EXT. INDUSTRIAL AREA - NIGHT

A trendy song plays with the TITLE SEQUENCE.

A fresh-faced MAVERICK (17, charismatic) moves through a crowd of mostly 20 year olds. Maverick moves past three girls who look like prostitutes..smiling cheerfully at them.

Then two heavily-worked muscle cars do burnouts side-by-side. The ensuing burnout creates a cloud of thick white smoke.

A Disco Ball Light enlivens the atmosphere by coloring the burnout smoke with it's lights. A silver-framed sunglasses wearing eccentric stands next to his custom van, bobbing to music, and in his van is the Disco Ball Light.

Maverick makes his way toward a cool-looking yellow Monaco. Inside the Monaco sits in the passenger seat BLUE (Male, mid-20s, mellow, cool, handsome, etc).

MAVERICK

(leaning in, smiling)

Hey Blue, Blue I got race with a Camaro for five hundred

BLUE

Better than nothing..

MAVERICK

And the boys running the show around here even nicknamed me Maverick

BLUE

Ok then, whatever

Suddenly Maverick spots Luna (early 20s, pretty, great legs, rich bitch personality) and is immediately smitten.

MAVERICK

(as leaving frame)

I gotta go..

The muscle cars reverse back to their starting positions.

Maverick arrives to where Luna is standing..and about two other guys are vying for Luna's affections.

LUNA

I'll tell you boys what. The one guy who correctly guesses the color of my knickers.. gets to take me out

(CONTINUED)

MAVERICK  
Who gets to go first

GUY ONE  
Me, I got here first

GUY TWO  
(desperately, to Luna)  
They're red. Red, red.. aren't  
they?

This situation begins drawing a crowd of interested onlookers. Luna giggles to herself, deeply self-satisfied.

LUNA  
Wrong

GUY TWO  
Shit. Do I get a second go?

LUNA  
No

GUY TWO  
They're blue

LUNA  
Fuck off

Guy Two gets emotionally deflated, then fucks off.

GUY ONE  
Ahahahaha ha ha ha they're pink

LUNA  
Nope

GUY ONE  
C'mon let me see -

- Guy One tries to lift Luna's skirt - Luna quickly slaps his hands down.

LUNA  
Stop it. You can see them along  
with everyone else if this guy  
guesses correctly

Maverick smiles, confidently.. 'coz he has a plan.

Maverick gently grabs Luna's hand and leads her directly behind both of the two muscle cars that are about to drag.

MAVERICK  
Stand here

LUNA  
What?

MAVERICK  
Wait

LUNA  
Why

MAVERICK  
Right..about..now

With two sudden great roars the two muscle cars take off fast, and Luna's skirt is lifted from the exhaust blast of the two cars to reveal... absolutely no knickers at all.

Luna seems strangely turned on.

MELISSA (attractive, early 20s) saw the situation unfold and simply rolls her eyes and sighs.

Melissa turns around and walks to the driver's window of TEDDY's import tuner (Melissa and Teddy are engaged).

MELISSA  
You better win, and take me out  
somewhere nice with the winnings -  
If I knew this is the sort of place  
you hang out at

TEDDY  
Don't worry, princess. I will, it's  
just spoiled rich kid I'm racing.  
I'll race, I'll win, and we'll find  
a nice restaurant, and later I'll  
even rub your feet. Hey, ride  
along. You'll love it

Melissa smiles and rushes her way onto the passenger seat in Teddy's car.

Ted's car pulls up to the drag starting point. Ted looks across at his opponent, JOHN (mid-20s, THE BAD GUY).

John stares at Ted as if he's nothing.

TEDDY  
Damn poseur

We see Ted in-car doing a burnout; car vibrating, engine rumbling.

(CONTINUED)

MELISSA

Woo hoo!

Teddy looks back as he reverses back to the starting line.

TEDDY

I told you'd love it

MELISSA

I should come here with my own car

TEDDY

Baby, just say so and we'll get you  
a speed machine tommorow

Melissa laughs.

