FADE IN:

EXT. STREETS OF LONDON - NIGHT

TRAVELLING SHOTS OF THE STREETS OF SOUTH LONDON.

Shots of empty Victorian terraced houses covered in graffiti with boarded up windows in a deprived area.

CUT TO:

INT. FLAT - NIGHT

Inside a cramped flat ANGIE OJO (45), black female, is rushing around the flat getting ready for work.

Sitting on the sofa in the living area is her son TYSON KASSIUS OJO (16), black male, with a huge presence, is seated with his pretty girlfriend, ROCHELLE (16) watching TV as Angie rushes around in the background.

ROCHELLE

The Kardashian's, I love the
Kardashian's.

TYSON

No way, give me that.

Tyson takes the remote control of Rochelle and begins to channel surf, he stops on a channel showing a boxing match.

TYSON (CONT'D)

Now were talking.

Tyson begins to throw shadow punches which amuses Rochelle as Angie walks into the living area.

ANGIE

Why are you watching this Rubbish?

TYSON

I love boxing.

ANGIE

You know how I feel about violence.

TYSON

I'd love to be a boxer.

ANGIE

Boy, why would you want to use your head as a punching bag?

TYSON

I wouldn't. I'd be using my opponents' head as a punching bag.

ANGIE

You should be smart like your brother Anton. Use your head to become a solicitor like him.

TYSON

Pfft! (Unimpressed)

ANGIE

I'm off to work. Make sure you walk Rochelle home. Then straight back home.

Tyson stands up showing his 6ft 4 frame towering over his mum.

TYSON

When are you going to stop working two jobs?

ANGIE

When I can afford to!

Angie leaves the flat as Tyson stands looking on.

CUT TO:

EXT. STREETS OF SOUTH LONDON - NIGHT

Tyson is walking Rochelle home through the deprived streets of South London.

ROCHELLE

Have you given any thought on what you want to do with your life?

TYSON

Not really?

ROCHELLE

You don't want to work two jobs like your mum, do you?

TYSON

Of course not.

ROCHELLE

Well, thanks for walking me home.

Tyson gives Rochelle a kiss before she disappears into a house. Tyson begins walking the streets back towards his home, suddenly a BMW car pulls up next to him.

Sitting in the car are Tyson's friends MALAKAI (16) black male with an aggressive temperament and REUBEN (16) black loose-tongued male.

REUBEN

Yo Tyson! Check out our ride.

TYSON

Where did you get this?

REUBEN

That doesn't matter right now.

TYSON

You don't even have a licence.

REUBEN

Coming from a spin?

TYSON

Where you going?

MALAKAI

We just need to drop something off.

TYSON

I was going to head home.

MALAKAI

Ever since you have got a girlfriend, you've gone soft.

REUBEN

It's like you haven't got time for us anymore.

MALAKAI

Seriously, what do you actually see in her? She had a messed up childhood being abandoned by her junkie parents and in and out of foster homes.

TYSON

Don't talk about her like that. She's a nice girl.

REUBEN
T, Come for a drive.

TYSON
Alright.

Tyson opens the rear door and pushes a box out the way before taking a seat in the back.

Malakai wheel spins off.

REUBEN
Check out this sound system.

Reuben cranks up the volume blasting out a song by Stormzy as the trio begin to rap over it.

ALL
Headline tour, yeah blud sold out
when we roll in, hey roll out. I'm
so south.

The trio cheer after hearing the lyrics "I'm so south".

ALL (CONT'D)
Food in the ends like there ain't
no drought, flipz don't talk like
he's got no mouth, I wanna make my
mum so proud.

The lyric hits home with Tyson.

TYSON
Actually, can you drop me off?

Malakai turns down the volume.

REUBEN
What?

TYSON
I'll get out here.

Malakai pulls in and looks in the rear-view mirror and spots a police car approaching.

MALAKAI
Shit!

Tyson looks out the back window and spots the police car approaching.

Suddenly blue lights begin to light up the street as the police car begins to pursue the car, Malakai puts his foot down and speeds off.

TYSON

Malakai, you need to pull over.

MALAKAI

I can't pull over, there is package
in the back with 2 ounces of weed
in it.

