FADE IN: "ATTACK ON TITUNS PT 1"

SPACE-MILKY WAY GALAXY

The story begins in outer space. Various characters from World's Collide explains the epic tale as to why they will soon come together as the audience is drifted away in many various parts of the universe.

KARI (NARRATOR)

In the Time Long Forgotten in a time of great turmoil and depression befell great warriors. Godlike leaders born to restore order in their failing universes

Silhouettes of the TITUNS stood together in space floating about.

RUKIA (NARRATOR)

These Beings of different worlds and times came together to put an end to the constant beings who threatened to destroy the peaceful living of countless innocents

HOTARU (NARRATOR)

Many times over these beings had to succeed bringing about peace throughout the Multiverse and almost never-ending happiness

GOHAN (NARRATOR)

But like all good things the TITUNS reign came to an end it was fore seen by a great prophet name Hodeida that these heavenly beings greatest foes would one day be those that were closer than they would expect them to be. Friends, Family lovers and children all corrupted by evil

RENAMON (NARRATOR)

It was said that those new enemies would bring the Multiverse to the brink of destruction heeding the prophets' words and the problems that they were already

causing. The HOLY ONES banished their own flesh and blood into the heart of the mountains of CRETE but they did not stay there for long evil always finds a way in and out of something

KIYONE (NARRATOR)

In a fit of rage these hurt beings formed an allegiance with the forces of darkness in order to destroy the ones whom they once loved and so the Great Prophecy played itself out and the Final War had begun

ICHIGO (NARRATOR)

The leaders fought hard against their foes but couldn't draw themselves to kill their loved ones so they failed and all was lost and evil had ruled all

Silhouettes of the HOLY ONES and the GLUTTONS clashed in the final frontier (space) tearing the galaxies almost completely apart the Multiverse was red like blood with Black huge patches and numerous of huge debris and dead bodies float around.

YASUKE (NARRATOR)

However there was one leader left who prayed with his last breath for the OMINSCENT ONE to give them all another chance to save the Multiverse and so it was done time had been reverted all the way back to the BIG BANG.

Time was reverted all the way back to the very moment of the BIG BANG

YASUKE (NARRATOR)

Now the time has come again when these leaders are needed to bring order back into the Multiverse and this time to prevent the end from happening again.

(BEGINNING SEQUENCE)

VOIDS

The 20 ULTIMATES, super powered beings created out of the negative and positive energy put off into the universe has been released into the crossing the place where all the universes gates meets.

NEMESIS

Go my children bring them to me!

THE ULTIMATES were released into the worlds to find and kill off the TITUNS. The ULTIMATES were highly prepared for this event.

ULTIMATES

It shall be done master

KURAKURATOWN-BLEACH UNIVERSE/DAY

While time was frozen solid as well as the whole town of KURAKURATOWN the captains of the Thirteen Court Guard and many brave SOUL REAPERS charged towards a horde of HOLLOWs. Leading them were two ULTIMATES the SOUL REAPERS fought endlessly against the HOLLOWs meanwhile YORUICHI gathered up ICHIGO and his friends who were severely injured battle

ICHIGO

What gives YORUICHI! LET ME GO! LET ME FIGHT!

ICHIGO struggled to get out of the arms of YORUICHI but her grip was too strong and he couldn't move.

YORUICHI

ICHIGO enough you don't have the ability to fight anymore.

URYU

THOSE THINGS TOOK OUR POWERS!

YORUICHI

No they didn't that was the work of
UREHARA

**ICHIGO and his friends were utterly surprised that UREHARA
one of their closest friends took their powers**

URYU

WHAT!

ICHIGO

Why would he do such a stupid thing at a
time like this?

YORUICHI

Because you no don't need them, well not
at the moment

IKKAKU and RANGIKU exchanged curious looks at each other

RENJI

Like hell we don't we're getting our butts
handed to ourselves

RENJI argues with YORUICHI

YORUICHI

That's because they know your every move
they've been studying you all since you've
all came into your special powers

URYU and the others were stunned

URYU

W-who were they? And what they want with
us?

YORUICHI closes her eyes and took a deep breathe

YORUICHI

It's a long story I can't explain it to
you but you will find your answers real
soon.

ORIHIME

They got KEIGO and most of our friends

ORIHIME panics

YORUICHI

I'm sorry but there is nothing that we can do to save them at this time but there is a way you all just got to trust us on the type of decision that we made

ICHIGO and his friends were all puzzled by YORUICHI's words

YUMICHIKA

YORUICHI what's going on tell us who are these people and where in the world is TOSHIRO and RUKIA

YORUICHI

You're about to find out

YASUKE YAMAMOTO the great grandson of CPT. YAMAMOTO was before a giant metal door with CPT. SASKIBE. Accompanying YASUKE was a talking TREECKO (POKEMON) that has been at his side since he was mere child. The metal door that the three stood before is identical to the one MYOTISMON used to get into the real world in DIGIMON ADVENTURE 01.

YASUKE

Wait! Why do I have to go?

CHOJIRO

You don't have a choice YASUKE the fate of the worlds rests your hands your survival is greatly needed

YASUKE

So this is it TREECKO the moment that we've been waiting for

TREECKO was resting on YASUKE'S shoulders

TREECKO

Well we were prepared for it so we're
ready I hope

**YORUICHI, TESSAI, URURU, and JINTA brought ICHIGO and
friends the great barrier in a dark alley way**

CHOJIRO

Ah you've arrived and just in time too
were ready to launch

**The group placed the injured warriors before the
wall**

TESSAI

Time to go

TREECKO

Look YASUKE at least we're not alone

ICHIGO and friends were startled by TREECKO

IKKAKU

Am I seeing something or is there a
talking green lizard on that kid's back

YUMICHIKA

No you're not I'm seeing it too

TREECKO

Oh god I just freaked everyone out

YASUKE had his face his palm

CHIZURU

HELP! HELP! Someone please help me

**The group was alerted by CHIZURU who was being chased by an
HOLLOW that was hot on her trail however IISHIN arrives
completely destroying the HOLLOW. IISHIN arrives with his
two daughters YUZU and KURIN, ICHIGO's younger sisters.**

IISHIN

In you go

IISHIN placed CHIZURU and his other survivors into the portal

KURIN

Be careful dad?