CUT TO:

Maverick gets inside his Monaco.

MAVERICK

Guess what - I got a hot date

Blue is on his phone.

MAVERICK'S MOM ON BLUE'S PHONE

What he say?

BLUE

He says he's got a hot date. A-huh  
ah you're mom wants to know if  
you've got condoms

MAVERICK

Aww c'mon man.. now my mah is gonna  
search my entire room for excuses  
to say negative shit at me

CUT TO:

A guy walks front and center of the two muscle cars.

TEDDY

This is it

The guy in front of both cars signals "Go".

Both Teddy's and John's cars take off.

It's a close race.

Both cars are neck-and-neck at about halfway to finish..  
then Teddy's car begins to slowly pull away from John's car.

(CONTINUED)

TEDDY  
We're winning, baby!

                  MELISSA  
Woo hoo!

Just before the end of the finish line John hits the back edge of Teddy's car.

Teddy's car wriggles on the road now out-of-control.

Teddy wrestles with the steering wheel, but the car spins side first.

Inside Teddy's car we see in slow motion Melissa looking at the situation in panic as Teddy's car skids on it's side and wraps around a street light.. with the point of impact being right on Teddy's door...instantly killing Teddy.

We see John smirking to himself as he looks in his rear view mirror at the crash. John passes the finish line and keeps driving onward without slowing down.

We cut to the group of onlookers as they look on.. some get in their cars and drive to the crash site.

We cut to Blue in the car with Maverick.

                  BLUE  
Hey! What's going on?

                  PASSERBY  
Someone crashed

                  BLUE  
Ok, thanks

                  MAVERICK  
We should go help hey?

                  BLUE  
No, an ambulance and police are already on their way. We gotta go before we get in trouble ourselves

                  MAVERICK  
What about getting the money. My mah needs help paying the bills this week

                  BLUE  
I got a plan

(CONTINUED)

MAVERICK  
Oh shit! What about my date

BLUE  
Got her number?

Maverick nods.

BLUE  
Then call her later

MAVERICK  
Ok, ok, ok.. let's go

Maverick starts his car and drives away.

EXT. DRAG COMPLEX - DAY

A cool black Mazda 100 buzzes (rotary engine) through rows of people and drag cars. The Mazda has a painted-on Japanese flag, fat drag tires, signs of weight reduction, a roll cage, and two occupants inside the car; Maverick and Blue.

BLUE (IN CAR)  
Here they are! Park next to 'em

A Mazda parks alongside a race team which appears to be a family who are gathered around an American muscle car that has been modded for drag racing. The Mazda idles.

MAVERICK  
So what's the hustle

BLUE  
Get out, pull the bonnet, follow my lead

Maverick gets out, moves around and opens the hood of the Mazda. Then Blue gets out of the Mazda.

BLUE  
(looking to Maverick)  
Listen in, play along

Blue pulls a baseball cap and douche-appropriate sunglasses from his pant pocket and puts them on. The baseball cap goes on backwards, or at an angle.

Blue approaches the family working on the muscle car with a childish (faked) enthusiasm for the muscle car.

(CONTINUED)

BLUE

Oh wow!

Blue is near the engine bay of the car of the family drag team.

BLUE

(to the oldest male in group)  
That engine is huge! Wanna drag my friend?

BOB

What?

(Bob laughs)  
Do you want to race son?

BLUE

Yeah man - let's drag

Bob looks around at his family smiling and laughing and they all smile and laugh back cocky.

BOB

Son, no offense, but I ain't dragging no fartbox - it doesn't interest me in the slightest

BLUE

What? Fartbox? Maan...  
(turns to Maverick)  
Hey Maverick, rev that baby up!  
(turns back to Bob)  
Wait for it

We hear the sound of tuned-up rotary engine on the Mazda revving up as Maverick manually adjusts airflow into the cars carburetor in the engine bay.

JOHNNY

Now how you like that now?

Bob laughs so hard his back bends slightly backwards.