Tyson looks over at the sealed box next to him.

TYSON

You mad blood?

The police car begins to catch up with the BMW. Malakai begins to race through the streets of South London.

REUBEN

This is probably a bad time to
mention this Tyson, but the car is
stolen too.

TYSON

We're so fucked.

The police chase continues as the police car begins to lose ground on the BMW. As Malakai begins tearing down the road, the trio spot a collection of blue flashing lights with 6 police vehicles blocking the road ahead, behind them the police car begins to catch up, Malakai stops the car as he approaches the police barricade.

Several police officers approach the BMW screaming instructions.

POLICE OFFICER

Hands up!

The trio sit in the BMW with their hands up.

POLICE OFFICER 2

Do not move.

A Police officer pulls the drivers door open and forcefully two white police officers drags Malakai out of the car.

Tyson and Reuben watch on with their hands in the air, as they witness the police officers using brute force on Malakai.

MALAKAI

You fucking pigs, get off me.

Next up Reuben is dragged out of the car and thrown to the ground as a policeman hits him with a couple of cheap shots. Tyson sits in the car listening to Reuben screaming in pain.

The rear passenger door flings open.

POLICE OFFICER 3

Get out the car now.

Tyson steps out the car towering over the police officers.

POLICE OFFICER 4

Get on the ground now.

The policemen stand holding their batons, ready to pounce.

TYSON

Don't touch me!

Two police officers charge towards Tyson with their batons, he catches one of the police officers with a punch to the face which sends him stumbling to the ground, the second officer swings his baton but Tyson dodges it and cracks him with a body crunching punch sending him to the ground, he looks up and sees more Flashing lights as back up arrives with 6 more police officers charging towards Tyson.

POLICE OFFICER 5

On the ground now.

Tyson looks down at his hoodie and spots a red dot, he looks up seeing a police officer holding a taser. Tyson drops down to his knees as six police officers restrain him on the ground forcing his head hard into the concrete ground. The first officer knocked to the ground joins the other officers in restraining Tyson giving him cheap shot punches in the process.

A Police van pulls up as the trio are thrown in the back.

CUT TO:

INT. POLICE STATION - DAY

Tyson is sitting in a police cell with grazes and slight bruising on his face, The door opens as Angie stands next to the guard.

POLICE GUARD

Time to go.

The Guard walks off as an Angry Angie confronts Tyson.

ANGIE
What were you thinking?

TYSON
I didn't know they had drugs in the car and I didn't know it was stolen.

ANGIE
Possession of drugs and assaulting a police officer, this is serious Tyson.

TYSON
I was defending myself.

He walks to front desk with Angie.

POLICE GUARD
You will be receiving a letter in the post about attending court.

The police guard hands Tyson his property, he grabs it and heads out of the police station.

ANGIE
I don't want you seeing them boys again.

TYSON
They're my friends.

ANGIE
I don't care! It's about time you started to use that head of yours and made the right choices.

Angie storms off.

CUT TO:

INT. COURT - DAY

Inside the Judges room, Judge Malcolm Harris (40s) black male is getting ready, suddenly there is a knock at the door.

MALCOLM
Come in.

The door opens and entering the room is Tyson's older brother Anton (30s) black male.

MALCOLM (CONT'D)
Anton, to what do I owe the
pleasure?

ANTON
Malcolm, it's good to see you.

MALCOLM
You, in my court room today?

ANTON
Yes, defending a case.

MALCOLM
Who?

ANTON
My brother Tyson Kassius Ojo.

MALCOLM
I didn't know he was your brother,
it's quite a serious case.

ANTON
I know that's why I came to speak
to you. We go way back. You were
there for me when my Dad was
murdered, I was never there for
Tyson so he's never had a father
figure in his life. He just needs
someone to guide him.

MALCOLM
Possession of drugs and assaulting
a police officer is a serious
crime.

ANTON
I know, but I'm just thinking about
my Mum that's all.

MALCOLM
OK. Leave it with me. I have
something in mind.

ANTON
Thanks Malcolm, It's good to see
you.

Anton leaves the room.

