FADE IN

INT. OFFICE - DAY

EbrU is sitting in a grey call centre with a grey headset on, looking at her grey screen. A CUSTOMER is complaining in her ear.

EBRU

I understand completely that this must be very frustrating for you. I would feel the same way in your situation.

The customer keeps complaining.

EXT. BUS STOP - DAY

EbrU sits at the bus stop. A CREEPY GUY sits down next to her. He smiles and looks at her for too long, making her uncomfortable.

CREEPY GUY

Hi

EBRU

Hi

CREEPY GUY

You're hot.

Awkward silence.

INT. GYM - DAY

EbrU is running on a treadmill.

INT. BATHROOM - DAY

EbrU showers. She puts on make up, looking in a mirror.

INT. HALLWAY OF HOME - EVENING

EbrU opens the front door and steps inside. JOHN greets her.

JOHN

Are you cooking today? I'm hungry.

Ebru takes up a handgun from her purse and without hesitation or emotion, she shoots him dead. Blood splatters. John falls to the ground. She puts the handgun back into her purse and walks over his corpse further into the house.

INT. KITCHEN - EVENING

Ebru makes a cup of tea. She calmly eats a biscuit and drinks the tea. The door bell rings. She puts down the cup.

INT. HALLWAY OF HOME - EVENING

Ebru opens the front door. The creepy guy from the bus stop steps inside and stops to look down at the corpse on the floor.

EBRU

Would you like a cup of tea?

CREEPY GUY

No, thank you.

The creepy guy grabs the corpse by the ankles and drags it out of the front door.

EXT. RUBBISH CONTAINER - EVENING

The creepy guy throws the corpse into a rubbish container.

EBRU

Oh, sorry. Can you get the wedding ring please?

The creepy guy climbs into the container to get the wedding ring. She picks up a handgun and shoots him too. He falls dead into the container. She wipes the handgun with a tissue and throws it in the container.

INT. BEDROOM - NIGHT

Ebru lies down in bed and pulls the cover over her body. She closes her eyes and smiles in bliss.

FADE OUT