JOHNNY

(pulls a wad of cash from pocket)  
I bet five G my friend can beat you

BOB

What

(CONTINUED)

BOB'S ELDEST SON

Do it dad, teach them a lesson!

Bob smiles, turns to his youngest son

BOB

What do you think, Harry?

Harry, the young sweet-faced son smiles.

HARRY

Do it, beat them and take their car  
and give it to me

BOB

Why would you want that piece of  
crap?

HARRY

I can put their engine in the  
lawnmower to get my chores faster

Bob laughs heartily, and he roughs up the top of Harry's  
head affectionately.

BOB

Hahaha Good boy, but I got a better  
idea. When I beat you, I'm taking  
your car, and see that jet car over  
there

Bob points to a Jet Car in the near distance.

BOB

I'm getting my friend who owns that  
jet car, and I'm gonna have him use  
his jet car to burn that ricey turd  
into nothingness in front of  
everyone at this speed way, and you  
and you're friend have to stay here  
and watch it

Bob's family cheers.

Blue is slightly startled by this proposition.

BLUE

The car is worth more than twenty  
grand

BOB

Ok, ok.. I tell you what.. if by  
some miracle you win, like if

(MORE)

(CONTINUED)

BOB (cont'd)  
angels descend from the clouds and  
push your car over the line before  
mine..then you can have the family  
SUV that most of us came here in

BLUE  
Ok

Blue turns, faces Maverick, giving him a sly thumbs up.

BOB  
(to Blue)  
So how do you wanna do this son?

Blue turns, faces Bagain.

BLUE  
Maverick will race you as soon as  
either of us get a run on the strip

BOB  
What?  
(laughs heartily)  
Let me get this.. straight. You  
wanna race your car, it has less  
than half the engine of our car,  
and you're driver is a tiny boy who  
calls himself Maverick - is there  
anything I am missing here?

Maverick overhears Bob, looks slightly pissed.

BLUE  
Nothing, hopefully

Blue smiles mischievously, walks off.

we see Blue and Maverick having a a face-to-face  
conversation at the front of the Mazda 100.

MAVERICK  
Dude's an asshole

BLUE  
That's just how they try mess with  
your head here. But hey, what we  
know and what they don't is this  
rotary isn't attached to the drive  
train and couldn't turn a fan. But  
that electric engine I put in the  
back can run early 9's

MAVERICK

What about their car - how fast is it?

BLUE

It's never done better than late 9's

MAVERICK

What's the pot?

BLUE

I think, about 10 grand

Maverick whistles excitedly.

MAVERICK

Ok

BLUE

So clean these fuckers out, alright!

MAVERICK

Got it!

EXT. MAIN DRAG STRIP - DAY

Maverick in the Mazda 100 drags Bob in his V8 muscle car from start to finish. Maverick wins.

Blue stands by the drag strip watching everything. Blue turns to face the camera with a big smirk on his face.

EXT. DRAG STRIP/CAR AREA - DAY

We see Blue and Maverick drive off in two cars

We cut back to Bob and his family watching on utterly let down.

BOB

Tell everyone we sold it

EXT. JUNKYARD - NIGHT

We see Blue leaning onto the driver's window of Maverick's Monte Carlo.

(CONTINUED)

MAVERICK

So when do I get payed?

BLUE

When your mom says so

MAVERICK

What, c'mon bro' - I got a hot date tonight and I need to look cool

BLUE

What happened to the five hundred you got a week ago

MAVERICK

(smiling)

Oh I spent all that overnight

BLUE

On what?

MAVERICK

Booze

BLUE

With who

MAVERICK

Friends

BLUE

What kind of friends

MAVERICK

Friends that like booze

Like a parent, Blue disproves shaking his head.

MAVERICK

C'mon help me out. She's hot, and I promise I won't drink

Blue sighs and reaches into his pant pocket and hands money to Maverick.

BLUE

Okay, here

MAVERICK

Yeah thanks man

(CONTINUED)

BLUE

Don't thank me. It's coming out of  
your pay, and tell your mom what  
you're doing tonight

Maverick starts his car.

