

THE HAUNTING OF THE PIRATE'S TREASURE

9/15/15

FADE IN

EXT. OCEAN - NIGHT

We see DREAMA MONTGOMERY, THE CLAIRVOYANT (39) alone in a ROW BOAT just off the starboard of a large GALLEON PIRATE'S SHIP.

INT. ROWBOAT - MOMENTS LATER

The song HE AIN'T HEAVY HE'S MY BROTHER echoes through the night air above the ocean waves.

Dreama has LONG DARK HAIR, EXPENSIVE JEWELRY and is wearing a TRADITIONAL GYPSY DRESS. She rows to the side of the wooden ship and climbs a ROPE LADDER to the upper deck.

As if out of a HAZY DREAM a BABY FOX watches her every move. She is startled. Dreama shakes her head and snaps out of the dream-like-state, concentrating on the creaky floorboards.

DREAMA (V.O.)  
I have always heard that if you  
dream about a fox you will live to  
be a hundred years old.

A MACAW sitting atop the SAIL MAST mimics her thoughts.

Walking across the deck she sees MURDOCK (40s). He looks good with LONG SWOOPING BANGS across his face, sexy smile and BLACK EYE-PATCH. He has dark features and big green almond cat eyes.

Murdock is anxious to explore Dreama's DIAMOND EMERALD NECKLACE and STUDS. He touches her beautiful DIAMOND BRACELET and EMERALD RING with DIAMONDS that are outlining a luscious heart.

Dreama lifts her gypsy skirt to make love to him. Together the two enter his cabin.

CUT TO:

INT. CAPTAIN'S CABIN - NIGHT

The CHANDELIER light dimmed the room embossing the room with PINK TONES.

Murdock wraps his arms around Dreama and squeezes her tight. Her diamond necklace sparkles against her low cut blouse.

The long dangling emerald earrings JINGLE as she tilts her head to kiss Murdock.

As Dreama glances at the carpet she notices stains of BLOOD dripped across the design.

Dreama inches her way into the Boudoir where she seductively undresses. She is wearing a SCARLET RED BRA and RED PANTIES to match.

CUT TO:

INT. BATHROOM - MOMENTS LATER

Dreama and Murdock enter.

FAST FLASHBACK: Dreama catches a glimpse of TOMMY (30s), in the MIRROR. He'd compensated for the loss of his face replacing it with a HARD PLASTIC CONTOURED MOLD with screws at his neck that attached it to his body.

DREAMA (V.O.)

Tommy is my inner spiritual guide and dwells within me. The year is 1900, the President has just legalized pot, and we are rich. Rich, because we are hit-men from Chattanooga. We own a pirate ship and the Twin Tower Mansion of Murders in Tennessee. Tommy has been killed, and it is up to me to solve his murder.

Dreama and Murdock enter the SHOWER. He washes her with ROSE SOAP and COTTON CANDY SHAMPOO.

Suddenly there is a LOUD BANGING on the door.

The song He Ain't Heavy He's My Brother ends.

Murdock wraps a TOWEL around him and answers the door.

It is SOPHIE (40s) A BEAUTIFUL INDIAN GIRL. She is aghast as she stands in the doorway as white as a ghost.

SOPHIE

(screaming)

My lover just shot a young lad! I don't know what to do!

Murdock calms her with some MORPHINE.

DREAMA  
You're not here for the next fix?

SOPHIE  
No, I'm scared. My lover, Jake, did that, and besides, we just came from the scene. There's been a chain of serial killings, all like Tommy's last February. They're not to be blamed on me!

DREAMA  
Sophie, no one will blame anything on you. We'll isolate you and hide you. You'd better act calm or they'll take you to Moccasin Bend, the state institute in Chattanooga. The shrinks will straight jacket you and drug you until you repress every scene. They use electric shock, you know?

Dreama turns to Murdock.

DREAMA (CONT'D)  
Oh, I'm excited, a murder! It'll be fun moving the evidence to my last enemy. Oh I don't know what I'm doing here! I'd better go now so I can polish my diamonds. We'll have to leave the area to hide the gun. The murder will be fun to work and I can seduce the other pirates, police and FBI. Oh, Sophie, how good of you to open a thirst of passion!

MURDOCK  
You better hush or I'll morphine you right out of my bed and into the back seat of the police paddy wagon.

DREAMA  
Jealous?

Murdock pinches Dreama.

MURDOCK  
Hee-haw!!

The group proceed to the GALLEY.

CUT TO:

INT. GALLEY - MORNING - MOMENTS LATER

Dreama scrambles some eggs with cheese and chopped bologna.

DREAMA

Now we're one ounce less of  
morphine, as you came over for a  
quick fix! How many eggs do you  
want?

SOPHIE

Two. I'd better get back, my lover  
wants to take out of here by 12  
noon. We might drive to Albuquerque  
to drop the gun off. That's very  
far!

DREAMA

Ohhh, don't tell me anything about  
the game plan! I don't want it to  
leak out when I seduce the sheriff.

MURDOCK

(whimpering)

Please don't tell me where you'll  
put the murder weapon.

Sophie begins to leave as she kisses Murdock on the cheek.  
Dreama sulks as she squints her eyes at Sophie. If looks  
could kill.

DREAMA

(demanding harshly)

Oh you; get your damn lips off my  
boyfriend lover and get back to  
your scene.

Murdock writes something down on a piece of paper.

MURDOCK

Sh, Sh, Sh. You didn't tell us if  
Jake committed the murders. Okay?

He hands the note around. Everyone agrees.

The note reads: Hey, hey, hey honey, don't frame Jake and  
we'll work on it later to see who we will frame.

Murdock walks Sophie to the door while holding her hand.

CUT TO:

INT. CAPTAIN'S CABIN - CONTINUOUS

Sophie exits.

Dreama is fuming.

DREAMA

(angrily)

I told Sophie not to knock on that  
damn door!

MURDOCK

Well good! That means she came to  
see me! Ha-ha.

DREAMA

Yeah I can see that! Did you screw  
her?

Murdock turns on the RADIO to see if another young lad had been shot in a motel.

Puzzled with suggestion, Murdock gets the OUIJA BOARD out from the closet and begins to clean his bag of weed with a FLOUR SIFTER.

MURDOCK

We'll have to work the Ouija board  
to solve who committed the murders  
at 12:00 midnight.

(stoned)

Life would be endless if we didn't  
include the occult. There's an old  
witch fable: If you shoot someone  
and get his spirit to engulf you  
with the Ouija board, you'll soon  
become that spirit and it will  
spell out who shot him.

DREAMA

Oh, don't you go shoot anyone! I  
can spell out a name for you on the  
Ouija board while you're awake.  
You're goofy. I know that's what  
friends are for, to be there for  
each other. So let's get the Ouija  
board out and play the game.

Dreama hands a JOINT to Murdock.

MURDOCK

Thank goodness the President has  
just legalized pot! Hee-haw, hee-  
haw!

The Macaw SQUAWKS from outside.

MURDOCK (CONT'D)  
Let me feed the Macaw and I will be  
back to scare you with that board  
game. We ought to play with it at  
midnight.

Murdock picks up some SUNFLOWER SEEDS and exits.

Tommy's spirit reappears. The occult tries to seduce Dreama  
as she becomes very horny on the WHITE BEARSKIN RUG.

She rubs around the bear's head, kissing the bear's face very  
seductively.

DREAMA  
Tommy! Hummmmm!

Dreama climaxes on the white bear rug in front of the warm  
FIREPLACE.

Murdock enters.

MURDOCK  
Where is that sheriff's phone  
number?

Dreama rummages through her purse to find a NAPKIN with RED  
LIPSTICK.

DREAMA  
I'll call him.

She dials. The phone RINGS and a CHILD answers.

CHILD #1  
Hi.

DREAMA  
Hello, this is Dreama. Is your dad  
there?

CHILD #1  
Yeah.

DREAMA  
Can you put Billy on the phone?

CHILD #1  
Yeah. Dad! It's for you!

BILLY JACK (40s) picks up the line.

BILLY  
Sheriff speaking.

DREAMA  
Sheriff, this is Dreama, I got to  
meet with you. I think I know who  
shot Tommy in the Tracy City motel.

BILLY  
Who?

DREAMA  
Oh, this sounds funny, but Charles  
Pencock.

BILLY  
Charles Pencock? Peacock, honey, we  
had better meet if you're beggin'  
for my cock! Hey, hey, hey honey,  
let's meet at the point at 6:00 PM  
dusk when your ship ports at the  
next dock. Come alone...

Dreama hangs up.

Murdock hands her some COLUMBIAN GOLD. His thoughts are  
disturbed as he embraces Dreama.

She pushes him away as Tommy's spirit begins a hatred for  
him.

MURDOCK  
An exorcism will cast out the  
spirit, and we'll go for eternity  
to solve who shot Tommy with a  
clean blow to the back of the head.  
A pirate's gun was used knocking  
his whole head off.

DREAMA  
(trembling)  
I don't want to ever loose Tommy.  
His spirit is in me.

CUT TO:

EXT. BEACH - DAY

Dreama walks down the ramp from the Galleon Pirate's Ship and  
steps out onto the DOCK.

EXT. BILLY JACK'S PATROL CAR - THE NEXT EVENING

SUPER: 7:00 P.M.

BILLY

I don't know who shot that young lad. Hey, hey, hey honey, I think it was one of those drug dealers.

Dreama agrees with the Sheriff.

DREAMA

Yes, it's got to be him, he's the meanest drug dealer in the whole world.

BILLY

No one knows who or which drug dealer shot Tommy.

DREAMA

Yes, Billy, I wonder why? And which look alike killed that young lad, Tommy? He was onto something really big, like how he sold some Diamonds and Emeralds that belonged to his wife. Ohhhh, I guess I'm on the wrong track.

Dreama hugs Billy farewell and exits the vehicle.

CUT TO:

EXT. SOPHIE'S MANSION - EVENING

Dreama knocks on the door.

Sophie opens the door with great excitement!

DREAMA

I was wondering if you were still here, or left to drop the gun off in Albuquerque, or even Alaska.

SOPHIE

Damn you! I was waiting for Jake he was supposed to come and get the pirate's gun that he shot Tommy with. He dropped it off on Valentines Day, the barrel was hot and it burned my little hands!

DREAMA

Oh for goodness sakes! I'm so scared I don't know what to do, but Sophie, don't get involved with that murder, or Jake. Please stop fooling with that murder! Thou shall not kill! Oh, Sophie, I love you so much, but now you've got yourself involved in a bad murder. I'm, so scared! Do you want me to make love to your lover Jake so he can whisper who did it in my wrong ear?

SOPHIE

Hell No, I don't need help with his mushroom dick!

DREAMA

Okay, I'm on my way to investigate someone new. Maybe that nice bootlegger down the road will be better, at least I'll get drunk!

CUT TO:

INT. CAR - EVENING

Dreama drives away in her BRIGHT RED JALOPY, similar to the one Bonnie and Clyde used, to see the bootlegger.

DREAMA

(to herself)

The bootlegger is such a felon. I'm scared he'll suspect something.

EXT. JAMES' DRIVEWAY - MOMENTS LATER

A LINE OF CUSTOMERS are waiting for drugs.

Dreama pulls into the driveway and toots the HORN.

JAMES (40s) approaches the jalopy and laughs.

JAMES

Ohhh noooo! Don't come around here trying to lay another murder wrap on me!

DREAMA

I ain't Bonnie and Clyde just cause  
I drive their ole jalopy! Not  
little ole me.

JAMES

I've already lost eight years in  
the Tennessee prison for a state  
frame.

DREAMA

Okay, that's not why I'm here! I  
came to buy some bourbon to make  
bourbon balls! Ha-ha. Oh you, I  
won't blame this second killing on  
you! They say they found a sack of  
Diamonds & Emeralds. Tommy must  
have stolen them from a jewelry  
store right after he got shot in  
the motel. They found the gems in  
his boots.

JAMES

What's that got to do with me? I  
sell drugs I don't sell jewelry. He  
didn't steal them from here. I saw  
him twenty minutes before he got  
shot. He was in the police station  
talking to the FBI. Oh well.

DREAMA

Oh that's awful! Why would he be  
talking to the FBI? I'm in so much  
pain about my lover getting shot I  
might have to order some heroin!

JAMES

I don't know, maybe he was turning  
people in for stuff before he  
became a military man. He's going  
be a famous misfortune!

DREAMA

I bet all the homes he had visited  
were tapped. Oh me, that's awful  
that they killed him. I took some  
of his hair from his corpse at the  
funeral home to use my psychic  
powers in solving this case.

JAMES

Well you're barking up the wrong  
tree. I didn't even kill that guy I  
was blamed for.

Dreama enters her car and speaks out the window.

DREAMA  
Oh yeah? See ya later alligator!

Dreama backs away as all his customers GLARE at her as they wait in line to purchase their desired drug.

CUT TO:

EXT. PINKERTON'S MARKET - EVENING

The radio blares the tune: SOME GIRLS HAVE ALL THE LUCK.

Dreama pulls into Pinkerton's market. Her COCKER SPANIEL PUPPY is hanging onto his seat. She pulls up to the WINDOW.

DREAMA  
Who is Pinkerton?

A LITTLE BOY (7) runs to the window.

CHILD #2  
(jokingly)  
I is!

DREAMA  
Oh, you are Pinkerton? Well I was under the impression that he was as an eighty year ole man who trained dogs.

COKEY PINKERTON (80) comes to the window.

COKEY  
Who is looking for Mr. Pinkerton?

DREAMA  
Dreama dear, here I am. I heard it through the grapevine that you clean houses and train dogs to be aggressive and attacky.

COKEY  
I do. It would be my pleasure to help you out. Is that your pooch there in the car with you, what's his name?

DREAMA  
Tiger. He's a full blooded cocker  
spaniel puppy.

COKEY  
I can see that. I'll be by when I  
close the store. Still live in the  
large Twin Tower Castle?

DREAMA  
(singing to the radio)  
"Some girls have all the luck, Some  
girls do nothing but complain."

COKEY  
(laughing)  
Which are you?

DREAMA  
(smiling)  
I guess I have all the luck since I  
now have a maid, and I won't  
complain.

COKEY  
Yes, you now take me in your  
custody as house maid and dog  
keeper.

DREAMA  
Can you begin by pulling weeds in  
the garden?

COKEY  
Love to.

CUT TO:

EXT. TWIN TOWER CASTLE - LATER

Dreama drives her jalopy into the LONG DRIVEWAY and parks.

The Twin Tower Castle is the MANSION OF MURDERS. Dreama  
arrives just as the rest of her GANG are checking in.

The suspects are haughty and nice as they each check in with  
TAPESTRY LUGGAGE and individual pets: a YORKIE, a DOBERMAN, a  
DALMATION, and several CHIHUAHUAS.

ATTORNEY MIKE (40s) sports fine BROWN SUITCASES and has a  
BLACK LABRADOR.

BRENDA (30s) has a DACHSHUND.

Dreama brings the Macaw that she had caught on the ship.  
Murdock has a SCHNAUZER.

## DREAMA

Welcome all! First rule to stay in  
the mansion of murders is you must  
bring delicious recipes so you can  
cook. Welcome.

CUT TO:

INT. KITCHEN - MOMENTS LATER

Brenda is baking GINGERBREAD COOKIES and talking to Murdock.

Brenda once lived next door to Charles Pencock down in the valley. Charles was Dreama's lawfully wedded husband. Brenda ran Dreama off from there too. Brenda was an Emerald, for she had spontaneity. Brenda was married to a Tennessee State Trooper named ROCKY (40s).

