INT. BEDROOM - DAY

A young couple sits on the bed passionately making out.

BILLY

Your sure you want to do this?

SARAH

Yes, Everyone else is doing it.

BILLY

Okay.

The young boy goes in his pocket and pulls out a condom right as he about to open the condom.

WOMEN (O.S.)

Hold on Billy can I speak to you
before you pop the seal on that
condom

Sarah jumps surprised.

SARAH

First lady Michelle Obama. What are
you doing here.

Michelle Obama is in the bedroom.

MICHELLE OBAMA

I'm here to save you kids from
making a terrible mistake. Pre
marital sex is a very risky
decision that can lead to pregenacy
and STD's.

SARAH

But lately I've been feeling these
urges

MICHELLE OBAMA

I understand, but there are other
things you can do besides sex to
satisfy these urges

SARAH

What other things can we do besides
have sex?

MICHELLE OBAMA

There are many things you can do instead of having sex you could take a cold shower, or eat chocolate, dry hump, and if all else fails you can do my favorite masturbate.

BILLY

Masturbate what's that?

MICHELLE OBAMA

Masturbation is when you bring yourself to your own orgasmic climax.

SARAH

Wow, How do you masturbate Mrs. Obama?

MICHELLE OBAMA

You take your hand, and you begin rubbing your clitoris until you feel sensation take over your body.

SARAH

Do you masturbate Mrs. Obama?

MICHELLE OBAMA

Why yes I like to sit in the bath with a glass of wine and flick my bean at least twice a week.

BILLY

What about me Mrs. Obama can I masturbate?

MICHELLE OBAMA

Sure you can young Billy. Just take your hand and firmly wrap it around your penis and massage until you feel a sensation travel through your body and out your penis. Mr. Obama masturbates every time new polls come out

BILLY

Wow, thank you Mrs. Obama

SARAH

Wow, thank you Mrs. Obama

MICHELLE OBAMA (CONT'D)

Your welcome kids, and this goes for all the kids out there.

MICHELLE OBAMA (CONT'D)

If you have an urge that you can't
satisfy with chocolate, a cold

place, and

BILLY