BLUE

Yeah, later

Maverick drives away.

MAVERICK

M..a..v..e..

all my friends. Four seats. Four

Luna shows John four fingers when she says "four".

JOHN

A California

LUNA

(condescendingly)  
I want a Ferrari convertible with  
four seats AND I want it red

JOHN

Ok, I got it, but I need you're

birthday. We'll have pretty

LUNA

MAVERICK

Ok, so where is this place?

in front of the hangar bay doors, and facing directly at it.

Luna then pulls out a remote control out of her jacket  
pocket. Luna points to the hanger doors and presses a button  
on the remote control.

The Hanger doors open.

walks to the 917.

Maverick opens the door of the 917.

Once fully inside Maverick starts up the engine of the 917.

Alicia warms up the engine of the 917, and relishes the  
sound the car makes as he revs it.

We see Luna inside of Maverick's car in the driver's seat.  
Luna discretely pulls out her iPhone from her long leather  
bootse. Luna calls John.

JOHN (ON PHONE)  
What's happening?

LUNA  
He's in the car. Wait

Luna puts her phone down so Maverick cannot see it as he drives by in the Porsche 917.

(puts iPhone to face)  
He's going down the runway

KEISHA

BLUE

Detectives showed me a video of an  
old Porsche race car getting stolen  
in a garage from a high end car  
dealership

KEISHA

Why would they do that?

BLUE

My guess is.. they have no leads,  
no idea how to solve their case,

BLUE

I have a friend who went missing, and his mom found this address from searching his room

KEISHA

How old is your friend

BLUE

Seventeen

KEISHA

Oh

BLUE

Action Ms. Jackson

Blue picks up his binoculars. Through Blue's binoculars we see John appear from the front door of the Mansion.

Luiz's limousine then appears in frame to pick up Luiz.

Luiz and John walk to the passenger door of the limousine. John and Luiz hug and wave goodbye to each other.

Luiz gets into his limousine.

The main front gates to John's Mansion open

Luiz's limousine rolls down the driveway, then goes out and down the road.

The front gate to John's Mansion shut to a close.

Blue starts up his pick up truck and begins to tail Luiz's limousine.

KEISHA

Are we following that limousine now

BLUE

Yes

EXT. DIRTY STREETS - DAY

Blue tails the limousine through a grimy neighborhood.

Luiz's limousine turns a corner. The Limousine stops and Luiz's passenger window is now facing a Hooker.

KEISHA

Ewww is he picking up a prostitute?

BLUE

Yep

Blue stops his truck at distance, and watches on intently.

Luiz's passenger side window winds down, and the Hooker talks into the window area before getting into Luiz's limousine.

Luiz's Limousine drives away once again. Blue continues tailing the Limosuine.

EXT. CHURCH PARKING LOT - DAY

Luiz's Limousine parks in an empty Church parking lot.

Blue stops his truck at a distance away of but with a clear view of the Luiz's Limo.

The passenger door of Luiz's Limousine opens. We see the Hooker being pushed out by Luiz. The Hooker is resisting and slapping Luiz.

After a brief momentary period of fighting..the Hooker is pushed from the Limo and falls on her behind. The Limo doors slams shut.

KEISHA

(CONTINUED)

BLUE  
That's no lady

The Hooker quickly gets up from the church pavement with his wig in his hand, and a bald head.

With a little tire-skidding the Limo takes off.

The Hooker looks around at the ground below, before picking up a rock, and athletically throwing that rock at the back window of the Limousine and hitting it; cracking it.

The Limousine stops. Luiz's passenger window partially winds down.

We see Luiz's hand holding a gun pop out from inside. Luiz's fires a few shots at the now bewildered Hooker-guy..all shots miss.

The Hooker escapes by running away extremely fast.

Luiz's gun hand retracts back into the Limo, and the window once again shuts to a close.

Luiz's Limo takes off.

BLUE  
Do you want to see this through

KEISHA  
Yes

Blue starts his truck and carefully pursues the Limo.

