<p>EXT. GARAGE - DAY:</p> <p>JourneyJay is sending a message to the casting company from The JourneyJay Show: 004 The North Episode, Part 1</p> <p>ANOTHER ANGLE</p>	<p>(<u>Fade In.</u>)</p> <p><u>JOURNEYJAY: (V.O.)</u> Last time on The JourneyJay Show...</p> <p><u>JOURNEYJAY</u> Whoa! I just got invited to a party!</p>
<p>HE RECEIVES A RESPONSE:</p> <p>They're interested in helping him get in touch with Jenna Haze.</p> <p>He takes a selfie and sends it to them. It isn't flattering.</p>	<p><u>CASTING COMPANY:(V.O.)</u> You know, I can help you with that...</p> <p><u>CASTING COMPANY</u> Let me just contact her manager.</p>
<p>HE RECEIEVES A PHONE CALL:</p> <p>It's the birthday girl that was represented by the casting company in 004.</p>	<p><u>BGIRL</u> Hey there! I'm actually having the party in San Diego. I know, you thought because the office is in L.A. Ok, can't wait to see you, i'm sure you want to meet the girls.</p>
<p>JENNNA HAZE APPEARS MAGICALLY:</p> <p>Jenna does the hands together head knod from I dream of jeanie.</p>	<p><u>JENNA</u> So what I was thinking was you could tell me a little bit about yourself...before I commit to helping you with your show.</p> <p><u>JOURNEYJAY</u> Gulp...anything for you Jenna</p> <p><u>JOURNEYJAY</u> whauh yay!</p>

VIDEO	AUDIO
<p>HE ATTENDS THE PARTY- AT THE CLUB:</p> <p>It's a group of girls</p>	<p><u>BDAY GIRL</u> So you're making a show, I like that.</p> <p><u>JOURNEYJAY</u> You can all be my star girls. I promise, you're all I need for this show...</p>
<p>A MAN RECEIVES HIS PHOTO.:</p>	<p><u>MAN</u> Well, that's all we needed.</p>
<p>ON SET:</p> <p>Jenna Haze is alone with JourneyJay.</p> <p>Each of the party girls is alone with JourneyJay.</p> <p>Jenna haze is affectionate to the camera frame for as long as the previous shot.</p>	<p><u>JENNA</u> Thanks for picking me JourneyJay.</p> <p><u>GIRL 1</u> Thanks for picking me-</p> <p><u>GIRL 2</u> thanks for picking me-</p> <p><u>GIRL 3</u> Thanks for picking me-</p> <p><u>ALL GIRLS</u> I can't believe i'm the only one that didn't cancel...</p>
<p>HE RETURNS TO REALITY:</p> <p>At the house from 004</p>	<p><u>WOMAN004</u> You're worthless and you deserve to be punished.</p> <p><u>JENNA:(V.O.)</u> Oh no, don't listen to her JourneyJay.</p>

VIDEO	AUDIO
<p>He's writing his show:</p> <p>Jenna Haze doing her regular day to day:</p>	<p><u>BDAY GIRL</u> You can do it</p> <p><u>WOMAN</u> You can't be free, you're my bitch now! Clean up my poop! Do it! Do it now!</p> <p><u>WOMAN</u> You can't ever be with Jenna! You're mine!!!</p>
<p>HIS MONOLOGUE BEGINS:</p> <p>Jenna Haze being affectionate to the camera. The girls from the party are heard having sex with journeyjay. They're one on one, but the audio is overlaid on top of each other.</p> <p>The woman starts to take a ferocious dump in a toilet next to her bed:</p> <p>She starts to scream, demanding that the toilet be smelled and played with for her visual enjoyment.</p> <p>Back at the party, JourneyJay is wearing a wig...it falls off. Someone grabs it and puts it on as they walk away. JourneyJay does nothing to stop them.</p> <p>Jenna Haze eats a sub, looking at her watch like she gotta be somewhere.</p>	<p><u>JOURNEYJAY</u> She's going to kick me out Jenna. I won't get the chance to make this episode, or any, in fact. Only because she wouldn't let me. In her world only one can exist, and that's slavery. Maybe I can be wished free...maybe that's even worse. Thanks for being a part of this, that is to say, if it made it to air...</p> <p><u>JOURNEYJAY</u> She doesn't know how to respect my Jenna...I mean me, Jenna...I don't know what to do. They're going to eat me alive out there.</p> <p><u>JOURNEYJAY</u> I've already made enough enemies out there, they are going to kill me the next time they get the chance to. Girls, i'm scared.</p> <p><u>JOURNEYJAY</u> You were my favorite person in the whole world, the way you would talk to your boos while you showed them the world...</p> <p><u>JOURNEYJAY</u> wait a minute, this isn't supposed to be about you-</p>

