INT. APARTMENT - DAY

A young man, BILLY, and a young woman, CINDY, stand in the living room.

Several baggages of luggage are piled by the front door.

Another nerdy young man, WILLIAM, is standing by the door.

BILLY  
You're breaking up with me, for  
him?

CINDY  
You had your chance, you blew it.

BILLY  
What did I do?

CINDY  
You refuse to grow up! You never  
take anything seriously.

BILLY  
And William does?

CINDY  
William is a respected computer  
programmer at one of the most  
respected corporations in his  
field. You are a lifeguard!

BILLY  
Studying to be a nurse!

CINDY  
Do you honestly think that I am  
going to spend the rest of my life  
with a male nurse?

Cindy looks at William and signals. He opens the front door and starts carrying her luggage out of the room.

BILLY  
After six months together you think  
that I am a joke?

CINDY  
All you ever do is joke and goof  
around with your friends.  
(MORE)

CINDY (CONT'D)

If by some miracle you did manage to get into nursing school I doubt that you'd pass.

BILLY

So, I'm a joke and an idiot?

CINDY

You aren't serious enough to do anything meaningful with your life. You're a fun guy and being with you was fun but I need something more than that.

William stands by the door not smiling.

Billy laughs.

BILLY

So you're replacing me with this guy?

Cindy walks up to William and takes his hand. They start to exit the front door.

Cindy turns just before she gets to the door.

CINDY

Very funny, Billy.

Cindy SLAMS the DOOR SHUT.

Billy walks up to the door and punches it. He turns with his back to the door and slides down.

His fist is in pain after punching the door. He appears both physically and emotionally hurt.

BILLY

Fuck, that hurt!

EXT. CEMETARY - DAY(RAINING)

A small group of people wearing all black gather around a open grave. A closed casket is lowered into the ground.

It is raining and everyone has umbrellas to cover their heads, including the PREACHER.

A group of YOUNG MEN gather closely together.

YOUNG MEN  
 "AND ANOTHER ONE BITES THE DUST,  
 HEY I'M GONNA GET YOU, TOO. ANOTHER  
 ONE BITES THE DUST!"

An old couple stands beside the group of young men singing.  
 They break out into laughter despite their tears.

The song being sung by the young men still plays.

OLD MAN  
 If John were here he'd love to see  
 this!

OLD WOMAN  
 I'm glad that he got his friends to  
 do this for him. He would've wanted  
 it this way.

OLD MAN  
 Are you kidding? He had it put into  
 his will!

One of the young men that was singing previously walks up to  
 the old couple.

YOUNG MAN  
 Mr. Anderson? John wanted me to  
 give you this. He said to open it  
 after the funeral.

The young man hands MR. ANDERSON an envelope.

MR. ANDERSON  
 Thanks, son.

YOUNG MAN  
 Doctor Anderson was an inspiration  
 to all of us. He was the brightest,  
 funniest doctor I've ever worked  
 with.

MR. ANDERSON  
 He always said that laughter is the  
 best medicine. He even used his own  
 funeral to keep us smiling.

EXT. GRAND CANYON - LATE AFTERNOON

A young woman, JULIANNE, hikes up a hill in the grand canyon.  
 She is almost at the top.

A young man, JIM, tries to keep up with her. He is visibly out of breath.

JULIANNE

Hurry up! We're almost at the top!

Jim leans over and coughs several times. He is unable to walk any further.

JIM

I can't do this anymore!

Julianne turns around and goes back to Jim. She takes his hand and tries to pull him forward.

JULIANNE

It's just twenty feet. You can do it.

JIM

That's not what I'm talking about.

JULIANNE

What are you talking about?

JIM

Us. We're too different. You are always on the go and I'd give anything for a quiet weekend on the couch.

JULIANNE

You can't be serious!

JIM

I need a break! No more trips, exotic adventures, mountain climbing... I'm through!

JULIANNE

If you want to stay home next weekend and rest we can do that.

JIM

That's not you. You wouldn't be happy just sitting at home and you know it.

JULIANNE

But this was going to be our one year anniversary!

INT. APARTMENT - DAY

Billy is in the exact same spot on the floor as we left him. He has a three o'clock shadow and his clothes are dirty with chips and soda stains.

Several used kleenex's are around him. Several beer bottles are around him also.

Sounds: a PHONE RINGS.

Billy picks up his cell phone and answers.

BILLY

Hello, what's up TRIP... She dumped me!

INT. COLLEGE DORMROOM - DAY

A Young man, TRIP, holds a phone up to his ear. A half-naked gorgeous girl is lies on his bed and signals him to come to her.

TRIP

No way, dude! For who?...No way!  
You would think she would at least trade up!

INT. APARTMENT - DAY

Billy continues to hold the phone up to his ear.

BILLY

I know, huh?

Billy then leans over and pukes on the floor.

INT. COLLEGE DORMROOM - DAY

Trip holds the phone away from his ear and grimaces.

Sounds: we hear Billy puke through the phone.

TRIP

Could I ask you a favor. I was supposed to go white water rafting down the SALTRIVER CANYON this weekend but something has come up. Do you think you could go in my place?

The half-naked gorgeous girl takes her bra off. A huge bulge shows through Trip's shorts.

TRIP (CONT'D)

You will! Thanks, you're a real  
pall!

INT. OLD COUPLE'S HOME - LIVING ROOM - DAY

The old couple, MR. and MRS. ANDERSON sit in their living room. They are still dressed in their funeral clothes.

They are at opposite ends of the couch do not speak to one another.

MR. ANDERSON

How would our son feel if he knew  
that we were going to get a  
divorce?

MRS. ANDERSON

He was lucky enough not to live to  
see the day we decided to call it  
quits.

MR. ANDERSON

I still can't believe he's gone!

MRS. ANDERSON

The administrator of the hospital  
called. They have dedicated the  
east wing of the hospital to John  
for all of his hard work and  
dedication.

MR. ANDERSON

They should name the entire  
hospital after him.

MRS. ANDERSON

You still haven't opened the  
envelope he left for you.

MR. ANDERSON

Could you do the honors?

Mrs. Anderson opens the envelope reads it outloud so his wife can hear.

MRS. ANDERSON

"Dad, here are the tickets for our  
family trip that we always planned.  
(MORE)

MRS. ANDERSON (CONT'D)

We are finally getting to go  
whitewater rafting! See you next  
weekend, John."

MR. ANDERSON

Let's do this for him.

INT. APARTMENT - DAY

Julianne cries as she looks at several pictures of her and Jim are sprawled out all over the bed. She sits indian-style on the bed and a box of kleenex is right beside her.

In the pictures she is smiling and Jim looks either miserable, grouchy, exhausted or a combination of all three.

The pictures are of her and him at the grand canyon, Sedona, mountain range settings etc.

JULIANNE

How could I have been so blind?

Julianne continues to cry.

Sounds: a PHONE RINGS.

Julianne picks up her cell phone and answers.

JULIANNE (CONT'D)

Hello?

INT. COLLEGE DORMROOM - DAY

The gorgeous blonde from before still lies in bed with TRIP. She holds the phone up to her ear.

Sounds: we hear him snoring.

BLONDE

Hey, sweetie. What ya doin?

JULIANNE (O.S.)

Jim broke up with me. Waaa!!!

BLONDE

No way! You can't be for real!

INT. APARTMENT - DAY

Julianne still sits indian-style on her bed. She holds the phone up to her ears and tears flow down her cheek.

JULIANNE

This was supposed to be our one  
year anniversary!

INT. COLLEGE DORMROOM - DAY

The gorgeous blonde paces back and forth in TRIP's dormroom.  
She is wearing very revealing lingerie.

TRIP is in bed asleep with a boner.

He yells out in his sleep.

TRIP

Oh, Stacey!

Stacey smiles.

STACEY

Could you do me a favor? I was  
going to go whitewater rafting this  
weekend but something came up. Can  
you take my place?

JULIANNE (V.O.)

I don't think so..

STACEY

Come on, this would be the perfect  
way to get Jim off of your mind and  
you know it.

JULIANNE (V.O.)

Okay.

EXT. SALTRIVER CANYON - DAY

At the bottom of the canyon near the rivers edge there is a  
old volkswagon van ( 60's style ) parked. Smoke rises out of  
the roof of the vehicle.

RAY RAY (V.O.)

This is some good stuff, huh scoob.

INT. VOLKSWAGON VAN - DAY

Inside the van RAY RAY smokes a huge joint. There is a  
lifesize scooby doo doll situated right beside him.

Ray Ray attempts to get the scooby doll to smoke it too.

RAY RAY  
(imitating scooby) Rod ram, raggy!

Sounds: THREE LOUD KNOCKS on the VAN DOOR startle Ray Ray.

Ray Ray drops the joint and scooby catches on fire.

JIMBO (O.S.)  
Ray Ray! Wake your potsmoking self  
up. We've got to get to work.

The scooby doll is now engulfed with fire. Ray Ray attempts to put it out with a towel but the towel catches fire as well.

RAY RAY  
Shit! Shit! Shit!

EXT. SALTRIVER CANYON - DAY

Jimbo stands next to the parked van. He looks up at the smoke that continues to rise out of the roof of the van. There is alot of smoke!

JIMBO  
Damn, Ray Ray. Save some for the  
trip back home, man.

The van's door opens. Ray Ray runs out naked. He holds his flaming scooby doo doll and runs to the river and puts Scooby's flames out.

Jimbo laughs and walks up to Ray Ray. Ray Ray holds his burnt scooby doll up. Ray Ray looks visibly upset.

RAY RAY  
(imitating Scooby) you ruterrucker!  
(as himself) I'm sorry, Scoob!

JIMBO  
You dumbass!

RAY RAY  
(imitating Scooby) Ruck you, you  
runof a ritch!

JIMBO  
We've got to get to work, man!

RAY RAY  
Oh, yeah! I forgot! Ha ha ha.

JIMBO

Go put some clothes on and meet the rest of us at base camp in half an hour.

RAY RAY

(imitating scooby) oky dok, Rimbo!

Ray Ray turns around and walks back towards the van.

JIMBO

Newbies!

EXT. SALTRIVER CANYON CLIFF - DAY

TWO INDIANS watch Ray Ray and Jimbo from a distance. They both have very serious looking faces.

INDIAN#1

His ass is redder than yours!

INDIAN #2 shakes his head in disapproval.

EXT. SALTRIVER CANYON RAFTING BASECAMP - DAY

Ray Ray runs up half-dressed to the occupied camp. Several other guides are already there. He is late.

Ray Ray, out of breath, continues to put his shirt on. He stands right beside Jimbo.

JIMBO

Nice of you to join us, Ray Ray.

The HEAD GUIDE paces back and forth. He is a young shaggy looking guy.

HEAD GUIDE

I want to thank everyone for all of your hard work this year. This has been an amazing season for us. Except for that couchsurfing incident..

Everyone turns and looks at RAY RAY.

## HEAD GUIDE (CONT'D)

I have to remind you that this is the last day of the season so I don't want anyone being reckless or tumping our costumers over because we won't be here tomorrow to rescue them.

## ALL GUIDES

Awww!!!!

## HEAD GUIDE

I know that BIG CHIEF will be watching over us but we don't want to give him any trouble. His tribe is gracious enough to allow us to conduct business on his land. We should all thank him for his generosity.