BLUE  
Ok

KEISHA

Oh my god

Melissa's demolition Derby car is wrecked from the impact. Michelle gets out of her car unharmed.

Luiz crawls out of his half of the severed Limo. Luiz shoots his gun off at Melissa.

Melissa is still making her way toward Luiz.

Luiz fires his gun but \*click\* \*click\* \*click\* no more bullets...

Luiz's driver gets out of the Limo and runs away. Luiz's driver looks grimy and under dressed to work as a chauffeur.

Luiz pulls the trigger of his gun in desperation at Melissa. Melissa kicks the gun from Luiz's hands.

Melissa takes off her helmet, and starts beating Luiz with her helmet

KEISHA

We should do something!

BLUE

Maybe.. not

Melissa beats Luiz's face with her helmet until Luiz's face looks fucked up. When Luiz appears to be on the brink of death.. Melissa stops.

Despite holding back Melissa still looks like she wants to kill Luiz..she is still kneeling on Luiz.

Melissa throws away her helmet and looks up towards the sky and screams. Michelle then gets up and sits on the curb, looking down, miserable.

KEISHA

I don't get it - was she going to kill the guy, or just hurt the guy

BLUE

In her mind..probably both

Blue accelerates his pick up truck quickly up to and alongside Melissa.

Melissa then springs to her feet, picks up her bloody helmet, and climbs inside to sit between Blue and Keisha.

Just bring it along in the truck

KEISHA

(pushing Blue down again)  
Not with the way you drive. We're all going to sit here and finish our ice cream

BLUE  
Use the tow cable to get these  
gates open

KEISHA  
Oh wow

Keisha quickly reverse the tow truck to position the tow  
truck cable and crane close to the mansion gates.

Keisha gets out of the truck and hits a lever on the tow  
truck which loosens it's hook and cable.

Keisha picks up the hook and drags it over to the mansion  
gate. Keisha tries to hook the tow hook on a single bar of  
the gate.

BLUE  
No, wrap it around the gate.. there  
is less chance of the hook ripping  
through the gate when the truck  
accelerates

KEISHA  
Ok

Keisha wraps and hooks the tow truck cable and hook over and  
under the mansion gate. Blue gets out of the 917 and assists

When the kiss ends, Blue casually walks away.

BLUE

I'll come by tomorrow

KEISHA

You do that

Blue gets into his tow truck, starts the engine, waves to Keisha, and reverses the truck away.

DANIEL  
Told me what?

BLUE  
Bro', your brother is missing. Cops

say the car exploded while he was  
driving it

Daniel slumps against the wall with the phone to his head.  
Beat.

DANIEL  
But what do you think happened?

DETECTIVE HAMM

Look, we cannot use your testimony in court. You entered a property illegally and stole a vehicle

DETECTIVE WALSH

You should be in prison

DETECTIVE WALSH

And the only reason you ain't - there is no evidence of this second race car even existing, and we can't use your testimony - a convicted criminal's testimony- in court because you stole a fucking car

DETECTIVE WALSH

A car that doesn't exist

DETECTIVE HAMM

The people we after got money, and lawyers that will take a shit all over us if they even knew we were talking to you right now

DETECTIVE WALSH

So it's for the best that they don't know you

KEISHA  
Pointed guns.. at everybody

Armed Intruder one (John) points a gun directly at Keisha's face. Armed Intruder One wears an intimidating gold mask resembling an evil spirit.

ARMED INTRUDER ONE (JOHN)

Armed Intruder Two walks into back entrance.

ARMED INTRUDER TWO

ARMED INTRUDER ONE

Armed Intruder To leaves back from where he came from.

ARMED INTRUDER ONE

She's gone.

Beat.

DETECTIVE WALSH  
We have. Doctors gave her no chance  
to live, so they hopped her on a  
treatment to keep her awake long  
enough so she can give a statement  
to us

DETECTIVE HAMM  
All her immediate family are gone..  
all she had was your dumbass

Detective Walsh nods to Detective Hamm to meet outside the  
curtained off area. The Detectives walk outside the  
curtained off area.