IISHIN

You too KURIN tell MUSYAMON that I'm going to have another match when this all done and over.

KURIN smiled

KURIN

Sure thing dad

ICHIGO

DAD?

IISHIN

ICHIGO! I want you to take good care of your sisters for me while you are away

ICHIGO

Dad what are you talking about

YORUICHI

Initiating Gate!

YORUICHI performed the same card ritual as the kids in the first DIGIMON series did to open's MYOTISMON's gate to the real world.

YORUICHI

Okay the gates open time to go through

YORUICHI pushes everyone into the gate as she was instructed

CHIZURU

Wait! YORUICHI were exactly are we going?

YORUICHI

To someplace that they can't find you I know you're not going to like the situation beyond that gate but you're going to have to deal with it until you all learn what you all needs to know.

URYU

And what's that?

A HOLLOW leaps out of nowhere and attacks everyone

PIXIEMON

PETITE BOMB!

PIXIEMON (DIGIMON ADVENTURE) appears out of nowhere to help YORUICHI and his friends

ICHIGO

What in the world?

YORUICHI

PIXIEMON what are you doing here?

PIXIEMON smiled

PIXIEMON

Hello my old friend the elders told me that you might needed a little help so I thought I'd stop by

PIXIEMON flew in front of YORUICHI as if he was protecting her.

ICHIGO

No way! That looked like one of those monsters from the V-PET games that my sister and I used to play

YUZU

It is

ICHIGO

But how? Wait how you know?

KURIN smirks

KURIN

It's a long story

IKKAKU was surprised

ICHIGO

What? What are you talking about

KURIN

Let's just say that we were already prepared for this day to happen

ICHIGO and the others were mesmerized by what KURIN just announced

TESSAI

Look we don't know how long this invisible barrier will stand you all has to move quickly

TESSAI and JINTA was pushing RENJI and CHAD into the portals

JINTA

Alright time for you guys to go now, Now hurry up?

RENJI

Alright already you don't have to push

RENJI and the others entered the portal immediately

ICHIGO

Dad let me stay and help you fight

ICHIGO begs his father

IISHIN

You're going to help me enough by you escaping that gate you're not ready for this at least not yet.

ICHIGO

But dad?

IISHIN

GO ICHIGO! I'll be fine besides I have KON, UREHARA, YORUICHI, and the others to back me up but right now I need you to stay with your sisters... DO AS I SAY!

ICHIGO followed his dad orders and entered the gate with the others. As they entered the metal gate YUZU, KURIN and YASUKE'S D-DEX spewed out colorful lights giving each and every one of them D-DEX. ICHIGO received a gold D-DEX becoming the TITUN of the sun and the leader of all the TITUNS. URYU got a plum colored D-DEX and was now the TITUN of SEDNA. CHAD got a bronze D-DEX and became the TITUN of IAPETUS. ORIHIME got a fuchsia D-DEX becoming the TITUNESS of ERIS. CHIZURU got a maroon D-DEX and became the TITUNESS of MAKEMAKE, IKKAKU got a dark green one and became the TITUN of PHOBOS. RENJI received a cardinal D-DEX becoming the TITUN of DEIMOS. RANGIKU got a platinum D-DEX becoming the TITUNESS of TITANIA. Lastly YUMICHIKA got a wisteria D-DEX becoming the TITUN of JANUS. EACH represent a celestial object in the solar system. The newly appointed TITUNS were completely stunned

URYU

What in the world are these?

TREECKO

Welcome to the world of the TITUNS

KURIN

Hold on to each other tight because it's
going to be a bumpy ride

The group got snatched up by the force of the portal. They were pulled in kicking and screaming into the unknown. IISHIN watched on as the door closed and disappears also into the unknown

IISHIN

(Good look my children)

UREHARA

Remind me to think WASHUU for her little
portals if we make it out

The two unidentified beings approached the barrier

IISHIN

You're a little too late they're already
gone now but you have us to fight instead
ready?

SEIGO

Do we have choice?

Everyone stood guard waiting for IISHIN's command. ISSHIN looks into the face of Lady CELT, who is actually ICHIGO's mother MASAKI KURASAKI in disguise. NEMESIS actually took MASAKI from her family and faked her own death in a twisted way to use her against ICHIGO as he would one become the SUN TITUN thus the leader of the TITUNS.

IISHIN

I'm sorry MASAKI but you leave me no
choice Attack!

Immediately IISHIN and the others attacked the unidentified beings that stood still not moving an inch.

(COMMERCIAL BREAK)

DIGIMON ADVENTURE UNIVERSE-MT.FUJI

The original DIGI-DESTINED'S DIGIMON and their counterparts were all defeated NEERO and GHIDDORAHMON and several other evil DIGIMON. NEERO is a DIGIDESTINED manipulated by LADY-MYOTISMON and the other ULTIMATES. He has been trained by each and every one of them to hunt down the TITUNS. He is the DARTH VADER of the series.

NEERO

Are you serious us this the best you got
you guys ought not to fight with so much
force hmhmhm

The DIGI-DESTINED ran to their partner's aid.

NEERO

Oh did I broke your little toy

TAI

Shut up!

TAI lunged to NEERO with his fist. Using telekinetic powers NEERO froze TAI in time then flung him backwards thus used his powers to manipulate the air and trap TAI in an air funnel.

MATT

TAI!

The funnel began to move thus capturing MATT, CODY, and KEN in the process as it proceed in capturing the other MIMI and the other DIGIDESTINE intercedes.

LILLYMON

FLOWER CANNON!

SEADRAMON

ICE BLASTS!

FLARELIZARMON

FLAME TOWER!

COELAMON

FOSSIL BITE!

The tree stopped the funnel in its tracks

TK

MIMI!

SORA

What took you so long?

MIMI

Well we had an attack over there too some seriously powerful DIGIMON named PATRIMON just came out of nowhere and fought us for no reason

MICHAEL

Yeah and they captured most of our DIGI-DESTINED friends we were lucky enough to have escaped

PHIL

The DIGIMON PATRIMON had everyone else frozen in time so it would be easier to find us.