## RAY RAY

Why don't we do it now?

## HEAD GUIDE

That's not a bad idea, Ray Ray.

All the guides turn and look up at the top of the cliff. Two indians stand at the top of the cliff and observe everything that happens.

## ALL GUIDES

Thanks Big Chief!

One indian standing on top of the cliff in the distance holds his hand up and waves.

Sounds: a car horn honks.

## HEAD GUIDE

It looks like our costumers are beginning to arrive. Look sharp everyone.

All the guides break up from their meeting. Two guides walk towards the portable office and unlock the door.

A couple of guides begin to walk towards the buses and two more guides inspect all of the rafting gear.

A small van stops in the parking lot. It is filled with FIVE YOUNG PRETTY BLONDES. This catches Ray Ray's attention immediately.

He stands there with his mouth agape and looks as if he is in love.

Jimbo walks up, looks at the pretty young girls and looks at Ray Ray.

JIMBO  
Snap out of it, buddy!

RAY RAY  
They're riding with me today,  
right?

JIMBO  
Wrong, newbie. They are with me.

Another car pulls up and parks in the parking lot. Five senior citizens, all women, get out.

They notice Ray Ray right away. One even blows him a kiss.

Jimbo acts like he catches it in midair.

JIMBO (CONT'D)  
That's your group, Raggy!

RAY RAY  
That's not fair!

JIMBO  
If you make it back for next season  
you can make the newbies guide the  
ones you don't want. Right now I'm  
in charge, beyotch!

Several other cars pull into the parking lot.

Several groups of people head towards the basecamp. One group is an small group of ORIENTAL MEN in their late 30's, another is a small family with young children.

Several people change into their rafting gear including wetsuits, helmets and jackets.

Some of the rafting guides carry and pull rafts towards the river's edge.

EXT. SALTRIVER CANYON RAFTING BASECAMP PARKING LOT - DAY

One small car is in the middle of parking and gets hit by another vehicle that is headed for the same parking spot.

Billy rolls down his window.

BILLY  
 (Shouting) Hey, watch where you are  
 going.

Julianne rolls down her window.

JULIANNE  
 (shouting also) I was here first!

Billy puts his vehicle in reverse and allows Julianne to take  
 the parking spot.

INT. JULIANNE'S CAR - DAY

Julianne parks her car in the vacant parking spot.

JULIANNE  
 (to herself) What an idiot!

EXT. SALTRIVER CANYON - RAFTING BASECAMP - DAY

Everyone is gathered together at the basecamp. Billy and  
 Julianne are the last to arrive.

BILLY  
 But you hit my car...

JULIANNE  
 After this trip is over we'll take  
 care of any damage caused through  
 our insurance companies..

Billy looks nervous and scratches his head.

JULIANNE (CONT'D)  
 You do have insurance, don't you?

BILLY  
 Yes, it's just..

Jimbo walks up and interrupts their conversation.

JIMBO  
 I'm sorry to interrupt you but you  
 better hurry up and get dressed or  
 you'll be late for your ride.

In the background everyone listens to the head guide as he  
 instructs them on rafting safety.

The head guide holds a helmet up high for everyone to see.

HEAD GUIDE  
Remember, your helmet is your  
friend. Do not take it off under  
any circumstances.

A man that belongs to the oriental group raises his hand.

HEAD GUIDE (CONT'D)  
Yes?

ORIENTAL MAN  
Has anyone ever died rafting down  
this river?

HEAD GUIDE  
Not yet. There have been serious  
injuries in the past.

Everyone looks shocked by this. One girl takes her helmet off  
slowly.

HEAD GUIDE (CONT'D)  
But never in the history of our  
company has anyone been hurt going  
down the river.

The girl smiles and puts her helmet back on.

Billy and Julianne both run up to the group of people that  
are already wearing their rafting gear. They aren't dressed  
properly.

Jimbo jumps up on a table and gets everyone's attention.

JIMBO  
(Shouting) Are you ready?

ENTIRE CROWD  
(shouting back) yes.

JIMBO  
(shouting) I didn't hear you. I  
said Are you ready?

ENTIRE CROWD  
(Shouting back) yes.

JIMBO  
(in normal voice) Okay, follow me.

Jimbo jumps off of the table walks towards the river.  
Everyone follows him to the river's edge.

Billy and Julianne put on their rafting gear as everyone goes towards the river.

As everyone approaches the river's edge a BALD EAGLE flies overhead.

OLD WOMAN

Look, it's a bald eagle!

The men that belong to the oriental group all pull out cameras and take pictures.

The bald eagle poops and it lands right on Billy's head. Some of the poop also lands in his mouth.

Sounds: laughter.

As Billy spits bird poop out of his mouth the oriental men continue to take pictures.

EXT. SALTRIVER CANYON CLIFF(OTHER SIDE OF THE RIVER) - DAY

Two men in their early twenties lie on their stomachs on top of a cliff that is on the opposite side of where BIG CHIEF was.

One has a pair of binoculars uses them to spy on the group of people below.

MAN#1

That dude just ate Bald eagle shit!

Man#2 puts the binoculars down and taps the other man on the head.

MAN#2

Shut up, you idiot! If BIG CHIEF knew that we were here our chances of having our rafting company here are ruined!

MAN#1

BIG BOB, what are we doing here?

BIG BOB

I told you, if OUTDOOR EXPEDITIONS has one incident where a costumer is hurt going down the river their contract is expired. That is where we come in. If we can make it look like a accident the SALTRIVER CANYON RAFTING TOUR is mine!

MAN#1

You mean ours, right?

BIG BOB

Yeah, ours. (mumbling to himself) I should have never married your sister.

EXT. SALTRIVER CANYON RIVER'S EDGE - DAY

Five rafts are by the river's edge. Five RIVER GUIDES stand motionlessly beside the rafts.

HEAD GUIDE

Okay, the SWEDISH VOLLEYBALL TEAM and the OUTDOOR PHOTOGRAPHY CLUB will be riding down the river with Jimbo.

The five pretty blondes and the five oriental men stand by Jimbo's raft. The oriental men smile and take pictures of the girls.

The head guide walks up to the next raft. Ray Ray stands by the front of the raft. The SCOOBY DOO doll is seated by the front of the raft. It's ear is burnt off.

HEAD GUIDE (CONT'D)

What happened to Scooby, Ray Ray?

RAY RAY

(not looking head guide in the eye)  
I left him too close to the fire.  
(imitating scooby) ruu riar!

HEAD GUIDE

...don't smoke inside the van, Ray Ray.

RAY RAY

(singing)" THIS AINT NO FUNKY REAGGEA PARTY, FIVE DOLLARS AT THE DOOR..."

HEAD GUIDE

(singing also)"IT GETS SO REAL SOMETIMES, WHO WROTE MY RHYME..."

RAY RAY AND HEAD GUIDE

(singing together)" I'VE GOT THE MICROWAVE, GOT THE VCR, I'VE GOT THE DEUCE DEUCE IN THE TRUNK OF MY CAR..."

## HEAD GUIDE

God, I love SUBLIME! Okay, Ray Ray.  
It looks like you've got the  
QUILTING CLUB, an OLDER MARRIED  
COUPLE and a single young man and  
woman riding with you today.

Five older women ( all senior citizens ), Julianne, Billy and John's parent's Mr. and Mrs. Anderson stand by the boat and wait for instructions.

Billy leans over and takes a whiff of Scooby Doo. He signals Julianne to do the same. They both have very knowing expressions on their faces.

The head guide walks up to the other three rafts to make sure that everyone is with their appropriate guide.

Ray Ray is loads the raft up with equipment.

## BILLY

How long have you been doing this?

## RAY RAY

(singing to himself)"SMELT LIKE LOU  
DOG INSIDE THE VAN, OH  
YEAH..."(stops singing ) Oh, you're  
talking to me. This is my first  
year.

Billy walks up to the head guide as he is inspects the other rafts.

## BILLY

Hey, is there any way I could ride  
in another raft?

## HEAD GUIDE

Is there a problem?

## BILLY

Well, I don't want to sound scared  
but it's that guys first year doing  
this and that Scooby Doo doll  
should change his name to Lou Dog  
if you catch my drift.

## HEAD GUIDE

I handpicked Ray Ray myself. He is  
one of the best guides we've got.  
You'll be fine. Just don't dare him  
to ride down the river on a couch.

BILLY

I don't mean to sound paranoid it's just, well, I'm a lifeguard studying to be a nurse and...

HEAD GUIDE

If something does happen you can help Ray Ray perform CPR. He's a trained EMT but another hand is always useful.

Julianne walks closer and listens to Billy and the head guide's conversation. She looks a bit disappointed and turns around. She head's back to the raft where everyone else continues to wait.

She appears to explain something to the group as Billy approaches the raft.

RAY RAY

( in fake British Accent )Are you riding with us, mate?

BILLY

(also in fake accent) Aye aye, captain.

RAY RAY

(talking like a pirate) Have a seat by this young wench, here, me matey!

Ray Ray looks up and notices that Jimbo's boat is already in the water. He sees all the pretty blondes in the boat and his mouth drops.

Jimbo looks up at Ray Ray, smiles, then flips him the bird.

RAY RAY (CONT'D)

Don't pay him no mind, Scoob.

RAY RAY (CONT'D)

(imitating Scooby Doo) Ruckin Rassrole!

JULIANNE

Do you always make such a good first impression?

BILLY

Excuse me?

JULIANNE

First, you run into my car. Then,  
you go and act like a jerk cause  
your scared of getting hurt.

BILLY

I really didn't mean to...

RAY RAY

(like a pirate) I'll have no  
bickerin on me ship, mates.

EXT. SALTRIVER CANYON RIVER'S EDGE(OTHER SIDE OF RIVER) - DAY

A couple of miles ahead BIG BOB and his accomplice, JUNEBUG  
stand on opposite ends of the river.

They rig a fishing line to go across the river and tie it to  
a couple of trees at the river's edge.

JUNEBUG

Why are we doing this, Big Bob?

BIG BOB

When they all come floating down  
the river this line will cause  
several people to fall overboard  
and the water's pretty shallow  
here..

JUNEBUG

But won't that hurt someone?

BIG BOB

That's why we are doing this. Now,  
help me secure the line.

Big Bob and JuneBug continue to secure the almost invisible  
fishing line to the trees.

JUNEBUG

But Big Bob...

BIG BOB

Now what?

JUNEBUG

When they find the line tied to the  
trees won't they get suspicious?

BIG BOB

They'll probably just think that a fisherman got his line tangled trying to catch a trout.

EXT. SALTRIVER CANYON - RIVER - DAY

All five groups are in their rafts. The river is still and wide. There are no rapids.

Everyone practices paddling as the river guides give them instructions as they practice.

One boat spins in circles because everyone paddles the wrong way.

Someone in another boat falls backwards into the water. One of the river guides pulls him back into the boat.

RAY RAY

Okay, everyone. When I say HARD RIGHT I want everyone on the right side of the raft to paddle as hard as you can as a team, okay.

Billy, Mr. And Mrs. Anderson and three of the old women from the QUILTING CLUB all nod.

RAY RAY (CONT'D)

Okay, hard right.