BLUE  
I'll kill them. Every last one..  
and they'll all know pain before  
they die.. pain and misery

Outside Curtained-off area:

DETECTIVE WALSH  
No evidence, only witness is dead,  
other witness is an ex-con, and the  
bad guys got expensive lawyers

DETECTIVE HAMM  
The raid turned out to be shit as  
well..and those bigshot lawyers  
will shit all over us for that.  
Only way we're going to get 'em  
this time is if we wait for them to  
make a mistake

We cut back to Blue for a reaction shot. Blue overheard  
everything.

DETECTIVE WALSH  
Shame about the girl though

DETECTIVE HAMM  
Yeah she had a nice pair of  
titties, now poof, burned straight  
off

will fall into their laps to  
justify doing something, anything

MELISSA

Let me help you

BLUE

Why

MELISSA

They took away from me the love of  
my life. Now my home is gone.. and

I can't drive, or fight well..but  
I'll do whatever I have to

Blue stomps the butt of the 50 Cal gun onto the ground, and also does it so Melissa can clearly see the weapon.

BLUE

You can use this

MELISSA

I don't know how to use that thing

BLUE

It's easy, I'll show you how

Beat.

MELISSA

Ok, so what's the plan?

LUIZ

Stop stop stop stop it!

Melissa adjusts the blow torch until it shoots a blue flame. Melissa waves the blue flame across one of Luiz's knees. Luiz's knee burns.

JOHN  
Fuuuuuck

John scrolls down to the rest of the message.

The message demands John come to an abandoned highway location within two hours.. with a million dollars in cash.

John begins to sweat. He taps nervously on his desk and looks around at nothing anxiously.

The Muscle-heavy men keep working out unamused.

SECOND-IN-COMMAND  
He's paying muscle ten grand each

The muscle-heavy men stop what they're doing, and look at each other both thinking "Yeah, why not?".

SECOND-IN-COMMAND  
C'mon

Second-in-command throws a towel over his shoulder and walks with the two muscle-heavy men follow him.. leaving their gym equipment behind.

EXT. ON A HILL NEAR AN ABANDONED HIGHWAY - DAY

Blue teaches Melissa how to shoot the 50 Cal gun.

BLUE  
You're in the correct position, so  
point cross hairs on the target and  
squeeze the trigger

Melissa fires the 50 Cal gun. The kickback is a motherfucker.

MELISSA  
Oh my god

Melissa looks back at Blue.

MELISSA  
What happens if I shoot a guy in  
the head with this thing?

BLUE

Blue continues walking away.

EXT. STORAGE FACILITY - DAY

A dark Limousine parks beside a storage locker.

The storage locker door opens. Standing in the locker is  
John dressed in black wearing his golden mask.

Inside the storage locker are large black duffel bags filled  
with assault weapons.

A window winds down on the limousine...and we see  
Second-in-Command.

JOHN  
Grab the bags

INT. LIMOUSINE - DAY

John sits at back and center of the limousine.

There's close to ten hired muscle, not including  
Second-in-command and Second's gym friends.

The hired muscle are opening the black duffel bags and  
getting out the assault weapons.

John throws a brick of cocaine into the center of the hired  
muscle.

(CONTINUED)

Most of the hired muscle descend upon the brick of cocaine; ripping it apart and snorting it wildly.

JOHN

MELISSA

Like an exploding watermelon..

EXT. ABANDONED HIGHWAY SURROUNDED BY HILLS - DAY

We see a closeup of Blue in the Mazda 100.. and we don't see the car entirely yet.

In the middle of the road facing the oncoming Limousine.. is a battered and bruised Luiz tied to a chair.

The Limousine stops in front of Luiz.

INT. ARMORED LIMOUSINE - DAY

Second-in-Command has the Limo phone to his head.