## BRENDA

Do you think Dreama will be okay?  
She's been acting weird lately. I  
don't know if it was the death of  
her ex-lover. She was supposed to  
go meet but she's not herself. She  
keeps going to the Ouija board and  
asking Tommy to come in her and  
live in her being. She is always  
wearing pants and men's shirts with  
suspenders, not her usual Gypsy  
skirts with her tailored hats.

## MURDOCK

(whispering)

Oh... ever since her and I played  
with the Ouija board, lifting  
Tommy's spirit, she's been distant  
and so far away.

Dreama enters and interrupts.

## DREAMA

The entity lives in me, and La-tee-  
da!

Dreama wears POLO COLOGNE and a FLANNEL SHIRT with men's PANTS and SUSPENDERS, she's taken on a bad boy appearance.

BRENDA

Oh my God! Her diamonds are studs  
in her ears with a joint behind one  
of them, and she wears an emerald  
necklace Tommy's grandmother gave  
her for a gift. She doesn't use  
anything but cotton candy juice  
spray!

DREAMA

Yes cotton candy shampoo and rinse,  
those were Tommy's favorite.

MURDOCK

Well look at you! Making a case out  
of yourself!

DREAMA

(to Brenda)

Jealousy... Trying to bump me out of  
my own baby bear bed with a damn  
ginger bread cookie?

BRENDA

No. I see my unannounced visit has  
got you in such a jealous tizzy.

Dreama takes a cookie and nibbles it, sneering her teeth at Brenda who has sat with Murdock all afternoon.

CUT TO:

INT. BEDROOM - MOMENTS LATER

Dreama sneaks back to the bedroom to check the lumps in the BED. Brenda's big voluptuous figure had left a big lump with Murdock's beside it.

Murdock and Brenda follow.

DREAMA

(fiercely)

Ohhh Brenda; I'm going to get you!  
You have been sleeping in my bed  
and almost broke the whole frame  
down!

BRENDA

No I haven't really, how in the  
hell did you gather that  
conclusion?

## DREAMA

Look at the impression of the body  
lump you left with Murdock as he  
must have laid right beside you. My  
God you've lain with my lover!

## BRENDA

(shouting)

Oh my God, no! Straight to the  
state institute where you'll reign  
with your new garment a strait  
jacket. I'll be damned if I'm  
accused of your belligerent jealous  
notion!

## MURDOCK

You're reading too much about the  
imprint on the bed. Are you nuts?  
First spirits of the dead and  
murdered people, now imprints or  
lumps on the bed! What are you all  
fired up about? Do you love me that  
much, to act so fierce?

## DREAMA

I'm calling the FBI in the morning  
to find out if they can use the  
federal eye to see if that was your  
ole tart body actually lying in my  
bed with my lover.

The cocker spaniel puppy jumps on the bed smelling the lump  
in the SOFT FEATHER MATTRESS, then runs to Brenda, smelling  
her up and down.

## DREAMA (CONT'D)

See, the dog smells your  
lovemaking!

The song THESE ARE THE DAYS WHEN YOU WISH YOUR BED WAS  
ALREADY MADE plays in the background on the radio.

A knock at the door alarms the scene as Cokey enters and asks  
Dreama if she has any work for him today.

## DREAMA (CONT'D)

Cokey! Did you indeed shoot a young  
dude in your market, with a gun  
cause he stole a can of beany  
weenies?

Cokey's eyes light up.

COKEY

Yep, I can make a crack shot and shoot someone's eye out! If someone steals from me, I will shoot them dead!

DREAMA

Okay I'm missing some nookey around my lover's bed, and you, a can of beany weenies.

Dreama holds a PILLOW and tosses it at Murdock in a loving manner.

Cokey straightens out a line of COKE to mend and repair the falling out friendship.

BRENDA

I forgot how to do this.

COKEY

I doubt I waste any cocaine on the floors.

CUT TO:

EXT. SHERIFF'S DEPT. - DAY

The Sheriff Billy Jack is burning NEWSPAPERS.

SHERIFF DEPUTY FRANK (40s) approaches and picks one up off the stack.

FRANK

(reading the headline)  
"Police Arrested For Murder."  
(with a chuckle)  
Officer Jake has allegedly been accused of killing that young lad.  
A very strong allegation.

BILLY

I bought out every last copy because I don't want to spread this belief around about Jake.

FRANK

Let me have one of them so I can go read this to Dreama. She wanted to have an affair with that chief Jake, and with this paper, she will fall for it, and give it up. She is so gullible.

## BILLY

Be careful, Frank, you are a rhinestone and committed several murders yourself, as you were a hit man in Tracy City. You had a drive by shooting on the same road and same place that Tommy got shot in a motel.

Frank laughs, pats him on the back, then exits.

CUT TO:

EXT. GALLEON PIRATE'S SHIP - TWO DAYS LATER

Dreama's Macaw flies to her and lands on her shoulder.

Dreama is finishing an OIL PASTEL PAINTING of the other PIRATES and CREW on board.

The pirates, of all ages, pose and wait patiently for Dreama to put the finishing touches on the work of ART.

## DREAMA

There! Finished!

The pirates gather around to admire the finished product.

## PIRATES IN UNISON

Wonderful! Very good, etc.

The pirate crew exit, taking the art with them below deck.

Dreama pets her Macaw's little head, then steers the large WOODEN CAPTAIN'S WHEEL back out to sea.

Frank the sheriff deputy suddenly rides up on a POLICE BOAT and climbs the rope ladder to the deck.

## FRANK

Dreama, look, I brought you a newspaper. It's accusing Jake about the murder of that young lad you had a date with when he got shot. He's being incarcerated in the city jail.

## DREAMA

That can't be the same lad I was with, was it?

FRANK  
What were you doing? How well do  
you know Jake?

DREAMA  
Well actually, earlier that day  
Jake and I got out in the snow and  
was driving around when we heard  
about it on the radio. The lad had  
stolen the Diamonds & Emeralds from  
the jewelry store.

FRANK  
Oh my God, Dreama, don't tell me  
Murdock doesn't know about this?

DREAMA  
No.

FRANK  
God, how many lovers have you got?

DREAMA  
Oh none, youuuuuu. Here comes  
Murdock he won't like it if we're  
talking about the murder. Frank  
don't breathe a word of this, but  
I'm going to have a baby.

FRANK  
Oh you! I guess I'd better go. I'm  
so happy for you.

DREAMA  
Do you have a tranquilizer? I have  
a sick feeling.

FRANK  
What do you think I am a drug  
store? Besides you said you are  
pregnant! Life is surprising...

Frank gives her a RED PILL.

FRANK (CONT'D)  
Take it only if it won't hurt the  
baby.

CUT TO:

INT. TWIN TOWER CASTLE - NIGHT

Dreama reads the newspaper.

DREAMA  
 (to herself)  
 The Diamond & Emerald murder is all  
 over the newspaper!

A knock at the door startles her. It is Brenda.

BRENDA  
 Hey you, do you want to get the  
 Ouija board out and see who shot  
 the Tommy lad at 12 midnight?

DREAMA  
 Yes.  
 (whispering)  
 Murdock has gone to bed and we can  
 have all the fun we want. I'll grab  
 some candles and matches. Would you  
 like a wine cooler?

BRENDA  
 Sure. Lets smoke a joint and drink  
 some red wine.

Dreama lights a BLACK CANDLE.

DREAMA  
 Spirit come in, come deep within  
 and engulf my being and spell out  
 who shot you.

The Ouija board spells out: M - U - R - D - O - C - K.

DREAMA (CONT'D)  
 Oh my God, I'm aghast at the  
 revelation! My lover, Murdock! Oh  
 me, I'm sleeping with the murderer!  
 He lives right here at the castle,  
 and sleeps besides me in the bed.  
 I'm sure it's ridiculous, but now  
 I'm unsafe. I live right here with  
 the murderer! The newspapers were  
 wrong! It's not Jake after all! Oh  
 my God.

Dreama's arms get GOOSE BUMPS. She sees the ghost of Tommy  
 and blows out the candle.

BRENDA  
 (terrified)  
 I'd better go!

Dreama begins searching the room.

BRENDA (CONT'D)  
What are you looking for? A  
pirate's shot gun?

DREAMA

Oh you mug wart, it was just a shot  
gun joint? Tommy's presence was  
here and reminded me that he was  
seducing people's wives. And that's  
why he got shot. He was going to  
the barber in four days to get a  
burr because he was joining the  
military. He had beautiful hair. I  
told Tommy, don't cut your hair or  
I'll shoot you!

BRENDA

So then it was you and not your  
good Murdock lover who shot the  
guy?

DREAMA

Oh, I said if you cut your hair  
I'll shoot you, I wouldn't of done  
that would I? I was going to have  
sex with him, cause he had such  
pretty hair and eyes, and if I got  
pregnant by him, the baby would  
look like him and not my husband  
Charles.

BRENDA

You mean you are pregnant by Tommy  
and not Murdock or Charles?

DREAMA

Oh, I don't know. I really don't  
know who I am pregnant by. I just  
have to wait until the baby is born  
and the face will reveal the father  
of the baby.

BRENDA

Then you got that lad shot with one  
of your current lovers?

DREAMA

No, I did not! The shot gun was a  
joint we exchanged with each other  
one hour as we drove around Tracy  
City. When he got out of my truck  
someone shot him. Swear to God!

BRENDA

Did you see Murdock anywhere? Maybe he got jealous of you and Tommy, and when you let him out of the truck he shot him.

DREAMA

No, we were in a motel and when I left to get some cheeseburgers a gun man or hit man came in the motel and shot him, but I never made it back! I DON'T KNOW WHAT HAPPENED TO ME. Now we have to wait until the baby is born to reveal the face of whom I seduced.

BRENDA

But Dreama you could be pregnant with the murderer's baby or... the face of Tommy, uhmmmm, is this elementary or genetics?

(thinking)

You mean you don't know who the father is because you had been seducing both men and even your husband too? Oh what a mean girl you are!

DREAMA

We just have to wait my good girlfriend.

CUT TO:

INT. KITCHEN - THE NEXT DAY- EVENING

Dreama lights a joint and hands it to Murdock.

DREAMA

What room number did that lad get shot in?

MURDOCK

I don't know...

Dreama fixes CHICKEN AND CHEESE with jalapeño cheese, pepper jack cheese and some nachos. As well as some Bloody Mary drinks with Worcestershire and spicy tomato juice with vodka.

INT. DINING ROOM - CONTINUOUS

Dreama and Murdock laugh as they eat. As a clairvoyant, Dreama tries to reads Murdock's mind.

DREAMA

(teasing)

Did you meet a female State Trooper today and seduce her?

MURDOCK

Thank you for dinner, Dreama. It was the best dinner I ever had. Later, lets go look at the moon. It's 9:00 and there's a full moon. You know, the town has been taking heroin and that is turning people to like a high life. Tommy was turning people in and it was taking his job, so someone went out of their way to follow him, and when he was in a motel, he was shot execution style. So you can quit searching for a motive.

Dreama feels Tommy's spirit become edgy and his presence fills her.

DREAMA (V.O.)

I was glad it was something like that instead of Charles shooting him because I wanted a baby by him.

MURDOCK

I'm getting groggy.

DREAMA

Count your lucky stars. I opened the door to Pandora's box going into that house of mine. Charles looked old with worry for some reason. I miss my dolls in my doll room growing up with each, and a big kitchen. I miss all the times I had with Charles, he spent lots of time painting my rooms different colors using country flowers, blues, lavender, pumpkin, mauve and green, and of course yellow! It was the most beautiful Victorian style home you will ever see. I was so comfortable in that colorful home with Charles. Why he didn't want children I'll never know.

(MORE)

DREAMA (CONT'D)  
I miss him and our house. I  
recollect an argument I had with  
him, then I fell asleep in a deep  
slumber-- and now I'm here with  
you, my Murdock!

MURDOCK  
Are you just reminiscing? Is all  
that important to you?

DREAMA  
Well I miss it of course, but I'm  
so in love with you! I can give it  
all up, just for you!

MURDOCK  
Do you ever want to go back to  
Charles?

The PHONE rings. Murdock answers it.

MURDOCK (CONT'D)  
You raaannnngggg?

INTERCUT WITH: Deputy Frank calling from his OFFICE.

FRANK  
Hi, it's Deputy Frank.

MURDOCK  
Frank, I was expecting no more  
questions and to slide by, I just  
didn't do it!

FRANK  
Do what? I just called to invite  
you to a police party on Saturday  
afternoon for a cookout with baked  
chicken, barbecued burgers, potato  
salad and dinner rolls. We're going  
to play crochet so wear some casual  
clothing.

MURDOCK  
(with a chuckle)  
I'll tell Dreama and I'm sure we'll  
be there. Are all the FBI agents  
going to be there?

FRANK  
No, just the police staff and their  
wife and kids, that's all.

Murdock hangs up the phone.

MURDOCK  
I want the life of Riley! Looks  
like we're going to a party on  
Saturday!

DREAMA  
Good! Somewhere to go and enjoy  
with the friends that we've built.  
Frank is all we have to clear us  
from the murder of Tommy.

Murdock Exits.

Dreama looks to her Cocker Spaniel, Tiger.

DREAMA (CONT'D)  
I should call Frank back. I think  
if I meet him tomorrow I can find  
out about myself and Tommy even  
more. Frank is good to talk to and  
he keep my deepest secrets. It is  
time to decide if he is my friend  
or just a mere acquaintance.

CUT TO:

EXT. TRACY CITY PARK - THE NEXT DAY

Frank steps out of his car and approaches Dreama.

FRANK  
Why are we meeting here?

DREAMA  
(to herself)  
He's so stupid!  
(out loud)  
Could you put someone I don't love  
away?

FRANK  
You mean, when I told you the other  
day I was a hit man, did you  
believe me?

DREAMA  
(shy giggle)  
Yes.

FRANK  
Oh Dreama, I was just joking with  
you!

DREAMA  
Oh well, I am too...

FRANK  
Dreama, if it's your husband  
Charles that you want to take out  
of life, just meet someone else,  
start all over again!

DREAMA  
Okay. Yes, silly. Did you? I always  
liked it when we met and took some  
chicken out to cook at the park.

Just then, Sophie pulls up in a GOLD JALOPY and jumps out.

SOPHIE  
I'd do anything to be a fly on your  
wall! And see just what you are up  
to in this damn town of Tracy!

DREAMA  
I'm here to work the murder of my  
late lover Tommy. I was the last  
one seen with him, but I don't own  
a pirate's gun and there is no  
motive.

SOPHIE  
Boy if I owned a big Victorian home  
down in the valley I would be down  
there with Charles and my pet Macaw  
not dialing "M" for capital Murder!  
Or "H" for Homicide!

Sophie flings her emerald and diamond necklace around so  
lavishly.

DREAMA  
Oh I know, I should of never become  
acquainted with you! I should of  
kept you for just an oil painting  
sitting!

SOPHIE  
How dare you! You are my friend  
Dreama, how could you say that?

DREAMA  
Are you going to smoke with me?  
Let's say you're sooo pretty I  
didn't expect to see your face pop  
up today in our beautiful park!

SOPHIE

Let's just enjoy each other's  
company and become more acquainted.  
I bought you this emerald pendent  
set with matching earrings.

DREAMA

Oh you! You didn't!

Dreama gets high and has a PSYCHIC VISION of Frank in a car crash. She turns her DIAMOND STUDS on her ears so wickedly.