NEERO

Great more slaves for my masters

MICHAEL

You're a fool those DIGIMON are just toying with you using you as a pawn to get them what they want after they're done with you they're going to throw you in the trash

MICHAEL irritated **NEERO**. **NEERO** hurled a **KI-BLAST** attack at him. **SEADRAMON** jumps in the way of the attack and was regressed back into his rookie form **BETAMON**

MICHAEL

BETAMON!

NEERO

I had enough playing games **GHIDDORAHMON** get them

GHIDDORAHMON attacks the other **DIGI-DESTINED's DIGIMON**. **LILLYMON** and the other **DIGIMON** put a decent fight but was later defeated by **GHIDDORAHMON** due to an earlier fight with **PATRIMON** another agent of **LADY-MYOTISMON**. They all reverted back into their rookie forms. **FLARELIZARMON** regressed into his rookie form **TOYAGUMON**.

NEERO

PATRIMON really did a number on you all ehehehe this was too easy

As **NEERO** began to capture the other **DIGI-DESTINED**. **GENNAI** comes with the aid of **AZULONGMON**

AZULONGMON

LIGHTING WHIP!

The massive attack stopped **NEERO** in his tracks and prevented him from taking the other **DIGI-DESTINED**

TK

GENNAI

YOLEI

AZULONGMON?

GENNAI

Get out of the way

GENNAI leaps down from a portal that **AZULONGMON** was in. The other **DIGI-DESTINED** were quickly surrounded by **WEEDMON** and **VEGGIEMON** suddenly **GOTSUMON** and **PUMPKINMON** (two of **MYOTISMON's** former henchmen) and a **BLAREMON** (**ABIGAIL WINSLET**) came to help the others

PUMPKINMON

PUMPKIN POWER!

GOTSUMON

ROCK FIST ATTACK!

BLAREMON

SMOKE BOMB!

GOTSUMON and PUMPKINMON were able to uphold the WEEDMON while BLAREMON blinded them all. SHAY GREMORI (BRANDY NORWOOD), an AFRICAN AMERICAN DIGI-DESTINED from SOUTH CAROLINA, her younger brother ZAK and his Latin American friend CARLOS PENATA arrived at the niche of time to save the other DIGI-DESTINED.

SHAY

Did someone called for backup?

DAVIS

No but thanks

SORA

SHAY?

SHAY

SORA!

SORA recognized SHAY from her pre-school days. SHAY was also there in ODAIBA to witness the fight between both GREYMON and PARROTMON.

SHAY

Long time no see

SORA

Yeah it has been awhile

JOE

I knew that there were someone else besides us who say GREYMON and PARROTMON duking it out in ODAIBA and I figured it would be her

YOLEI

You know her?

SORA

SHAY was my best friend in elementary I haven't seen her since second grade

PUMPKINMON and GOTSUMON helps TK and the others off the snowy ground.

PUMPKINMON

Need a lift?

TK

PUMPKINMON! GOTSUMON!

GOTSUMON

You missed us pal

TK

I thought that we would never see you again?

PUMPKINMON

We thought that too until the GENNAI sent us back to EARTH to become partner DIGIMON

GOTSUMON and PUMPKINMON reflected on their fight with MYOTISMON (DIGIMON ADVENTURE 01 EPISODE 33: OUT ON TOWN) and the two flying stars that shot across the skies at the end of the episode. It turns out the two DIGIMON were sent

back to Earth by the FOUR DIGIMON SOVEREIGNS to become new DIGI-DESTINED DIGIMON but not only that BEAST GAURDIANS to the TITUN of EARTH,ZAK and the TITUN of the moon TITAN of the planet SATURN, which is CARLOS.

GOTSUMON

Yeah he said that the SOVERIEGN were very pleased with our bravery against MYOTISMON so they awarded us with human partners. TK meet my buddy ZAK

ZAK daps TK

ZAK

Sup! Little dude nice to meet you

TK

Little dude?

DAVIS

Its slang was uuup?

DAVIS dapped up ZAK

SORA

Looks like DAVIS made a new friend

PUMPKINMON

Allow me to introduce my partner CARLOS PENATA

CARLOS waves at the other DIGI--DESTINED

CARLOS

AHOLA AMIGOS!

PUMPKINMON/GOTSUMON

And we are...

ALL 4

The big bad four

BLAREMON

More like the big dumb for

BLAREMON teases the men

ALL 4

Shut up!

IZZY

Whoa a BLAREMON they are said to be an extinct species of DIGIMON that used to roam in volcanoes they are said to love to swim in the hot lava and their SMOKE BOMB attack would make you go blind

BLAREMON

Do I look like I'm extinct to you pal

IZZY

Not at all

BLAREMON

I thought so. Man your DIGIMON don't look so good they look like they got their butts handed to them twice

SHAY

BLAREMON girl chill

NEERO

You can protect them all you want but we're still going to get them

GENNAI

Wake up child you're being used

NEERO

Nonsense the TITUNS ARE THE REAL EVIL
ONES!

NEERO strikes GENNAI with his ZANPATSO. AZULONGMON created a metal door similar to the one in MYOTISMON's castle to allow the other DIGI-DESTINED to escape

AZULONGMON

HURRY into the portal before it's too late

DAVIS

But TAI and the others

AZULONGMON

I'm sorry but there is no time to save
them you must leave at once

DAVIS

But

AZULONGMON

GO!

As AZULONGMON shout thunder roared invoking fear into the DIGI-DESTINED

PHIL

You don't have to tell me twice.

PHIL was the first to do so thus allowing his DIGIVICE to turn into a flame colored D-DEX, which are DIGIVICE and POKEDEX all in one. PHIL's D-DEX's screen revealed the symbol of the moon ENCELADUS a moon of Saturn in which PHIL now represents. All TITUNS represent a particular celestial body in the SOLAR SYSTEM. Whether it be a star or planet, or even moon the TITUNS represents them all. It's a way to tell those across the multiverses that they are the natural guardians of the Solar Systems in any reality or universe.

PHIL

Whoa new DIGIVICES?