JOHN

SECOND-IN-COMMAND

JOHN  
We wait until they show.. and when  
they do.. we all jump out and start  
shooting

SECOND-IN-COMMAND  
Ok, cool

EXT. ON A HILL NEAR AN ABANDONED HIGHWAY - DAY

Melissa shoots the engine of the Limousine

CUT TO:

JOHN  
What the fuck was that

CUT TO:

BLUE  
Get out of the car

CUT TO:

SECOND-IN-COMMAND  
(with phone still to head)  
Now they say the engine exploded

JOHN  
How the fuck can an engine just  
explode.. go check it out

Second-in-command signals his gym buddies, the muscle-heavy  
guys to follow him out to the front of the Limo.

(CONTINUED)

CUT TO:

We see Melissa's POV, as she scopes Second-in-Command and his gym buddies standing in the front of the Limo looking at the hole in the Limo's engine bay.

We hear Blue's voice on Melissa's phone which rests close to Melissa's face.

BLUE  
What do you see

MELISSA  
He's not there

BLUE (VIA MICHELLE'S PHONE)  
He's in the Limo

MELISSA  
How do we get them out?

BLUE (VIA MELISSA'S PHONE)  
Just keep shooting the car..  
they'll run out in a panic

Again we see Melissa's POV through the scope of the anti-tank gun.. she begins putting holes into the limousine.

INT. ARMORED LIMOUSINE - DAY

A bullet travels cleanly through the Limo creating almost two instantaneous holes (entry and exit) doing much to startle and confuse the Limo's occupants.

JOHN  
Shit

SPLAT.. another bullet hits a hired goon's head, and blood and bone is splattered everywhere inside the Limo.

The Limousine occupants freak out and crawl over each other in a mad rush to exit the Limo.

EXT. ABANDONED HIGHWAY SURROUNDED BY HILLS - DAY

We see Blue in the Mazda satisfied, as he watches John's hired goons evacuate the Limousine in a bloody mad panic.

Frame zooms slowly away from Blue's face revealing the Mazda 100 entirety. The Mazda is now covered with prison-grade razor wire.

(CONTINUED)

Blue slams the accelerator pedal. The Razor Car's wheels spin.. kicking up dust and dirt.. it's electric engine screams like a boiling kettle.

The Razor Car pushes off heading for the bad guys.

The Razor Car hits one bad guy directly, and rips the flesh off another bad guys back. We see exposed flesh of the back-ripped bad guys as he screams while turning his back towards frame.

Bad guys begin shooting at the Razor Car.

The Razor Car uses elevation in the environment to jump and decapitate a bad guy.. by hooking the razor wire skirting in the the front of the Razor Car around the bad guy's head.

The Razor Car drifts around the stationary Limo and the bad guys.. kicking up dirt. The Bad guys begin to cover their eyes and cough.

The Razor Car swings it's side into another bad guy amid a hail of bullets.

Blue spots a bad guy directly in front and shooting at him. Blue pushes the pedal hard and rams this bad guy head-on. The bad guy becomes hooked onto the bonnet of the Razor Car..but

..but the bad guy is still conscious, and he attempts to point his gun at Blue. Blue simply grabs the gun from the bad guy and shoots him in the head with his own gun.

Now every bad guy still not dead scrambles back into the Armored Limousine and begins to fire at Blue from the partially open bulletproof windows.

Blue drives the Razor Car to directly behind the Limousine.. but a distance.

MELISSA (VIA BLUE'S PHONE)  
I'm out of bullets

BLUE  
Wait

Blue searches the dead bad guy on the Razor Car's hood.. he finds a lighter in a jacket pocket.

MELISSA (VIA BLUE'S PHONE)  
What now?

(CONTINUED)

BLUE  
I got a play

Blue accelerates quickly toward the Limo and fires his assault weapon at the Limo's gas tank area. We see bullet holes at the gas tank area. We see fuel leak from the gas tank. Blue then swerves the Razor Car to it's side.

JOHN  
(looking through back window)  
The fuck is that son-of-a-bitch?  
What's he doing

Blue holds the lighter in the air, and flicks a flame. Blue smiles at John behind the glass window. Blue drops the lighter, igniting the fuel. Blue then speeds off in the Razor Car.