CUT TO:

INT. YOUTH COURT ROOM - DAY

Judge Harrison sits behind the bench, opposite him is Tyson alongside his brother Anton acting as his solicitor.

JUDGE HARRISON

Assault to a police officer is a serious crime, what it shows me is your lack of discipline and respect. Putting you in prison won't solve this, so what I am going to do is give you 60 hours community service.

Anton stares at Tyson with a serious face.

JUDGE HARRISON (CONT'D)

Your community service will be at pitbull's boxing club, I want you to report to Johnny Pitbull, he will whip you into shape in no time, Court adjourned.

Judge Harrison gets up from behind the bench and leaves the youth court, Tyson turns to Anton.

TYSON

Thanks bro, thought I was going down.

ANTON

You're lucky Tyson and for the record I didn't do it for you. I did it for mum. It's about time you start making her proud.

Anton gathers his belongings from the desk and heads out of the court room.

CUT TO:

EXT. SOUTH LONDON - DAY

Tyson walks towards a building looking up at a sign that sits above the door "Pitbull boxing club". He walks through the doors of the building.

CUT TO:

INT. PITBULL BOXING CLUB - DAY

Once inside he looks around seeing the gym full of men of all ages training. The sound of punches connecting with punch bags echoes the room.

He spots a male GARY (40s) white male standing next to a punch bag giving instructions to a young trainee.

TYSON
Are you Johnny pitbull?

Gary points towards the ring as Tyson spots a short stern white male wearing a flat cap JOHNNY (50s) standing in the ring giving instructions to two young fighters while holding punching pads.

Tyson walks over to the ring with an attitude.

TYSON (CONT'D)
You're Johnny Pitbull?

JOHNNY
Yep.

Tyson giggles to himself.

JOHNNY (CONT'D)
What's funny?

TYSON
Nothing, I just imagined you looking different, I'm Tyson Kassius Ojo, here for my community service.

Johnny looks down at Tyson unimpressed.

JOHNNY
Follow me.

Johnny climbs out the ring as Tyson follows him.

TYSON
So who am I going to be fighting then?

Johnny walks up to a cupboard and pulls out a mop and bucket.

TYSON (CONT'D)
You want me to fight a mop?

JOHNNY
No, Your fight is in there.

Johnny pushes open the toilet door revealing a filthy looking toilet. The smell hits Tyson.

TYSON
I ain't here to clean toilets.

JOHNNY
After your done cleaning these
toilets, the gym needs cleaning.

Johnny walks off leaving Tyson looking on annoyed. He enters the toilet looking around wondering where to begin. Suddenly a flush is heard from one of the cubicles, out steps TINY (20) Short black male.

TINY
That needed two flushes.

Tiny leaves the toilets as Tyson pushes open the cubicle door looking inside.

TYSON
Ah man!!

A frustrated Tyson throws down his mop in anger.

CUT TO:

INT. PITBULL BOXING CLUB - DAY

Tyson begins to clean the gym while looking on in awe of the people training. He begins to pick up loose boxing gloves from the floor. Suddenly a pair of boxing gloves comes flying towards him almost hitting him, he looks up annoyed and spots Tiny.

An angry Tyson turns around and spots Tiny who laughs with the two lads.

TINY
You missed a bit.

An angry Tyson punches the punch bag so hard it disconnects from the ceiling falling to the ground, the whole gym comes to a halt looking on in shock.

TINY (CONT'D)
I was just playing.

Johnny climbs out the ring and walks over to Tyson. He looks down at the fallen bag then looks up at the hole in the ceiling then looks at Tyson.

JOHNNY
You boxed before son?

TYSON
No.

JOHNNY
Don't bullshit me.

TYSON
I'm not.

JOHNNY
Somebody that has never boxed before doesn't just hit a bag like that.

TYSON
Straight up, I've never boxed.

JOHNNY
Follow me.

Johnny climbs into the ring as the 6 ft 4 Tyson follows, everybody in the gym look on intrigued.

Johnny stands opposite him holding up two pads.

JOHNNY (CONT'D)
Give me a left jab, then a right.

Tyson hits the pads hard.

JOHNNY (CONT'D)
Left, right, hook.