AZULONGMON

Something like that they're going to help you in the next world

YOLEI was second to point her D3 DIGIVICE to the portal changing it into a MAGENTA D-DEX. The symbol of QAOAOR appeared on its screen. PHIL, YOLEI and their partners got snatched up into their portal

MICHAEL

Well here goes nothing

MICHAEL points his DIGIVICE to the portal and his DIGIVICE transformed into a CYAN colored D-DEX. The symbol of HUYA, a CUBEWANO appeared on his screen. DAVIS and TK pointed their DIGIVICES to the portal. TK's D3 turns into a D-DEX transforming into a GOLDENROD D-DEX colored thus revealed to be the TITUN of UNRANUS. DAVIS'S D3 transformed into a COBALT BLUE colored D-DEX revealing to be the TITUN of HYPERION.

DEREK

Let's go guys

Soon all the others followed transforming their DIGIVICES into colorful D-DEX devices. These devices would be a big help to the DIGI-DESTINED and help them unlock their true powers. The other DIGI-DESTINED followed as we thus their DIGIVICES changed to D-DEX as well; JOE (BLUE/NEPTUNE), SORA (VERMILLION/ VENUS) MIMI (LIME/HYGIEA), ZAK (GREEN/EARTH), DEREK (GREY/TRITION), CARLOS (PUMPKIN/TITAN), and SHAY (IO/ORANGE), IZZY (BURGUNDY/IXION).

IZZY

Pro-digious

NEERO

I don't think so

Using his telekinetic powers NEERO hurls GENNAI to the ground leaps on top of GHIDDORAHMON and flies towards the TITUNS. AZULONGMON struck the two down also into the portal

with the newly formed TITUNS-TO-BE thus was sucked by the gate. The TITUNS fell in a similar manner as the DIGI-DESTINED from the original series. TAI and the others were freed from the funnel

TAI

They're gone and so is he AZULONGMON?
Where did they go?

AZULONGMON

To someplace very safe

MATT

They're not safe with NEERO around

AZULONGMON

Trust me they're safe.

(COMMERCIAL BREAK)

WITCHELNY

The soon to be future TITUNS each all fell into the world of WITCHENLY, a hidden DIGITAL WORLD of another dimension. WITCHENLY is a safe haven for all life forms from multiple universe because it's heavily protected by great magic and undetected magnetic digital forces. So it can't be found by any radar or any magical device it's the number one perfect hiding spot for the TITUNS away from the ULTIMATES. The 200 TITUNS fell like meteors in various locations in WITCHENLY some in the same areas some on different continents. The wind blew hard on the TITUNS faces as they fell to the ground.

AMI

Heavens that portal is huge and those
winds is blowing hard

YOH

Yeah here they come

Joining the nine and their partners in the grassy fields were fellow VETERAN TITUNS; YOH ASAKURA (SHAMAN KING), KAI UZAROE (DIGIMON TAMERS), SANGO (INU-YASHA), MAX (POKEMON). MAX is now a year older in WORLD'S COLLIDE older than TOMMY HIMI thus a full POKEMON TRAINER. MAX is now the TITUNS of the moon OBERON.

MAY

RENAMON

We don't know who could've made it here

keep their identities a secret for our
sake for all we know most of them could be
our greatest enemies

RUKIA

(ICHIGO)

ZOE

(TAKUYA, KOJI, KOICHI PLEASE MADE
IT THROUGH)

VEGETA

(TRUNKS I hope that's you out there son)

**The TITUNS thought about their friends and love ones hoping
that they were selected to become TITUNS like themselves
but most importantly made it out of harm's way. SOARMON,
ZOE's partner leaps onto ZOE's back**

SOARMON

Fix your face cheer up everything will be
fine I'm sure YUZU and KURIN made sure
that some of your friends made it

ZOE giggles

ZOE

I hope you're right

CALUMON

Momentai ZOE as my friend TERRIERMON would
say

CALUMON (DIGIMON TAMERS) floated around ZOE

ZOE

I sure wish to meet him since you talk about him a lot

JP

You probably are

The TITUNS BEAST GUARDIANS, the TITUNS animal power and protectors showed up behind their partners and they are LUCARIO (POKEMON MOVIE #8/SASUKE) GATOMON (KARI KAMIYA) a KOTEMON (YOH ASAKURA)

ORGEMON

So much for a break around here

VEGETA

Yeah no kidding

ORGREMON (DIGIMON ADVENTURE/VEGETA), RENAMON, LEOMON (DIGIMON ADVENTURE/TAMERS/JERI) TEDDYMON (JP'S PARTNER), SOARMON (ZOE'S PARTNER), AMI'S MARILL (POKEMON), MUMMYMON (DIGIMON ADVENTURE/JAMES), ARUKENIMON (DIGIMON ADVENTURE 02/JAMES), a HOOTMON (NEW) who is RUKIA'S partner, FLORAMON (DIGIMON ADVENTURE/BULLA), SNOW-AGUMON (2006 Anime version/ TOSHIRO), MAY'S SKITTY, GARY'S talking MAGBY, SABRINA'S MEWTWO, MAX'S RALTS (POKEMON) and AVAARKMON (HINATARO) all showed up beside their partners. MAX'S RALTS is the same RALTS that he met on his adventure with his friend ASH KETCHUM and his sister.

TOMMY

Look! Here they come!

TOMMY was the same age that he was when he left the DIGITAL WORLD in the finale of DIGIMON FRONTIER. He joined this group shortly afterwards while visiting his grandparents and after his group were called upon to defeat APOCALYMON. TOMMY HIMI is thus far the youngest TITUN in the group.

GARY

There's so many of them

TAPIRMON

I hope that they don't land on us

TAPIRMON quivered

HINATARO

Me too

HINATARO quivers

SABRINA

Told you

VEGETA

Well it took them long enough I'm ready to
get this over with

VEGETA pouts

TOSHIRO

Patience my friends

FLORAMON

Yay! DERAMON we get to see TK and his
friends again

FLORAMON dances with joy

DERAMON

I heard that he's gotten bigger

FLORAMON

Duh that's what happens when you age

BULLA

Hey RUKIA maybe your boyfriend is up there
(teasing)

RUKIA blushed

RIKA

Yeah you've been talking about him this whole time (teasing)

RUKIA

He's not my boyfriend (but I do hope he made it)

HOOTMON

Someone's blushing

RUKIA shrugged HOOTMON off of her shoulders

RUKIA

Cut it out

RIKA and BULLA laughs. Meanwhile ULQUIORRA was staring at the showering TITUNS concerned about ICHIGO and how he would receive him now that he is a human being.

