2 EXT. FOREST. NIGHT 2

we are in a remote forest. Its very dark and creepy, the camera pans across the woods. we hear footsteps and the breath of someone getting closer. as it gets closer the camera starts to follow the stranger walking faster as if someone was following it pulling and pushing bushes on the camera as we get closer. we hear wild dogs barking and wild cats meowing, suddenly we see a pair of legs with torn shoes on, the camera tilts upwards to reveal the face. its a girl, she seems afraid and she has torn clothes on. she starts to run and the sound of dog barking and cat meowing gradually grows louder. she stops at a tree. Behind the tree emerges an old abandoned house. Its getting very chilly outside, the girl runs towards the house.

3 EXT. HOUSE. NIGHT 3

The girl is running towards the house, we see her face, she is very scared and shaking with fear as all noises stops suddenly, she looks at the house, the window starts to slam against the wall, and she is feeling very cold and shaky. she moves closer and opens the door. it opens with a creaking sound.

4 INT. HOUSE. NIGHT 4

we see the girls hand on the door, the atmosphere is very creepy inside. The house is very old and there are rubbles inside. she keeps on moving forward and suddenly she finds a man laying on the floor, with a twisted left hand towards his hip and his left cheek on the floor. she moves closer to the man. There is a pool of blood next to his nose, it seems that it has been bleeding. suddenly the left hand's fingers twitches, and his head moves a bit, he starts to come to life. the girl is very scared she makes couple of steps backwards and runs to hide among the rubbles.

The mans' head moves more and more and starts to breath heavily and opens his eyes. His vision is blurred, he sits up and holds his head with his right hand, his nose still bleeding. He feels it running down his lips. He holds his white t-shirt and wipes it off. His vision is still blurred and it gradually keeps on getting clearer and the room disclose its surroundings to his sensible eye. He stands up with his hair undone and untidy clothes with blood stains on it.

fuckin funny.

SARAH  
I am not lying Andi, I have been  
stuck in my dream, my body is in  
a deep sleep. If i don't win the  
game my soul will rot in hell.

No I am not mad. I have been  
here for 20 years.

Andi makes his way towards the door and opens the  
door. he turns around and looks at the girl and says:

ANDI

out of here.

Andi goes out again and walks towards the woods  
and disappears.

We see sarah's face and a wind blows on her face. She is shaking and a hand with long dirty nails grabs her neck from the back and squeezes it. It's the devil

DEVIL

Your soul will rot in  
hell forever.

As the devil talks to her we hear water dripping. we pan to Sarah's shoes and she is pissing down her pants. We see tears coming out of her eyes.

The houses' front door bangs. The devil disappears.

Andi is laying on the floor again. Same sequence, his left hand's fingers twitches and his head moves then his eyes opens. He has a blurred vision. He holds his head as he kneels on the floor and drops of blood falls on the floor. He wipes his nose with his wrist and turns around to see Sarah standing and shaking.

SARAH

Its about the dead souls  
he possesses.

fight him.

us then.

SARAH

Did you remember of doing  
anything before ending up here.

ANDI

and i fell on the floor.All i  
can remember is someone telling  
he is having a cardiac arrest.

SARAH

that which you can remember.

Lucifer is the fallen angel from paradise. According to the books sent to the prophets by god, Lucifer was cast out of the believers from paradise because he disobeyed the command of god.

ANDI

So did you ever completed the game

SARAH

My friend became mad before we completed the game and some days later she killed herself before we could complete it.

ANDI

My friends started that shit, i did not wanted it but they insisted me to assist them calling the dead. we were 5. I thought they were joking because nothing happened.

SARAH

I have been here on my own for 20 years. Lost in this dark.

ANDI

So what does he want

SARAH

He wants me to play the game and call the dead souls

ANDI

So did you do it

SARAH

ANDI

Have you ever seen the Lucifer thing.

SARAH

No i have never seen him. But  
i have seen his demons.

ANDI

SARAH

I have seen his shadow i was too  
scared to look at his face. When  
he comes you will know.

ANDI

I am not religious but i  
do believe there is a god.

SARAH

I wished i never assisted  
my friend.

Sarah starts to cry

SARAH

I miss my mum

Andi goes closer to Sarah and hugs her.

ANDI

Don't worry everything is gonna  
be fine. i am sure there must be  
a way to fight him.

SARAH

I tried and i cant

ANDI

maybe you were too scared to  
do it. Common lets try it now.

SARAH

I am scared.

ANDI

look i am here. You must not be  
scared. I wanna go home as much  
as you do okay.

SARAH

Okay i will try but this is the  
last time i am gona to try.

ANDI

Common lets do it then.

Sarah takes a small white stone which was lying on the floor and starts to draw some kind of star. and around it she puts Andi's initial A and her initial S. She draws out 3 other symbols one is a man kneeling , the second is a sword and the third is a chicken used for sacrifice.

SARAH

I think its done now.

ANDI

what i can remember my friend wrote the names of the persons who played as well.

SARAH

I cant remember that

ANDI

Andi takes the pebble and wrote his name and Sarah's name on the bottom of the game board.

Andi staring at the board and analyzing it.

ANDI

yeah that's it.

Andi looks at Sarah

ANDI

Its your turn to start the game now.

SARAH

Oh you dead souls from the world please show yourself on this board, i am your commander.

The front door of the house starts to squeaks and the windows starts to flap against the wall. we hear loads of weird noises from children crying to a woman screaming. The star on the board changes color and becomes red with blood. Sarah's appears frightened. A one penny coin then appears on the board from nowhere.

Yes she was a nice girl.

SARAH  
How do you know.

SOUL  
I have seen her before, she

was the strongest of you all.

SARAH

The devil came and he said my soul will rot in hell.