DREAMA (CONT'D)

(to Frank)

Puff the magic dragon! I just had a  
vision. You see, I'm a psychic and  
a clairvoyant. I see into the  
future.

FRANK

Tell me your vision, please, I'm  
dying to hear it.

DREAMA

Well, I see you Frank at home  
sleeping and the phone rings. You  
answer it and it is Sheriff Billy  
Jack wanting you to pick him up at  
the jail. You get behind the wheel  
after being high all night and take  
off, but don't make it. You are  
speeding, driving 100 mph, and  
dodge some dogs and hit a tree. You  
die instantaneously. You have all  
sorts of surgeons and neurologists  
to work on your head, but no luck,  
you are pronounced dead.

FRANK

You don't say!

DREAMA

Ah, you're just a rhinestone  
anyway, but since I had that  
vision, the times we meet will be  
limited. There's no reason to buddy  
up with you if you're going to die!

FRANK

What has gotten into you? First  
with Sophie and a perfect Emerald  
fighting with another Emerald? And  
now me, an ole Rhinestone huh?

DREAMA

Tee Hee, just to get your goat! I made that up. My great grandfather said to call people by their importance by classifying them with various gem stones. How do you like that?

FRANK

Why am I such a low grade gem stone? I run you your next fix out here, and I listen to your baby business, and I prep you on all your lovers. Why am I a low grade gem stone?

DREAMA

Oh, just cause I have a taste for the low and I love you! But if you don't slow down in that damn police cruiser, I will lose you.

FRANK

Oh, you ain't no psychic! I'm going to drive right and live it! Hold me you gals, I'm scared. I love you both and want to live!

DREAMA

I once had a spirit guide that helped me in my dreams. I could solve sequences that were missing like a missing puzzle piece. He opened doors to a psychic world. I had spirit guides taking me to heaven and saving me. My grandmother said Angels don't fall, they just drive reckless on the way to Heaven.

FRANK

(voice quivering)

That's the prettiest verse your grandmother ever taught you! I just love you for sharing that with me.

DREAMA

My great grandmother was a Diamond, and a pirate in the 1800s. She was supposed to have scrolls that led to buried treasure in Moccasin Cove. I have to get those scrolls out someday and share them with you.

FRANK

Your great grandmother was a Diamond? Why did she sleep with the high judge?

DREAMA

Oh for goodness sakes no! She slept with one man, her husband, my great grandfather! And led a full life as a jewel thief and murderer. They lived on a ship with pirates and wore long gypsy clothing and wore Diamonds and Emeralds, the richest gems a pirate can wear.

RAIN begins to fall. Sophie points out a RAINBOW.

SOPHIE

Look at that rainbow! It is so beautiful and so colorful It has red and purple and blue and gold and deep green followed with orange. Let's make a wish!

FRANK

Yeah, let's wish I don't wreck my patrol car, and that Dreama's baby isn't a crack head!

SOPHIE

And that I get a husband! A rainbow is a sign from Heaven.

DREAMA

Yes, it's the most beautiful proof that there is a God keeping Heaven safe for us to enter.

SOPHIE

I hope I go to Heaven. I think I'm going to go to the synagogue and pray. I am Catholic you know. I was baptized in the Catholic church.

CUT TO:

INT. TWIN TOWERS CASTLE - DAY - CHRISTMAS

Murdock brings a huge CHRISTMAS TREE in.

They begin to hang CHRISTMAS ORNAMENTS.

DREAMA  
 Forget this night. Let's put the  
 tinsel on the tree and turn the  
 lights on. Oh it's a beautiful  
 tree!

The STOCKINGS are hung and the tree glows.

DREAMA (CONT'D)  
 We need more tinsel.

MURDOCK  
 I caught a swordfish for dinner.

DREAMA  
 We'll have to tenderize the meat  
 with lemons and add lemon pepper.

Sophie comes on deck with her lover named JAKE (40s). Dubster drops by and catches a buzz. They all play POOL, and the glow in the dark Ouija board is a blast.

SOPHIE  
 We need to raise the spirit of Abe Lincoln to free Dreama in case she is a slave suffering from that ole man she married.

The laughter roars, and police come out to smoke some new kind of pot called Sins Million.

The party ends all too soon, and all go to bed.

CUT TO:

INT. BEDROOM - NIGHT

Dreama wakes up sobbing. She pets Tiger.

DREAMA  
 (to Tiger)  
 I'll get Jake ready tomorrow to go fishing with me on his own boat. I'll be scared and really won't know what I'll do if I have to fulfill a promise to Sophie if she wants anymore people shot. I'm afraid to take a hit! Let's pray. I pray this is one bad dream cause my inner subconscious feels like it's all wrong and I will slip into a slumber.

INT. BEDROOM - THE NEXT MORNING

The phone rings, waking Dreama up.

INTERCUT WITH: Jake on the phone at his mansion.

JAKE

Dreama! In answer to your question last night while we all were playing pool. If I can go fishing with you, well I'd love to! And I have us two fishing poles, too, and we can take my Clipper Ship.

DREAMA

Wow! I can't believe it! I'll get a shower and meet you at Moccasin Cove in one hour.

As Dreama readies herself, she feels the BABY BUMP.

DREAMA (CONT'D)

(to herself)

The baby is due in four months around August 25th and it's time to choose a name. Darling for a girl and Shane for a boy.

WIPE TO:

EXT. MOCCASAIN COVE - DAY

Jake and Dreama sit in Jake's SMALL CLIPPER SHIP. They drink LIQUOR.

Dreama tries to kiss Jake. He backs away.

JAKE

No, let's not mess up our friendship. Let's catch about ten more and go home. I'll call you and Murdock over for a fish fry, want to?

DREAMA

Sure, we better bait our hooks.

They cast their line and wait for another keeper. Jake reels in another bite, it's a TUNA.

As they begin to scale the fish, Jake notices a LARGE DIAMOND RING the fish had swallowed in its gut. He places the ring on Dreama's finger. It fits perfectly!

DREAMA (CONT'D)  
Oh, it's a very expensive diamond  
ring, like magic!

JAKE  
It will bring you good luck and you  
will have a good marriage if you  
use it in the wedding.

RAIN begins to pour.

Jake kisses Dreama on the cheek.

JAKE (CONT'D)  
Go home and get Murdock and I'll  
get Sophie to come back out this  
evening and we'll have a fish fry  
and party out here on the boat.  
I'll pick up some stash and we'll  
catch a buzz and have a campfire,  
pick up some hotdogs, burgers,  
steaks and don't forget the  
marshmallows!

DREAMA  
Yes! Murdock will love that!

WIPE TO:

EXT. TWIN TOWERS CASTLE - DAY

Murdock smiles, lurking as he takes a BABY OUTFIT out from  
behind his back like a bouquet of flowers.

DREAMA  
Ohhhh, baby blues! Could it be a  
boy! I've shopped all day and then  
I ran into Jake up town. He caught  
a few fish and scaled them at the  
cove and found an old Diamond ring  
in one of the fish's gut. Wow a  
Diamond swallowed up by a tuna.  
That's luck, so he gave it to me!

MURDOCK  
What, he gave you a diamond he  
found inside a fish's gut?

DREAMA  
Yeah.

MURDOCK  
Why did he give it to you?

DREAMA

Oh I don't know, cause the ring fit, who cares why. I have a friend in Jake, that's why! Jealous? Hee-haw, hee-hee. I picked up some burgers, steaks and hot dogs for the fish fry this evening let's go! We'll be late.

MURDOCK

Did you bring some paper plates and napkins, foil paper and matches? Let's pick up some cokes.

DREAMA

I did, that's my favorite drink!

MURDOCK

Oh good, do we have some hops?

DREAMA

Yeah, Jake will bring the hops.

WIPE TO:

EXT. HIGHWAY - DAY

Dreama and Murdock roll down the road in their red jalopy like Bonnie and Clyde. They SHOOT their GUNS as they drive.

MURDOCK

Does that ring mean you're going to be Jake's girl?

DREAMA

No! I'm still your girl. Jake just gave it to me cause he found it and I ran into him like deja-vu.

MURDOCK

Okay, I don't want to get jealous! How did that Diamond ring get into the guts of a fish?

DREAMA

Who knows, us women do funny things and throw away our engagement rings when we're mad! Throwing away all our hopes and promises.

MURDOCK

Oh, how about that! A Diamond ring in a fish gut, how about that...

DREAMA

It's like a dream, you know. I feel this whole day is just one big dream. When I got to the baby store they had some outfits with size 0 and newborn is just what I needed! Then the invite to the cove party! I am so excited! I hope we have fun. I can't wait to get there!

EXT. MOCCASAIN COVE - MOMENTS LATER

Dreama and Murdock arrive at the cove. Jake and Sophie are there waiting for them.

A PSYCHIC VISION passes Dreama's mind. She sees Sophie being rushed off on a STRETCHER into an AMBULANCE. It is a power she inherited from her GREAT GRANDMOTHER (80s).

SOPHIE

Dreama! You're a million miles away... I've been screeching your name for one minute. Where are you?

DREAMA

Oh, hummm, do you believe in psychic phenomenon?

SOPHIE

Oh, I guess. I'm open to anything you can conjure up, why?

DREAMA

Hey, Sophie are you well? Cause I just saw you on a stretcher going into an ambulance is why.

SOPHIE

Oh uhm... Dreama, are you kind of a pet! You had better not see me injured, or dead, going any damn where!

DREAMA

Oh I did! Are you okay? You don't have heart problems and strokes in your family?

SOPHIE

Hey my husband didn't by chance hand you a little murderer request did he? Any notes been passed around?

DREAMA

No. It's a Clipper Ship and I'm a  
psychic, swear I am!

SOPHIE

(laughing)  
You're damn Snow White too!

DREAMA

Ohhhh, I'm freaking out. I haven't  
dropped any acid in a long time  
now.

SOPHIE

I think you're on some! What else  
do you see in that damn little head  
of yours?

DREAMA

That I'm out fishing with your  
husband.

SOPHIE

You'd better not be anywhere in my  
dreams or with my damn husband!  
Diamond rings in tuna? Sure he  
didn't purchase it at J. C. Pennys?

DREAMA

Oh you, just trying you...

The men chuckled, wondering if everything is all right with  
the cooking.

MURDOCK

The fish are frying in a skillet  
with cornmeal and the steaks are  
almost ready. I have baked beans  
and hot dogs with mustard and buns,  
we'll gain weight.

SOPHIE

Hey fry the fish and quit  
hallucinating! That's all a psychic  
power stems from is good drugs.

JAKE

The fish are ready. Take a plate  
and serve yourself and enjoy!

SOPHIE

Is it time to eat?

DREAMA

Yeah and I am starved! After we eat let's go over there to that cove and park the Clipper and smoke and drink. I have a sixth sense and feel a power of a skeleton over there where there was once life or something, really. I'm a clairvoyant!

MURDOCK

Are you getting a call from the dead?

Murdock pinches Dreama on the tail as he passes her to get seconds.

DREAMA

Yes, I am getting vibes that there was once a life with promise out there. My great grandmother said there are some scrolls leading to some buried treasure around here. I am feeling a message from the dead right now.

JAKE

(laughing)

Oh sit down and eat! For God's sake, clairvoyant my ass!

DREAMA

Hey, I'm not wearing this Diamond ring for nothing!

MURDOCK

Tell us about the Diamond ring? You found it while you were scaling the fish, Jake?

JAKE

Yeah, isn't that something! I cut that fish open and there it was! a diamond ring in the fish's guts. How about that, like a dream!

SOPHIE

(jealous)

And you gave it to Dreama?

JAKE

Yeah, Dreama is my special friend, you know, like a kid sister!

(MORE)

JAKE (CONT'D)  
I love you, Sophie, this is one of  
the best days of my life!

SOPHIE  
(jealous)  
I wish you saved the Diamond ring  
for me. Oh, you dummy, but you  
adore Dreama.

JAKE  
I know, but I saw Dreama and she  
had been dating Murdock for quite  
some time and I thought they should  
marry someday.

SOPHIE  
Does this mean that you might not  
marry me?

JAKE  
No, if I do I'll buy you a brand  
new Diamond ring, just for you!

DREAMA  
Let's all go up into the cove and  
fish all night and swim, the water  
is warm over there!

They all climb onto the Clipper and sail into the cove.

INT. CLIPPER SHIP - CONTINUOUS

DREAMA  
I can't believe it but the fish out  
here are huge, and jumping!

Jake scrapes the bottom of the Clipper on something HARD.

JAKE  
I hope I didn't hit something. I  
felt I hit a huge rock.

DREAMA  
Oh no! I felt it too, pull forward.

JAKE  
We're stuck!

DREAMA  
Are you sure?

JAKE

Yeah, the anchor is stuck. I hope we don't break it.

MURDOCK

We can go down there and dig the anchor out, at least see what it got stuck on.

Murdock and Jake dive in and swim down to look at the anchor. It is buried into something hard like a CHEST.

Jake and Murdock loosen the anchor and finally see that it is an OLE TRUNK. They tie a rope around it and crank it up. The girls help maneuver it onto the boat.

There are MOCCASIN SNAKES all over it, one almost bites Murdock.

Dreama screams.

Sophie gets a HOE and pulls the snakes off the boat.

DREAMA

I'm so scared. I am real scared of snakes, and those were water moccasins too.

MURDOCK

Did anyone get bit by the water moccasins? Are we all right? I can't pry it open and I don't want to break this lock on it. It looks like an ole skeleton lock, we will have to get this home and open it, I feel like it's something very valuable.

As Jake pulls the Clipper out of the cove. A TENNESSEE STATE TROOPER PATROL BOAT pulls up, BLUE LIGHTS flashing.

They pull over.

JAKE

What the hell? I wasn't going so fast!

The state troopers, Rocky and DIXIE (40s) climb on board. They stare at the treasure chest.

ROCKY

What do you guys have there?

JAKE

We got stuck on that chest with the anchor.

ROCKY

The Governor wants us to patrol this area for buried treasure, saying there was supposed to be buried treasure out here and gold and silver. They had scrolls that led here. I recognize you Murdock, Dreama comes to the house a lot to visit my wife, Brenda. I'm going to have to take that chest, it belongs to the state.

MURDOCK

Can we open it first? Since we found it first? Looks like it has a skeleton lock on it and it will need a locksmith to open it; we don't want to bust it up!

JAKE

I guess finders keepers, officer.

ROCKY

No this is at the governor's request.

As Rocky bends over to lift the heavy chest, Murdock pulls the gun out of the state trooper's holster and SHOOTS HIM DEAD, then turns and shoots Dixie quickly.

Jake pushes the two troopers into the water, hides their GUNS and HOLSTERS, and places their BADGES into his pocket.

SOPHIE

I want to be a badge bidder.

Jake hands one badge to Sophie and the other to Dreama.

They quickly sail away.

CUT TO:

INT. TWIN TOWERS CASTLE - EVENING

Murdock and Dreama set the treasure chest down.

MURDOCK

Now how are we going to get this damn chest open?

DREAMA

I have a skeleton key in my great  
grandmothers keepsake, I'll go get  
it. If the key fits it's that  
psychic vision I had about jewelry.

MURDOCK

Jewelry? You didn't tell me that  
part!

Dreama runs to her bedroom to get in her great grandmother's  
KEEPFAKE and brings out the SKELETON KEY. Returning with the  
key, she places it deep into the SKELETON LOCK and turns it,  
opening it easily!