BULLA

ULQUIORRA are you alright?

ULQUIORRA

Oh I'm fine

ULQUIORRA snapped out of his vision

RUKIA

It's going to be fine okay he'll get used to you

LEOMON placed his hand on ULQUIORRA's shoulder and shook his head letting him know that everything is going to be alright

TOSHIRO

Well let's not just stand here let's go meet them before KING-ETEMON's henchmen does

JERI

Gosh I hope that TAKATO and the others are alright

LEOMON

Only one way to find out lets go meet them

LUCARIO was having pains in his arms due to a bite from a MAINGEMON, one of KINGETEMON's henchmen. Years ago LUCARIO got bitten by MAINGEMON trying to save SASUKE in the process. The bite re-arranged LUCARIO's DNA and causes him to evolve into a POKEMON-DIGIMON HYBRID known as AMAROAKMON when he doesn't have control of his aura.

SASUKE

What's the matter is it the bite?

LUCARIO

Yes it's getting worse I'm afraid that I will turn into a DIGIMON again and won't be able to control myself the next time

SASUKE

It won't happen again I assure you

SABRINA

The problem is not within him it's within you the sooner you manage to obtain and manipulate your spirit energy the better

SABRINA walks off behind VEGETA and ORGREMON leaving SASUKE worried about himself and LUCARIO.

UPA

Well we better go find these guys before SIR GLADAMORE and his crew finds them and try to persuade them against and us we don't want that to happen

SIR GLADAMORE is the TITUN of AEGEON. He hails from the BLEACH UNIVERSE and has BLACKWARGREYMON (DIGIMON ADVENTURE 02) for his partner. He and some other TITUNS are not so keen about being TITUNS and wish to destroy their fellow comrades. There is about 50 VETERAN TITUNS running around in WITCHELNY and some of them are not good. KARI was looking up at the stars worried about her brother TAI and their friends.

KARI

(TAI)

CAPARIMON, PANBATCHIMON, LUNAMON, and all the soon to be partner DIGIMON gathered around awaiting their new friends

CAPRIMON

Well here they come guys let's go meet them

GODZOOKIE, an unknown DIGIMON hybrid was wondering about the FOREST AREAS when he witnessed the events

GODZOOKIE

Cool light show I wonder what kind of gem stones will fall from the sky this time. Ooh those aren't any gem stones those are humans and one is coming this way. I hope those guys have parachutes

GOZOOKIE rushed to the rescue of some of the falling TITUNS. Meanwhile a shadowy figure LORD OROCHIMARU was watching deep within the dark thickets of the forest area of the arrival of the other TITUNS. LORD OROCHIMARU stood upon an OROCHIMON his BEAST GUARDIAN watching the entire thing but they weren't alone. KABUTO (NARUTO) was sitting on a branch beside him watching the event himself with a FROAKIE (POKEMON) at his side but adjacent to KABUTO was RARONA, A psychic medium from the POKEMON universe and her ILLUMISE and down below ALICE MCCOY (DIGIMON TAMERS) and her DOBERMON. OROCHIMARU and his crew are also TITUNS as well OROCHIMARU is the TITUN of HYDRA, KABUTO the TITUN of THEMISTO, RARONA of SINOPE and ALICE of KERBEROS. The fact these individuals are TITUNS are conflicting between their original motives in life whether it be good or bad. The band also known as the BIG 5 seeks to persecute the other TITUNS because they fear that the TITUNS would do the same thing as in the TIME LONG FORGOTTEN and to steal their

powers much like the ULTIMATES. OROCHIMARU laughs in amusement.

(COMMERCIAL BREAK)

WITCHENLY-DAYTIME

ICHIGO KUROSAKI awoke to find GODZOOKIE, a hybrid DIGIMON &POKEMON and some unknown species looking before his very eyes.

GODZOOKIE

Wakey wakey!

GODZOOKIE startled ICHIGO

ICHIGO

WHAT THE?

ICHIGO was alerted by GODZOOKIE being all up in his face and jumped up from the ground

ICHIGO

What the hell.

ICHIGO yells at GODZOOKIE

GODZOOKIE

Chill dude! I mean you no harm just was helping you out. You fell from the sky hard and I saved your from falling down a giant tree

ICHIGO looked around wondering where he was

ICHIGO

Where am I?

GODZOOKIE stood up tall

GODZOOKIE

Welcome to WITCHENLY the hidden DIGITAL WORLD as people calls it and I'm GOD-ZOOKIE

ICHIGO

GOD-WHO?

IZZY walks up behind ICHIGO startling him with his sudden appearance.

IZZY

His name is GODZOOKIE he's a mixture of DIGIMON and several other unknown species I'm surprised that there was a bio on this creature because he's so mysterious his favorite attack is HELIOS SPHERE which is an attack so powerful that it could leave damage to some mega DIGIMON

ICHIGO had a surprised look on his face

ICHIGO

You again!

IZZY

I prefer to be called IZZY if that's alright with you

ICHIGO smirked. Like TAI, IZZY would be very close with ICHIGO throughout WORLD'S COLLIDE.

ICHIGO

Izzy huh? I'm ICHIGO, ICHIGO-

IZZY

I know that's what this DEVICE told me on your BIO, ICHIGO KUROSAKI SUBSTITUTE SOUL REAPER and the TITUN of the SUN

IZZY cuts ICHIGO off and finished his sentence

ICHIGO

Wait how do you know that who I am?

IZZY showed ICHIGO his burgundy D-DEX the presented to ICHIGO that IZZY was the TITUN of IXION

IZZY

From this strange new DIGIVICE I have here
it revealed to me who you are and your
whereabouts

ICHIGO

DIGIVICE?

IZZY

Yes at least I think so you have one too

ICHIGO also took a look at his GOLD D-DEX the astronomical symbol of the sun appeared on its screen. The TITUN's D-DEX is also an evolutionary accelerator and Decelerator for POKEMON it also gives bios on trainers and other unknown Pokémon as well.