Tyson throws a powerful jab left then right followed by a hook.

JOHNNY (CONT'D)
You got some power son.

TYSON
Really?

JOHNNY
Yeah.

TYSON
Can I fight?

JOHNNY
Boxing isn't just about fighting.
It is footwork, fitness, working on
punches. It takes dedication and
discipline, you think you can
handle that?

TYSON
Yeah.

JOHNNY
OK... Now get on and finish
cleaning that floor.

A confused Tyson climbs out the ring and heads over to his mop bucket as Johnny smiles to himself.

Training resumes in the gym as Tyson picks up the mop only to be interrupted by Tiny.

TINY
We may have gotten off to the wrong
start, I'm Tiny.

He extends his hand.

TYSON
Tyson.

Tyson shakes Tiny's hand.

TINY
I may have spilt something on the
floor, allow me.

Tiny begins to mop up the water he spat on the floor.

TINY (CONT'D)
I've never seen anyone punch a bag
off the wall, that was insane!

Tyson laughs at Tiny's comment.

TYSON
Babe, you should have seen it, I
was so mad so I hit the bag and
boom, It came down from the ceiling

Rochelle laughs.

TYSON (CONT'D)
Then the geezer who runs the place,
his name is Johnny Pitbull, I was
expecting some big mean dude and I
walk in and see this little guy and
he's like get in the ring and throw
some jabs.

Tyson demonstrates the jabs he threw on the pads to Rochelle.

ROCHELLE
Sounds like you enjoyed yourself.

TYSON
When I was in the ring throwing
jabs, I felt like I'd been doing it
a long time.

ROCHELLE
Why don't you take boxing up as a
hobby?

TYSON
I been thinking about it.

ROCHELLE
It will stop you getting into
trouble and give you something to
focus on.

Tyson stands intrigued by the thought of taking up boxing.

CUT TO:

TYSON

Yo Tiny, give me a hand.

Tiny along with two other young males walk over to Tyson.

TYSON (CONT'D)

You boys lift the bag and I'll reattach it to the ceiling.

The trio lift the bag as Tyson uses a socket spanner to tighten the bolts reattaching the bag to the ceiling.

TINY

Just don't go punching it off the ceiling again.

The trio laugh which is broken up Johnny as he approaches Tyson.

JOHNNY

Start training this afternoon.

Johnny walks off as Tyson begins to step down from the ladder.

TYSON
Oh yeah. (Excited)

CUT TO:

The noise of skipping ropes whipping the floor echo throughout the gym.

PAN DOWN LINE OF PEOPLE SKIPPING.

Focus on Johnny standing bemused at Tyson trying to skip as he struggles to do two skips as the rope gets caught between his feet.

JOHNNY (CONT'D)
You never skipped before?

TYSON
No.

JOHNNY
Like a lot of things in boxing It's all about timing, Tiny show him.

Tiny begins to showcase his skipping skills.

TINY
It's all about keeping your knees soft and pushing of your toes.

Tiny demonstrates.

TINY (CONT'D)
Little hops, pushing the balls of your feet into the ground.

Tyson attempts it and manages a few more skips.

JOHNNY
OK, we will work on your skipping, Lets have some push ups.

The group of trainees get down and begin to do push ups as Johnny and Gary watches on.

JOHNNY (CONT'D)
Sit ups.

The trainees begin to do sit ups, already Tyson is sweating.

JOHNNY (CONT'D)
Everybody up, Lets have a minute of burpees.

Within 30 seconds Tyson is wheezing out of breath.

JOHNNY (CONT'D)
Time.

A relieved Tyson looks thankful.

JOHNNY (CONT'D)
Back down, press ups.

Tyson looks exhausted as he gets back down to perform more push ups.

JOHNNY (CONT'D)
Minute of Sit ups.

Lying on his back Tyson tries to take a few seconds but Johnny catches him.

JOHNNY (CONT'D)
Tyson it will be 2 minutes if you don't give us at least 25 sit ups.

Tyson begins to perform his sit ups with strain on his face as he tries to power through.

TYSON
15.

JOHNNY
Come on Tyson 10 more.