DREAMA

(screaming in surprise)  
I can't believe it! I am a psychic!

MURDOCK

You mean that key led you to this  
chest?

DREAMA

Yes. Let's lift the top open. Help  
me.

To their astonishment, the pirate's chest is full of DIAMONDS  
and EMERALDS. They glance at each other and giggle.

DREAMA (CONT'D)

Oh my God!

MURDOCK

Yee Gods! I can't believe it  
either, it was worth the kill!

DREAMA

We opened Pandora's Box! This  
jewelry is expensive! Sparkling  
gemstones of rubies and pearls and  
pretty rings and earrings. The  
Diamond necklaces and Emerald  
jewels in the middle surrounded  
with Diamonds are gorgeous!

Murdock grabs a PILLOW CASE and begins placing the Emeralds  
and Diamonds into the pillow slip.

MURDOCK

Oh my God! There's gold and silver  
and money in it!

DREAMA

Look, leave some of the jewels in  
the chest though.

Dreama notices a PHOTOGRAPH in the chest and picks it up.

DREAMA (CONT'D)

This old photograph matches the one  
of my great grandmother. It's  
exactly like the one in my bedroom.

MURDOCK

Gold and Silver nuggets and coins  
are in the treasure chest, they  
look two hundred years old. Oh, a  
pirate's gun!

As they empty the jewelry out, they see the remainder of the  
chest has OLD FASHIONED PIRATE GUNS and BULLETS. Two ole  
pirate's WATCHES with CHAINS are in the bottom of the chest  
and some SCROLLS are in a plastic bag all preserved.

DREAMA

Wow! Look at these ole tools, and  
mens' suspenders all wrapped up  
with cuff links with a monogram  
bearing the letter "M" on them.

There is a knock on the door.

MURDOCK

Is that the cops?

Murdock opens the door. Jake and Sophie enter.

MURDOCK (CONT'D)

(excited)

Look, we opened it with an ole  
skeleton key Dreama had in her  
bedroom in her great grandmother's  
keepsake, and it fit and opened the  
lock!

DREAMA

Look at this very large heart  
shaped Emerald stone locket with  
Diamonds surrounding it, with a  
gold necklace attached.

SOPHIE

Look, an old satin wedding dress  
with a low cut V shaped front and  
lace.

MURDOCK  
 An ole portrait that matches  
 Dreama's great grandmother's face  
 from other portraits she has.

There to Dreama's astonishment is a SKELETON BABY wrapped in a BLANKET all wet. She glances at Sophie with big curious eyes. Dreama slowly unwraps the blanket.

Sophie is aghast as they all laid their eyes on a skeleton baby with clothes on it and a bonnet. The eye sockets are big holes and the little bones of the baby are frail.

DREAMA  
 Ohhhh a skeleton baby in a pirate's treasure chest with what looks like a skeleton baby.

JAKE  
 Yeah. The bones look like those of a two year old.

Jake watches adoringly as Dreama holds the little baby skeleton and rocks it in a little ROCKING CHAIR, wondering how the baby skeleton lost it's life so young.

SOPHIE  
 I can't believe it, a skeleton baby.  
 (looking in the chest)  
 I can't believe these gemstones,  
 they're beautiful! Emeralds smothered in Diamonds! Rich!  
 Galore!

JAKE  
 Was it worth two Tennessee State Troopers lives?

Sophie remembers their friend Brenda's husband was shot along with another trooper! And thrown in the lake.

SOPHIE  
 Oh my God!

JAKE  
 I wish we could pass these bills,  
 but won't they be too old?

MURDOCK  
 Oh I don't know, if you kind of distract the store keeper they might pass.

DREAMA

Look at these old photographs of my  
great grandmother, wow, they match  
my pictures of her.

MURDOCK

You are my little psychic!

Murdock touches the skeleton baby's face with a look of disbelief.

Dreama feels the ghost of Tommy present as she explores the bills and hands the skeleton baby to Sophie. Her eyes LIGHT UP as she glances at Jake. SUPERNATURAL POWER was used and timing was perfect.

The two girls begin to put on the jewelry. Dreama places the large heart shaped Emerald smothered in Diamonds around her as Murdock clasps it for her. He smiled at the reward they found.

Because Dreama is a clairvoyant she uses her psychic powers to feel the gypsy's spirit. She becomes haunted with a new identity of an earlier pirate woman as she LAUGHS HAUNTINGLY teasing Murdock in her new skirts, she feels sexy and romantic as she is transposed into a PIRATE. It is like MAGIC, the jewelry makes her feel like another person!

DREAMA

Oh it's beautiful!

MURDOCK

You look beautiful!

Sophie places the Diamond and Emeralds long strand of necklaces around her neck.

SOPHIE

Oh it's so beautiful the jewelry!

They try the jewelry on and begin to YAWN as they soon say their goodnights and leave with a few of the jewelry pieces. The company walk to the door and LAUGH WICKEDLY at the murderous night.

DREAMA

Bye Sophie. Bye Jake.

Dreama shuts the door behind them.

DREAMA (CONT'D)

Oh I think I'm going to take a  
bubble bath.

(MORE)

DREAMA (CONT'D)  
Lock the doors Murdock, so I can  
lock up my keepsake.

WIPE TO:

INT. BATHROOM - NIGHT

The BUBBLE BATH is HOT.

MURDOCK  
I'm so excited, but scared that I  
shot Brenda's husband!

Murdock pours WINE into a WINE GLASS and brings it to Dreama  
in the BATHTUB.

MURDOCK (CONT'D)  
I'm so pleased with the find and  
that you are a psychic!

DREAMA  
Pinch me if it's real! I feel like  
I'm tipsy, like in a dream.

MURDOCK  
Oh what will we dream about  
tonight?

DREAMA  
Sweet Dreams and Happy awakenings!  
Night, night.

Murdock hands her an EMERALD GREEN BATHROBE. The Emerald  
necklace with Diamonds is gorgeous as she gets out of the  
tub, puts on her robe, and looks in the mirror. She smiles  
hopelessly as she drinks her wine in disbelief.

CUT TO:

INT. BEDROOM - NIGHT

Dreama and Murdock are in a deep slumber.

DREAM SEQUENCE: The jewelry that Dreama wears are antiques  
that her great grandmother once wore. She is dancing with an  
ole PIRATE (50s) with the face of Murdock. The jewelry is  
MAGIC.

GREAT GRANDMOTHER  
(calling mysteriously)  
Stay with Murdock and follow your  
dreams.

END SEQUENCE

Dreama and Murdock lie in the big canopy bed and embrace each other, kissing and hugging as they try to wake up.

DREAMA  
I need to get out of bed and bake  
Danish rolls with eggs and coffee  
and begin the day.

She puts on her NIGHT GOWN and runs to the kitchen.

WIPE TO:

INT. KITCHEN - MORNING

The aroma of COFFEE is strong as Murdock comes downstairs, starving.

MURDOCK  
Good morning beautiful, how's my  
Diamond and Emerald princess this  
morning?

DREAMA  
I feel like a Diamond and Emerald  
millionaire!

Murdock eats his breakfast and drinks his coffee.

MURDOCK  
Oh they are beautiful. I can't wait  
to try out the pirate's gun.

DREAMA  
My great grandmother was a pirate,  
and many of my other ancestors.

MURDOCK  
They must have been on the same  
ship as Christopher Columbus when  
he discovered the world was round.  
The constellations at night guided  
them to our cove, and we now have  
treasure to keep and enjoy.

Dreama eats and shows Murdock a PURPLE AMETHYST smothered in Diamonds. It is gorgeous!

MURDOCK (CONT'D)  
Oh I overlooked that one last  
night.

DREAMA  
I hope we have enough places to  
wear all the jewelry to.

MURDOCK  
I'll have to take you out.

DREAMA  
Can we go to the Cabaret?

MURDOCK  
Sure can, and wear the most  
beautiful Diamonds.

They make love with Dreama's new jewelry on and she begins to take on another identity. She feels romantic and sexy as she TRANPOSES into her great grandmother.

Tommy's spirit LEAVES and Dreama takes on her great grandmother's spirit.

DREAMA  
Murdock, I feel so terrific, you  
are the best, you satisfied me so  
great!

MURDOCK  
That's the first time you thanked  
me.

DREAMA  
Something came over me and I feel  
like I've been reincarnated!

MURDOCK  
Well you're the psychic, who the  
hell are you this time?

DREAMA  
A very old great grandmother of  
mine, cause I'm wearing her  
jewelry.

MURDOCK  
You mean you're a three hundred  
year old granny?

DREAMA

Yes, and my bones are creaking,  
hear them?

MURDOCK

Oh my God, how have you adapted  
your granny?

DREAMA

It's got to be the jewelry, it  
created an aura.

CUT TO:

EXT. ATTIC - DAY

Dreama hides the pillow case of Diamonds and Emeralds in the  
ATTIC.

DREAMA

(to herself)

I need to find some more clues to  
who the skeleton baby is?

She tries on the pearls, amethyst, Diamond rings, bracelets  
and Emerald pendent, trying to use her psychic powers to  
conjure up a VISION of her great grandmother.

DREAMA (CONT'D)

Oh granny, please tell me more on  
the Ouija board tonight with the  
gang.

VISION: Through a HAZE her vision takes off in an event on  
the Galleon's ship's deck while she dances with Tommy. He is  
wearing a HARD PLASTIC HEAD with SCREWS and BOLTS holding his  
head onto his body.

Dreama continues to dance.

Soon, Tommy's scarred features fade and his handsome features  
return. He is wearing a MILITARY UNIFORM. He salutes Dreama  
as he steps backwards and boards a ship that floats away,  
carrying many MARINES.

TOMMY

I will return when the baby is  
born, for it is my son, God has  
bonded our spirits into one.

As her surroundings fade, she sees the Tennessee State  
Troopers Rocky and Dixie. They are angry about their death.

END VISION

Dreama wakes.

DREAMA  
(to herself)  
I must let go of Tommy, but he will  
be here for the baby I am carrying,  
for it is his. I will name the  
baby, Tommy.

CUT TO:

INT. TWIN TOWER CASTLE - THE NEXT DAY

Murdock has a scared look on his face.

MURDOCK  
It's all over the television and  
radio that the two state troopers  
are missing and they found their  
patrol boat.

DREAMA  
I heard, I have a sick feeling  
inside of me, and I feel the baby  
kicking...

MURDOCK  
I was able to pass those old coins  
in town carefully and successfully.

DREAMA  
(with a smirk)  
Good. I keep having a message from  
the dead that there is more  
treasure in the lake around the  
same cove! I can't wait to get  
back.

MURDOCK  
There are some rock symphony's  
coming to Chattanooga, we have got  
to attend!

DREAMA  
Can we get tickets? I love it, I  
have got to get out some. Okay we  
will go, I will have to find me  
something to wear and curl my hair  
up and wear my Diamonds and  
Emeralds.

(MORE)

DREAMA (CONT'D)  
Yeah okay, we will go, I haven't  
been to Chattanooga in awhile. I'm  
so glad I'm a clairvoyant!

MURDOCK  
Oh you are no clairvoyant! You are  
my pregnant lover. I love you!

DREAMA  
I know but the spirit of one of the  
troopers comes to me in my dreams  
and wants to shoot me. They said  
they're 300 feet down in the bottom  
of the cove, and they want me to  
find them.

MURDOCK  
Oh that's guilt! No one's calling  
you to the bottom of the cove.

DREAMA  
Awe, you're not going to believe  
who I ran into yesterday?

MURDOCK  
Oh, who?

DREAMA  
Sheriff Billy Jack, he went on and  
on how his good buddies, Rocky and  
Dixie, are missing around the cove,  
they found the patrol boat and  
such.

MURDOCK  
Oh no, I hope you got the hell away  
from him!

DREAMA  
Yaaa!

MURDOCK  
Let's avoid that Billy Jack, before  
he figures we were out on the water  
that very same day and did not see  
a thing!

DREAMA  
I have an inkling that there's more  
than one skeleton out there in the  
cove.

MURDOCK  
A whole skeleton family, huh?

DREAMA

We have the baby, and something tells me that was a baby's coffin, that chest, and it was buried and surfaced somehow as it broke loose or the water rose.

MURDOCK

Sounds interesting.

DREAMA

I guess we will have to return where we found the chest.

MURDOCK

What are you going do, make me get a shovel and dig around out there?

DREAMA

Yes, let's go tomorrow, I want to get out there and dig around some more, maybe camp out there.

MURDOCK

I don't know if I want to chance it, going out there at all. I don't want to be out there when they are dragging the lake, and be a suspect.

DREAMA

We have to, my great grandmother's spirit is calling me there. These voices keep talking to me in my head, saying: "Dreama... come to me Dreama, I have a surprise for you."

MURDOCK

All right, tell her to hold on, we will be back when it's safe!

DREAMA

We have to before another clairvoyant takes the order.

MURDOCK

What do you mean, after we die we can call our grandchildren and run them all over the place to find our skeleton selves?

DREAMA

I've heard of that phenomenon before.

(MORE)

## DREAMA (CONT'D)

Let's have a coke party tonight and call the gang and play with the Ouija board and get granny's spirit up to see what she has in mind. Life scares me, but death is supernatural and if you learn to listen to the dead, you can talk to the dead. Matter of fact, they won't stop talking and rest in peace until the dead is gone.

## MURDOCK

Besides, you have some work for me to get one of those pretty little Rhinestones.

## DREAMA

Rhinestones! My great grandmother wouldn't go down with rhinestones; she'd have the real genuine Diamonds and Emeralds.

## MURDOCK

I am going to take the rhinestones to a jeweler and appraise them.

Murdock looks Dreama over.

## MURDOCK (CONT'D)

You are really beginning to show.  
Are you six months pregnant?

## DREAMA

I don't know, I feel like ten, but I never had a baby before. I know I have to take care of myself and not lift anything heavy. When we return to the cove we will have to borrow a crank or a lift to hoist the stuff up, if there is really more than one treasure.

## MURDOCK

Okay, we will borrow one from a car shop.

## DREAMA

Good, I will go out there tomorrow and check. Let's get a move on it so we can find something while I have a spirit guide in me. I am so excited my little pirate.

MURDOCK  
I'll thank you my little Dreamer.

DREAMA  
I'll get some dinner ready for you  
and the baby, a grilled cheese  
sandwich and some tomato soup, will  
that do?

MURDOCK  
I love it. I'm starved. I want you  
to take really good care of  
yourself while you are pregnant,  
okay? I'm really counting on a baby  
boy.

Dreama and Murdock catch the last seconds of a NEWS REPORT on TV.

NEWS ANCHOR  
The two missing state troopers are  
around forty five years old, and  
attended the same police academy.  
With us are their wives, Brenda and  
Brooke.

Dixie's wife BROOKE (30s) cries.

BROOKE  
I miss my husband, Dixie! We will  
continue to drag the cove for  
another week. We still haven't  
found them, could it be a  
nightmare?

DREAMA  
I guess I will invite Jake and  
Sophie over tonight for a séance  
and see what my great grandmother  
has to discover. I'm about scared  
straight of the leather and chain  
life I've been living, not our  
usual cotton candy world. Pinch me  
if its real.

MURDOCK  
Lies are told on people from the  
TV. I'll never listen to that damn  
news announcer again. I ought to go  
take him out of life! It was a  
Franklin County station. Those  
people down in the valley tell lies  
on people. You must not go down  
there again.

(MORE)

MURDOCK (CONT'D)

Last time I went down there I saw  
some police smoking pot.