ICHIGO

Whoa I remember this I got this on the way
here.

ICHIGO remembers getting the D-DEX along with his friends on the way to WITCHENLY.

ICHIGO

What's it for

IZZY

It's too make your DIGMON partner
digivolve whenever necessary

ICHIGO

DIGIMON?

IZZY

Yes you are a DIGIDESTINED aren't you?

ICHIGO

I don't think so

IZZY was stunned

IZZY

Then you're probably just a newbie you'll probably get your DIGIMON a bit later on it sometimes happen like that

ICHIGO was confused

ICHIGO

(What kind of crazy world is this?)

ICHIGO thought to himself

ICHIGO

What's a DIGIMON?

TENTOMON pops out of nowhere

TENTOMON

We are artificial creature made from data but we each have a mind and personality of our own, I'm TENTOMON by the way

ICHIGO

Ohm.. hye TENTOMON it nice to me you

TENTOMON

The pleasure is all mine

ICHIGO

What happened to my clothes?

ICHIGO noticed that his clothes had changed and was liking what he had on. ICHIGO wore a white T-SHIRT with Blue short sleeves and with a golden strap running cross it with the expression "Courage" written on it. He also wore blue jean thus black and gold shoes. Originally, RAD WHITE of Transformers: Armada was my pick to be the Leader of the TITUNS in WWC but was changed due to favor of ICHIGO and Bleach

GODZOOKIE

Don't look at me you were wearing them

when I found you boy were the two of you
dangling hye in that tree

**GODZOOKIE pointed to the tree where he found IZZY and
ICHIGO**

TENTOMON

GODZOOKIE was just walking by when he saw
us he has been a good help

ICHIGO

Thank you

GODZOOKIE

You're welcome

**GODZOOKIE shook ICHIGO's hand and immediately that got a
shock from each other so much so that gold energy was
coming from their palms**

GODZOOKIE/ICHIGO

Ouch! What was that?

The curiously looked into their palms

GODZOOKIE

(What's up with this kid?)

GODZOOKIE wondered to himself in thought and so did ICHIGO

ICHIGO

(I swear I've seen that dinosaur from
somewhere but where)

SORA arrives with BIYOMON, NEEMON, and MIHOESHI

ICHIGO

What in the world are we doing here?

IZZY

Your guess is as good as mine but I
guarantee it has something to do with the
DIGIMON that attacked our world

**ICHIGO reflected on his world being attacked by the two
ULTIMATES earlier**

SORA

IZZY! Oh there you are I was looking for
you every where

SORA and BIYOMON ran to IZZY AND TENTOMON

IZZY

I'm fine thanks to this guy here

**IZZY daps GODZOOKIE with his knuckle and GODZOOKIE did the
same giggling.**

IZZY

SORA, BIYOMON this is GODZOOKIE

IZZY introduces GODZOOKIE

SORA& BIYOMON

Nice to me you (smiling)

SORA

(He looks so familiar too oh this is all
weird it's like I'm having this wired
reunion or something)

**SORA thought to herself. SORA noticed ICHIGO standing next
to them**

SORA

Oh it's you again

ICHIGO

ICHIGO nice to meet you

ICHIGO smirked

SORA

Hello ICHIGO of course you already know my name but my question is how?

ICHIGO scratches his head curious to know himself how did he knew SORA's name.

ICHIGO

I don't know that's a good question but I got this weird feeling that I knew you all once before or something I don't know how to explain it

SORA and BIYOMON were puzzled

SORA

Come to think it you do look sort of familiar but you're from another world right

ICHIGO

Yeah

SORA

Strange oh well nice to meet you ICHIGO

MIHOESHI was holding NEEMON tight

NEEMON

MIHOESHI you're squeezing me

NEEMON humorously tried to squeeze his way out of MIHOSEHI'S hand but MIHOESHI's grip was too tight

MIHOESHI

I don't want to let you go that's why I already lost some of my friends I don't want to lose nobody else

MIHOESHI whines.

NEEMON

Trust me I'm not going anywhere
(suffocating)

TENTOMON

Wow a NEEMON I haven't seen one of those
since the ancient records. They supposed
to have been extinct since Ancient times

IZZY

Well they're not anymore

BIYOMON

We found him stuck in some mud with
MIHOESHI we thought that they came
together but no MIHOESHI comes from
another universe

IZZY

I see so this NEEMON must have come from a
parallel universe like ours

BIYOMON

Correcto Mundo!

NEEMON pops out of MIHOESHI'S grip

SASAMI

Hye there! I am SASAMI and this is my
friend LUNAMON are you friends of SORA

IZZY

Why yes we are

ICHIGO and IZZY looks surprised

LUNAMON

Nice to meet you friends of SORA

MIHOESHI was squeezing the life out of NEEMON

SORA

That's MIHOESHI KURAMITSU she's also from another universe she claims to be from some SPACE POLICE ACADEMY but to me she's a real dud

IZZY

It says here that she's the TITUNESS of ADRAAREA a moon of JUPITER.

SORA

The little one is SASAMI she's supposed to be a princess of some planet from another universe

IZZY

That's true my D-DEX says she's over seven-hundred years old and is the TITUN that represent the moon NAMAKA of the DWARF planet HAUMEA.

TENTOMON

She looks seven years old than seven-hundred years old too me

BIYOMON

Yeah I'll say

BIYOMON agrees

SASAMI

Wow more DIGIMON how awesome!

SASAMI grabs and hugs up BIYOMON and TENTOMON and laughs in delight.