All the occupants of the right side of the boat paddle together.

The raft turns to the left.

RAY RAY (CONT'D)

Stop!

Everyone no longer paddles.

RAY RAY (CONT'D)

Now, when I say hard left I want everyone on the left side of the boat to paddle as hard as you can as a team, okay.

Julianne and the other old women from the quilting club all nod.

RAY RAY (CONT'D)

Okay, hard left.

All the occupants of the left side of the raft paddle together.

The raft turns to the right.

RAY RAY (CONT'D)

Stop! That was good but, Julianne, you are going to need to row faster to keep up with the others, okay.

JULIANNE

Okay!

BILLY

You are the weakest link!

Julianne gives Billy a nasty look.

RAY RAY

Now, when I say hard back right I want everyone on the right to dig in and paddle backwards as hard as you can, alright.

Everyone on the right side of the boat nods.

RAY RAY (CONT'D)

Okay, hard back right!

All of the occupants of the right side of the boat paddles backwards.

The raft turns in a clockwise motion.

RAY RAY (CONT'D)

Stop!

All of the occupants of the right side of the raft stop.

RAY RAY (CONT'D)

Now, when I say hard back left I want everyone on the left side of the raft to paddle backwards as hard as you can, alright.

Everyone on the left nods.

RAY RAY (CONT'D)

Okay, hard back left!

All of the occupants of the left side of the raft paddle backwards.

The raft turns in a counterclockwise motion.

Julianne's paddle slips out of her hand. It hits Billy in the chest.

Billy falls into the water.

Billy struggles to stay afloat.

BILLY  
Somebody help me! I'm gonna drown!

RAY RAY  
I want you to listen to me very  
carefully, okay!

Billy continues to struggle.

BILLY  
Okay!

RAY RAY  
Stand up!

Billy discontinues his attempts to swim and he stands up. The water is only two feet deep.

Everyone laughs at him on the raft. Billy looks humiliated.

Ray Ray helps Billy get back into the boat.

Julianne laughs hysterically.

BILLY  
What's so funny?

JULIANNE  
You are the winkest link, goodbye!

Everyone on the raft continues to laugh except for Billy.

Several other rafts head down the river ahead of Ray Ray's raft.

RAY RAY  
Okay, guys. Let's catch up to the  
others.

EXT. SALTRIVER CANYON CLIFF - DAY

BIG CHIEF and his companion WILD RABBIT stand on the cliff and watch all of the rafts take off down the river.

BIG CHIEF  
What do you think of the new guide?

WILD RABBIT  
I think he's pretty cool!

BIG CHIEF  
He smokum too much peace pipe!

INT. COLLEGE DORMROOM - DAY

TRIP and his beautiful blonde girlfriend Stacey continue to lie in bed together.

They text message their friends on their phones.

TRIP  
So, what did your friend, JULIANNE, have to say?

STACEY  
She just said that "this would probably be the best outdoor experience she has ever had except for the jerk she just met". What did your friend, Billy, just say?

TRIP  
He just said "I can't believe that bitch just knocked me out of the boat! I think she did it on purpose!"

STACEY  
She just said " that should teach him a lesson".

They both hang up their phones at the same time.

TRIP  
Maybe fixing them up wasn't such a good idea after all.

STACEY  
I feel as bad as you. I honestly thought that if they met each other naturally instead of being hooked up by their friends it would work out better.

EXT. SALTRIVER CANYON RIVER - RAY RAY'S RAFT - DAY

Billy and Julianne text message on their phones. They hang up at the same time and give each other fake smiles.

RAY RAY

I'd like everyone to introduce themselves and tell us all a little bit about yourselves starting with you two.

Ray Ray looks at Mr. And Mrs. Anderson.

MR. ANDERSON

I am John Ray Anderson Sr. And this is my wife Roselia.

RAY RAY

If you are senior where is junior?

MR. ANDERSON

He just passed away unexpectedly. This was supposed to be our family vacation together.

RAY RAY

I am sorry to hear that. I am sure that he would be very happy that his mother and his father are here together today.

Mr. Anderson has a very guilty look on his face. His wife notices right away.

MRS. ANDERSON

Yes, he would.

RAY RAY

..and you ladies?

OLD LADY

We are the FIRST BAPTIST QUILTING CLUB. We are also the choir for our church!

RAY RAY

Really? Let's hear it!

OLD LADY

Oh, I don't know..

RAY RAY

Please!

OLD LADY

Okay. Hit it, girls.

QUILTING CLUB  
 (singing) HALLELUYA, HALLELUYA! AND  
 WE'LL GO DOWN TO THE RIVER AND  
 PRAY..

They sound very beautiful. Everyone on the raft applauds.

Their singing also gets the attention of some of the people that continue to float ahead on other rafts.

They applaud as well.

RAY RAY  
 That was awesome! Do you girls do  
 any rock and roll tunes?

OLD LADY  
 Are you kidding? I was the beatles  
 biggest fan! Hit it, girls!

QUILTING CLUB  
 (singing) "WE ALL LIVE IN A YELLOW  
 SUBMARINE, A YELLOW SUBMARINE, A  
 YELLOW SUBMARINE..."

RAY RAY  
 You chicks rock!

All of the old ladies in the quilting club blush and giggle. Compliment well taken.

The raft floats smoothly down the river. No rapids yet.

RAY RAY (CONT'D)  
 ..And what's your story?

Ray Ray looks at Billy. Everyone waits for an answer from him.

BILLY  
 I am a lifeguard studying to be a  
 nurse. I am here because my  
 girlfriend of six months dumped me!

RAY RAY  
 Why'd she dump you?

BILLY  
 She said I wasn't serious enough.  
 She said I joke around too much.

MR. ANDERSON

Don't you pay her no mind! My son was a doctor and he joked from the moment he woke up until he fell asleep at night.

RAY RAY

You tell him, Mr. Anderson!

MR. ANDERSON

My son brought alot of joy to alot of terminally ill children by joking with them. As a matter of fact they are naming the east wing of the hospital he worked at after him!

RAY RAY

Really?

MR. ANDERSON

My son, John Jr., Understood something all of those other grumpy bastards didn't. He believed that laughter..

BILLY

.. Is the best medicine!

QUILTING CLUB

Amen!

RAY RAY

Okay, guys. It looks like we are coming up to our first set of rapids. When I say hard back right you know what to do, right?

Everyone on the right side of the boat nods.

The raft floats closer and closer to the rapids. The raft rocks violently as they flow through the rapids.

RAY RAY (CONT'D)

Okay, hard right back!

Everyone on the right side of the raft paddles backwards. The raft maneuvers smoothly through the rapids and doesn't hit some very large boulders.

RAY RAY (CONT'D)

Good job, everyone! Paddles up!

Everyone gives each other a sort of "high five" up in the air with their paddles.

RAY RAY (CONT'D)

Okay, Miss...

Ray Ray's attention is on Julianne.

JULIANNE

Julianne..

RAY RAY

What's your story?

JULIANNE

Today would have been me and my boyfriend's one year anniversary..

BILLY

Let me guess, you killed him with an paddle going down another river?

JULIANNE

No! He said that he couldn't keep up with me anymore.

RAY RAY

Was he supposed to be here today?

JULIANNE

No, my friend gave me this as a gift. She said she just met this guy and she couldn't make it..

BILLY

What a coincidence..

RAY RAY

What's that?

BILLY

I got my ticket the same way for the very same reason.

RAY RAY

Wow, small world, huh?

Billy and Julianne text message on their phones again.

INT. COLLEGE DORMROOM - DAY

Trip and Stacey are both dressed in leather. Stacey is holding a whip.

She cracks it hard on Trips backside.

Sounds: we hear him scream.

Both of their phones light up at the same time.

They walk up to their phones and read them.

TRIP

Billy wants to know if I tried to  
set him up with someone today.

STACEY

So does Julianne..

TRIP

How did they figure it out so fast?

EXT. SALTRIVER CANYON RIVER - RAY RAY'S RAFT - DAY

Both Billy and Julianne hang up their phones simultaneously.  
They give each other fake smiles again for a new reason.

BILLY

I've got this friend, TRIP, that  
just started to date this girl  
named STACEY.

JULIANNE

What a coincidence! I've got a  
friend named Stacey that just  
started dating this guy named TRIP.

BILLY

(Singing) ITS A SMALL WORLD AFTER  
ALL...

This gets the attention of the old lady sitting right next to  
Billy.

OLD LADY

I love that song. Hit it, girls!

QUILTING CLUB

(Singing) ITS A SMALL WORLD AFTER  
ALL, ITS A SMALL WORLD AFTER ALL,  
IT'S A SMALL SMALL WORLD...

We can see Julianne hang her head down in embarrassment as  
the raft floats down the river.

EXT. SALTRIVER CANYON - RIVER'S EDGE(OTHER SIDE OF RIVER) - DAY

Big Bob and June Bug continue to stand on opposite ends of the river.

Big Bob looks and sees a small group of rafts float towards them slowly.

BIG BOB  
They're here already! Hide June Bug!

June Bug looks down and notices that his pants are covered in ants.

June Bug swats at them and they begin to bite him.

JUNEBUG  
Ow! Shit! Ow! Shit!

June Bug beats the crotch of his pants hard and fast several times.

BIG BOB  
What the hell are you doin, June bug?

June Bug is still continues to beat the crotch of his pants.

JUNEBUG  
Oh, shit! Oh, shit! Oh, shit!

Junebug trips and falls into the water. As he falls into the water he accidentally snaps the fishing line that they had rigged to snag the rafters.

The fishing line flies backwards catching a small flying bug. The bug lands in Big bob's throat.

We see Big Bob turn blue in the face and hit the ground.

June Bug drops down into the water as four rafts pass by.

June Bug comes up on the other end of the river. He finds Big Bob choking on a bug. Big Bob's face is blue.

Junebug runs over to Big Bob and begins to perform the heimlick maneuver on him as Big Bob's pants fall down around his knees. Big Bob's bare ass is showing.

As June Bug performs the heimlick maneuver unsuccessfully on Big Bob Ray Ray's raft approaches the scene.

QUILTING CLUB  
 (still singing) IT'S A SMALL WORLD  
 AFTER ALL..

Everyone on Ray Ray's raft looks to the left to see what appears to be two men having relations at the edge of the bank.

All of the women stop singing.

JULIANNE  
 I think I'm gonna be sick!

BILLY  
 Holy shit!

One old lady from the QUILTING CLUB holds up a pair of binoculars. She looks at what appears to be two men going at it on the bank.

OLD LADY  
 A small world, indeed!

RAY RAY  
 I'm sorry you had to see that,  
 folks! (imitating Scooby) Roly  
 ruck!

EXT. SALTRIVER CANYON RIVER'S EDGE - DAY

Big Bob spits out the bug he swallowed. June Bug stands there with his pants hanging down by his knees.

BIG BOB  
 For god's sake, pull up your pants  
 June Bug!

JUNEBUG  
 You alright, Big Bob?

BIG BOB  
 I honestly don't know what's worse.  
 Choking on a bug or being raped by  
 you?

JUNEBUG  
 Our plan kinda backfired, huh?

BIG BOB  
 Kinda? I just hope none of those  
 bastards had a video recorder.

JUNEBUG

Maybe we'll be on America's  
funniest videos!

