"THE HOLIDAYS"

FADE IN:

EXT. EMPTY LOT - DAY

It is quiet. We just hear the blow of the wind on the bushes. The teens, ROSS SPENCER and JEFFREY WOOD crawl under a fence that separates the empty lot from an abandoned old house. They head towards the house that has a big for sale sign.

INSERT THE SIGN: TO SALE

ROSS

I love FIONA, Jeff!

JEFFREY

I know.

ROSS

Would you die for someone?

JEFFREY

I don't know, man.

ROSS

I would.

(getting a stone throwing it far)

Do you know, Jef, she is my life!

JEFFREY

Hey, forget her for a while, uh? Maybe she is with a boy now...

ROSS

(grabbing Jeffrey by his collar)  
Shut up, stupid! Don't say that again!

JEFFREY

Okay, calm down man! Look, (pointing)

People say it's a haunted house...

ROSS

Bullshit!

JEFFREY

The family that used to live here disappeared, one by one. All of them except a boy...Did you know the family?

ROSS

No, I didn't.

Suddenly, Ross runs to the old house.

JEFFREY

Hey, Ross! Don't go inside, man.

It can be dangerous!

No answer.

Ross disappears inside the old house.

Jeffrey stays still thinking for a while and runs after him

INT. OLD HOUSE - DAY

It is wrecked with some holes in the roof, which allow the sunlight in.

Ross heads on. A lot of pigeons fly up scaring him.

He looks for a place to hide.

Ross notices a misplaced plank on the wooden floor. It covers a cavity where he fits in well.

He slips into it.

INT. CAVITY IN THE FLOOR - DAY

Ross puts the wood back into place. Just a beam of light comes in from the crack.

INT. OLD HOUSE - DAY

Jeffrey heads in.

JEFFREY

Hey Ross, I'm going to find you,  
man! Here we go!

He walks around carefully.

Jeffrey looks for Ross behind a door. It falls down raising a large cloud of dust in front of Jeffrey, scaring him.

INT. CAVITY IN THE FLOOR - CONTINUE

Ross is quiet.

POV of Ross through the crack reveals Jeffrey coming in his direction

Now Jeffrey is on the top of Ross. Jeffrey turns to look around and moves away.

Relieved, Ross stays quiet.

Ross notices a small box near him. He grabs it and puts it

under the beam in order to see it clearly.

Ross opens the box and inside there's something like a instant camera.

An old sepia picture, maybe from the fifties falls out. Ross doesn't notice it. He is amazed with the camera.

INSERT PICTURE: A FRIGHTENED COUPLE APPEARS IN THE PICTURE

INT. OLD HOUSE - DAY

Jeffrey continues looking for Ross in the house. Jeffrey is tired, sweating a lot. He sits downs on the stair steps.

JEFFREY

Hey Ross! I give up, man! I'm leaving now, okay?

Jeffrey looks around. Silence.

Jeffrey stands up and heads towards the front door.

JEFFREY (CONTINUING)

Off I go, man!

EXT. OLD HOUSE - DAY

Jeffrey leaves the house. He looks very upset.

As he walks, he looks back in order to see whether Ross appears.

Ross leaves the house running towards Jeffrey.

ROSS

Hey, Jeff. Look at this!

JEFFREY

What?

ROSS

Look what I found in there.

JEFFREY

Cool, man! A Camera!

ROSS

Yeah! A camera, man! It was a good find, wasn't it Jeff?

JEFFREY

Yeah, does it work?

ROSS

I don't know! Let's try?

JEFFREY

Yeah!

Ross looks through the camera's viewfinder as Jeffrey walks back.

ROSS  
Stay there, Jeff. Don't move,  
okay?

Jeffrey puts both his hands on his waist, like a super-hero.

ROSS  
One...Two...Three! Here it goes!

Ross' finger clicks the button.

The camera makes a mechanical noise and throws out a picture.

Ross doesn't get his eyes off the picture as he removes the black paper from the picture. He smiles as the image comes.

Ross raises his head to look at his friend but Jeffrey has vanished.

ROSS  
Jeff? JEFFREY!