DREAMA

So, they were smoking pot? Was it a  
good brand?

MURDOCK

Probably not, pot will ruin your  
brain and your genetic endowment.  
Your offspring will have attention  
deficit disorders and autism.

DREAMA

Let's not smoke pot, it could be  
sprayed with insect repellent and  
we'll be cuckoo.

MURDOCK

Oh my God, now you're not smoking  
pot while you're pregnant?

Dreama hands him a joint well lit...

DREAMA

I just love it when we went to  
church and the preacher winked at  
me. He made me get saved from  
smoking pot and running with you!  
It made me so horny!

MURDOCK

Now we're going to church so you  
can get horny?

DREAMA

Ha-ha, hee-haw, hee-haw! I learned  
that from the Tennessee state  
police. The preacher told me about  
getting saved and repenting your  
sins and walking with the Lord. The  
Bible says if you ask for  
forgiveness you'll be guilt free  
and start over again, a brand new  
way of life. Your friends can go to  
church and get saved and become  
Christians too. It means you'll  
convert to a cleaner way of life  
and not go back to your ole life  
style. It means you'll be born  
again.

MURDOCK

Oh Dreama, have angels been talking  
to your head and sub conscience?

DREAMA

Life could be cleaner with a clean  
Christian lifestyle than drugs and  
going around looking for 'em. Think  
of all the gas we'll save staying  
in one place and praying together.

MURDOCK

I'd rather look for my Bible and  
keep it at hand. A good prayer or  
verse book is better then going to  
drugs and ruining your brain.

DREAMA

Okay let's quit smoking and doing  
drugs. You're right, I was  
wondering how long we could  
tolerate them.

CUT TO:

INT. BEDROOM - NIGHT

Dreama gets up to get the KEYS to the rooms of the FBI and Sheriff to frame the motel tomorrow.

DREAMA (V.O.)

I was going to break the rules of  
the yellow streamer no trespassing  
runner of the murder scene where  
Tommy had been shot just minutes  
after I left him that night. I  
would love to frame the scene so I  
wouldn't look guilty. The judge  
subpoenaed me to court for the  
murder of Tommy. I knew I was  
innocent.

WIPE TO:

INT. SHERIFF'S OFFICE - NIGHT

Dreama runs into the sheriff's ROOM, swipes a BELT BUCKLE he has laying in his top drawer. The buckle reads "Sheriff" with the image of two guns aimed at each other.

Dreama's heart beats wildly as she swipes some CREDIT CARDS with the officer's name on them.

She runs into the room of FBI AGENT BUSTER (40s) and finds a CASE with his name on it and some BUSINESS CARDS.

DREAMA (V.O.)  
Planting these two new clues would  
lead to two new leads in the case,  
and keep framing the murder off me.

INT. EAGLE SMOKEOUT MOTEL - NIGHT

Dreama ducks under the POLICE TAPE and enters the door to ROOM 27.

DREAMA (V.O.)  
I still had the key to the room  
from the night I left Tommy to get  
some hamburgers and fries. I was  
going to set things right.

Dreama is HOT AND SWEATY from planting the CLUES in the room by the NIGHT STAND. She leaves quickly, locking the door behind her.

WIPE TO:

INT. TWIN TOWER CASTLE - NIGHT

Sophie and Jake knock on the door and enter.

SOPHIE  
You guys, we have to throw all our  
guns in the back seat of the car  
and go hide 'em. We will get a new  
gun for each hit.

DREAMA  
But you're shooting so  
spontaneously, we don't have time  
to buy a gun every time you perform  
a hit. We're not even using notes  
anymore. How do I know who to  
shoot?

MURDOCK  
I have installed a gun vault and  
bought various guns for it, a  
biretta, bazooka, 9 millimeter, 45  
rifle, shotguns, .357 Magnum, 9  
pistols and various deer rifles, a  
cap gun for Tommy.  
(MORE)

## MURDOCK (CONT'D)

The locked vault is stocked with dangerous guns and has a large combination lock on it so no one but our inside gang will know it. I guess I'm just a rolling stone, I'll someday roll right out of your life.

## DREAMA

Oh no, I really need you and so does the baby! Or is this one big Dream? Don't roll out now, I need you Murdock for the baby's sake. I don't need a rolling stone.

## MURDOCK

Okay, now we don't have to guess who the father of the baby is, just let me handle it from there. Since you said you want me to be the father and join you for life in this ship, let me wear the rubies tonight during the séance.

## DREAMA

Okay.

Dreama went to the jewelry box and got one out and gave it to him while beckoning Sophie and Jake to the OUIJA BOARD with her and Murdock.

## DREAMA (CONT'D)

Oh guys, come on and try hard, let's tie scarves around all of our heads to look like pirates. Put those eye patches on and make like a gypsy pirate.

The gang wear their best PIRATE GEAR. The pirate clothes and hats are ANTIQUE.

## DREAMA (CONT'D)

Let's open tonight with a welcome to my great grandmother. We ask her spirit to join us and explain how the baby skeleton died, and was the chest it's coffin? We also ask if there are any more gemstones in the cove and where? Pirates that my ancestors were, I believe there's more to this treasure than meets the eye. Let's get the real story.

Dreama lights a BLACK CANDLE. The gang place their fingers on the Ouija board dial.

SOPHIE  
I'm game, this is fun Dreama girl.

DREAMA  
(whispering)  
Grandmother Darling Montgomery.

GREAT GRANDMOTHER  
Yes my little one, are you there? I  
see you found the Diamonds and  
Emerald jewelry.

DREAMA  
Yes granny, was that you in the  
portrait? I followed your voice and  
found the treasure chest, whose  
baby is it?

GREAT GRANDMOTHER  
That was my baby, it died at sea  
from cholera and scarlet fever, I  
buried it at sea and led you to  
him.

DREAMA  
So it's a boy?

GREAT GRANDMOTHER  
Yes, during the civil war we got  
stampeded by Kentucky, the Northern  
Yankees just kept attacking us and  
we didn't make it. Your great  
grandfather once owned a jewelry  
store and sold Diamonds and  
Emeralds, then he got attacked and  
killed.

SOPHIE  
(giggling)  
Did you play in Gone with the Wind?

MURDOCK  
Sophie! Soph, Sophie, I'm gonna  
get you.

GREAT GRANDMOTHER  
There's more buried treasure out  
there in the same cove.

SOPHIE  
Oh goodness, I'm wanting a map.

JAKE  
What's in it?

The Ouija board spells:

Y-o-u-r g-r-e-a-t g-r-a-n-d-f-a-t-  
h-e-r-s s-k-e-l-a-t-o-n a-n-d m-  
o-r-e D-i-a-m-o-n-d-s a-n-d E-m-  
e-r-a-l-d-s.

The spirit breaks off and the candle blows out by itself.

The portrait of Dreama's great grandmother falls over on the Ouija board. Her spirit is very strong and present.

DREAMA  
Come live with me Grandmother!

SOPHIE  
(giggling)  
Yes, let's do my great grandmother next.

DREAMA  
What? Don't you believe we touched base with the dead and have a new assignment.

SOPHIE  
Yes I do. You talk about those diamonds and emeralds and the ghost tells you who got them, cause as soon as I find out where you hid them, I will steal them and then you will have to come back to the Ouija board to see where I hid them!

DREAMA  
Ha-ha damn bitch! Don't you steal my jewelry or my Murdock, or my puppy Tiger!

SOPHIE  
Okay, I promise that I won't.

DREAMA  
Don't you believe I can talk to the dead?

SOPHIE

I do Dreama! Oh Dreama, pretty soon you will have half of Tracy City lined up out here to read their palms. What are you going to tell me next, that you are going from Ouija boards to clairvoyance and reading palms!

DREAMA

I will have to charge for all those palms reads and wear false eyelashes and a bandana around my head, and long red finger nails with ruby red lips, long gypsy skirts and black blouses with crystal balls. Ha, I'll read the children's futures and determine their destiny.

SOPHIE

(jealous)

Oh you, I can talk to your great grandmother and mine too.

CUT TO:

EXT. TWIN TOWER CASTLE - THE NEXT DAY

Sheriff Billy Jack pulls up in his patrol car. He looks sad as a THUNDERSTORM and RAIN roll in.

INT. SHERIFF'S PATROL CAR - CONTINUOUS

Dreama jumps into his cruiser.

BILLY

Hey, hey, hey honey what's going on?

DREAMA

I'm good. My baby is kicking me. I'm in my last trimester.

BILLY

Dreama, you got subpoenaed to court from the judge.

DREAMA

What?

BILLY

Yeah for a hearing concerning  
Tommy's death. The judge wants to  
ask you a few questions.

DREAMA

Oh my God, who really did this  
awful killing so I can go tell the  
Judge!

BILLY

Who knows, he has subpoenaed a lot  
of people to testify.

DREAMA

He has?

BILLY

Yeah, police officers, deputies  
and FBI agents.

DREAMA

Okay, I will appear. Maybe we can  
bribe and confuse him with  
wonderful desserts?

They look at each other for a while. Dreama is scared.

EXT. COURTHOUSE - THE NEXT DAY

Dreama looks calm and serene in a BLUE DRESS. She meets her attorney Mike and the rest of her gang outside the courthouse to discuss their case.

DREAMA

I think we can leave the judge all  
confused as we feed him great  
lavish recipes from the mansion of  
murders!

MIKE

That sounds delicious! We need all  
the help we can get.

INT. COURT ROOM - DAY - MOMENTS LATER

The JUDGE (60s) sits at his BENCH.

JUDGE

Dreama, take the stand. Do you  
swear to tell the truth and nothing  
but the truth, so help you God?

Dreama's mind wanders.

The BAILIFF (40s) speaks up.

BAILIFF  
The judge asked if you swear to  
tell the truth?

DREAMA  
(stuttering)  
Y, Y, Y, yes.

JUDGE  
Dreama, what happened to Tommy?

DREAMA  
Oh I don't know, someone shot him.  
He was into some bad drugs,  
cocaine, etc.

JUDGE  
Dreama, where were you on the night  
of the murder?

DREAMA  
I don't know, I guess with some  
girlfriends drinking wine.

JUDGE  
(half joking)  
Are you a wino?

Attorney Mike slams his fist down.

MIKE  
I object, your Honor!

The Judge has a TRAY OF DESSERTS before him.

JUDGE  
Dreama, this blueberry tart is  
delicious! Proceed.

DREAMA  
Oh I learned how to make' em in  
Redlands, California! My mother  
made one for her neighbor Mrs.  
Jazzy. She would ride her ten speed  
over and take it home with her in  
her basket.

JUDGE  
Oh my, I forgot you hung out with  
Miss Jazzy.  
(MORE)

JUDGE (CONT'D)

I guess you're clear of this murder  
all the way back to Redlands!

DREAMA

Judge, why do you think that I'm  
tied into the murder?

JUDGE

No, now I don't since you're the  
good one that moved here from  
Redlands. I just knew you were a  
psychic and a clairvoyant and that  
you moved to Tracy City to solve  
this case, and I wanted to know  
what your conclusions were.

DREAMA

Ohhhh I seeee. Look into my  
crystal ball huh, and see if I can  
give you a vision, but I'd be  
joshing you your Honor. I really  
don't know who shot Tommy. You know  
when you just don't know who did it  
you just stand back and wait and  
see...

JUDGE

And how! Okay then, let me know.  
You were still supposedly the last  
person to see him alive, and may I  
ask if you were in that motel with  
him that Valentines day?

DREAMA

Yes, we rented a room for the  
occasion and I stepped out to get  
some hamburgers your Honor and now  
I go blank!

JUDGE

Oh dear, we might have to hypnotize  
you so you will remember!

DREAMA

I know it.

JUDGE

Okay, you left the room to go get  
some dinner for Tommy and can't  
remember anything, just blank, you  
weren't fighting or anything Miss  
Dreama?

DREAMA

No your Honor, we were making love.

JUDGE

Okay, court adjourned.

DREAMA

Thank you your Honor, and if I ever recollect anything about the murder I will be in touch, right now it's like a bad dream, a nightmare!

JUDGE

Thank you Dreama, you may go have a seat with your friends.

Dreama walks to the back and takes a seat.

JUDGE (CONT'D)

(to the bailiff)

That Dreama makes the best blueberry tarts. Let's not accuse the homicide on her, she's in shock and when her memory breaks she will recollect the whole thing!

DREAMA

(yelling)

Cause of the delicious blueberry tarts, your Honor?

(laughing)

Hee-Haw!

DREAMA (V.O.)

I remembered why I went to meet Tommy, cause my husband Charles was impotent and he couldn't give me a child, so I met Tommy for a second date to have his baby. It's the only memory I could cling too, and wish the baby was already born. I couldn't wait to have the baby placed in my arms. Tommy's baby. I just realized that I am now at nine months into my pregnancy. But I have yet to figure out who shot Tommy. I have been asking who shot Tommy and who did it for too long. The state of Tennessee has summoned the aristocrats to go come to court. This trial will be to determine who shot Tommy.

(MORE)

DREAMA (V.O.) (CONT'D)  
The murder was lingering, and the people of Tracy City were scared to death for their lives, and were anxious to jail up whoever shot that young lad.

Sheriff Deputy Frank is called to the STAND as an EXPERT WITNESS.

FRANK

The gang of Dreama's is all on hard drugs and so are some of the FBI agents, the sheriff, and policeman she has found to befriend her. She opens up her own home as a mansion of murders. All her suspects are invited to come and live with her and solve who did it with a Ouija board. She is a hit-woman and clairvoyant.

Cokey Pinkerton enters the courtroom.

JUDGE

Sheriff Deputy Frank. What can you tell us about Cokey?

FRANK

He is an old army man with lots of money and army jeeps and trucks. He is clean and able to live to 79 years old. He is Dreama's chosen maid. He was a felon from the beany weeny shooting back in the 1800's.

JUDGE

Thank you, Frank. Mr. Cokey Pinkerton, you may now take the stand.

COKEY

(unhappy)

All right.

JUDGE

Do you take the oath to tell all and everything about the truth and nothing but the truth so help you God.

COKEY

Yes, I swear under oath to tell the truth.

Cokey's eyes twinkle, for he is a true diamond to shoot during the Vietnam war, and is now on trial for the murder of Tommy.

JUDGE

Cokey, what do you know about  
Tommy's death?

COKEY

Yes your Honor, Tommy was happy until he met Dreama and he became unsettled and wanted to mate with her. He didn't know if he loved his wife or my good friend Dreama Montgomery. This is the second time you have called me to court, am I a true suspect?

The Judge hammers his GAVEL.

JUDGE

Who do you think shot Tommy?  
Please.

COKEY

Your Honor, it was not me, but I don't know who did it either. I promise you, I was cleaning homes that day.

JUDGE

Your answers are all the same. Oh I was hoping you would of put more thought to it and asked questions to your inner circle. It's a free, but troubled circle.

COKEY

Yeah it is troubled, and our memory of that day is fading as we are awakening to new adventures, this murder happened a long time ago.

JUDGE

Do you know how the sheriff's belt buckle got in the motel and how FBI Buster's name case got in the scene too?

COKEY

Why?

JUDGE

Why, cause in the initial murder scene these two items were not present and someone added them.

COKEY

I believe that Dream Montgomery has the same access to the rooms as it is her home.

JUDGE

Oh, so you think Dreama framed the Sheriff and the FBI agent?

COKEY

Yes, your Honor, I believe she is trying to frame me, even by asking me there to her murder! Its untelling what evidence you find next.