The group of trainees encourage Tyson by counting every sit up for him.

ALL
1,2,3,4,5,6,7,8

Tyson begins to strain as the pain takes over.

TYSON

ALL

10

The group of trainees cheer Tyson as he lies on his back panting, breathing heavy.

JOHNNY

Burpees, up on you feet.

A tired Tyson doesn't show quit and begins to do his burpees powering through.

JOHNNY (CONT'D)

Time.

Shot of the group of trainees showing no fatigue, pan to end of the line showing Tyson sweating loads with his hands on his hips trying to catch his breath.

Johnny looks at Tyson.

JOHNNY (CONT'D)

You need to work on your fitness.

TYSON

I think I am going to be sick.

Tyson runs towards the toilet area as the group of trainees laugh.

CUT TO:

INT. PITBULL BOXING CLUB - DAY

JOHNNY

Let's have some running drills.

The boys get into a single file line, laid out in front of them is an agility ladder and further ahead a cone.

JOHNNY (CONT'D)

Start outside the ladder, then side steps in and out, when you're done I want you to sprint up to the cone then lets have you jogging backwards back to the start.

The first trainee starts, up next Tyson takes his position. He begins to side step through the agility ladder showing good foot work, next he sprints to cone then jogs backwards towards the line of trainees waiting, Johnny looks over to him.

JOHNNY (CONT'D)
Nice footwork.

The boys continue taking it in turns, Tyson turns to Johnny.

TYSON
When are we going to be boxing
training ?

JOHNNY
You are boxing training.

TYSON
With all due respect, We are just
running.

JOHNNY
Everybody stop!

The trainees stop what they are doing.

JOHNNY (CONT'D)
I'm sorry to stop you all, but
Tyson here has just brought up a
good point, We aren't boxing
training.

TRAINEE
Dude seriously?

TYSON
All we are doing is running.

JOHNNY
Tell you what, out of everybody
here, who do you want to face off
with?

TYSON
For real?

JOHNNY
Yeah, have a look around and chose
somebody.

TYSON
Big guy at the back.

The lad looks around pointing to himself.

JOHNNY
Tommy, step forward.

TOMMY (18) 6ft male steps forward.

TYSON
We going in the ring?

JOHNNY
Not quite.

Johnny pulls down a big tractor Tyre that rests against the gym wall.

TINY
Oh no! Not the Tyre!

JOHNNY
Get on.

TYSON
What?

JOHNNY
Step up onto the Tyre.

Tyson steps up onto the Tyre laughing.

TYSON
What is this?

JOHNNY
Tommy is going to knock you off the tyre.

TYSON
Yeah right.

Johnny grabs a foam noodle and hands it to Tommy.

JOHNNY
Tommy.

Tommy looks at Tyson and shrugs his shoulders before hitting Tyson with the foam noodle causing him to lose his balance and fall off the tyre.

JOHNNY (CONT'D)
Told ya.

TYSON
You didn't tell me he was going to hit with it.

JOHNNY
What did you think he was going to do tickle you?

The group of trainees laugh.

TYSON
Come on then, do it again.

Johnny nods as Tommy begins to swing the foam noodle at Tyson and once again he loses his balance and falls off the tyre.

JOHNNY
Come on Tyson, you're making it too easy for him.

TYSON
I swear down, I'm going to ram that noodle.

Tiny interrupts Tyson.

TINY
Tyson your balance, Plant your feet.

TYSON
What?

TINY
Plant your feet, point your toes towards me.

Tyson looks at Johnny. Tommy begins to hit Tyson with the noodle who doesn't budge on the tyre.

JOHNNY
Good, my turn.

Johnny takes the noodle from Tommy.

JOHNNY (CONT'D)
I want you to try and block my shots.

TYSON
Easy.

Johnny tries to hit Tyson in the ribs but Tyson blocks the shot, he tries the other side and again Tyson blocks, he catches Tyson in the face.

TYSON (CONT'D)
OW! You hit me in the face.

JOHNNY
Better get used to it if you don't keep your hands up.

Johnny hits the noodle towards Tyson's face but this time Tyson blocks it.