BIG BOB

I'm sure your sister would love to  
see her husband being manhandled by  
her brother.

JUNEBUG

What are we gonna do now?

BIG BOB

Follow me, I've got another plan up  
my sleeve.

EXT. SALTRIVER CANYON - RIVER - DAY

All five rafts pull up to a spot on the river. Everyone gets  
out of the rafts and stands on the edge of the river.

A small camp is situated about a hundred yards back.

EXT. SALTRIVER CANYON - SMALL CAMP - DAY

Several people huddle around a fire. They are all soaking wet  
and continue to shiver from the cold.

The group of young girls that belong to the SWEDISH  
VOLLEYBALL TEAM walk towards the river wearing bathing suits.

Ray Ray is stopped in his tracks. His jaw is dropped wide  
open. The Swedish girls appear to be moving in slow motion in  
the water as they splash around.

Jimbo is standing right beside him staring also.

JIMBO

I can't take it anymore!

EXT. SMALL CAMP - OUTHOUSE - DAY

Jimbo runs to an outhouse that is situated about a hundred  
yards behind the grills that are cooking.

He slams the outhouse door. We see the entire outhouse shake  
for about twenty seconds.

Sounds: we hear growls of agony coming from inside the  
outhouse. Then we hear a sigh of relief.

The outhouse is no longer shaking.

Two oriental men walk up to the outhouse and stand in line to use it.

ORIENTAL MAN#1  
Wow, he really had to go!

ORIENTAL MAN#2  
I'll say. Lucky for us his shit  
don't stink!

The outhouse door opens slowly. Jimbo looks a little embarrassed to see two men standing there.

One oriental man walks inside of the outhouse.

JIMBO  
Watch your step, man. Don't slip.

ORIENTAL MAN#2  
Thank you, sir.

EXT. SALTRIVER CANYON RIVER - SMALL CAMP - DAY

Billy and Julianne sit beside each other by the fire. They both have a plate of food situated on their laps.

BILLY  
I think we got off on the wrong  
foot.

JULIANNE  
I'll say.

BILLY  
I'm sorry for wrecking into your  
car and calling you the weakest  
link.

JULIANNE  
And I'm sorry for knocking your ass  
into the river.

BILLY  
You bitch! You did do it on  
purpose!

JULIANNE  
Guilty as charged!

BILLY

I guess I deserved it. Looking back  
it was kinda funny.

JULIANNE

It was almost as funny as watching  
you eat bald eagle shit!

BILLY

Can you believe that was the first  
time I saw one out in the wild?

JULIANNE

Really? You don't get to go  
outdoors that much do you?

BILLY

It's not that I don't love being  
outdoors...

JULIANNE

Why not?

BILLY

I've never really been able to  
afford to.

Billy looks up and sees a small group of people hurdled  
around another fire. One man turns around. His ass is on  
fire.

BILLY (CONT'D)

(shouting) Sir, your ass is on  
fire!

Julianne looks up and sees that Billy isn't lying.

JULIANNE

Oh my God! His ass is on fire!

BILLY

Excuse me.

Billy gets up and runs over to the man with his ass on fire.  
Billy uses a wet towel to put it out.

The man that had his ass on fire stands there with everyone  
laughing at him. His bare ass is exposed because the fire  
burned all the way through his wetsuit.

RAY RAY

Come on, big guy. I'll look and see  
if we have any extra wetsuits out  
here.

Ray Ray leads the man with the bare ass away as everyone laughs. Several oriental men take pictures.

EXT. SALTRIVER CANYON CLIFF(OVERSEEING SMALL CAMP) - DAY

Wild Rabbit and Big Chief stand on a cliff and observe everything going on at the small camp using binoculars.

WILD RABBIT

His ass is almost as red as yours!

BIG CHEIF

Why are you looking at my ass?

WILD RABBIT

Who is that signaling us to come down?

BIG CHEIF

That's their big cheif!

EXT. SALTRIVER CANYON - SMALL CAMP - DAY

Big Chief and Wild Rabbit walk up to the head guide. Several people are still hurdled by the fire and some continue to eat their food.

The Swedish Volleyball Team splashes around in the water like little children.

Ray Ray continues to stare at them.

HEAD GUIDE

One of my guys just told me that they saw two guys doing some pretty sick stuff to each other by the river.

BIG CHIEF

Maybe I'll send Wild Rabbit to check it out since he is so obsessed with people's asses!

WILD RABBIT

It was a joke!

BIG CHIEF

Really? All day long all I hear is  
" his ass is redder than yours, his  
ass is almost as red as yours." Ass  
ass ass ass ass!

WILD RABBIT

I'm sorry Big Chief.

HEAD GUIDE

If you don't want to investigate  
this for yourself I could radio the  
sheriff.

BIG CHIEF

We'll go check it out. If anything  
suspicious is found we'll find you  
and let you know.

HEAD GUIDE

Thanks, Big Chief.

Big Chief and Wild Rabbit walk back into the wilderness  
towards the cliffs.

EXT. SALTRIVER CANYON - RIVER'S EDGE - DAY

Big Bob and Junebug stand by the river's edge. No one else is  
anywhere to be seen.

Big Bob piles boulders into the shallow side of the stream.

BIG BOB

JuneBug, get your lazy ass over  
here and help me.

JUNEBUG

Why are you piling boulders up into  
the river, Big Bob?

BIG BOB

How stupid are you, Junebug? When  
they get here the rafts aren't  
going to be able to float in the  
shallow water.

JUNEBUG

How will they get past this?

BIG BOB

They won't. If one or two rafts pop  
the others will be too full to  
carry anyone else. They'll be  
forced to abandon them.

JUNEBUG

That's a good plan, Big Bob!

EXT. SALTRIVER CANYON - RIVER'S EDGE - DAY

Big Chief and Wild Rabbit follow tracks by the river's edge.

Wild Rabbit discovers a fishing line that is tied to a tree  
and Big Chief checks it out as well.

BIG CHIEF

This is interesting..

Big Chief is follows the footprints. He picks up a dead bug  
that is covered in saliva.

WILD RABBIT

What is it?

BIG CHIEF

Dragonfly. It looks like it was  
swallowed and the other guy saved  
his life by doing the heimlick  
maneuver.

WILD RABBIT

Wow, you're good!

BIG CHIEF

That's why I'm Big Chief!

EXT. SALTRIVER CANYON - SMALL CAMP - DAY

All of the costumers are gathered around as the head guide  
begins to give a speech. The other guides stand by him as  
well.

HEAD GUIDE

Is everyone having a good time?

ALL COSTUMERS

Yeah!

## HEAD GUIDE

I know it was kinda cold this morning but it looks like the clouds are parting and the afternoon should be warmer. We've got about two hours of sunlight left and I understand that only two rafts are doing the twenty mile run. Which rafts are staying out again?

Jimbo and Ray Ray both raise their hands.

## HEAD GUIDE (CONT'D)

Great, your next campsite is about three miles down. That's where you brave souls will be spending the night. Good luck!

## ANONYMOUS COSTUMER

You're gonna need it!

Sounds: everyone laughs.

## HEAD GUIDE

Okay, if everyone's finished eating we'll head back out on the river. Let's go!

All of the river guides and the costumers get back into the rafts.

The rafts float down the river with all of the occupants inside them.

## EXT. SALTRIVER CANYON RIVER - RAY RAY'S RAFT - DAY

Ray Ray's raft floats down the river slowly. There are no rapids yet.

## RAY RAY

You guys are gonna have a blast tonight! Aint that right, Scoob? (imitating Scooby Doo) Reah!

## BILLY

So, what's up with your obsession with Scooby Doo, man?

Ray Ray covers Scooby's burnt ears up after Billy says this.

## RAY RAY

His feeling's get hurt easy.

BILLY

So, you're not gonna tell us?

RAY RAY

The way I see it this is my mystery machine. Every day I'm on the river I must solve the mystery of what drives our costumers here and where they are going.

MR. ANDERSON

I just came out to have fun!

JULIANNE

Me, too!

QUILTING CLUB

Yeah, us too.

BILLY

It looks like the mystery's solved, bro.

RAY RAY

No, not yet. You see, the Indians that own this land believe it has supernatural powers. Big Chief told me that a great spirit guides us all here for a greater purpose.

JULIANNE

You can't be serious.

RAY RAY

Do you think that it was simply a coincidence that both you and Billy lost your ex's at the same time and showed up here today?

JULIANNE

Well, yeah. I kinda do. The fact that our friends tried to use this as a way to set us up doesn't have any deeper spiritual meaning!

RAY RAY

I didn't know that! Did you hear that, Scoob? ( imitating Scooby ) reah!

JULIANNE

So, you believe that some higher power has brought us all here together today?

RAY RAY  
Big Chief says the great spirit  
flows through us all.

OLD LADY  
...And the Lord moves in mysterious  
ways.

RAY RAY  
Preach it sister!

Billy looks up and notices a strange rock formation up above them.

BILLY  
What's that?

Everyone in the raft looks up and sees the strange rock formation.

RAY RAY  
That's called TWO INDIANS KISSING.

BILLY  
Wow, that was cool.

RAY RAY  
You haven't seen anything yet. Look  
ahead of us.

Billy and everyone else in the raft looks ahead. A huge set of rapids approaches faster and faster as they float down the river.

The raft maneuvers between the boulders and the huge rapids.

Sounds: women scream as they go through the rapids.

Jimbo's raft flips over up ahead of them. Everyone scrambles to the shore and is alright.

Ray Ray's raft floats up next to Jimbo's raft.

RAY RAY (CONT'D)  
Is everybody okay?

The pretty girls that belong to the Swedish volleyball team pop up out of the water. Their tight tee shirts that are completely drenched.

Ray Ray is dumbstruck by this sight. His raft runs right into a boulder and he flies out of the boat.

Ray Ray lands right beside two of the pretty girls. Everyone else in his raft is okay.

Jimbo turns his raft right side up. He see's Ray Ray in the water.

Jimbo paddles his raft forward and gains control of Ray Ray's raft.

Ray Ray pops up out of the water. INGRED and GRETAL smile at him.

INGRED  
(in swedish accent) I am Ingrid and  
this is Gretal. Ve are from Svedin!

Ray Ray is speechless and continues to stare at the beautiful young women.

Ingrid and Gretal move in slow motion as Ray Ray stares at them.

Jimbo and the rest of the occupants in his raft are right beside them now.

JIMBO  
Smooth move, ex lax!

RAY RAY  
I was just making sure everybody's  
okay.

Ingrid and Gretal climb back in the raft with Jimbo's help.

INGRED AND GRETAL  
(together) Bye, Sveetie!

Billy is in the front seat of the raft. Everyone else in the raft paddles towards Ray Ray.

BILLY  
..And stop!

Everyone stops paddling. The raft floats up to Ray Ray. He holds it in place.

Ray Ray puts his arm around his burnt Scooby Doll.

RAY RAY  
I think I'm in love, Scoob.  
(imitating Scooby) me, too!

BILLY

Well, dude. Maybe the GREAT SPIRIT  
will smile down and guide you into  
their loving arms but right now I  
need you to take over this raft!

Ray Ray looks up ahead. Jimbo and his raft floats away. Jimbo  
turns around and looks at Ray Ray. Jimbo laughs at Ray Ray.

