DEAN
The one and only!

The fore some move outside dodging the spiders walking between them.

Suddenly HARRY doesn't see one of the spiders and as he goes to tread on it the spider leaps and bites him on the foot.

HARRY

DEAN...One bit me!

DEAN helps HARRY by placing HARRY'S arm over his shoulder. They all run back into the cabin, and lock the door.

WHAP, BANG, Whop!

The last largest SPIDER is killed by DEAN using a toaster oven to squash it dead!

DEAN (cont'd)
We gotta get away from here. Quick
give me a hand with HARRY.

DEAN and PETRA put one of HARRY'S arm over each of their shoulders. SAMANTHA grabs the cricket bat and a torch and head for the front door.

They look outside...

What looks like millions of killer spiders move in the torch light. A voice from DEAN'S mobile.

000 EMERGENCY
(FAINT) Are you alright? Is
everything alright?

DEAN puts the phone to his ear.

DEAN
There's millions of
them...SPIDERS...MILLIONS!

The phone goes dead.

They decide not to leave the cabin. They go back inside and lock the door.

SAMANTHA and PETRA move around checking windows and doors for openings.

DEAN taps HARRY'S face, trying to wake him from sleep.

DEAN
Your a sight for sore eyes JACKY.

JACKY uses the flame thrower to burn more killer spiders.

JACKY
Where's the other one?

DEAN
He's dead, HARRY'S dead JACKY.

JACKY
Let's check the other cabins.

JACKY turns off flame thrower and they all walk to the nearest cabin.

The door to the cabin is open, they look in. The AUSTRALIAN couple staying their is dead. They look like there bodies have been turned inside out.

PETRA turns her head and vomits.

They all move to the next cabin, dodging the odd spider that wasn't killed by the flame thrower.

In the last cabin they find an old AMERICAN grandmother cradling her Grandson. The American grandmother DORIS and her 10 year old grandson STEVEN are glad to see them.

PARAMEDIC 2 CLIVE

TONY and CLIVE move the tree, and get back into the
ambulance.

Siren blaes again.

The ambulance pulls into PALM COVE caravan park.

The caravan park is black from the flame thrower, with
corners of the park still on fire.

They see a light of the cabin on and move toward it.

(CONTINUED)

PETRA is first to see the red and blue lights of the ambulance, but waits for the paramedics to get out of the van before she opens the door to them.

SAMANTHA opens the door to the Paramedics.

SAMANTHA

CLIVE

Show me the way!

SAMANTHA shows the PARAMEDICS to the bathroom.

Then she lets out a scream!

HARRY'S BODY HAS TURNED INSIDE OUT!

CLIVE

Shit!... I've never seen anything
like this!... A bird eating spider
did this?

SAMANTHA nods her head - YES.

CLIVE (cont'd)

He's dead!... Theirs nothing we can
do!... What happened here?

SAMANTHA explains the flame thrower, the spiders, and the mine.

TONY

You guy's think the mining of the

ABORIGINAL ELDER (MELAPAH)
We must leave here. It's not safe!
Mine, it contaminated the forest,
Mine! about 20 work their. Men and
Women. BIG TROUBLE!

DEAN
The mine we passed on the road did
this! TURN THE FUCKING HUMAN BODY
INSIDE OUT BY A SPIDER BITE.

MELAPAH
The chemicals they use have been
killing our people for centuries.

DEAN
How do we get to the mine?

(CONTINUED)

MELAPAH

We walk.

STEVEN

I'll get as much equipment from the ambulance as possible.

JACKY

You got guns?

STEVEN

Two police issue pistols!

SAMANTHA

I'm ready... Let's get these fuckers!

EXT.FOREST BEHIND BEACH. DAY.

On the path, MELAPAH leads and the white people follow listening carefully to the Elder describe the dangers that await. The other 9 Aborigines haven't said anything, that's because they have had their tongues removed in some ritual similar to sharia law they have in the religion of Islam.

MELAPAH

Crocodiles, in water, snakes and spiders, worry about them, poison plant and jelly fish in the salt water lagoon the mine users.

TONY

(To CLIVE and DEAN) What are we going to do when we see what at the mine. Did you see HARRY! Can you imagine 50 or a lot of them!

CLIVE

If we can't take them on, we run back to the ambulance and call for help. (to DEAN) Pass it on to all of us.

SAMANTHA

What are you guys talking about?

CLIVE

If we can't take these guys on, who ever doesn't die should run to the ambulance in the caravan park and call for help!

MELAPAH
Almost their...

EXT. HILLTOP OVER LOOKING MINE. DAY

TONY takes out binoculars to get a closer look at the mine.

THROUGH BINOCULARS we see an INSIDE OUT person kicking a
ball around the ground floor of the mine.

On top of a water tower, another INSIDE OUT person screams
at the top of his lungs. -(HOOOOOOOOWWWWWWWWWLLLLLLLLLLLL)

They all huddle close together so they wont be seen by the
INSIDE OUT people of the mine.

TONY hands the binoculars to CLIVE.

He sees the same thing before handing them on to DEAN.

SAMANTHA
Can you see anyone alive? I mean
human?

DEAN
Cant see anything human. Just more
zombies!

MELAPAH
The chemicals used at the mine
seeped into the water table, and
then to food. It has killed many of
my people. It makes me sad.