Ross looks around.

INSERT PICTURE: JEFFREY LOOKS SCARED IN IT LIKE THE COUPLE ON THE OLD SEPIA PICTURE THAT WE SAW BEFORE INSIDE THE CAVITY.

ROSS  
(muttering to himself)  
Hey guy look at this. You look  
like a super-man or maybe an  
idiot!

ROSS  
JEFFREY!

SILENCE.

Ross enters the house again.

EXT. OLD HOUSE - MINUTES LATER- DAY

Ross looks around once more and leaves the house. He goes through the fence.

EXT. ROSS' HOME - GARDEN - DAY

It's a middle class home.

Ross plays basketball in front of the garage.

The phone is ringing inside the house.

WOMAN VOICE (OS)  
Ross! It's FIONA FRASER...

Ross throws the ball into the basket, runs and yells back.

ROSS

(stops playing)  
Okay mom, I'm coming...

Ross goes in the door.

INT. ROSS' HOME - LIVING ROOM - DAY

Ross rushes to the telephone.

ROSS

Hi, how are you doing? I'm fine...I was playing basketball... How about you? Are you at the beach? Good. I still have to ask JOHN if I can go, but I promise you I will... Okay, bye.

He hangs up.

EMILE SPENCER, late 30's, approaches him.

EMILY

She is at the beach, isn't she?

ROSS

(in a hurry)  
Uh-huh.

EMILY

Wait Ross...I need to talk to you, son...

ROSS

(standing at the door)  
After, mom.

EMILY

But, son it's important...Your stepfather...

Ross doesn't let her finish and leaves as the door closes behind him. Emily leans against it.

EMILE

Oh god! How am I going to tell him?

INT. ROSS' HOME - KITCHEN - NIGHT

Emily is in the kitchen.

Ross walks in.

EMILY

Ross, we need to talk...

ROSS

What about?

EMILY

About our holidays...

The phone rings.

EMILY (CONT.)

Just a second.

She goes to answer it.

EMILY

Hello. Oh is it you. How are you?

(looking at Ross)

Yes, he is here...

Oh my god!

ROSS (OS)

What mom?

EMILY

It's JUDY WOOD. Jeffrey still hasn't come home... She wants to talk with you.

ROSS

(on the telephone)

Hi, Mrs. Wood... No, I've told you... I don't know where he is. We were playing and he just disappeared... At the haunted old house, you know? No...just Jef and I...I didn't see anybody...

Emily looks at Ross apprehensively.

ROSS

Okay, Mrs. Wood... Please let us know when he comes back... We are worried too. See you.

Ross hangs up.

Emily looks through the window wondering.

ROSS

Mom?

EMILY

(distracted)

What?

ROSS

Mom, who was my father?

EMILY

What do you mean?

ROSS

Why was he raised in an orphanage? What happened to his parents?

EMILY

Look, don't think about it, okay? Forget it. They were good people... and your father was too, that's it.

ROSS

I heard his parents disappeared, is that true?

The telephone rings again. Emily rushes over to it, relieved.

EMILY

Hello...Oh, okay Judy we going right now.

She hangs up

EMILY

Let's go to Judy's. The police want to talk with you.

EXT. JEFFREY'S HOME - GARDEN - NIGHT

The police car is parked in front of the house.

INT. JEFFREY'S HOME - LIVING ROOM - NIGHT

Judy, late 30's, is crying. She is sitting on a sofa. Her husband KARL WOOD, early 40's, is beside her.

Standing in the middle of the room PAUL BROWN, a homicide detective is writing in a little notebook.

Emily and Ross sit down as Karl is trying to console his wife. He gives her a tissue.

KARL

It's going to be all right...  
Don't cry darling. Our Jeffrey will appear soon. He is a very smart boy... Come on Judy...  
Don't worry honey. The detective Brown from the homicide office will take care of it, won't you,

Mr. Brown?

DETECTIVE BROWN

Oh yes, I will, Mr. Wood...I mean your boy is okay... Look, don't worry Mrs. Wood I know how you are feeling. Our people will soon get some information about your little Jeffrey.

