.

Welcome to the world behind the wall.

VITUS (fascinated but nervous)

Who's talking? Where even are we?

THE WALL (V.O.)

My dear children, Mimi and Vitus -

You already know the answer.

I am the wall that separates you... and yet brings you together.

You heard my call on your first night.

Just as it should be.

SCENE 7 - EXT. ADVENTURELAND / MOMENTS LATER

The landscape is glowing, but peaceful. Mimi and Vitus look around, amazed and curious.

MIMI

(murmuring to herself)

Oh wow... this is really happening.

And Mama said the first dream in a new house is magical...

VITUS

So... how do we get back? I mean, back to our room?

MIMI (smirking)

Not home - back to our room, right?

THE WALL (V.O.)

Ah yes... I almost forgot.

You wish to return?

Then close your eyes.

They close their eyes. The wind rises. The glow shifts to silver light. The voice fades slightly - more distant now.

MIMI & VITUS (softly, unsure)

What do we say? Wall, are you still there?

THE WALL (V.O.)

You are adventurers now - as tradition says.

And those who speak together... may return together.

Say the words - and I will let you go.

The children open their eyes wide, then smile.

Once more, they place their hands on the glowing air before them.

MIMI & VITUS

**Silent Wall, silent wall!**

**We returned from adventure's Call**

**Time and Space - you may now Spin**

**We are back Home - till we meet again**

The world shimmers. A swirl of silver and gold.

And then - poof - they're gone.

SCENE 8 - INT. KIDS' BEDROOMS / NIGHT

Mimi and Vitus are standing in their rooms again. Same pajamas. Same nightlight. Same wall.

They stare at each other, each from their own side. Then:

MIMI (overwhelmed)

Did we really go... through the wall?

VITUS (grinning wide)

Sure looks like we did.

They smile in silent agreement. Then...

NARRATOR (V.O.)

And that... was only the beginning.

Fade out.