JACKY
Let's go down their, I have the
flame thrower, and you guys have 4
guns between ya's, will burn the
fuckers, all of them!

CLIVE
Check your guns!

DEAN checks his pistol, as do TONY and CLIVE, the silent
Aboriginal - GULLER - checks his rifle.

The flame thrower is also checked.

THE MEN and SAMANTHA lead the way, DORIS and STEVEN are at the back surrounded by 4 of the silent powerful Aborigines.

STEVEN
Mum, I'm scared.

DORIS
It's the only way out STEVEN. Don't worry, and stay near me.

A large bird startles the group with a shriek as it takes of a tree. The birds are loud and seemed to be bothered by the happenings at the mine.

Flying in every direction.

DORIS (cont'd)
Here, have this.

DORIS hands a chocolate bar to STEVE and then offers the rest of the people snacks from the esky she's carrying.

The group stops.

DEAN
5 minute break, for water and energy food!

The group stop on the track for food and water.

The group finish eating and drinking.

MELAPAH
We're are very close to the mine.

TONY
Let's load up!

CUT.

EXT.MINE.LATE DAY.

TONY takes out the binoculars.

The ZOMBIE out front has gone.

No one is out the front of the mine.

The group hide behind a trench on top of a small hill within site of the mine.

MELAPAH

We sleep here tonight... we enter
the mine first thing tomorrow
morning.

CLIVE

Okay sounds good.

They settle for the night.

CUT.

EXT.MINE.MORNING.

JACKY is up first, he scans the mine with the binoculars.

The noise of the zombies getting up, in the morning is deafening and everyone in the group is quickly up and alert.

JACKY

2 walking near the front of the
mine... another one as you get
through the door...WAIT! theirs
humans. I see a woman, blond hair,
signalling from the roof!

CLIVE

Give me the binoculars!

JACKY

You see her!

CLIVE takes the binoculars from he's eyes and turns to the group.

CLIVE

We have life people! Theirs a woman
signalling us from the roof! There
may be more!...Lock and load!

(CONTINUED)

The men and Samantha prepare themselves for battle with the zombies.

JACKY leads with the flame thrower, they all stay low so they won't be noticed by the zombies.

They get within meters of the zombies when JACKY stands up, and pulls the trigger of the flame thrower, setting the two zombies at the front of the mine alight!

JACKY
BURN, MOTHER FUCKERS! BURN!

CLIVE, TONY, DEAN, ABORIGINAL WITH RIFLE and SAMANTHA all fire their weapons at the ZOMBIES on fire.

More ZOMBIES come out of the mine, and are met with the flame thrower and gun fire!

DORIS and STEVEN stay behind with MELAPAH and 2 of the silent ABORIGINES.

The group is winning, as more ZOMBIES exit the mine they are met with a barrage of fire and bullets!

The front of the mine looks ghastly, with about 15 zombies dead, on fire, and some are wriggling and screaming, howling as they burn.

JACKY turns down the flame thrower to a quiet hiss, as the last of the zombies quiet down to only the sound of flames.

CLIVE
Everyone alright?

SAMANTHA
Yeah, everyone alright.

DORIS, STEVEN and the ABORIGINALS come out of the hiding places.

TONY
Ground floor looks clear...DORIS
and STEVE stay in this room.

TONY locks DORIS and her son, STEVE in an office on the ground floor.

TONY (cont'd)
Okay people, this is a rescue
mission, we have proof that their
is human life in the mine.

INT. MINE. DAY.

Out of no where, a ZOMBIE appears, grabbing an ABORIGINE and snapping his neck.

They all turn and fire at the zombie.

DEAN
Oh.....FUCK!

SAMANTHA moves into close range.

And fires repeatedly at the beast, before retreating.

DEAN grabs SAMANTHA.

DEAN (cont'd)
(SOFTLY) Stop firing SAM, it's
dead.

MELAPAH gives the Aboriginal a after life prayer. As the others look on.

TONY
We're going up a floor to find
life! DEAN, MELAPAH stay here with
SAM, and don't let them near DORIS
and STEVE!

DEAN
Okay. Done!

CLIVE
Okay, let's get going TONY.

CLIVE and TONY head up stairs, and out of site!

DEAN unlocks the office, where DORIS and STEVE are, and pushes SAMANTHA in, and locks the door.

SAMANTHA
(YELLING) DEAN YOU BASTARD, I CAN
HANDLE MYSELF!

INT. OFFICE.DAY.

SAM takes a seat next to DORIS and STEVE, and waits until the mine is clear.

INT. LAB. DAY.

DEAN, JACKY and MALAPAH are going through draws and cupboard, when, BINGO!

DEAN
Bingo!. All the weapons we need!

JACKY
What happened to the staff?

DEAN
Bitten by spiders...or some kind of animal...they're the zombies!

SUDDENLY SAM, DORIS and STEVE, start yelling.

DEAN loads one of the guns, JACKY does like wise. As does MELAPAH.

ZOMBIES try to get into the office where SAM, DORIS and STEVE are hiding.

DEAN and JACKY and MELAPAH fire their high powered weapons at the zombies, which scream and explode into black dust when hit.

INT. ROOF . DAY.

CLIVE and DEAN make it to the roof, and start banging on the door to be let in.