ICHIGO

So what's all this stuff about TITUNS? And how come we're protectors of a star of planet in our GALAXY

ICHIGO pointed his D-DEX in ICHIGO's face wanting questions about being a TITUN. IZZY stood there thinking of a possible answer to ICHIGO's question

IZZY

I don't know but the obvious answer is that they are us which may also explain why we all are here. Perhaps this is the new name for the DIGI-DESTINED who knows

IZZY took a seat on the ground still thinking about the situation. ICHIGO sat down next to him

ICHIGO

Yeah that would make a lot of sense but I wonder where everyone else went like my sisters and my friends. SORA did you see anybody else around here

SORA

No not at all

SORA shook her head no

BIYOMON

The only people we found was SASAMI, MIHOESHI and NEEMON everyone else was a no where to be found

GODZOOKIE smelt the sky sensing many other humans in the area and around the island

GODZOOKIE

I sensing them they're hundreds of them all around this island

ICHIGO

Hundreds

IZZY

Whoa it never was a group of that capacity before I wonder what gives

SORA

You know IZZY I'm beginning to think that this is something beyond us DIGI-DESTINED.

IZZY

You know what SORA I'm beginning to think the same thing.

SORA

So what do we do now?

IZZY

I say we go look for those other humans hopefully they might be some of our friends

ICHIGO

That's a good idea

GODZOOKIE

Wait it's not safe to go out there on your own not with GINKAKUMON's hordes walking around now

ICHIGO

GINKAKUMON

GODZOOKIE

He was once the TOP GENERAL of BARBAMON one of the great evil lords. About 2 years ago there was a great battle between him and humans much like yourselves and they all defeated BARBAMON and injured GINKKAKUMON he has been in hiding ever since but some say he is looking for the sword of might to seek his revenge on them so he's been pretty active but not totally he's in his dormant state but if he gets this sword he would be a challenge

GODOZOOKE was referencing to the VETERAN TITUNS the TITUNS who started their adventure four FIVE DIGI-YEARS early which is a day in the human worlds.

TENTOMON

So this sword of might what's its story

GODZOOKIE

It's said to be some ancient sword dropped here in WITCHENLY during the GENESIS WAR the war that created all life by an angel this sword is said to enhance the wielders spiritual energy It was used once before by an evil DIGIMON who nearly destroyed the world but he was subdued and the sword has been locked away and buried somewhere around WITCHENLY

GODZOOKIE reflected on the story of the SWORD of MIGHT.

ICHIGO

Sounds like a ZANPATSO

SORA

A what?

ICHIGO

It's a weapon that we SOULREAPERS use to destroy demonic fiends known as HOLLOWs it sounds like this GINKAKUMON is looking for one.

SORA

I hope that he doesn't get it

SORA and IZZY exchanged worried looks on their faces

ICHIGO

I hope so too. Well we better get going then.

IZZY

Thanks for your help GODZOOKIE

GODZOOKIE

WAIT! I wanna come with you

GODZOOKIE rushes behind them

GODZOOKIE

I wanna help you guys

ICHIGO glared at GODZOOKIE for a brief moment wondering about the mysterious creature

ICHIGO

If you insist I mean I don't see why not
you know thus place better than we do and
plus you can sense them with your nose so
you can come in handy

GODZOOKIE got excited and leaps for joy

GODZOOKIE

Oh boy thanks!

ICHIGO and GODZOOKIE exchanged smiles at each other

(COMMECRIAL BREAK)

FOREST AREA

ICHIGO, SORA, and IZZY were looking for the others while in the meantime getting to know each other telling each other of their past adventures in each other's respectful universes

ICHIGO

Wow so you guys sound like you all had a
lot on your hands

IZZY

Us you seem like you had a war in your
hands

ICHIGO chuckles

ICHIGO

Yeah sort of

BIYOMON and NEEMON noticed the scars on ICHIGO's arms and cringed at their appearance and some wounds were very deep and freshly made.

SORA

Well it looks like we all got a bigger war on our hands

MOHESHI

Tell me about it and this one we aren't prepared for

ICHIGO

I know

GODZOOKIE

Perhaps this is reason why you all have been sent here

ICHIGO

Maybe or may be not

SASAMI

Everything happens for a reason ICHIGO

ICHIGO

Yeah your right (hmm she reminds of my sister YUZU, man I miss those little girls already)

GODZOOKIE

You all seems like you were born with a purpose in life I wish I could say the same about me I bet you guys were a lot

better off than I was

GODZOOKIE looked downwards to the ground sadly

ICHIGO

So what's your story?

SORA

Yeah you're not a DIGIMON like the rest
where did you come from

GODZOOKIE gazed up at the sky lost in thought about his
dark past.

GODZOOKIE

I was created in a lab by some crazy
scientists and was left alone

GODZOOKIE reflects on the day he was created. **GODZOOKIE**
hatched from a large human-sized egg in a middle of a lab
which spewed out goo as he was being born. He remembers his
creator and the good times he had thus the day when a freak
accident happened in the lab and **GODZOOKIE** found himself
alone.

SASAMI

How terrible

SASAMI placed her hands before her mouth.

GODZOOKIE

Yeah I've been alone ever since just
trying to find a meaning in this world

ICHIGO

It looks like we have something in common

GODZOOKIE looks up from the ground.

SORA

You can say that again we all have such
similar stories it's so unreal

MIHOESHI

Yeah it seems as though I know more about

you than you do me in a way

MIHOESHI was puzzled by the whole topic

SORA

Yeah I know

SORA was curious to know why and how she feels she know ICHIGO, SASAMI, and MIHOESHI

GODZOOKIE

Yeah everyone except for me you all sounded like you have a real purpose for what you all went through or is going to go through me I'm nothing

GODZOOKIE looks down to the ground sobbing and practically in tears

NEEMON

Oh man don't sound like that a WISEMON once told me that every MON has a purpose in life whether it be small or whether it be large

TENTOMON

Well said NEEMON he's right you have a purpose and I believe that one day you are going to find your true purpose in life

LUNAMON

Perhaps it may even be to help us or something even greater you just got to keep faith, you'll be fine GODZOOKIE I know you will

LUNAMON leaps onto GODZOOKIE back enjoying herself. GODZUCKY chuckles

GODZOOKIE

Thanks guys

GODZOOKIE cheered up from his sadness

NEEMON

Your welcome hey we're friends now so
that's what friends for

ICHIGO

(I don't know what it is about him but I'm
drawn to GODZOOKIE in a way it's like I've
found a part of me that was lost or
something oh this is strange I can't
believe that I'm saying this about a
DIGIMON or whatever he is)

**GODZOOKIE chuckles. Suddenly, the TITUNS' D-DEX reacted
this occurred because the TITUNS were near TITUNESSES,
ORIHIME INOUE the TITUN of ERIIS**

ICHIGO

WOW! What's that about?