The oriental men in Jimbo's raft take pictures of the canyon  
and the swedish girls.

EXT. SALTRIVER CANYON RIVER'S EDGE - DAY

Junebug and Big Bob continue to throw giant boulders into a  
fork in the river. They stop throwing boulders then walk up  
the banks.

BIG BOB

That ought to do it!

JUNEBUG

What if one of the rafts decides to  
use the other side of the river?

BIG BOB

It's too shallow. Only a newbie  
would try something as foolish as  
that.

JUNEBUG

But what if...

BIG BOB

...this doesn't work. Don't worry,  
I've got a plan.

Big Bob pulls out a gun and cocks it.

BIG BOB (CONT'D)

Before this weekend's over this  
river will be mine!

EXT. SALTRIVER CANYON RIVER - RAY RAY'S RAFT - DAY

Ray Ray is situated at the front of the raft. Ray Ray and his  
constumers float down a quiet stretch of the stream. No  
rapids.

Up ahead two buses drive going the opposite way about halfway  
up the cliffside on the right.

BILLY  
What's that?

RAY RAY  
Those are the day trippers. This is  
the end of their journey.

BILLY  
Daytrippers? That reminds me of a  
beatle's song!

RAY RAY  
Oh yeah! Let's give them a fond  
farewell. What do you say?

JULIANNE  
What do you have in mind?

RAY RAY  
(getting quilting clubs attention)  
Ladies, could I get you to do the  
honors?

OLD LADY  
We'd be glad to!

RAY RAY  
Alright! Hit it, girls!

QUILTING CLUB  
(singing)"SHE'S A BIG TEASER, SHE  
TOOK ME HALF THE WAY THERE. SHE WAS  
A DAYTRIPPER. ONE WAY TICKET,  
YEAH.."

Ray Ray stands up and plays air guitar with his paddle as the  
quilting club sings.

INT. BUS(DRIVING ON CLIFF) - DAY

HEAD GUIDE (V.O.)  
Ladies and gentlemen, if you look  
down and to the right you'll get to  
see our newest guide, Ray Ray,  
making a complete idiot out of  
himself.

Everyone looks out of the bus and sees Ray Ray as he stands  
up at the front of the raft and plays his air guitar.

Sounds: we hear the guitar solo for Beatle's Day Tripper.

EXT. SALTRIVER CANYON(RIVER'S EDGE) - LATE AFTERNOON

Jimbo and Ray Ray's raft park at the river's edge at BASECAMP #3. The sun is setting and we can begin to see stars and a full moon.

At Basecamp #3 there is a volleyball net set up, tents and wood set up for a bonfire.

EXT. SALTRIVER CANYON - CLIFF - LATE AFTERNOON

Wild Rabbit and Big Chief stand on a cliff and look down at basecamp #3.

Wild Rabbit has a pair of binoculars he holds up to his eyes.

WILD RABBIT

Big Chief, that blonde has a nice  
ass!

Big Chief pulls the binoculars out of Wild Rabbit's hands.

BIG CHIEF

Wild Rabbit, I think I'm going to  
change your name to Dance's With  
Ass!

EXT. SALTRIVER CANYON - RAFTING BASECAMP#3 - NIGHT

Jimbo walk past the Quilting Club. They sew blankets together with yarn.

They sing as they sew. One old lady winks at Jimbo as he walks by. He waves back and smiles.

QUILTING CLUB

(singing)" AS I WENT DOWN TO THE  
RIVER TO PRAY STUDYIN ABOUT THAT  
GOOD OL' WAY..."

Jimbo and Ray Ray stand by the volleyball court. Ray Ray watches the Swedish Volleyball Team and the Oriental Photography Club play volleyball.

Jimbo walks up to Ray Ray.

JIMBO

Hey, newbie!

Ray Ray is lost in his own world and doesn't hear Jimbo.

The girls on the swedish volleyball team move in slow motion as Ray Ray stares at them.

Jimbo punches Ray Ray on the shoulder.

JIMBO (CONT'D)  
Snap out of it!

RAY RAY  
What's up?

JIMBO  
I have decided to help you.

RAY RAY  
What are you talking about?

Ray Ray doesn't pay attention to Jimbo due to the beautiful girls he is in love with.

JIMBO  
What if I told you I could help you score with the girls of your dreams?

RAY RAY  
I'd ask if you've stopped taking your medication.

JIMBO  
I'm serious. I've got a plan.

RAY RAY  
Let's hear it..

JIMBO  
Okay. Go over by the fire and hang out but at 9:00 precisely...

Jimbo whispers in Ray Ray's ear.

RAY RAY  
Okay, I'll do it!

EXT. SALTRIVER CANYON - RAFTING BASECAMP#3 - CAMPFIRE - NIGHT

Julianne, Mr. and Mrs. Anderson, and two members of the oriental photography club sit by a fire and drink beers.

They laugh very loudly.

Billy puts on a show for this small group of people.

BILLY  
(imitating donald duck) Ah- choo!

Everyone laughs.

BILLY (CONT'D)  
And this is Donald Duck having  
sex...( imitating donald ) Oh baby,  
don't stop, don't stop!

Everyone laughs harder.

BILLY (CONT'D)  
This is my impression of an  
orangotang.

Billy walks around with his arms in the air and his legs are  
bowlegged.

BILLY (CONT'D)  
This could also be the ex-  
girlfriend you don't ever speak to.  
(talking like a girl) Why don't you  
ever call?

Everyone laughs again.

JULIANNE  
That was pretty good!

BILLY  
Thanks!

JULIANNE  
Do some more!

Ray Ray walks up and sits on a log next to one of the  
oriental photographers. His eyes are more squinted than  
theirs is.

RAY RAY  
What did I miss?

JULIANNE  
Shh! Listen.

BILLY  
Did you hear about the male  
prostitute that is sueing subway?

RAY RAY  
No!

BILLY  
He wants his theme song back!  
(singing) FIVE, FIVE, FIVE DOLLAR  
FOOT LONG!

Sounds: everyone laughs.

RAY RAY  
I dare you to do a joke about  
indians!

BILLY  
You dare me?

RAY RAY  
Yeah, man! I dare ya! Big Cheif has  
eyes of a hawk and the ears of an  
eagle. He sees and knows all!!

BILLY  
Dude, you've been hanging out with  
Scooby Doo way too long!

RAY RAY  
So, you don't know any indian  
jokes?

BILLY  
I'm going to tell you the  
grandmother of all indian jokes!

RAY RAY  
Let's hear it!

BILLY  
Okay, "a woman was doing an  
interview with an indian and she  
noticed that he had one feather on  
his head. She asked why do you have  
one feather on your head. He said  
me fuckum one squaw. She did  
another interview with another  
indian and he had two feathers on  
his head. She asked why and he said  
me fuckum two squaw. Last, she  
interviewed an indian that had  
feathers from the tip of his head  
all the way to the ground. She  
asked why and he said me big chief  
me fuck em all!"

Everyone laughs.

BILLY (CONT'D)

After he says this she says you should be hung! The indian says "Me well hung, hung like buffalo."

Everyone laughs.

BILLY (CONT'D)

Then she says, "Oh dear!" Now the indian looks shocked. He says "Oh, no! Me no fuckem dear. Ass too high, run too fast!"

Everyone continues to laugh.

EXT. SALTRIVER CANYON CLIFF - NIGHT

Big Chief pulls out his bow and arrow and points it directly at Billy. He starts to fire and Wild Rabbit knocks the bow backwards as the arrow shoots away.

WILD RABBIT

Big Chief, no!

EXT. SALTRIVER CANYON - BASECAMP#3 - CAMPFIRE - NIGHT

A crow with an arrow shot directly through it lands directly in front of Billy.

BILLY

Oh, shit!

Everyone at the campfire runs for cover.

EXT. SALTRIVER CANYON - CLIFF - NIGHT

Big Chief has another arrow in his bow. He fires and Wild Rabbit manages to cause him to mess up the shot.

The arrow flies through the air over the river.

EXT. SALTRIVER CANYON CLIFF(OPPOSITE SIDE) - NIGHT

Junebug and Big Bob are well hidden and out of sight. The arrow flies through the air and hits Junebug on his ass.

Sounds: we hear a large scream that resembles a bear growling.

Big Bob runs away and abandons Junebug as he continues to scream.

EXT. SALTRIVER CANYON - CLIFF - NIGHT

Wild Rabbit and Big Cheif stand on the cliff.

Sounds: we hear the scream from previous scene.

WILD RABBIT

Was that a bear?

BIG CHEIF

That's no bear. Follow me.

Wild Rabbit and Big Chief walk towards the source of the scream.

EXT. SALTRIVER CANYON - BASECAMP#3 - TENT AREA - NIGHT

Billy and Julianne run towards their tents. Billy turns around and Julianne accidentally lands in Billy's arms.

They kiss for the first time.

BILLY

What was that for?

JULIANNE

...For helping me have the most unforgettable experience this weekend.

BILLY

Unforgettable?

JULIANNE

Well, a girl can hope can't she?

Billy and Julianne enter one of the tents together.

EXT. SALTRIVER CANYON - CAMP#3 - MAIN AREA - NIGHT

Ray Ray stands several feet away from the tents. He holds the crow with an arrow through it and continues to examine it for a few seconds.

RAY RAY

Can I have everyone's attention?

Several people gather around. Billy and Julianne are notably missing.

RAY RAY (CONT'D)

I think Big Cheif spotted a bear.  
After I heard the growl and found  
this crow I can only expect that he  
was trying to warn us.

Billy and Julianne as they arrive a few moments later. Their clothes are not put on right and their hair is a mess.

JULIANNE

Bears? That sound's dangerous!

BILLY

I'll protect you!

JULIANNE

I bet you will!

Billy and Julianne kiss again.

RAY RAY

(imitating Scooby) rame, rame!

Everyone laughs.

EXT. SALTRIVER CANYON - BASECAMP#3 - CAMPFIRE - NIGHT

Mr. and Mrs. Anderson sit by the campfire by themselves. The fire has died down and is almost completely put out.

They look at pictures of their deceased son as the fire fades.

MR. ANDERSON

Who does that young man remind you  
of?

MRS. ANDERSON

I know what you are thinking.

MR. ANDERSON

He even looks like John, Jr.

MRS. ANDERSON

I miss him, John.

MR. ANDERSON

So do I.

EXT. SALTRIVER CANYON - BASECAMP#3 - VOLLEYBALL COURT - NIGHT

Ray Ray cleans the mess up left by the costumers. He looks at his watch.

CLOSE ON RAY RAY'S WATCH

The time on his watch is 8:56.

BACK TO SCENE

RAY RAY  
I almost forgot.

INT. INGRED AND GRETAL'S TENT - NIGHT

Ingred and Gretal stand together inside their electrically lighted tent.

Ingred looks upset.

GRETAL  
Vat's da matter, Ingred.

INGRED  
It' dis shirt. All day long my  
boobies be flippen floppin, flippen  
floppin.

Ingred jumps up and down a couple of times. Her oversized breasts bounce inside the shirt.

A single blue eye pops through a peephole in the tent and watches Ingred and Gretal.

GRETAL  
Vy don't you try dis?

Gretal hands Ingred a bra.