Johnny goes crazy with the noodle trying to catch Tyson but is unsuccessful with Tyson blocking every shot.

JOHNNY (CONT'D)
Good. Step down of the tyre.

Tyson steps down.

JOHNNY (CONT'D)
Footwork and balance. Fundamentals
of boxing.

Johnny walks off leaving Tyson looking on as the realization sinking in.

CUT TO:

EXT. STREETS OF SOUTH LONDON - NIGHT

Outside in a courtyard near his flat, Tyson is standing alone in a not well lit courtyard, practicing his skipping technique while getting frustrated with himself every time the skipping rope tangles with his feet.

Malakai and Reuben walk up behind Tyson and catch him trying to skip.

MALAKAI
What are you doing?

REUBEN
He's skipping.

The pair begin to laugh as Tyson continues practicing his technique.

MALAKAI
Been trying to track you down,
haven't seen you since the night we
got arrested.

TYSON
You mean the night you got us
arrested?

REUBEN
Where you been?

TYSON
Doing my community service.

MALAKAI

Where at a skipping club?

TYSON

No, Pitbull's boxing club.

MALAKAI

I bet that's been well shit.

TYSON

No it's actually been great, I'm learning how to box.

MALAKAI

Really?

TYSON

Yeah.

Reuben and Malakai look at each other.

REUBEN

How do you fancy earning some money.

TYSON

Doing what?

REUBEN

It's more being paid to be our muscle.

MALAKAI

Basically the police confiscated the package I had to deliver, so now I owe a drug dealer money.

REUBEN

We know someone who is growing his own weed, so we are going to rob him and sell his shit and pay back the dealer.

MALAKAI

If any thing goes down, we got you there to watch our backs.

REUBEN

You in?

TYSON

I'll pass.

REUBEN
Is he for real?

MALAKAI
What is wrong with you blood, we
came here to offer you a chance to
earn some good money and you
disrespect us, think that boxing
has gone to your head.

Tyson throws down his skipping rope and stares down Malakai.
A worried Reuben steps in.

REUBEN
Come on. Let's go.

Reuben begins to pull Malakai away as the two disappear into
the darkness of the night.

Tyson picks up his skipping rope and continues to practice.

CUT TO:

INT. FLAT - DAY

Focus on Tyson sleeping in his bed. A vibration noise is
heard next to his bed, Tyson slowly wakes up looking at his
phone and see's the caller ID is Rochelle. He picks up his
phone half asleep and answers it.

TYSON
Hello?

ROCHELLE (V.O.)
Oh my god! I'm so glad to hear your
voice.

TYSON
At 6:38 in the morning, What's up?

ROCHELLE (V.O.)
This morning loads of blue flashing
lights went past and woke me up.
It's just come on the news that
three people have been killed over
drugs.

TYSON
Who?

ROCHELLE (V.O.)
Malakai and Reuben. The identity of
the third person is unknown. That's
why I called you.

TYSON
Serious?

ROCHELLE (V.O.)
Turn on the news.

Tyson gets out of bed and heads into the living room to turn
on the TV.

FOCUS ON TV.

TV REPORTER
This morning three young men have
been killed in south London in what
the police believe is a drug
related incident. So far two of the
men have been named as Malakai
Davis and Reuben Tyrell both from
South London.

TYSON
Babe, they came to me last night
offering me a chance to earn some
money being their muscle.

ROCHELLE
Oh my god! That could have been
you.

TYSON
I know, they told me about their
plan and I told them I wasn't
interested.

ROCHELLE
I'm so glad you didn't go with
them.

TYSON
Me too. I'll speak to you later.

Tyson hangs up his mobile phone and sits in shock.

CUT TO:

INT. PITBULL BOXING CLUB - DAY

Tyson is working on his footwork drill as Johnny watches. He notices something isn't right with Tyson and he doesn't seem to be putting in any effort in the drill.

JOHNNY

Tyson.

Tyson looks over at Johnny who gives him a beckoning sign as Tyson walks over to him as the trainees continue with their footwork drill.

JOHNNY (CONT'D)

Something up?

TYSON

It's nothing.

JOHNNY

It's something when it affects your training.

TYSON

Two of my friends were killed this morning.