VIDEO	AUDIO
<p>Girls putting their finger towards themselves, one at a time, asking if I'm talking about them.</p> <p>The woman flips off the camera and burns a script for The JourneyJay Show.</p> <p>Jenna Haze is affectionate to the camera.</p> <p>Woman is on toilet, facepalms herself. She feels stupid, and goes to the toilet in her room by her bed, and takes a ferocious dump...then demands that JourneyJay clean it up, which he does.</p> <p>The girls are, one at a time, doing random things and dreaming of journeyjay.</p> <p>Jenna haze waking up to Tim and Eric, who're blabbering off about some tale of epic proportions. They're both REALLY INTO sharing this unheard tale.</p>	<p><u>JOURNEYJAY</u> This is suppose to be about that bitch who won't stop disrespecting me.</p> <p><u>JOURNEYJAY</u> She tells me to leave, now I can't take a dump...I'm like wtf bitch I didn't do anything to you.</p> <p><u>WOMAN</u> I don't want to see your pathetic ass ever again.</p> <p><u>JOURNEYJAY</u> (beat)</p> <p>This monologue sucks, its supposed to be uninterrupted.</p> <p><u>JOURNEYJAY</u> What have I ever done to you! I had to poop all night, and I wasn't happy about it! I didn't want to upset you further. You asked me to leave, so I did! What unreasonable thing did I do to deserve this! The only reason I was here at all is because I thought you needed help with something.</p> <p><u>JOURNEYJAY</u> My entire life revolves around doing what you want...my entire life is about appeasing you. You expect and demand that all day every day.</p> <p><u>JOURNEYJAY</u> I can't do anything for myself, only for you.</p> <p>I hurt my back cleaning for you, but I kept cleaning anyways. It isn't as bad as your injury though, it only hurts bad sometimes when i'm slightly hunched over. I don't want to be in pain either.</p>

VIDEO	AUDIO
<p>They now go regular grocery shopping. We see the whole process including driving there and driving back. Multiple angles as they pick up fresh foods and whatnot.</p> <p>Someone is at the dump browsing and they stumble upon bag after bag of human piss and a few bags of human shit. They sneak a poop bag into their pocket and dip from the dump.</p> <p>A cat taking a dump.</p>	<p><u>JOURNEYJAY</u> You have put me through a significant amount of stress and terror, holding onto my life and doing what you want with it. I have to feel really bad mentally to do what you want sometimes.</p> <p>Since you demand things be done, you don't care how it affects me, only how it helps you.</p> <p>I spent my entire childhood holding in my poops for about a week at a time, including diarrhea. I think you must be suffering from dysentery, or you'd rather not hold it in even though you can.</p> <p>If it's the second one, you use the commode for convenience and don't care how I feel about it. It doesn't matter if I care to clean it or not, it only matters as an example of you not considering what I want.</p> <p>Maybe you do care, I'm not sure.</p> <p><u>JOURNEYJAY</u> It doesn't really bother me. It's something to think about, unless you don't care. That's what I care about.</p> <p>I think i have an attention deficit. I can remember some things obsessively, but then I can never remember other things.</p> <p>I don't know why you're mad at me at all. I didn't forget to feed the dogs, and I was literally about to.</p> <p>You growled at me for not being immediate. I was on the tail end of something, almost finished.</p> <p>It had only been 20 minutes, and even if I were to forget, they'd be getting fed anyways because Sashoe</p>

VIDEO	AUDIO
<p>Dog on a walk taking a dump.</p>	<p>will feed them.</p> <p>I was busy doing something that I'll forget to do if I don't finish doing it. I'm being judged over my mental condition. I had no choice but to feed them at about the time I actually fed them.</p> <p>I was tied up with work. You wouldn't get mad at Sashoe for working late I bet...but since she supports your dogs in the first place you'd have no choice but to suck it up if you did get mad.</p>
<p>Funeral for the cat. The dog is there, he has cat fur around his mouth.</p>	<p>You're demanding that I give you no choice but to deal with me working late, and I just can't meet that demand.</p> <p>The only way to appease you is to be in control of your life and decisions, which I don't have the power to do.</p>
<p>Funeral for the dog. The people have dog fur all over their mouths.</p>	<p>I don't want to be controlled. I want to do things voluntarily, you aren't letting me.</p> <p>You think I've done something horrible. If Sashoe were to feed them or if I were to feed them, they would still be waiting about the same amount of time between meals.</p>
<p>One person returns to the dog poop and eats it.</p>	<p>Because they would wait about the same amount of time between meals, you shouldn't care if they are fed at night, let alone 20 minutes later than requested.</p> <p>I want to know why you don't appreciate me breaking my back emotionally to make sure I don't fuck with you or anything you want.</p>
<p>Funeral for the person. The people have his poopy lips on a grill.</p>	<p>I'm going to die if I can't take care of myself. I can't take care of myself if I don't do what I was doing before feeding the dogs.</p>