JUDY

(crying)

I want my son... my baby... Please, Karl, do something.

Emily and Ross look at him with pity.

KARL

Take it easy Judy. Just relax honey.

The Detective Brown goes to Ross.

DETECTIVE BROWN

Son, where were you this morning?

ROSS

We were at the old house. Near by here.

DETECTIVE BROWN

Hmm... What did you do there?

ROSS

We were playing...

DETECTIVE BROWN

Did you see anything strange, suspicious?

ROSS

I didn't Sir. Jef disappeared in front of my eyes. I took a picture of him right before... Here it is.

The detective Brown takes the picture and looks at it carefully.

DETECTIVE BROWN

He looks scared... What happened?

ROSS

I don't know... When I saw he just wasn't there anymore.

Detective Brown looks at everyone worried.

DETECTIVE BROWN

You aren't hiding something from me, are you?

ROSS

(tense)

No, I swear. Jeffrey is my friend.

Emily approaches detective Brown.

EMILY

Excuse me, detective, may I talk to you in private?

DETECTIVE BROWN

Of course, madam.

The detective leaves the picture on the sofa to talk as Ross takes the picture back.

EMILY

It's about something that happened in that old house, a long time ago...

INT. ROSS' HOME - KITCHEN - DAY

Ross is having breakfast at the table.

John Spencer, early 50's, looks like a puffy fighter comes into the kitchen holding a newspaper

Emily comes to the table holding a jar of juice and pours it into the glass.

John sits down and opens the newspaper.

Emily starts to serve Ross some cereal. Her hands are shaking. She looks apprehensive.

ROSS

Hey, mom. Something's wrong?

She tries to hide that she is worried and shows him a pale smile.

EMILY

(to Ross)

Oh, no, nothing is wrong, really!

John is hidden behind his reading.

ROSS

(stops eating)

No mom, you are lying.

Emily seems more nervous than she was before.

EMILY

John?

He doesn't answer.

EMILY (CONTINUING)

Hey, John, come on!

No answer.

EMILY (CONTINUING)

(yelling)

JOHN!

(desperate)

Please John, answer me!

Slowly, John moves the newspaper away from his face. He looks at her then he looks at Ross.

JOHN

(quietly)

Look, both of you. I hate when someone interrupts my reading, uh?

ROSS

What?

John takes a long sip of juice and goes back to his reading.

EMILY

Okay, okay! I'll tell him.

ROSS

What happened with you?

EMILY

I'm sorry son, I tried to tell you this morning...Ross we aren't going to the beach anymore. Do you hear me?

ROSS

WHAT?

EMILY

That's it! We'll stay at home in order to redecorate the house. No holidays for us this year!

ROSS

It isn't fair! Nobody told me that...

EMILY

We've already decided, Ross.

ROSS

(to John)  
Why? Why are you buying her with  
this shit?

EMILY

(worried)  
Stop son!

ROSS

No! It is true! He is buying  
you, mom. Just to stay here to  
redecorate this house...

John lowers the newspaper and faces Ross impassively.

JOHN

I didn't hear you, asshole! What  
did you say?

EMILY

Oh, my god! Easy John! Ross  
didn't say anything  
(to Ross)  
Right, son?

ROSS

No, mom I did!

EMILY

Oh God!

JOHN

Look at me, boy.  
(approaches Ross)  
You are just a kid and kids  
don't stick their noses in  
adult's business.  
(back to the newspaper)  
Stop acting like a foolish  
sissy, uh?

ROSS

I don't care! I can't understand  
what my mother saw in you, man!  
You aren't half of what my  
father was!

EMILY

ROSS!

John HITS the table.

JOHN

Out of here, NOW! You, bloody  
boy! You aren't going anywhere  
do you hear me? NOWHERE!

JOHN

Hmm, that was delicious!

John approaches Emily and hugs her from behind.

EMILY

Stop John!

JOHN

(disappointed)  
What?!

EMILY

Ross is furious. He wants to go to the beach anyway...

JOHN

Forget it. That boy wants to be punished...

EMILY