INGRED  
Vat is dis?

GRETAL  
You've never heard of one of these  
before?

INGRED  
No!

GRETAL

It is called an over da shoulder  
boulder holder.

INGRED

Dis over da shoulder boulder holder  
will keep my boobies from flippen  
floppin flippen floppen?

GRETAL

Yah!

INGRED

Okay! I'll try dis!

Ingred begins to pull her shirt off.

EXT. INGRED AND GRETAL'S TENT - NIGHT

Jimbo continues to peep into Ingred and Gretal's tent.

JIMBO

Wow!

Jimbo trips and Ingred and Gretal's tent collapses.

Sounds: we hear Ingred and Gretal scream.

Ingred and Gretal get out of the tent. Ray Ray approaches  
them as they escape.

RAY RAY

What happened, ladies?

INGRED AND GRETAL

We don't know!

Jimbo lie on top of Ingred and Gretal's tent. He looks up and  
sees Ray Ray, Ingred and Gretal stare at him.

RAY RAY

What are you doing, Jimbo?

JIMBO

I lost my wallet and when I found  
it I tripped over this tent.

RAY RAY

Do you need help getting up?

JIMBO

No! I mean.. uh.. I'll get up in a  
second.

INGRED AND GRETAL  
 Vere are ve going to sleep?

RAY RAY  
 Don't worry girls. If Jimbo can't  
 get your tent back up you can sleep  
 in mine.

INGRED  
 But vere vill you sleep?

RAY RAY  
 I'll just sleep by the fire.

INGRED  
 Poor baby! Ve vill not here of it.  
 We vill share a tent with you!

GRETAL  
 Yah!

RAY RAY  
 Okay. Follow me, ladies.

Ray Ray stands in the middle of Ingred and Gretal. He has one arm around each girl.

They all walk away.

RAY RAY (CONT'D)  
 Good luck pitching that tent,  
 Jimbo!

Jimbo stands up. Ray Ray, Ingred and Gretal don't see that Jimbo is already pitching a tent. (He's got a boner.)

JIMBO  
 ...don't need it.

Jimbo looks over to the right and notices that one of the old ladies from the quilting club stares and smiles at him.

Jimbo smiles and waves back.

EXT. SALTRIVER CANYON - RAFTING BASECAMP#3 - MORNING

The sun rises above the cliffs. No one moves around the campsite.

INT. BILLY'S TENT - MORNING

Billy and Julianne are asleep inside of his tent. They both have smiles on their faces.

INT. RAY RAY'S TENT - MORNING

Ray Ray is asleep in the middle of Ingrid and Gretal. Ray Ray holds his burnt Scooby Doo doll in his sleep.

RAY RAY  
(talking in his sleep imitating  
Scooby Doo) Rooby Rooby Roo!

INT. JIMBO'S TENT - MORNING

Jimbo and the Old Lady from the quilting club are asleep together inside their tent.

INT. WILD RABBIT'S HOUSE - MORNING

Junebug is sprawled out over the kitchen table lying prone. His pants are pulled about halfway down.

An arrow is sticking out of his ass.

Wild Rabbit and Big Chief stand right beside him and look down at Junebug's naked ass.

WILD RABBIT  
Big chief..

BIG CHEIF  
Don't say it!

WILD RABBIT  
His..

BIG CHEIF  
No. I'll not here you make one more  
comment about anyone's ass today.

Wild Rabbit bends over and picks up a wallet.

WILD RABBIT  
..wallet was on the floor.

Junebug starts to wake up.

## BIG CHEIF

So, Mr. Junebug, can you tell me  
why you were spying on those  
people?

EXT. SALTRIVER CANYON - BASECAMP#3 - EARLY MORNING

Both Jimbo and Ray Ray's rafts take off from basecamp #3. All the costumers are in the rafts as well.

The Scooby Doo doll is situated at the front of Ray Ray's raft.

Jimbo and the occupants of his raft splash the occupants of Ray Ray's raft with their paddles.

Sounds: everyone on Ray Ray's raft screams as they continue the water splash fight.

EXT. SALTRIVER CANYON RIVER - RAY RAY'S RAFT - EARLY MORNING

Everyone on Ray Ray's raft is soaked with water.

RAY RAY

(imitating scooby) ru rasroles!

BILLY

Let's give them a taste of their  
own medicine!

ALL COSTUMERS ON RAY RAY'S RAFT

Yeah!

Everyone on Ray Ray's raft paddles closer to Jimbo's raft.

RAY RAY

Okay, everybody. One, two, three...

On three everyone uses their paddles to splash Jimbo's raft.

Sounds: everyone on Jimbo's raft screams as they get completely soaked.

To get even, Jimbo paddles closer to Ray Ray's raft and steals scooby off of Ray Ray's raft.

Ray Ray looks shocked as he watches his kidnapped scooby doll being taken away.

RAY RAY (CONT'D)  
 (imitating scooby) help me! ( as  
 himself ) Don't worry, scoob. I'll  
 save you! Okay, everybody. Stroke!

EXT. SALTRIVER CANYON - RIVER - EARLY MORNING

Ray Ray's raft catches up to Jimbo's raft as everyone paddles  
 as hard as they can down the river. No rapids yet.

Ray Ray's raft catches up and is right beside Jimbo's raft.

JIMBO  
 Is this what you want?

Jimbo holds the scooby doll over the boat's edge to taunt Ray  
 Ray.

RAY RAY  
 Give him back, man!

Jimbo looks up and notices something that Ray Ray does not.

JIMBO  
 Hard back, everyone!

Everyone on Jimbo's raft paddles backwards. His raft comes to  
 a complete stop.

Ray Ray looks up and notices what Jimbo noticed before. It's  
 too late for Ray Ray to stop his raft. It approaches the  
 rapids fast.

EXT. SALTRIVER CANYON RIVER - RAY RAY'S RAFT - MORNING

Ray Ray turns to get everyone's attention.

RAY RAY  
 Alright, everybody. Stay alert.  
 This is Satan's tongue.

BILLY  
 What's Satan's tongue?

RAY RAY  
 It's the most dangerous set of  
 rapids on this river. At the bottom  
 the river forks into two  
 directions.

JULIANNE  
 Which way are we supposed to go?

RAY RAY

Right!

BILLY

What happens if we go left?

RAY RAY

The water's too shallow. Trust me,  
I learned the hard way.

Ray Ray's raft bounces up and down and takes on a lot of water as it goes down that set of rapids.

Sounds: we hear people on the raft scream and laugh as they get tossed around the raft.

Ray Ray's raft approaches the bottom of the rapids.

RAY RAY (CONT'D)

Hard right, everyone.

Everyone on the right side of the raft paddles very hard as a team. The raft steers right avoiding a gigantic boulder and is now in calm water.

All appears safe. Everyone gives a "high five" with their paddles as the raft flows through calm water.

Ray Ray's raft stops very fast. Ray Ray falls out of the raft and the other costumers fall forward inside the boat.

Billy looks up after falling into the center of the raft and notices that Ray Ray is not okay.

Ray Ray is face down in the water.

BILLY

Ray Ray!

EXT. SALTRIVER CANYON - RIVER'S EDGE - MORNING

Billy jumps out of the raft and walks over to Ray Ray. He turns Ray Ray's body over and he appears to be unconscious.

Billy also notices that Ray Ray's leg is broken and bleeding.

Mr. Anderson jumps out of the boat and helps Billy pull Ray Ray over to the river's edge.

MR. ANDERSON

What should we do?

BILLY

We need to control the bleeding.  
Help me elevate his leg.

Mr. Anderson and Billy elevate Ray Ray's leg and place it on a small boulder.

Billy takes his shirt off and uses it as a tourniquet and ties it around Ray Ray's right thigh controlling the bleeding.

Jimbo's raft pulls up right behind Ray Ray's raft. Jimbo jumps out of the boat and walks up to Billy and Mr. Anderson.

JIMBO

What happened?

BILLY

We hit something and he fell out of the boat. His leg's pretty busted up.

Jimbo looks up and notices that a huge pile of boulders that block the river on the right.

JIMBO

How did this happen?

Jimbo walks over to where all the boulders are piled up and notices that several footprints are in the sand leading away from the river.

Jimbo walks back over to Billy and Mr. Anderson.

JIMBO (CONT'D)

Is he okay?

BILLY

We've got the bleeding under control and his heartrate is stable. He's still knocked out cold.

JIMBO

I saw footprints near the boulders in the river. I think someone did this on purpose.

Everyone left on the rafts looks concerned and talk(ad lib) amongst themselves as this is happening.

MR. ANDERSON

Who would do such a thing?

JIMBO

I don't know but we've got to get all of these people back to safety and get Ray Ray back as soon as we can.

BILLY

We can't risk moving him yet. Do you have enough room to take everyone back down the river?

JIMBO

I guess I could squeeze everyone into the middle.

BILLY

Okay. Get your raft on the other side of this roadblock and I'll stay with Ray Ray until help arrives.

Julianne gets out of the raft and stands right beside Billy and Jimbo.

JULIANNE

I'm staying with you.

All the occupants of the rafts exit onto the bank of the river's edge. Jimbo pulls the raft over the boulders and sets it back down into the water.

Everyone except for Julianne gets into Jimbo's raft. Mr. Anderson is last. He decides not to get on.

MR. ANDERSON

Rose, I'm going to stay here. Billy might need an extra hand.

MRS. ANDERSON

Are you sure?

MR. ANDERSON

Our son would have done the same thing.

MRS. ANDERSON

Be careful, John.

MR. ANDERSON

I will.

Jimbo's raft floats away and it disappears around the corner.

BILLY  
What made you decide to stay?

MR. ANDERSON  
I thought you might need some help.

BILLY  
I hate to say this but you are  
right.

MR. ANDERSON  
I am?

BILLY  
Look at his leg. We need to set it  
until it can be fixed permanently.

MR. ANDERSON  
How? We don't have anything to set  
a broken leg.

BILLY  
Julianne, hand me one of those  
paddles. I've got an idea.

Julianne walks over to the raft and gets a paddle. She hands  
Billy one of the paddles out of the popped raft.

Billy snaps the paddle in half over his knee. He walks over  
to Ray Ray and places the two halves of the paddle around Ray  
Ray's broken leg.

Billy pulls his shoe strings out of his shoes and ties the  
paddles around Ray Ray's leg as Mr. Anderson braces it snugly  
in place.

MR. ANDERSON  
Not bad son!

BILLY  
Simple first aid.

MR. ANDERSON  
The way you took control of this  
situation was very impressive,  
young man.

BILLY  
Thanks!

Ray Ray blinks his eyes a couple of times as he regains  
consciousness.

RAY RAY  
Scooby! Owwww! What the fuck  
happened?

BILLY  
Stay still, dude. You broke your  
leg. We're waiting on help to  
arrive.

Ray Ray looks around to see exactly where they are.

RAY RAY  
There's no way they're going to be  
able to land a helicopter here  
safely.

BILLY  
Won't somebody from your company be  
coming down the river tomorrow?

RAY RAY  
Nope. Today's the last day of the  
season. They're all heading out to  
Colorado tonight.

MR. ANDERSON  
So, how are we supposed to get you  
out of here?

