EXT. STUDENT UNION - ESTABLISHING - DAY

We PUSH IN on the Student Union. We see college students walking in and out, riding past on bikes, one kid sitting in a corner smoking what is most likely pot. Then we hear a woman.

Abby, can you put out the ribbons?

INT. STUDENT UNION COMMON AREA - CONTINUOUS

We CUT TO Claire, 20, blonde college student sporting a breast cancer awareness shirt. And Abby, 19, brunette also in breast cancer shirt. We find the two setting up a booth to make people aware to tit disease.

ABBY
Sure, where are they?

CLAIRe
They're in the blue tub.

We follow Abby as she inspects the tubs.

ABBY
There's no ribbons in here.

CLAIRe
What do you mean they're not there-

ABBY
-There's no ribbons-

CLAIRe
I put them in there the other day.

ABBY
The display is gone too.

Claire starts to have a minor freak out.

CLAIRe
The display is gone? Are you sure?

ABBY
As sure as I know narwhals are just unicorns in disguise.

Claire ignores Abby.

CLAIRES
Abby, I think-
(beat)
I think they were stolen.

Beat.

ABBY
No shit?

CLAIRES
Yes.

Beat

ACT ONE

EXT. STUDENT UNION - ESTABLISHING

We PUSH IN on the Student Union, we still see the pot kid sitting in the corner.

ROSCOE (O.S.)
Alright, what do we got?

INT. STUDENT UNION COMMON AREA - CONTINUOUS

We CUT TO to the same scene. Not much has changed, except Roscoe and Stache are there investigating the crime. We see Stache stand up from behind the stand.

STACHE
Yup, the tits are definitely gone.

ROSCOE
What about the ribbons.

STACHE
(Confused)
Ribbons?

ROSCOE
Yes. The ribbons. They were stolen too.

STACHE
(laughing)
Why?

We CUT TO a WIDE SHOT of the room as Claire walks up to Roscoe and Stache to find out what is going on. We can see that she is clearly frustrated with the whole situation.

CLAIRES
Excuse me, have you found out anything?

ROSCOE
Ma'am, we've only been here ten minutes.

STACHE
Your tits are missing.

ROSCOE
Stache! Language around the pretty lady-

We see Roscoe give a wink to Claire, who just brushes it off.

ROSCOE (CONT'D)
-We have no leads as of yet.

STACHE
(To Claire)
Why do you have fake tits?

ROSCOE
Stache!

STACHE
Sorry. Why do you have fake breasts

CLAIRE
(slightly annoyed)
To show the effects of breast cancer!

STACHE
(To himself)
I just don't know how with fake-

ROSCOE
Is there anyone you know who may have any ill will towards you.

CLAIRE
I don't understand

STACHE
Have you been a bitch to anyone?

Claire looks taken aback that someone would even have that thought.

CLAIRE
No, not that I can think of.

Stache steps next to Claire, and gives her a "Call me sometime" look. Their voices lower as they seem to have private conversation.

STACHE
Well then, give me a call sometime.

Claire gives Stache a wink.

CLAIRES
I think I will.

Roscoe is suddenly annoyed with the two.

ROSCOE
Let's go, Stache.

EXT. STUDENT UNION - ESTABLISHING - AFTERNOON

We PUSH IN on the Student Union. We see two campus cops arresting the pot smoking student. There is a group of people gathering around.

ROSCOE (O.S.)
Did you find anything?

INT. DINING AREA - CONTINUOUS

We CUT TO Roscoe and Stache sitting in the Dining Area, eating dinner and reviewing what they have come up with on the case so far.

STACHE
I have a list of people who worked
on the project.

Stache takes the list and starts to cross off names.

ROSCOE
Well, we can cross Claire and Abby
off the list. How many does that
leave us with?

STACHE
Six.

Roscoe puts his face in his hands, stressed over the situation

ROSCOE
You're fucking kidding me. It's
going to take us forever to find
who did this.

STACHE
We can narrow this down.

Roscoe takes the list from Stache.