JUDGE

Then who else has access to all the guest bedrooms?

COKEY

Well I do, and several others do, including the suspicious Dreama.

JUDGE

Could it be a possibility that the buckle fell off the Sheriff's belt and Buster's name card case fell out of his pocket, which could very well be the case.

COKEY

Well I did not do this, although I have access to their guests rooms.

JUDGE

No, I guess you didn't, your answers are the same as your earlier testimony.

COKEY

Well your Honor, what's the next stage in the investigation?

JUDGE

I don't really have a suspect, help me please, don't any of those people talk at the mansion about Tommy? What do they talk about at Dreama's home?

COKEY

Sometimes we cook and wash clothes all day, but the motive keeps coming back to Charles Pencock, Dreama's husband down in the valley. He was real mean, as he caught Dreama in bed with other men and threatened to blow their heads off. Dreama told me that one day.

JUDGE

Okay, you can step down, since your answers are consistent, you are now free to go. You're probably just a suspect cause you work at the home where Dreama houses several people.

CUT TO:

EXT. TWIN TOWER CASTLE - DAY

Murdock makes an announcement to the crowd of HIT-MEN, PIRATE'S and DRUG DEALERS.

MURDOCK

Something's going down. I just got subpoenaed to court!

SOPHIE

So did I. Well, when it rains it pours. Deja vu the conversation so that it echoes the last court hearing. If we go to all of the hearings and make them sound the same we can frame one another. I'm gonna smoke a joint and write my lines down so I say the same thing twice like Cokey Pinkerton. He got off because he told two identical testimonies.

James the drug dealer steps forward.

JAMES

Let me say one thing. I just want to go there and convince the Judge that I didn't do it.

SOPHIE

Yeah, me too, satisfy that Judge and maybe he'll bark up someone else's tree. Where's Dreama?

MURDOCK

Dreama's in the kitchen. She's making us some stuffed bell peppers for dinner and enchiladas with nachos for an early snack. Let's go down and help her, maybe we can grate some cheese and slice some onions, chop the tomatoes etc.

WIPE TO:

INT. KITCHEN - DAY

The gang enter.

SOPHIE

Okay Dreama, why are we getting subpoenaed? What did you tell the Judge?

DREAMA

Nothing, your names were not mentioned.

Dreama serves the NACHOS.

DREAMA (CONT'D)

Sophie, can you help make daiquiris. And put out the refried beans and the nacho chips.

Dreama puts the casserole dish of ENCHILADAS in the OVEN and pours STRAWBERRY DAIQUIRIS for everyone.

SOPHIE

This trial is taking up all of our time! We must satisfy the judge and be consistent!

DREAMA

Oh my God, it's no big deal, the Judge just swears you in and asks a few questions.

(MORE)

DREAMA (CONT'D)

It's easy, you tell him what you know about the homicide then he either retains you for further questioning or is satisfied with you and dismisses you.

SOPHIE

Oh, okay then, the daiquiris are delicious and so are the strawberries?

DREAMA

Yes, organic.

SOPHIE

Well, I hope this doesn't go into an investigation, those could be long and drawn out.

DREAMA

Yeah, just tell him you were Tommy's best friend. Remember the other night the name the Ouija board spelled C-H-A-R-L-E-S, my husband down in the valley was a suspect.

SOPHIE

When will you divorce that guy and why is Murdock alive? If he's supposed to be so jealous of you, things don't add up.

DREAMA

I know, makes you think this is one big bad nightmare held over until we can blame it on a different husband that I had before Charles.

SOPHIE

Oh God, what has Jake come clear of now that the Sheriff's belt buckle popped off at the scene, and Buster's business name card case fell off at the scene?

MURDOCK

What would any of those items be doing at Tommy's death scene?

DREAMA

(snickering)

They're just coming to see Tommy you know.

SOPHIE  
Dreama, who will you frame next?

DREAMA  
Not you! We go way back all the way to the cocaine days. We stick you and I. We smoked and tee-peed homes of the guys we had crushes on, oh if only we had them under investigation to frame them for the murder.

SOPHIE  
Oh Dreama, we're not going to stick like glue and find out I was your accomplice.

JAMES  
I just pulled eight years of time in the federal prison for murder, that's time you don't even want to pull.

MURDOCK  
Look, the judge doesn't know Tommy was carrying one pound of cocaine and \$3,000 dollars. He doesn't know that's missing from Tommy's clothing. Don't tell him cause that's the motive now.

JAMES  
Well what if I tell him I was dating Tommy's wife and blew him away! Ha-ha!

DREAMA  
No, cause that's not the true motive. Too many motives is kicking the whole thing out! And way too many suspects.

JAMES  
Oh, well what will I tell him Miss Dreama?

DREAMA  
You tell him you believe Dreama and Tommy were cuckling and Charles my husband got jealous and pulled in there and shot him in room 27.

MURDOCK

That's why I say all evidence  
points to Charles.

DREAMA

Yes stupid, we're a den of  
murderers, we have to bond with  
each other. Who cares about  
Charles, he's rich, he can save his  
neck or afford to go down and pull  
time for Tommy's death! Ha-ha!

MURDOCK

Oh Dreama you know another coke  
head with 3 grand that you can  
scurry off to a motel? Only next  
time pull his boots off cause  
that's where all the gemstones were  
hidden, those were real Diamonds  
and Emeralds they found that he  
swiped from a jewelry store.

JAMES

Please say that you saw Charles,  
Dreama's husband, in the vicinity  
at the time of the death and start  
working on him, please!

SOPHIE

Okay, only if Dreama promises all  
her good Mexican recipes!

DREAMA

Okay, I promise! Promise kept. I'll  
even go over every little morsel of  
food you copy.

MURDOCK

Ha-ha, you'd better let me make  
love to you on Tuesday nights too,  
something about Tuesday, ha-ha.

DREAMA

Okay you got it, only if you  
convince the Judge and FBI to turn  
that murderous hunt to Charles  
Pencock.

MURDOCK

Yes, let's make love tonight so I  
can get to the Judges. I love you.  
Suspect Charles coming right up!

DREAMA

Cool, cool, cool. Let's frame  
Charles enough where they sentence  
him the way they did James, then  
find him guilty and incarcerate him  
in the state penitentiary!

JAMES

Yeah man.

CUT TO:

INT. COURT ROOM - DAY

Monday rolls around and the gang enter the courtroom high on pot.

MEANWHILE:

INT. BANK - DAY

Dreama robs the bank wearing a HALLOWEEN MASK and HAIRY WIG. She shoots no one, just hands the teller a note.

The BANK TELLER (30s) hands Dreama \$1,500,000 in hundreds and fifties.

Dreama BURNS the costume.

EXT. TWIN TOWER CASTLE - DAY

One by one the mob roll into the driveway, slam the car doors and chatter about the hearing.

INT. TWIN TOWER CASTLE - DAY

Dreama feels brave. She divides the money among the gang.

DREAMA

We did it! We got the murder aimed  
toward Charles, my ex to be.

Jake hugs Dreama and bites her neck lovingly.

JAKE

Did you get the ole murder off me?

DREAMA

Yes we did it in synchronicity!

JAKE  
Synchronicity! I'm right on time.

DREAMA  
Okay Jake, right on time to fill my glass with another daiquiri and let's smoke a joint.

JAKE  
One more thing, do you still have your key to your ex's home so I can get to framing him?

DREAMA  
Oh yeah, I'll get it for you tomorrow okay, I have to locate it.

Suddenly, Dreama's WATER BREAKS.

JAKE  
Dreama? You all right?

DREAMA  
Sit me down! Call me an ambulance!  
I need to get to the hospital. I'm having the baby right this very minute.

Dreama screams.

Jake calls 911 to get her an AMBULANCE.

MURDOCK  
What's going on?

JAKE  
Hey I need to know if you're going to ride in the ambulance to the hospital with your gal?

MURDOCK  
Why? What happened?

DREAMA  
(with pleading eyes)  
I'm having the baby, the water broke!

MURDOCK  
Oh no! It did?

SOPHIE  
Hey, the ambulance is here!

The E.M.T.s roll in the STRETCHER and put a very pregnant Dreama in the ambulance.

INT. AMBULANCE - EVENING

Murdock grabs a QUILT, crawls aboard, and covers her up.

CUT TO:

INT. HOSPITAL - NIGHT

Dreama goes into labor. Soon the baby screams and yells for life, filling his lungs with air.

The NURSE (30s) announces the joyous news.

NURSE  
It's a BOY!

Murdock is so happy.

The baby's face looked like that of Tommy, with SANDY BLONDISH HONEY COLORED HAIR.

DREAMA  
Oh my, it's a boy, my son!

Dreama smiles, looking drained and crying tears of joy.

DREAMA (CONT'D)  
Oh I'm so complete. I have a baby!

CUT TO:

EXT. STATE FAIR - ONE WEEK LATER

Dreama, Brenda, Murdock, Jake, Billy Jack and Sophie enter the FAIR GROUNDS.

The MERRY-GO-ROUND is lit and the GUN BOOTH holds a GIANT STUFFED UNICORN, a magical horse Dreama would love to win.

Dreama runs to the booth winking at the CARNEY (30s). She shoots the gun and wins!

DREAMA  
I can't believe it!

Dreama jumps up and down as she walks away with the oversized stuffed unicorn.

They arrive at a GYPSY FORTUNE TELLER BOOTH. The booth is covered with LONG GYPSY SCARVES and hanging BEADS. A large CRYSTAL BALL sits in the center of a table along with a TAROT DECK OF CARDS.

The lovely GYPSY FORTUNE TELLER (40s) invites Dreama into her TENT.

INT. GYPSY'S TENT - MOMENTS LATER

GYPSY FORTUNE TELLER  
Come in and take a seat, and let me  
tell you your good fortune.

Dreama sits down eagerly and places her palm out to be read.

DREAMA  
(being silly and cute)  
Is it a good fortune?

GYPSY FORTUNE TELLER  
(concerned)  
No, you are going to be in a big  
scandal and gonna get caught  
involved in a murder. A big murder  
too, with bank robbery and stealing  
cars!

DREAMA  
No you don't see all that do you?

Dreama squints slyly at the gypsy as she withdraws her hand quickly.

GYPSY FORTUNE TELLER  
I believe if you follow this ritual  
to the T you will escape the  
scandal and bad luck of getting  
caught in bank robberies.

DREAMA  
I'll do it. What? Tell me what to  
do so I won't become a famous bank  
robber with my picture all over the  
world.

## GYPSY FORTUNE TELLER

Burn a green and blue candle, and later a white candle tonight with the newspaper clippings of the bank robberies and the state trooper shootings, then pray ten times that you are not a suspect to the murders.

## DREAMA

Okay, I will. Green means good luck, blue means a new beginning and white means reverse all evil, right?

## GYPSY FORTUNE TELLER

Yes, you too are a witch, and you must burn some lavender oils and say a witch mantra that no one will find you and your life to continue as it is.

## DREAMA

Okay, I'm really scared about this, I mean, I'm a bank robber to you, but how? How did you figure that?

## GYPSY FORTUNE TELLER

Your whole gang is! They are bad people, although pretty and the men are aristocrats and rich tycoons. They are all of malice and they are killers. You are living in the mansion of murders!

## DREAMA

Oh, is that what everyone is calling us? The town of Tracy City, or is this your own fun conclusion, cause I just tumbled out of bed and brushed my hair and came out to the fair with my friends!

## GYPSY FORTUNE TELLER

Did you not know that you guys just haven't gotten caught!

## DREAMA

Oh, we don't do those things. I'm telling you not to get that started on our gang cause we don't know about those things!

GYPSY FORTUNE TELLER  
Are there any more questions?

DREAMA  
Yes, how will my life end?

GYPSY FORTUNE TELLER  
Well it's bad, it's with a man you can't stand. His name begins with the letter "C". The last name begins with a "P". You will soon be in reality and you can't shake off real life, so you venture out and fulfill your life with a new love so unique. You may be with that love already, but it's not going to last; you will soon be in reality and back with your husband, not your lover and in your marital property!

DREAMA  
(tearing up)  
No I can't stand Charles Pencock! I will kill myself if I can't have my life with Murdock and my gang. I don't like this at all that you see me end with my husband Charles! Ole witch, change it! I demand you tell me something else!

Violently, Dreama stands and stomps her feet in anger, wishing she had never asked.

GYPSY FORTUNE TELLER  
Only one thing. If you indeed don't want Charles Pencock, then speak up, and if you ever reunite with him, break free and find this wonderful young love with Murdock. Run now, my dear, escape the awakening of a bad romance about to happen again.

DREAMA  
I have to go. Look, I know this could be a dream, but how accurate are you my ole witch? To have the initials of my husband and know these things.

GYPSY FORTUNE TELLER  
 Yes, go get Murdock so I can study  
 him and visualize his future and  
 fortune.

Dreama runs out throwing the ole witch a TWENTY DOLLAR BILL.

EXT. GYPSY'S TENT - CONTINUOUS

DREAMA  
 Murdock, get in there and have your  
 palm read and your crystal ball  
 gazed into to see your future and  
 your fortune. Hurry!

INT. GYPSY'S TENT - CONTINUOUS

Murdock enters the room and pays the ole witch TEN DOLLARS.

MURDOCK  
 (jokingly)  
 What do you see you ole witch? Huh?  
 Will I live a long and healthy life  
 with this Dreama chick?

GYPSY FORTUNE TELLER  
 Oh I see in the crystal ball that  
 you are a murderer! And that you  
 have killed many people. You are a  
 liar too, and a cheater as well.

MURDOCK  
 Will I get caught being a murderer?

GYPSY FORTUNE TELLER  
 No you won't, but you'll turn your  
 soul into the Lord and become a  
 Christian and serve God and never  
 shoot a person again.

MURDOCK  
 Oh for crying out loud! What kind  
 of reading is this? Well, can I  
 have a date with you ole witch?

Dreama sticks her head into the tent.

DREAMA  
 Murdock!

MURDOCK

I mean, I have to flatter this  
beautiful witch Dreama, she has me  
joining the Lord and serving God.

DREAMA

Okay pay her some more and come on.

GYPSY FORTUNE TELLER

Murdock, hang on to Dreama, and  
don't ever forget her face because  
God put you on earth to take care  
of that one dame.

MURDOCK

Really? So this is it? I'm to keep  
up with her and not you, huh?

Winking at the beautiful witch he tips her another ten  
dollars.

MURDOCK (CONT'D)

(smiling)

A Christian, huh?

GYPSY FORTUNE TELLER

Yes, a born again Christian!

MURDOCK

I feel like one already, you ole  
witch you!

GYPSY FORTUNE TELLER

Yes, and don't ever shoot anyone  
again cause they might shoot you.

MURDOCK

Oh I never shot anyone! Ye ole  
witch, ye ole wretched witch! Ye  
ole wicked gypsy liar. I'm scared,  
I just want to respect God and what  
he gave me, all good things come  
from prayer!

As Murdock exits, he beckons Sophie to go in next.

MURDOCK (CONT'D)

No, this is for fun and games, get  
your butt in there Sophie, come on.

Sophie enters.

GYPSY FORTUNE TELLER  
Now I have to read this beautiful  
Indian gal before my eyes.

SOPHIE  
Yes, I need my palm read. Read me  
you cute little gypsy woman.

GYPSY FORTUNE TELLER  
Oh Sophie's a very good and  
practical gal. She is needed by a  
man with a name beginning with the  
letter "J" He is going to provide  
for you and keep you the rest of  
his life. You will have a great  
life together, but he will  
eventually get old and die.