RAY RAY  
Billy, at the front of the raft  
there is a small opening. I have an  
emergency flare gun. Get it and  
shoot it up into the air as high as  
you can.

BILLY  
Okay.

RAY RAY  
I hope Big Chief is close by.

Billy walks over to the raft. He picks up a flare gun and  
shoots it into the air.

INT. WILD RABBIT'S HOUSE - DAY

Junebug is still strapped down on top of Wild Rabbit's dining  
room table. The arrow continues to stick out of his ass.

Several other indians are in the house as well.

WILD RABBIT

We can do this the easy way or we  
can do this the hard way.

JUNEBUG

I aint telling you shit!

WILD RABBIT

Okay, you asked for it!

Wild Rabbit grips the arrow tries to pull it out of  
Junebug's ass.

Sounds: we hear Junebug screaming.

Outside of the kitchen window we see a flare shooting up into  
the sky.

Everyone in the house notices. Big Chief walks over to the  
window and then turns around.

BIG CHIEF

Wild Rabbit, come with me.

WILD RABBIT

What about this guy?

BIG CHIEF

We'll save him for the sheriff to  
deal with.

Big Cheif and Wild Rabbit walk out of the front door. Wild  
Rabbit turns around right before he leaves the house.

WILD RABBIT

Hey BEAR PAW, could I get you to go  
into town and pick up some chicken?

BEAR PAW

Sure.

WILD RABBIT

Thanks, man.

EXT. SALTRIVER CANYON - RIVER'S EDGE - DAY

Billy, Julianne and Mr. Anderson sit beside Ray Ray. Ray Ray  
looks very disappointed.

RAY RAY

Still no sign of him?

BILLY  
I'm sure scooby's still on Jimbo's  
raft. He'll be okay.

JULIANNE  
You break your leg and you're more  
worried about your Scooby Doo doll?

A single tear come down Ray Ray's cheek.

RAY RAY  
We've been through alot together.

EXT. SALTRIVER CANYON - RIVER - DAY

As Jimbo's raft floats away Ray Ray's Scooby Doo doll floats  
in the river by itself.

RAY RAY (V.O.)  
(Imitating scooby) relp me!

Scooby slowly floats down into the water.

EXT. SALTRIVER CANYON - RIVER'S EDGE - DAY

Billy, Julianne and Mr. Anderson still watch over Ray Ray as  
they wait for help to arrive.

Sounds: the sound of FOOTSTEPS grows LOUDER and LOUDER.

Billy stands up and looks around.

BILLY  
What's that?

To Billy and everyone else's surprise he turns to find an  
arrow pointed right at his face.

Big Chief holds his bow up with the arrow in Billy's face.

BIG CHEIF  
How!

WILD RABBIT  
Please don't hurt him, Big Chief.

Ray Ray laughs at this sight.

RAY RAY  
What's wrong, Big Chief?

BIG CHEIF  
He hurtum Big Chief's feelings.

RAY RAY  
What are you talking about?

BIG CHEIF  
Your joke wasn't funny.

RAY RAY  
You got to be kidding me. I rip on  
you all the time. What was so wrong  
with his joke?

Big Cheif lowers his bow and arrow. He looks sad. He holds  
his hands up and makes a small measurement in the air.

BIG CHEIF  
Me hung like prairie dog, not  
buffalo.

Wild Rabbit puts his arm around big cheif.

WILD RABBIT  
You'll always be BIG CHEIF to me,  
kimosabe.

BILLY  
Big Chief, can I make a suggestion?

Billy walks up to Big Cheif whispers in his ear.

BILLY (CONT'D)  
(whispering) remember Austin  
Powers?

BIG CHEIF  
"That's not my bag, baby."

BILLY  
(whispering) what about extense?

BIG CHEIF  
Does that really work?

BILLY  
My buddy Trip swears by it!

Julianne looks down at Ray Ray as he laughs at Billy and Big  
Cheif. She gets up and walks up to them.

Big Cheif is all smiles and laughs with Billy.

JULIANNE

Ahem!

This gets Billy and Big Cheif's attention.

JULIANNE (CONT'D)

As much as I hate to interrupt this enlightening conversation we have bigger problems to deal with!

Julianne points at Ray Ray.

BILLY

Oh, yeah. Can you help us carry him out of here?

EXT. SALTRIVER CANYON - CLIFF - DAY

Billy and Mr. Anderson stand on one side of Ray Ray and hold two paddles tied together.

Wild Rabbit and Big Cheif stand on the other side of Ray Ray and hold two paddles tied together.

Ray Ray rides a make-shift stretcher made out of paddles, tee-shirts, shoelaces and belts as all the men are carry him off towards Wild Rabbit's house.

None of the carriers are wearing shirts.

Julianne follows closely behind.

RAY RAY

Hey, Big Cheif! Your ass is almost as red as mine!

Big Cheif's buttcrack is visible as he is walks towards Wild Rabbit's house.

Wild Rabbit turns to Big Cheif.

WILD RABBIT

I told you!

BIG CHEIF

I shoul'da kept my belt on!

INT. WILD RABBIT'S HOUSE - DAY

Junebug is still strapped down on top of the dining room table. He is by himself in wild rabbit's house.

JUNEBUG  
 Somebody! Anybody! A little help  
 here...

Junebug wiggles but is unable to break himself free on the table.

The front door opens. Big Cheif, Wild Rabbit, Mr. Anderson, Billy and Julianne enter as the men carry Ray Ray inside.

As they carry Ray Ray inside Ray Ray recognizes Junebug.

RAY RAY  
 Hey, I know that guy! (adressing  
 Junebug) Where's your boyfriend?

BIG CHEIF  
 You know him?

RAY RAY  
 Yeah. Him and his boyfriend were  
 having a very tender moment by the  
 river when we passed them up  
 earlier...

JUNEBUG  
 It's called the heimlich manuever,  
 asshole!

RAY RAY  
 Really! Is that what you call it. I  
 always called it doggy style.

BIG CHEIF  
 We know. We found the dragonfly  
 your friend swallowed. What doesn't  
 make sense to me is why you tried  
 to tie a fishing line across the  
 river?

Billy walks up and joins the conversation.

BILLY  
 I think I know who piled the  
 boulders up blocking the river as  
 well.

JULIANNE  
 What are you talking about?

BILLY

I don't think it was a coincidence that him and his friend rigged a booby trap down the river and we hit that huge pile of boulders afterwards. How'd you get that arrow stuck in your ass, anyway?

BIG CHEIF

That was my fault. I shot him when I missed you the other night.

JUNEBUG

Would somebody please get this arrow out of my ass?

A small group of Indians walks in the front door. They are carrying a box of chicken.

RAY RAY

One little, two little, three little Indians...

One Indian puts the box of chicken on the stove.

RAY RAY (CONT'D)

Can I have a leg? This guy (pointing at Junebug) will take a thigh!

JULIANNE

Why are you trying to hurt us?

JUNEBUG

If Big Bob knows about your busted up friend this rivers as good as his.

BIG CHEIF

Big Bob Jones?

BILLY

Who's that?

BIG CHEIF

He owns a rafting company in Tennessee. He wants to take over the Saltriver rafting tour.

RAY RAY

Your friend is shit out of luck!

JUNEBUG

What are you talking about?

RAY RAY

Article 63 paragraph B states that if a costumer is hurt going down the river the contract with the Apache people is null and void. It didn't say anything about an employee getting hurt.

BIG CHEIF

That's right. After learning about Big Bob's methods I don't think I'll be signing any contract with him anytime soon.

BILLY

So, this is a happy ending where the good guy wins and the bad guy loses right?

JUNEBUG

Not exactly.. Big Bob had a plan if this last attempt failed. He's got a gun!

This news shocks everyone in the room.

MR. ANDERSON

A gun! My wife's all alone. We've got to stop him, Billy.

BILLY

We will, Mr. Anderson.

BIG CHEIF

Ray Ray, do you have your walkie talkie?

RAY RAY

I forgot it..

BIG CHEIF

Newbies! I've got one of my own. I'm going to warn Jimbo about Big Bob.

BILLY

Do you have a map of this area, Big Cheif?

BIG CHEIF

Yeah. Why?

BILLY

I think if we looked at where Big Bob attacked before we might be able to get a good idea of where he might be planning to attack again.

Big Cheif signals to the other Indians in the room. They untie Junebug, carry him off of the table and set him down on the living room floor by Ray Ray. Junebug's hands are still tied.

Junebug farts.

RAY RAY

Could somebody please cover this dude's ass up?

Everyone except for Ray Ray gathers around Wild Rabbit's table and look at a map of the Saltriver Canyon.

Two capital X's mark the spots where Big Bob attacked before.

BIG CHEIF

He's following the wild deer trail. If he continues this is where he'll strike next.

Big Cheif points to a place on the map and places an X on it with a marker. It is called DEAD MAN'S PASS.

MR. ANDERSON

Are you sure this is where he'll be?

BIG CHEIF

There's no way to reach the river's edge two miles going in either direction. This will be his only choice.

BILLY

Can I borrow your walkie talkie big cheif?

BIG CHEIF

Why?

BILLY

If you call the sheriff I can get Jimbo to distract Big Bob.

BIG CHEIF

How?

Billy laughs a little.

BILLY  
Sorry about that. Have you ever  
seen OH BROTHER WHERE ART THOU?

BIG CHEIF  
That's big cheif's favorite movie!

BILLY  
Remember that scene by the river  
with those really hot chicks!

BIG CHEIF  
Oh yeah!

JULIANNE  
Billy!

BILLY  
That's what gave me this idea.  
Listen...

Everyone gather's around to listen to billy's plan.

EXT. SALTRIVER CANYON - JIMBO'S RAFT - DAY

Jimbo, the Swedish volleyball team and the oriental  
photography club float down the river along with the extra  
occupants in the middle of the raft.

Jimbo picks up his walkie talkie.

JIMBO  
This is the GREAT JIMBO speaking.

INT. WILD RABBIT'S HOUSE - DAY

Billy paces back and forth as he holds a walkie talkie up to  
his ear.

In the background we see medical personal attend to Ray Ray  
and load him onto a stretcher.

BILLY  
Jimbo, have you made it to DEAD  
MAN'S PASS yet?....No. Good, stop  
right where you are, man.

One of the medics that was attending to Ray Ray earlier pulls  
an arrow out of Junebug's ass.

Sounds: Junebug screams.

BILLY (CONT'D)  
 Nevermind that. There's a guy  
 waiting at dead man's pass with a  
 gun. He's going to try to stop your  
 raft from making it to the  
 checkpoint.

EXT. SALTRIVER CANYON - JIMBO'S RAFT - DAY

Jimbo's raft continues to float down the river. Jimbo has a walkie talkie up to his ear.

JIMBO  
 A gun? Did Ray Ray set you up to  
 this?

BIG CHEIF (V.O.)  
 This is no joke, Jimbo. Listen to  
 Billy. He has a good plan.

JIMBO  
 Okay, I'm listening.

EXT. SALTRIVER CANYON - CLIFF - DAY

Jimbo climbs up the side of a cliff on the left side of the canyon by the river. He holds up a pair of binoculars.

A man, Big Bob, lies and waits on Jimbo's raft. He holds his gun in position as he continues to wait for the raft to arrive.