JOHN  
Get out now

Bad guys scramble out of the Limousine once again.

We see the bad guys out of the Limo, and running away from the Limo. The ignited fuel causes the fuel tank on the Limo to explode.. a fireball. The fireball knocks the bad guys down whilst they run away.

Blue is quick to sweep in with the Razor Car and kill every bad guy except Thomas... torn flesh, screaming, etc.

Thomas gets his mask ripped off by the razor wire.

Blue and John are left. Blue turns around the Razor Car to John for the final face off.

CUT TO:

MELISSA  
(under breath)  
Get him, get him, get him..

CUT BACK TO:

Blue accelerates in the Razor Car at John fast.

John doesn't show any sign of weakness. Instead John stands strong and goes full macho. John points his assault rifle at the oncoming Razor Car and Blue and he shoots.

(CONTINUED)

Blue gets low in his driver's seat in attempt to minimalism his body profile that John can shoot at.. to no real effect. Blue is struck by a bullet on his shoulder. The Razor Car swerves to its right narrowly avoiding John by mere centimeters.

The Razor Car swerves off the road and rolls over.

CUT TO:

Melissa gets up and makes her way to Blue as fast as she can.

CUT BACK TO:

John is now walking proudly over to the Razor Car wreck.

John makes it to the driver's side of the Razor Car.

Melissa is running toward the razor car wreck, but still is a long way off from reaching it.

John opens the driver's side door with his gun aimed and at the ready..but e doesn't find Blue.

Blue on top of the car and tackles John, disarming him.

They fight..it is brutal. Blue wins (writer's note: Blue wins with the help of a top tier fight choreographer.)

We fade to black.

Then see a pile of bad guy bodies now on the up-turned Razor Car. Some bad guys are dead..some bad guys are alive and wailing in pain.

We see Melissa and Blue standing over a pile of bodies. John is still alive, albeit barely.

John stares hatefully at Blue. Blue stares hatefully at John.

Blue lights a match, and he throws it on the Razor Car. The Razor Car becomes engulfed in in flames.

The bad guys scream in terror. The alive bad guys move around their flaming limbs and chunks of flesh melt off their bodies onto the surrounding environment.

John just stares at Blue with hate while the flames consume his body.

Melissa and Blue turd..and they stare diwn Luiz who is still tied to the chair...albeit terrified, shaking.

(CONTINUED)

BLUE

What about this one?

MELISSA

He's not involved as much as the rest, but he still deserves punishment

Melissa nods her head to the burning pile.

BLUE

Then let him go?

LUIZ

I had nothing to do with it. I only supplied drugs, hookers, I entertained. I'm just a business man. Let me go, let me go.. I can tell you where they stash all their cars

BLUE

I dunno

LUIZ

Let me go I'll tell you about everyone

BLUE

We didn't get everyone?

LUIZ

No, there is one left

BLUE

Who

EXT. JOHN'S MANSION - NIGHT

There is a party in the garden area.

Young trendy douche bags and skinny party girls are gathered. A poofy-haired metrosexual boy band sings a song about some super hot girl.

BOY BAND

She's so hot, yeah she's smoke-en.  
She's burns with the flames of  
passion. She's like a match ready  
to strike for some action

Then we see who the Boy Band is singing about..it's Luna.

(CONTINUED)

Luna arrives to her party driving a Ferrari California. Luna is wearing a diamond-studded tiara and a ball dress that only a Disney Princess would wear.

We see Blue in the crowd staring on. He is a hateful face among smiles and bright eyes. We see a phone in his hands..Blue presses a button on the phone.

Then boom.. a fireball blows up from the Ferrari California.

Luna is burning, flailing, screaming.

The crowd screams. The boy band members scream like girls into their head microphones. Luna gets out of the Ferrari and crawls on the ground. Luna's face melts before our eyes.

Luna dies.

Blue casually turns around walks away...

Some party people hopelessly try to put out the flames on Luna's corpse.

We pan to reaction shots of party people screaming, holding each other and crying.

We fade up to the stars.

THE END