VIDEO	AUDIO
<p>A funeral for the people, a bunch of cats and dogs are there and some of them are pooping.</p> <p>Jenna haze petting a dog, receives a phone call...walks away from dog. Then, a sad dog...</p> <p>The guy who took the dumps from the dump cooking them up on a grill, says hello to the neighbors.</p> <p>The neighbors are Tim and Eric. They enjoy in the poop together.</p> <p>The woman laughing hard and yelling at JourneyJay.</p> <p>JourneyJay with a weight on his leg, moping about.</p>	<p>I can't believe you thought I wasn't doing something important. I can't believe that you think feeding the dogs is more important than feeding myself. How can you put your dogs before me? You get put in a situation where it's me or the dog and it seems like you'll pick the life of the dog over my life.</p> <p>If you would not stop my immediate death because your dog would get hurt, you would. In some situations, choosing your dog would be the same as manslaughter.</p> <p>Your negligence is astounding. I am hurting a lot inside. You wouldn't do 5 things for me every day and ten bigger, hard things every other week but you expect that from me.</p> <p>There is no true cooperation in this relationship. I'm a slave and you hate me for being lesser to you...that's it.</p> <p>There is nothing I can do to be an equal, or moreso. I am a husk, forced to travel the sea of ridiculous things that make no sense.</p> <p>If you don't want dust in the air, why have me dust, it's stuck to a surface, leave it there. It gets dusty again anyways, why do it at all? Dust is the least of your worries, and you can't breath what isn't in the air. I can't clean the air for you, and I don't want you to come up with some ridiculous scheme to try...something I HAVE TO DO because I'm your slave.</p> <p>You want a slave, you don't care about how they feel or what they want. It doesn't even have anything to do with your back, you just have an evil spirit inside you.</p>

VIDEO	AUDIO
<p>The woman having an oh yeah moment in her mind, then pretending to have a fucked up back.</p>	<p>Sometimes, you become the purest of evils. I let your dogs do whatever they want, if it were up to me they'd be reined in. They wouldn't be barking at anything anymore...it can be done.</p>
<p>Back to JourneyJay moping, he grows a halo.</p>	<p>What does that say about me, it says that I'm nice. Nice to them and you. Why? I'm not evil, that's why. I'm pure, i'm god.</p>
<p>Woman spitting on camera.</p>	<p>You spit in god's face today...and you have got to learn to respect me instead of continuing this horrible pattern of behavior.</p>
<p>A bunch of mopey slaves.</p>	<p>...The only thing stopping you from meeting the evils of the world outside your house isn't your back...it's the good in others like myself.</p>
<p>They enter the house in a puff of smoke and start taking everything.</p>	<p>They would waltz on in here and take your everything, without a single fuck. The only reason you don't have to deal with danger is that I exist, and I'm out there curbing the worlds nasty impulses...the same impulses you use to be upset and judge me for being a little busy.</p>
<p>The house is now empty.</p>	<p>If they hadn't have been fed until 11:30 at night, it wouldn't matter. They would be fine, and that would mean that I'm not the only one who waited...and that's fine too!</p>
<p>Sashoe enters empty house on one side, dogs on the other side. Sashoe acts relieved...</p>	<p>I know what it is to starve...everyday, all day, for months on end.</p>
<p>Woman wakes up, sees the cammode is gone, and everything else too. Sashoe is in the doorway, woman is shocked.</p>	<p><u>WHERE WERE YOU FOR ME?!</u> I'm lucky i'm not dead, and it would be partially your fault.</p>
<p>Jenna Haze being affectionate to camera.</p>	<p>No matter how I meet my end, it'll be your fault, because you chose to get angry instead of something else.</p>
	<p>You'll never be a good person, how could you ever judge me...</p>