JOHNNY

The boys that were on the news?

TYSON

Yeah.

JOHNNY

Close friends?

TYSON

Not really, It's just.

Tyson pauses.

JOHNNY

What?

TYSON

Last night they came to me wanting me to be their muscle, to protect them while they planned to steal some guy's drugs. I just keep thinking to myself that If I said yes, I could have been killed.

JOHNNY

Tyson, let me tell you something. In life there are two choices. The right choice and the wrong choice. You will make these choices a lot in your life and in the boxing ring. Last night, those two boys made the wrong choice. You made the right choice. Remember that.

TYSON

Thanks Johnny.

JOHNNY

I've got something to cheer you up.

TYSON

What's that?

JOHNNY

Now that the fundamentals are there, today I'm going to teach you how to punch.

TYSON

Finally!

CUT TO:

INT. PITBULL BOXING CLUB - DAY

Johnny stands in front of the trainees.

JOHNNY

I'm going to show you how to throw a hook punch. If done correctly, it can be devastating.

Johnny walks up to the punch bag to demonstrate a step by step guide on how to punch.

JOHNNY (CONT'D)

The power comes from your hips, when you throw the hook its elbow up and twist your body putting your weight behind the punch.

Johnny demonstrates in fast time.

JOHNNY (CONT'D)

You're going to go left jab, then right jab, then left hook.

Johnny twists his body as he hits the bag, leaving the bag rocking.

JOHNNY (CONT'D)
Tommy you're up first.

The boys get into a line ready to attempt the left hook.

Tommy steps up and hits the bag.

JOHNNY (CONT'D)
Pivot the foot more Tommy, transfer the weight.

Tommy nods as Tiny steps up and hits the bag.

JOHNNY (CONT'D)
Good Tiny.

Tyson steps up to the bag and plants his feet, he hits the bag with a hard left jab followed a right, then twist his body as he hits the bag with a hard left hook which shakes the bag.

JOHNNY (CONT'D)
Now that is power.

TINY
Johnny do you have building insurance? Because if he hits that bag any harder this place will probably fall down.

The trainees laugh at Tiny's comment.

JOHNNY
Good work today everybody.

The trainees begin to gather their belongings as Johnny and Gary stand in discussion before summoning Tyson.

JOHNNY (CONT'D)
Tyson.

Tyson looks a little bewildered as he makes his way over to Johnny.

JOHNNY (CONT'D)
There is a cruiserweight tournament this weekend, I want to enter.

TYSON
You think I'm ready to compete?

JOHNNY
You've come a long way and your
hard work hasn't gone unnoticed.

TYSON
OK sure. Sign me up.

Johnny and Gary walk away leaving an excited Tyson looking on.

So what's the plan for Luke now?

DON

Right now, I think a rematch with Tyson is what we should be looking at.

TYSON
What?

DON
I spoke to Phil and they do not
wish to have a rematch.

TYSON
Why? It makes perfect sense.

DON
Originally, Luke was in a title
eliminator fight before he took the
fight with you. So I have to keep
my word and put Luke on course to a
world title shot.

TYSON
What's next?

DON
I haven't really figured it out
yet. We could put you in a few
light heavyweight contests, get you
in a mandatory position.

TYSON
What about cruiserweight? I want to
fight in cruiserweight, I have no
interest in competing in Light
heavyweight.

DON
I haven't really got any
cruiserweights for you to fight.

TYSON
What about Steve Fury, I'll fight
him, no problem.

DON

Steve is relinquishing the title as he wants to campaign as a heavyweight.

TYSON

We're the same height and build. Why does he want to fight at heavyweight?

DON

It's his choice.

TYSON

So right now, you have nothing for me. Is that what you are trying to tell me?

a priority. That is a headline
fight. Don is crazy for not
following up the fight with a
rematch.

TYSON
Apparently they weren't keen on a
rematch.

FREDDIE
That's probably because Don
underestimated you Tyson. Maybe, he
thought since it was your first pro
fight and you dropped weight it was
going to be an easy night for Luke.
To me you are a cruiserweight not a
light heavyweight.

Tyson sits and nods at Freddie's comment.