SOPHIE  
Oh sure, we are all going to die.

GYPSY FORTUNE TELLER  
Yeah, and he is going to be by your  
side always and forever, waiting on  
you hand and foot. You are a killer  
and you use a gun bow to shoot  
people with, or you should, you are  
pretty enough too.

SOPHIE  
Oh thank you. I like my psychic  
reading! A killer with a gun bow  
huh?

GYPSY FORTUNE TELLER  
I see into my crystal ball that you  
will have a daughter by this man,  
and love him, and perfect some  
recipes for your murderous mansion.

SOPHIE  
Oh yeah, you got me a killer in  
your ball do you, with a gun bow?  
Can you tell me who I am going to  
shoot with this weapon?

GYPSY FORTUNE TELLER  
Yes, it will be an external person  
that comes from a previous marriage  
and threatens your foundation with  
this "J" guy. It's from a past  
marriage, and you will kill him as  
he accuses you of murdering your  
former husband.

SOPHIE

Oh for goodness sakes, first of all  
I am not living in a murderous  
mansion, that's just a little game  
we play when we answer the phone,  
Hit Lady and assignment etc, we're  
just playing alright? I'm going to  
convince you that this is just for  
carrying on with the gang.

GYPSY FORTUNE TELLER

Oh, I see

SOPHIE

Yes, and my reputation is important  
to me, or my speech girl will not  
put me in another book.

GYPSY FORTUNE TELLER

Oh, okay, I will quit, but that  
other is just what I already see.

The gypsy lady begs and pleads with her eyes to pay her well  
because it was a good reading.

SOPHIE

Okay, do you see how I will die?

GYPSY FORTUNE TELLER

Death is not important, my dear.  
Life is, and how you live it and  
spend your time. Don't waste time,  
and never stay with someone you  
don't want. Always flee to a nearby  
village and fall in love again.  
That's not God's plan for you to be  
in a mansion of murders! And with a  
man that might be looking for your  
speech girl this very minute.

SOPHIE

Oh my God, hide her, please. Will I  
continue to get a part for a movie  
in Hollywood?

GYPSY FORTUNE TELLER

Only if you don't kill, and venture  
forth outside the mansion of  
murders. Go back now to your home,  
although your former husband is  
dead and passed, it's not too late  
to throw down this ole murderous  
life!

## SOPHIE

Why you ole wicked witch! How dare  
you run me back to my past, and not  
with Jake, whom I have come to know  
and love and trust. You damn ole  
lying wicked ole witch, you might  
be beautiful, but say you are  
wrong! Now say it, say I am playing  
with you at this fair festival, and  
that you made a mistake, and that I  
love Jake and he loves me. Say it!

## GYPSY FORTUNE TELLER

Oh me, don't let me play Pocahontas  
with you my princess, for you hold  
great beauty and must not try a  
murderous role in life, for God has  
chosen you to come out to church  
and learn and pray the gospel.

## SOPHIE

Oh this is too funny, you are  
married to the preacher. I know and  
recognize you, I saw you in town  
and in the newspaper, you are  
having fun with me, you are the  
preacher's wife, aren't you?

## GYPSY FORTUNE TELLER

Am I?

## SOPHIE

Well even if you are or not, you  
must come to our dinners at the  
mansion and practice witchcraft  
with us. We work for our speech  
girl in Kentucky and witch everyone  
who fires her! It's the funniest  
game going. Why she might be  
getting fired right now and be  
calling me on that unicorn, the  
Government put in for her.

## GYPSY FORTUNE TELLER

No this girl, you're talking about,  
tell her to pray, and quit all that  
witchcraft, they know her when  
she's coming.

SOPHIE

Oh I must go get Jake my lover, and  
you and your husband, the preacher,  
can invite us to church if you  
think the future can be brighter  
for us all.

GYPSY FORTUNE TELLER

Yes, now bring in Jake.

Sophie stands, but turns back.

SOPHIE

I don't pay you nothing 'till you  
take that murderous reputation off  
my name. My standing in Tracy City  
is so important to me!

GYPSY FORTUNE TELLER

Oh I think you can calm down and  
see this is for the state fair!

Sophie exits, Jake enters.

GYPSY FORTUNE TELLER (CONT'D)

You killer! You shot the two state  
troopers. I can't stand you in my  
town of Tracy City at all. This hit  
man life you live and glorifying in  
that young Indian chick!

JAKE

Awe, ye ole gypsy damn witch,  
you're crazy!

Jake pulls his GUN.

GYPSY FORTUNE TELLER

No I am playing with you! Please  
put that gun up and be seated for a  
more interesting reading!

Sighing with relief, Jake takes a seat and holds out his  
palm.

GYPSY FORTUNE TELLER (CONT'D)

Your reading says you will have a  
very good and long life, and be  
prosperous and love life, but you  
are from the devil so don't come  
any closer to me with your  
murderous weapon and your childish  
pretty girlfriend!

JAKE

Oh you damn nut, who are you under  
all that makeup! And where do I  
know you from? Did you call my  
mansion for a hit way back?

GYPSY FORTUNE TELLER

No, I would never need you! You are  
a murderer and from the devil, you  
must burn by fire!

JAKE

Okay, okay, I'll leave before you  
burn me up. Where do I pay you  
honey, for this nonsense?

GYPSY FORTUNE TELLER

(with a cackle)

You go and pay me good, for I am  
correct you ole murderer!

JAKE

You even laugh like a witch.

Brenda and Billy Jack interrupt his reading as they enter the tent desperately to have their fortune read.

Jake hands the gypsy a HUNDRED DOLLAR BILL. He pats her on the ass.

JAKE (CONT'D)

What's your phone number?

GYPSY FORTUNE TELLER

No need to call, if I need anyone  
murdered, I will just do it myself!

JAKE

All right.

Jake exits.

Brenda and Billy take a seat.

GYPSY FORTUNE TELLER

You're a couple deceived by  
murderers!

BRENDA

Murderers! Now I know one's named  
Murdock, but that don't mean that  
he killed anyone. Hee-haw!

GYPSY FORTUNE TELLER  
Okay, explain, were you in that crowd with Murdock, Jake, Dreama and Sophie?

BRENDA  
Yeah, why?

GYPSY FORTUNE TELLER  
Cause I upset them, and it's just the vibes I picked up about their character.

BRENDA  
Yes, those are my roomies, we all live in one big mansion, that great big castle in Tracy City.

GYPSY FORTUNE TELLER  
Oh you live amongst a slew of murderers? They might kill you next.

BRENDA  
Well they have every right to, before the FBI gets me. Ha ha!

GYPSY FORTUNE TELLER  
I see in my crystal ball that they killed your former ex-husband, the state trooper Rocky?

BRENDA  
Yes, I was once married to the late Rocky. How do you know that my husband's name was Rocky?

GYPSY FORTUNE TELLER  
He was killed by this clan that you live with.

BILLY  
No this can't be true. I'm the Tracy City sheriff and I know what you are saying isn't so.

GYPSY FORTUNE TELLER  
Am I off? Let's see, Jake shot Rocky and trooper Dixie on the Clipper ship and stole buried treasure from them right there in the cove.

## BILLY

Oh you read too many newspapers and have conjured this up to make me worried cause I am the Sheriff of Tracy. I want all this stopped! Hey ole gypsy woman, tell me if I'm going to live a long life with my bride here Mrs. Brenda? That's what I am here for.

## GYPSY FORTUNE TELLER

Well the Diamonds and Emeralds you are wearing Mrs. Brenda are unique and belonged to an early pirate gypsy woman whom wore them last in a masquerade party, and you will take on the identity of the owner of the jewelry and break up with your spouse here Mr. Billy Jack! You will take on a new love, and have an affair with a new comer onto your life Mrs. Brenda. And Billy will find solace in a new lover, all because the jewelry is jinxed!

## BRENDA

Oh no, you take that back! I love Billy with all my heart and will with every ounce of love to him.

## GYPSY FORTUNE TELLER

Well then, you must see that it's the jewelry that you must surrender to me, and I will cast all evil out of your marriage.

## BRENDA

You're crazy! I love my Diamonds and Emeralds more than any ole damn man! And I'll be damned if I part with my precious Diamonds! You see I am a Diamond and so is my newly beloved husband, and we are the foundation for love and marriage in this bewitched town of Tracy City, and I am not gonna part with my long strand of Diamonds and Emeralds and wedding ring too! These Diamonds and Emeralds mean so much to me that he signed a prenuptial agreement already for me to reign in them.

## GYPSY FORTUNE TELLER

Well whoopee do. You just go ahead  
 and cheat and lay with a new lover  
 as you won't surrender them to me,  
 I can either break the spell and  
 keep you'ins together or send you  
 on with an extramarital fling to  
 come to you'ins.

## BRENDA

Well, can you look into that  
 crystal ball and tell me who my  
 husband's first affair is please?  
 It's not that damn good for nothing  
 Dreama is it?

## GYPSY FORTUNE TELLER

Nope, can you believe, it's little  
 ole me.

The ole witch winked at her husband in a cunning manner and  
 lifted her gypsy skirts.

## BRENDA

Why you dirty ole damn witch! You  
 lifted your skirts to show your ole  
 cunt hole to my husband. God Damned  
 you! How dare you! You damn witch  
 and to ask for my Diamond and  
 Emerald necklace and bracelet and  
 wedding ring too! I'll be damned!

As Brenda stands, the two women lock hands together,  
 FIGHTING.

## BRENDA (CONT'D)

(begging)  
 Help me Billy!

## BILLY

Honey, I may have to lock you up!

## BRENDA

You good for nothing damn idiot!  
 Help me you damn sheriff!

The ole gypsy witch quickly kisses Billy on the mouth before  
 being pulled away.

Brenda scratches her eyes and pulls her hair all in one  
 grasp.

## BRENDA (CONT'D)

Let's go, come on!

## BILLY

This ole witch has a trance on me  
 and I might just go out and buy her  
 the biggest damn Diamond and  
 Emerald necklace set with a  
 matching ring and bracelet just for  
 her!

Billy peckered a big kiss on the ole gypsy witch's mouth, in front of Brenda, and pinches her on the ass.

## BRENDA

Oh damn you! What's gotten into you  
 Billy? Can't you see this ole witch  
 has made her own fate? Take her  
 then you damn shit son of a bitch!  
 (pirate woman's voice  
 emerges)

I have my Diamonds and Emeralds!

The spirit of the pirate surfaces out of Brenda. She Finds herself biting the gypsy on the arm like an angry cannibal from the great sea!

Brenda TRANSFORMS, clutching to her famous Diamond and Emerald necklace. All at once she pushes her husband on the ole gypsy.

## BRENDA (CONT'D)

You better watch out cause you  
 might just get what you asked for!

## GYPSY FORTUNE TELLER

Give me the necklace and bracelet  
 and keep the ring!

## BRENDA

No! I leave with my husband, and  
 Diamond & Emerald jewels... ye ole  
 damn witch! I see you once robbed  
 my ship too.

## GYPSY FORTUNE TELLER

Okay, I cast the pirate out of you!  
 Go from my tent and pay me well!  
 Good bye, ye ole pirate challenging  
 friend.

The gypsy woman desperately scrawls her phone number on a NOTE and drops it to Billy.

Billy bends over to pick up the note.

Brenda fights him for it.

BRENDA  
You give me that note! Billy Jack!

BILLY  
No!

BRENDA  
(with jealous fire)  
Give me that damn note Billy!

GYPSY FORTUNE TELLER  
(horny desperation)  
Let your husband speak for himself!  
Billy, who's great pussy cat do you  
choose hers, or mine?

BILLY  
My wife!

Billy unlatches the Diamond necklace and Emerald set before her eyes.

BILLY (CONT'D)  
You are saving my marriage. Here,  
take them, ye ole witch! Just don't  
let me or my wife screw around!

Billy throws the jewels to the witch as a last resort to break her spell and save his marriage.

BRENDA  
Oh my God, my Diamonds and  
Emeralds! Dreama gave them to me to  
marry you! She said to never take  
them off!

BILLY  
This carnival of Lust has got to  
stop! Who is this beautiful witch  
that stole my heart? Let's go and  
get away from her quickly before my  
marriage breaks.

Grabbing his beloved wife by the hand, they flee the scene, running out of the tent.

Brenda clings tightly to her WEDDING RING.

Brooke, the estranged wife from the late Tennessee Trooper Dixie enters the tent, wanting her good fortune read.

The ole witch fixes her hair in a MIRROR. She pulls the Diamond & Emerald necklace over her head and clasps the bracelet onto her dainty little wrist like a damsel in distress.

BROOKE  
(sheepishly)  
Hi. May I sit down and have my palm  
read and my fortune told?

GYPSY FORTUNE TELLER  
Oh, I'm exhausted.

The ole witch searches for words and scans Brooke for jewels, noticing the DIAMOND STUDS on her ears and the pretty little EMERALD RING Brooke is wearing on her little hand.

GYPSY FORTUNE TELLER (CONT'D)  
I feel rejuvenated!

BROOKE  
(whistling)  
Well, whew! Will I ever fall madly  
in love with a man like that  
Brenda, and fight for my man if I  
bring him here?

GYPSY FORTUNE TELLER  
Yes, you'll do what I tell you too,  
and exactly what I tell you to do.  
You go out into the village and  
flirt madly with that damn Indian  
gals lover, what's his name, "J"?

BROOKE  
You tell me, you're the evil witch  
with the hot pussy!

GYPSY FORTUNE TELLER  
What, I bestow that! You take that  
back! Who exactly are you anyway,  
young lady that holds great exotic  
beauty? And intelligence? Why are  
you talking to me like that for?

BROOKE  
Well the way that last married  
couple either had to leave their  
dick here, but instead their  
Diamonds & Emeralds! What's to be  
expected, and who are you to get a  
piece as you're the preacher's  
wife?

(MORE)

BROOKE (CONT'D)  
I recognize you by your beauty, you  
know. And I attend your church.

GYPSY FORTUNE TELLER  
Oh, uhm, that will ruin it, but  
anyway you will go out and get for  
yourself a man and make him a horny  
toad

The ole gypsy witch bends over to reach for a little JAR with  
a little TOAD FROG in it.

GYPSY FORTUNE TELLER (CONT'D)  
You will kiss this ole Jake and  
flirt tremendously, while you rub  
his groin or loins, making his dick  
hard for you, ye hear?  
(cackling)  
The frog will help you get and keep  
him horny.

BROOKE  
Why Jake?

GYPSY FORTUNE TELLER  
Cause Murdock shot your last  
husband, and Jake was on board that  
Clipper ship that afternoon, when  
they shot him, trooper Dixie that  
is.

BROOKE  
Whew, you mean you remember Dixie?  
My husband and my little boy  
Oliver?

GYPSY FORTUNE TELLER  
Yes, the attorney Mike is zeroing  
in on them as the final suspects  
that might have shot the two  
Tennessee State Troopers as well as  
your husband and Trooper Rocky. Now  
listen to me Brooke, we have to get  
them framed with a frame key to  
admit on a federal wire tape that  
they did that.

BROOKE  
This is like a nightmare! I just  
came over here cause there was a  
lot of commotion and noise from  
your tent. Never did I know that I  
would get all this!  
(MORE)

BROOKE (CONT'D)  
It figures though, I screwed  
Attorney Mike last week and now  
he's going overboard helping me  
find the killer?