Jimbo climbs back down the side of the cliff and heads down to the river's edge.

EXT. SALTRIVER CANYON - RIVER'S EDGE - DAY

Jimbo approaches the small group of people waiting by the raft. He hands the pair of binoculars to the old lady he slept with.

JIMBO  
 Thanks, sweetie.

INGRED  
 Iz he there?

JIMBO

Yes, he is. You don't have to go through with this if you feel like it's too dangerous.

GRETAL

We want to help!

JIMBO

Ladies( addressing quilting club ), are you ready?

QUILTING CLUB

(singing)"READY!"

One of the men from the oriental photography club raises his hand.

JIMBO

Yes?

ORIENTAL MAN

I know this wasn't part of the original plan but maybe we should get some photographic evidence of this situation just in case.

JIMBO

That's a good idea. Can you do this without being seen?

ORIENTAL MAN

Are you kidding?

All of the oriental men in the photography club put on ninja masks.

They all climb up the sides of the cliffs of the canyon.

EXT. SALTRIVER CANYON - CLIFF - DAY

Big Bob continues to lie on his belly with his gun in position in hopes that a raft will approach.

Instead of seeing Jimbo's raft he see's three blondes(Swedish Volleyball Team) dressed in bikinis walk up by the river's edge.

The three blondes begin to wash their other clothes in the river.

BIG BOB

What the hell?

Big Bob walks down the cliff to get a better look at what is going on.

EXT. SALTRIVER CANYON - RIVER'S EDGE - DAY

The three blondes wearing Bikini's wash their clothes on the river's edge.

The quilting club hides behind a gigantic boulder. They see Big Bob move towards the Swedish Volleyball Team with his pistol in his hand.

OLD LADY  
(whispering) ready girls, one..  
two.. three..

THREE BLONDES BY THE RIVER'S EDGE

SWEDISH VOLLEYBALL TEAM  
(lip synching)"GO TO SLEEP YOU  
LITTLE BABY.. GO TO SLEEP YOU  
LITTLE BABY.. HONEY DON'T DROP AND  
THE SUGAR DON'T STOP..."

As they continue to sing Big Bob approaches the blondes.

BIG BOB  
Pardon me, ladies. Have you seen a  
raft floating by?

JIMBO (O.S.)  
You mean that raft over there?

Big Bob turns around to see Jimbo smile at him.

Jimbo's raft is parked by the river's edge about a hundred yards back.

BIG BOB  
How'd you find me?

JIMBO  
You shouldn't have abandoned your  
boyfriend when Big Cheif put that  
arrow through his ass! It's over  
Big Bob!

Big Bob points his gun directly at Big Bob.

BIG BOB  
This isn't over yet!

JIMBO

I know you don't have enough  
bullets in that chamber to take  
care of everyone here.

BIG BOB

I've got enough to take care of  
you!

JIMBO

Somebody else wants to speak to  
you, Big Bob.

Jimbo hands his walkie talkie over to Big Bob. Big bob still  
points his gun at Jimbo. He takes the walkie talkie out of  
Jimbo's hand.

Big Bob holds the walkie talkie up to his ear.

BIG BOB

Big Cheif?

BIG CHEIF (V.O.)

It's over, Big Bob. Turn yourself  
in.

UNKNOWN MAN (O.S.)

Sir, put down your weapon. You are  
under arrest!

Big Bob turns around to see a small group of police officers  
holding him at gunpoint.

Big Bob slowly puts the gun down and puts his hands up  
signaling surrender.

Big Bob is placed under arrest. The group of rafterers and Jimbo  
all get together and start to celebrate his arrest.

The oriental photography club climbs down the sides of the  
cliffs. As they reach the ground they all take off their  
ninja masks.

The oriental photography club joins in on the celebration.

One of the members of the oriental photography club signals  
everyone to get together to take a picture.

Everyone gets together to take a group photo.

ORIENTAL MAN

Smile everybody!

EXT. WILD RABBIT'S HOUSE - LATE AFTERNOON

Big Cheif, Billy, Julianne, Mr. Anderson and Wild Rabbit stand together outside of Wild Rabbit's house.

An ambulance drives away from Wild Rabbit's house.

BIG CHEIF

Good news, Billy. Your plan worked!

JULIANNE

It did!

MR. ANDERSON

Is my wife alright?

BIG CHEIF

She is fine. No one got hurt.

BILLY

I'm glad to hear that.

BIG CHEIF

Young man, you have shown great courage and great wisdom. I am naming you an honorary cheif among my people.

BILLY

Me? An honorary cheif!

WILD RABBIT

That is the highest honor we can give.

BILLY

Do I get to have an Indian name as well?

BIG CHEIF

Don't push it!

WILD RABBIT

How about PALE ASS WHITE BOY?

BILLY

I like it!

The sun sets in the horizon.

BIG CHEIF

Come. I'll take you to the checkpoint so you can make it home.

Big Cheif starts to turn around and walk towards the sunset.

BILLY  
Big Cheif, wait a minute!

BIG CHEIF  
What for?

Billy whispers in Julianne's ear. She smiles.

BILLY  
Take Mr. Anderson back to his wife.  
We are going to stay behind. We  
have unfinished business here.

Mr. Anderson shakes Billy's hand and gives him a hug.

MR. ANDERSON  
I'll never forget you, young man!

Big Cheif and Mr. Anderson walk away.

WILD RABBIT  
What unfinished business are you  
talking about?

Billy whispers into Wild Rabbits ear.

WILD RABBIT (CONT'D)  
Oh, Jesus!

JULIANNE  
Billy?

BILLY  
Yes?

JULIANNE  
When I asked you if you had  
insurance yesterday why did you act  
the way you did?

BILLY  
Oh, yeah. After I pay the bill for  
the damage I won't be able to  
afford to finish school this  
semester.

Julianne walks up and kisses Billy.

JULIANNE  
I have a feeling everything is  
going to work out just fine.

INT. HOSPITAL - PRIVATE ROOM - DAY

Captions: ONE WEEK LATER

Ray Ray lies in bed by himself in his hospital room. A young NURSE walks in his room.

Ray Ray looks very sad.

NURSE

Sir, you have a group of visitors.  
Can I let them in?

RAY RAY

I guess.

Two members of the quilting club, two members of the oriental photography club, Ingrid, Gretal, Jimbo, the head guide, Billy, Julianne and Big Chief enter the room.

RAY RAY (CONT'D)

Nice to see all of you guys!

HEAD GUIDE

There's our hero!

RAY RAY

What are you talking about. I'm no hero.

HEAD GUIDE

That's not true. Thanks to you and your friends Big Bob was arrested and Big Cheif has extended Wild Rivers contract indefinitely!

Jimbo stands there with his arm around his old lady.

JIMBO

Not bad for a newbie!

HEAD GUIDE

.. And to thank you personally for what you have done for us I am naming you as SENIOR RIVER GUIDE for our company!

Everyone applauds.

RAY RAY

Thanks!

JIMBO

That's not all, buddy. There's more.

Billy and Julianne walk up holding a wrapped package. They hand it to Ray Ray.

BILLY

If it weren't for you Julianne and I might not have hit it off so well. We wanted to give you a gift to show you how much you mean to us!

JIMBO

Open it, big guy!

Ray Ray opens the package. The surprise inside is the burnt scooby doll that was lost earlier.

RAY RAY

You found scooby!

BILLY

I guess the great spirit guided our steps and we were meant to bring him back to you.

Ray Ray hugs scooby as Ingrid and Gretal stand on either side of his bed with their arms around him.

RAY RAY

(imitating Scooby) I rissed ru! (as himself to Scooby) I missed you, too!

Ray Ray hugs his Scooby Doo doll.

Everyone laughs.

RAY RAY (CONT'D)

(imitating scooby) Rank ru for raving me!

One old lady from the quilting club walks up bearing a gift as well.

OLD LADY

We wanted to give you a gift to help with your recovery.

They hold up a quilted blanket. It has Scooby's picture on it.

They wrap it around Ray Ray and give him a kiss on his cheek.

RAY RAY

I love it! ( imitating scooby ) ree  
ru!

One of the men from the oriental photography club walks up bearing a gift.

ORIENTAL MAN

We wanted to give you this photo  
album of our trip down the river. I  
know it will bring you much  
laughter!

Sounds: a phone rings.

Billy notices that his phone is ringing. He walks out of the room.

INT. HOSPITAL(OUTSIDE OF RAY RAY'S ROOM) - HALLWAY - DAY

Billy answers his phone.

BILLY

Hello?

INT. COLLEGE DORMROOM - DAY

Trip sits on the floor. He is unshaven and several beer bottles surround his body.

He holds his phone up to his ear.

TRIP

Hey, Billy! .. No she's not here.  
She dumped me man.

BILLY (V.O.)

What happened?

Trip holds up a empty bottle of viagra. He then throws it on the floor.

TRIP

I ran out of ammunition, man!

INT. HOSPITAL(OUTSIDE OF RAY RAY'S ROOM) - HALLWAY - DAY

Billy paces back and forth as he holds his cell phone up to his ear.

BILLY  
Sorry to hear that. Is there  
anything I can do for you, man?

INT. COLLEGE DORMROOM - DAY

Trip is still on the floor holding the phone up to his ear.  
He holds the phone away from his face and burps really loud.

Trip puts the phone back up to his ear.

TRIP  
Ask not what you can do for your  
best friend but ask what your best  
friend can do for you!

BILLY (V.O.)  
What are you talking about?

TRIP  
Vengeance has been served, man.  
Vengeance has been served.

INT. WILLIAM'S APARTMENT - NIGHT

Billy's ex-girlfriend Cindy walks across the apartment  
dressed up in a black mini-skirt.

She looks in a mirror putting make-up on.

William sits at the computer and continues to work on a  
project for work.

CINDY  
Are you ready yet?

WILLIAM  
You're gonna have to go without me.  
If I don't meet my deadline I'm  
screwed.

Cindy walks over by the computer and pulls the power chord  
out of the wall.

WILLIAM (CONT'D)  
What did you do that for?

CINDY  
There's always a deadline! We never  
do anything. God!  
(MORE)

CINDY (CONT'D)

I dump one guy cause he loves to have fun too much and end up with a guy that is no fun at all.

As Cindy talks William turns the power back on the computer and ignores her completely.

CINDY (CONT'D)

Did you hear anything I just said?

William continues to work at his computer and ignore her. She begins to walk away.

WILLIAM

Oh, yeah. Your friend Trip stopped by. He dropped off something for you. He said he wanted you to call him when you are finished reading it.

CINDY

Trip is Billy's friend, not mine!

WILLIAM

It's on the coffee table.

Cindy walks over to the coffee table. A newspaper is situated in the center of the coffee table.

She picks up the paper and notices something familiar on the front page.

INSERT - The newspaper, which reads:

of the parents of the late Dr. John  
Anderson will be the first to  
receive scholarship on merit for  
his character, intelligence and  
skill in handling very delicate  
circumstances..."

BACK TO WILLIAM'S APARTMENT

Cindy throws the paper down in frustration.

Sounds: her PHONE RINGS.

Cindy walks over to the counter where her phone is. She picks it up and answers it.

CINDY

Hello?

TRIP (V.O.)

How you like my boy now?

Cindy hangs up the phone and screams.