ROSCOE
Okay. How about Matt Klinsky?

STACHE

Eh. He's dating the president of
the big boob sorority. I don't
think he needs another pair.

ROSCOE

Okay, Ashley Rhodes?

STACHE

Sounds like a lesbian, let's check
it out.

ACT TWO

EXT. WOMEN'S DORM ROOM - ESTABLISHING

We PUSH IN on a newer looking dorm building. We see the pot head from earlier running past the building, two portly cops giving chase, followed by a crowd of students. We hear Roscoe, shouting.

ROSCOE (O.S.)
Reach for the sky, Ashley Rhodes!

INT. DORM ROOM - CONTINUOUS

We CUT TO Ashley Rhodes Dorm Room. Typical college dorm room for a college girl, pink, purple, all kinds of girl stuff I don't know about.

STACHE
(Yelling)
Show us them tits!

We CUT TO Ashley Rhodes, 20, brunette, who starts to freak out at the two guys have just busted into her room.

ASHLEY
Holy shit! Who the fuck are you two!?

WIDE SHOT of the room as we see the three of them.

ROSCOE
Where are the stolen items!

STACHE
(Yelling)
I said show us them tits!

ROSCOE
STACHE!

ASHLEY
(Screaming)
I said get the fuck out of my room,
or I'm calling the cops!

STACHE
Jokes on you Agitha Fistme! We are
the cops!

Roscoe gets close to Stache and whispers to him.

ROSCOE
(Whispering)
Stache, we're not real cops.

STACHE
We're kind of cops.

We CUT TO Ashley, visibly furious, raises her finger and points to her door.

ASHLEY
GET. OUT!

Beat.

STACHE
No.

EXT. CAMPUS COURTYARD - DAY - CONTINUOUS

We CUT TO Roscoe and Stache trying to regroup after being kicked out of Ashley Rhodes room. Stache is nursing a freshly bruised eye.

STACHE
The bitch punched me! In the eye!

ROSCOE
Well you kept shouting show me them tits! What did you think was going to happen?

As they walk, the pot kids runs in front of them. Stache extends his leg and the pot kid trips to the ground. We then see the two portly cops jump on him, followed by some kids who have been chasing them as well.

WEED KID (O.S.)
Oh shit!

Roscoe and Stache walk around them and keep walking. We can still hear screaming and fighting from the scene behind them.

STACHE
Well, she didn't have to be a bitch about it.

Beat.

WEED KID (O.S.)
Not the pepper spray!

EXT. STUDENT UNION - ESTABLISHING

We PUSH IN on the student union. The two portly cops walk into the union, high-fiving each other.

ROSCOE (O.S.)
Claire, you're probably wondering
why we called you hear.

INT. STUDENT UNION COMMON AREA - CONTINUOUS

We are ZOOMED IN on Claire who has a look of confusion on her face as the two sit at a table.

CLAIRe
You didn't. I called you here.

We CUT TO a WIDE SHOT of the Common Area

ROSCOE
Shut up.
(Beat)
We need to talk about your missing titties.

Stache walks into the scene.

STACHE
Ashley, didn't have them.

CLAIRe
Well, who does?

ROSCOE
Well, we're not sure. She was the only obvious lesbian on the list. So we have no idea who could have committed this awful crime.

CLAIRe
Did you even look at the other people on the list?

STACHE
Why would they want fake tits?

Claire is once again visibly frustrated with the duo.

CLAIRe
That's what we wanted you to find out?

ROSCOE
The tits are gone.

CLAIRE
(Hopeful)
Did you at least find the ribbons?

ROSCOE
(Confused)
Ribbons?

CLAIRE
That were with the model?

Beat.

STACHE
Who steals fake tits and ribbons?

ROSCOE
Case closed.

Claire looks visibly confused, and angry. Like she wants to punch them in the face.

CLAIRE
What!

STACHE
So. Dinner tonight?

Claire gives Stache a very dirty look.

CLAIRE
No!

Beat.

STACHE
Well fuck you-
(Beat)
Bitch.