GYPSY FORTUNE TELLER  
Yeah, they think it was Murdock,  
and I have the Diamonds & Emeralds  
to prove it! See how antique they  
look, not your everyday jewelry and  
the emerald is oversized.

BROOKE  
Oh was there jewelry involved? My  
husband Dixie was investigating the  
late scrolls from early pirates  
that landed here in the 1800's and  
the state water patrol found a  
sunken ship with all this jewelry  
and mostly Diamonds & Emeralds  
were found in treasure chests. It's  
a vision of an early pirate ship  
that was sunk here in the area and  
everyone is searching for the gold,  
huh?

GYPSY FORTUNE TELLER  
Yaaaaah. I want to help you put the  
last piece of the puzzle in place  
to form the clear picture of what  
really went down on the Clipper  
ship that day that your husband  
Dixie didn't return home.

BROOKE  
Gee whiz, you mean you are helping  
Attorney Mike solve this murder  
case and posing here at the State  
Fairgrounds unprotected, pumping  
the murders or whatever everyone is  
calling them in that mansion?

GYPSY FORTUNE TELLER  
Yahhhh, and I am wanting you to  
enter their life somehow and pump  
them good for clues to who did the  
shooting so we can apprehend them.  
(laughing)  
So far we don't want to blame  
little ole Murdock, cause he sure  
can cook and he made the good  
manicotti.

BROOKE

Oh my God, that's right. There's a catch that the guests have to cook if they stay there.

GYPSY FORTUNE TELLER

Yes, and you go live there with all heart and give them an honest ranking. Maybe I'm wrong, but that gang is nothing but a low down murderous crowd and just as spontaneous as a squirrel.

BROOKE

I could and I shall. I'm moving in quickly and with the most beautiful floral luggage in the land of Tracy that I can sport.

GYPSY FORTUNE TELLER

You're to sport their new lands weed on the luggage, in jewelry, and have a cute little T-shirt with the marijuana hemp plant on the back, and marijuana earrings so they won't suspect you!

They brainstorm the scene for a moment and Brooke couldn't wait to arrive at the murderous mansion decked out with the devil's weed as an undercover project.

GYPSY FORTUNE TELLER (CONT'D)

Put a joint behind your ear, and smoke it with Murdock. Go with them to rob banks, but don't dare shoot anyone!

As Brooke gets up to pay the ole gypsy pretty lady, she stammers.

BROOKE

Will I have a back up?

GYPSY FORTUNE TELLER

Why yeah, I can get FBI Bill Barbers to cover you. And by the way he is rich and he is single. What you do is rub it all over him honey, and that will be your next husband.

Brooke's eyes light up as she rises and pays the gypsy FORTY DOLLARS for the new lead to a wealthy husband.

BROOKE  
Bye-Bye

Brooke turns back.

BROOKE (CONT'D)  
What was the motive, may I ask?

GYPSY FORTUNE TELLER  
(hastily)  
A fight over the Diamonds &  
Emeralds treasure chest.

BROOKE  
Are there a lot of jewels?

GYPSY FORTUNE TELLER  
Yes, now you get in there as their  
new drug fiend and find them!

BROOKE  
Yes I will. If this story is true  
do I report to FBI Bill Barbers?

GYPSY FORTUNE TELLER  
No, you just pocket your take, and  
get the hell out of there when you  
can!

BROOKE  
(laughing wickedly)  
Ha-ha. Lady you must read the  
newspapers or something cause if  
this isn't the same search from the  
giant ship that we are looking for,  
are you sure Diamonds & Emeralds,  
huh?

GYPSY FORTUNE TELLER  
The most expensive gemstone piece  
was the Diamond and Emerald  
Christian Cross, it's worth two-  
million dollars.

BROOKE  
I must be on my way.  
(to herself)  
You'll live with Dreama in her  
castle home forever as she robs a  
bank and steals millions. She'll  
place bills in your wallet while  
you are sleeping there. I'm excited  
to find out if any of this is true.

As Brooke escapes the gypsy tent, a newness hits her as she feels the FRESH SUMMER AIR across her face enlighten her for not only a new husband, but closure to her late husband trooper Dixie.

INT. TWIN TOWER CASTLE - DAY

Dreama feeds BABY TOMMY (1 week old) from a BOTTLE.

The phone rings. Dreama answers it.

DREAMA  
Mansion of murders.

INTERCUT WITH: BARBARA (40s) on the other end of the line.

BARBARA  
I would like my husband shot. Do I need to check into your mansion and cook up the plans?

DREAMA  
Yeah, I guess I can take the assignment.

BARBARA  
Is this a hit man or a hit woman?

DREAMA  
I am a the hit woman, would you like to meet?

BARBARA  
Well, what are your prices to bump my husband off real quick cause we are unhappy.

DREAMA  
If you stop blabbing I will tell you.

BARBARA  
I want to not get caught and jailed up.

DREAMA  
Well meet me soon like tomorrow, but I charge \$300.00 dollars a hit and would like to get it over with quick.

BARBARA

Okay, let's meet and I will bring the address and the money so you follow him to work and shoot him along the way to work, so there won't be any mess. I will meet you and check in to your mansion tomorrow, and I bake a mean chestnut pie.

DREAMA

What is your name?

BARBARA

Barbara.

DREAMA

Okay Barbara, let me get back to my lover, cause it's working on this side of the phone.

BARBARA

Bye Dreama the hit lady.

Dreama hangs up, just as the phone rings a second time.

DREAMA

Hello.

MAN #1(40s) is on the other end of the line.

MAN #1

Dreama, needing a hit done, my wife is to be taken out of life. I can't take it anymore, just bitching all the time, on and on!

DREAMA

Give me your info.

CUT TO:

INT. TWIN TOWER CASTLE - EVENING

Brooke checks into the mansion of murders with her pet POODLE. She carries FLORAL LUGGAGE to match her personality.

She WINKS at Jake while playing POOL.

Sophie is jealous.

SOPHIE

You wink at my lover, you bitch!

Dreama pets her Macaw.

DREAMA  
Calm down! Love thy neighbor.

Jake pulls from his pocket a LARGE DIAMOND RING and gives it to Sophie.

MUSICAL MONTAGE:

All the pirate's seduce each other, MAKING LOVE and BONDING FRIENDSHIPS. Their sex is PASSIONATE, TANTALIZING and ELECTRIFYING!

END MONTAGE

Murdock hands Dreama a joint.

Dreama begins to feel DIZZY. She lies down on the COUCH.

SOPHIE  
Dreama?

DREAMA  
Is this just one big dream I'm living?

MURDOCK  
Yes, I bet it is! How many times did you pray too have a castle home and pow you got it! And... how many times did you pray to meet a man like me that never leaves you even in your slumber, and pow you got it! How many times did I pray 123 and pow you got it.

DREAMA  
It's gotta be one big dream!

MURDOCK  
Yeah, and how many times did you pray to never have to work and just stay at the house and have all this money, and pow 123 you got it.

DREAMA  
Yeah, something's not right with us shooting all those people and the Governor and state attorney and all that money. Hey, did we ever get that half million?

## SOPHIE

No, cause we're in a dream. You know you got me off a commercial. You know, that's where you came from! We're just a dream away from the last dream you've had. Can't you see that?

## DREAMA

I'm deep in my sub conscience. Wake up. Wake up. Murdock pinch me if it's real! Wake me up oh Lord. I've sunken into my sub conscience mind I can't get to a conscience state. Help me wake up Lord.

Dreama feels a little bite of FOOD poked into her mouth.

## DREAMA (CONT'D)

Wake me up Lord. Don't let me slip into my sub conscience. I need to dance with my little dog and see my little log cabin in the woods with my husband Charles. I need to get out of this bed please get my mind up to move my limbs and stretch and walk again. Help me.

Dreama tries to wake, but realizes she can't move her feet and slips back into her sub conscience.

## DREAMA (CONT'D)

Good bye... all my friends in Tracy City.

Dreama says goodbye to the gang. She knows something bad is about to happen and she may never see them again.

## DREAMA (CONT'D)

I'll miss you Murdock and Sophie and Jake. You too Brenda and Billy Jack. I'll always miss you, but I'm leaving you okay. I'll miss all the fun we had and the friendship we shared. It was so unusual the buried treasure. I'm Leaving my Diamonds & Emeralds here with you all. I'm sliding over a rainbow back to myself. I'm going somewhere now goodbye to all my friends and puppy tiger, bye to my castle and all my murderous events. I'm getting a second chance in Life.  
(MORE)

DREAMA (CONT'D)  
I'm in a deep sleep I can't pull  
through . I can't wake up. I can't  
move my feet. Oh God help me move  
my toes and feet. Help me please.  
Tommy don't leave me. Goodbye Tracy  
City. Good bye Tennessee...

The Song, KNOCK-KNOCK-KNOCKIN' ON HEAVEN'S DOOR comes into Dreama's mind.

INT. HOSPITAL - CONTINUOUS

Dreama hears the familiar voice of her husband Charles Pencock, as she tries to awaken.

CHARLES  
Do you think she'll remember me?

NURSE #2 (30s) in WHITE SCRUBS responds.

NURSE #2  
Nah, she's been in a coma. She's in  
another world with other people her  
receptor has imagined from all  
sorts of visual stimuli.

CHARLES  
Yeah, I guess so. She squeezed my  
finger.

NURSE #2  
She did.

CHARLES  
I'll squeeze her finger back.

NURSE #2  
It's been one and a half years now  
that she's been out. They say if  
you play music and feed the  
comatose victim pureed foods like  
potatoes, burger blended up and  
puree peaches the victim will start  
to heal and the conscience will  
come back.

CHARLES  
Let's try, along with some vitamins  
in the food. Let's bring her back.

NURSE #2  
Okay, we'll get a Doctor's order on  
it right away.

The nurse picks up the phone and mumbles into it, then hangs up.

NURSE #2 (CONT'D)  
Well, he okayed the order.

CHARLES  
Good, it's a chance.

NURSE #2  
Let's pray she returns or we're  
going to have to cut the life  
support.

CHARLES  
No, I can't give up.

NURSE #2  
Alright, the kitchen sent up these  
puree peaches.

CHARLES  
Will she have a swallowing reflex?

NURSE #2  
She does, one teaspoon down here  
why didn't we try this before?

CHARLES  
Oh my goodness she's eating the  
whole bowl. Play her favorite song  
"He ain't Heavy, He's my Brother!"

MUSIC fills the air: "The road is long..."

CHARLES (CONT'D)  
She's opening up her eyes!

NURSE #2  
Something clicked with the pureed  
peaches and her favorite song. It's  
late, she looks comfy like she  
might doze off. Keep her bed up  
from the food 45 degrees upright so  
she won't asphyxiate.

CHARLES  
Okay, thank you nurse.

NURSE #2  
Let's let her sleep. We'll try this  
again tomorrow.

## CHARLES

I pray she heals and wakes up  
consciously alert and is all in  
tact. Please dear God don't let  
this go on a vent. I need her to  
come back now!

Dreama's almost dead as she lies in the HOSPITAL BED in the ICU unit.

Dreama awakens then shuts her eyes tight. She barely makes out the voice of Charles and the Nurse. She feels LARGE FEATHERED ANGEL WINGS on her back and around her shoulders. She tries to awaken, but falls back into a deep sleep. She doesn't know where she is, and she can't wake up.

She tries to find Murdock but can't find him. She tries to reach for her little baby Tommy, but can't find him.

## DREAMA

Murdock! Tommy! Sophie! Please help  
me get up, I need you!

She falls back into her sub conscience sleep.

Dreama sees STARS, ANGELS, the MOON and DARKNESS. She cries and tries to fall back a sleep. She feels someone poking a bite of food in her mouth it tastes good like pureed MASHED POTATOES AND GRAVY.

Dreama realizes she has been dead or in a deep dream sleep when she bargains her life back with God.

ANGELIC VOICES and ANGELS SINGING surround her! Her life flashes before her. Every scene, every person.

Dreama slowly opens up her eyes and sees what she imagines to be GOD (eternal). He is STRONG and has a good face with deep features, with a sturdy body. He looks into her eyes and speaks:

## GOD

Are you not ready for Heaven?

## DREAMA

(shouting)

No! I love Tiger and my parrot macaw. I have to live! I just have to live and stay alive to feed them! I miss my Gypsy and the good luck she had brought me! I want them alive, and I need them to be taken care of. I'm not ready for Heaven and to go there.

(MORE)

## DREAMA (CONT'D)

I need to study to be a Christian some more. I've only been to church a few times and I just know there's more to learn. I want to be with my suspects and solve the case of my friend Tommy.

## GOD

Oh, only in my heart do I know who did that, and I don't wish for you to contend with it anymore.

## DREAMA

Okay I won't, but can I have a second chance at life? I met a young lad in my dream sleep named Murdock and I've got to find him, and deal with him and use trickery to make him fall in love with me, one of the angels taught me to use them and they will help me love him and feel love in return. Please let me live God.

## GOD

Okay I will. I will send you angels to guide you to find the lad in your dream sleep called Murdock, and I will let you fall in love. I will send you back to your body and you will begin to meet the friends in your slumber and pull out of this coma, and see the puppy and parrot grow with you and find each friend as I show them to you again.

## DREAMA

Yes! I can't live without them and I promise that I will pray every step of the way and gather the friendships from my comatose and prove that I can make them more Christian like and follow a faith and have a life and pray that we will be united into a cleaner life and have everlasting life on earth. Pray very well that I will return and find my peace with these friends that I yearn to make into Christians not murderers and thieves.

## GOD

Please return to your body soon as I send you my army of angels to teach you how you will live your next life with those friends, as I place them in front of you one by one. Please pray those words. Please take yourself out of the drug life, like one weird dream.

## DREAMA

Oh good! I am so excited! I will be more careful!

Dreama extends her hands, reaching out to touch the face of God.

## DREAMA (CONT'D)

Thank you for this day, and forgive me for enjoying my comatose sleep more than my husband on earth. Thank you for placing me back with my bird and puppy Tiger! And all of my pets living and waiting for me. I want to be a Christian! I want to Live!

Dreama finally wakes. She stands. Dreama is dressed in a magnificent WHITE GOWN. Her angel wings arch beautifully down past her thigh.

## CHARLES

You're awake!

## DREAMA

Charles?

## CHARLES

Yes?

## DREAMA

I met and talked with God. I need to lay my head back on my pillow to tell Murdock my dream snake lover and Brenda and Sophie and Jake that I have entered the real world.

## CHARLES

As your lawfully married husband I beg you to stay awake and become coherent so I can take you home to your Victorian styled castle and live with me, and your little puppy, Tiger and Macaw.

(MORE)

CHARLES (CONT'D)  
You were once an oil painter of  
beautiful art! Do you remember? You  
need to return to your talent.

CUT TO:

EXT. VICTORIAN CASTLE - THE NEXT DAY

Dreama escapes through an OPEN WINDOW.

She steals Charles' T-Bone 1900 JEEP and drives out of town.  
She passes a sign the reads: TRACY CITY

EXT. HIGHWAY - NIGHT

Dreama stops at a COUNTRY STORE. There she sees a lad that  
looks just like Murdock from her dreams. She approaches.

He walks closer.

MURDOCK  
You look like a gal I would like to  
marry with a diamond ring and live  
happily ever after.

Dreama leans into him.

DREAMA  
What's your name?

MURDOCK  
Name's Murdock.

DREAMA  
Oooh! My name is Dreama Montgomery...

MURDOCK  
Do you want to live wild and  
dangerously?

Dreama laughs.

FADE OUT