IZZY

It's the DEVICE I think it's telling me
that we're getting near another human or
humans. We're getting close to another
TITUN, the TITUNESS of ERIIS

Out of the thickets ran JAMES's MIME Jr. (POKEMON)

SORA

What the?

**MIME JR. hop up in excitement as if he was very happy to
see ICHIGO and the other newcomer TITUNS**

MIME JR.

Mime! Mime! Mime!

MIME JR. was very excited to see them

MIHOESHI

What in the world is that?

SASAMI

I don't know but whatever it is its cute

SASAMI tickles it. IZZY analyzes MIME JR. with his D-DEX

IZZY

Well it isn't a DIGIMON its name is MIME JR. it's a POKEMON

TENTOMON

A what?

IZZY

It's a creature like the DIGIMON but only it's not made out of data. Their abilities are solely based off of their planets natural and supernatural element. For instance MIME JR. specializes in psychic and normal abilities

ORIHIME ran out of the thickets

ORIHIME

Hey come back MIME JR. You're going to get lost

MIME JR. leaps back into the arms of ORIHIME. ORIHIME giggles delighted to see MIME JR. again the two hugged each other tightly

ICHIGO

ORIHIME!

ICHIGO ran to greet his friend

ORIHIME

ICHIGO! Oh thank goodness it's you

ORIHIME hugs ICHIGO

ICHIGO

Same here

TEAM ROCKET (POKEMON), MUMMYMON (DIGIMON ADVENTURE 02), and ARUKENIMON (DIGIMON ADVENTURE 02) followed behind ORIHIME

JAMES

ORIHIME! We have to stay close to the others.

SORA and IZZY were surprised to see MUMMYMON and ARUKENIMON

SORA

You two!

ICHIGO

You know them?

BIYOMON got up into the sky alerted by the DIGIDESTINED' former foes.

BIYOMON

Its ARUKENIMON and MUMMYMON they tried to destroy me and my friends a long time ago

BIYOMON and TENTOMON flew before their partners to protect them

TENTOMON

They're bad news

JAMES hurried to prevent the newcomers from attacking MUMMYMON and ARUKENIMON

JAMES

NOO! They're not who you think they are anymore they're good DIGIMON now

JESSE and JAMES came to their rescue leaving IZZY and SORA utterly surprised

SORA

G...good DIGIMON?

SORA and IZZY were surprised

ARUKENIMON

Yes are days as the bad guys are long over
with now that the DIGIMON SOVEREIGNS gave
us a second chance and revealed to us that
our true purpose in life was not to
destroy life but help save it

MUMMYMON

Yeah we're brand new MONS now

WABBAFETT pops out of his poke ball

WABBAFETT

WAAB BA FETT!

MUMMYMON pushes WABBAFETT aside then smiles

ORIHIME

ARUKENIMON and MUMMYMON have saved my life
I probably would have fallen off that
cliff had they not come to my rescue they
claim to have been on a mission to find us

ICHIGO

Who are you people?

JESSE

I'm JESSE TITUNESS of the moon NYX

JAMES leaps after JESSE into the air

JAMES

And I'm JAMES TITUN of CHIRON

**JESSE and JAMES introduces themselves to their fellow
TITUNS the team rocket way but changed up the words to make
them sound good, now that they're TITUNS**

JESSE/JAMES

And we were once TEAM ROCKET

MEOOTH

MEOOTH that's right

WABBAFET

WAAABUUFET!

MIHOESHI/NEEMON

WOW! DO IT AGAIN!

The two clapped. ICHIGO, SORA, IZZY, and SASAMI had bedazzled and freaked out looks on their faces

ICHIGO

Team who?

IZZY

TEAM ROCKET they were an evil crime organization from the POKEMON universe that stole POKEMON

BIYOMON

So they're baddies too?

IZZY

Let me finish it says here that both JESSE and JAMES are no longer part of the group after they found out their bosses evil plot to destroy them and their true destinies as TITUNS

TENTOMON

There's that TITUN thing again

SORA

Yeah

JESSE

We're extremely dedicated to doing the right thing especially after what our boss did to us

SASAMI/LUNAMON

What did he do?

MEOETH

He tried to turn us into the ULTIMATES to
be kill

**MEOETH reflected on the day that he and his team learned
that they were TITUNS and that the ULTIMATES wanted to kill
him. He remembers his boss attempting to capture them
himself the very thought angered MEOETH to the point that
he balled up his claws**

ICHIGO

Who are the ULTIMATES?

ARUKENIMON

The TWENTY ULTIMATES are the evil beings
that attacked your universe they have been
sent to each of your worlds to pacifically
kill all of you who fell from that sky

ICHIGO

I had a feeling that they were talking
about them so they are called the
ULTIMATES

James shook his head yes

ORIHIME

They're not going to rest until they find
and destroy each and everyone one of
either

IZZY

Well that's typical

JAMES

I see that you've gotten the hang of using
the D-DEX

JAMES noticed that each one of them had their D-DEX

IZZY

D-DEX?

JESSE

The thing in your hand it's a sort of a DIGIVICE and a POKEDEX all in one it can give you information on DIGIMON, POKEMON and any living organism in the known MULTIVERSES.

TENTOMON

So that's what that thing is called

TENTOMON observed IZZY's DEX

JAMES

Yes every TITUN and TITUNESS has one it's how we even ID ourselves

IZZY

So that's how we are able to find each other

MEOWTH

That's right JIM was right you are the smart one

SORA

JIM as in JIM KIDO

JAMES was referring to JIM KIDO, JOE's older brother. MEOWTH shook his head yes.

ICHIGO

So what's the deal what is the meaning of the TITUN stuff?

MUMMYMON

My boy that's who we are. You all as well everyone else that fell into WITCHENLY are one of TEN-THOUSAND TITUNS representatives

of every celestial body or object in the solar system. It's basically a way to say that we are defenders of light of this galaxy. For instance you ICHIGO KURASAKI is the TITUN of the SUN, the center of it all,

ICHIGO was utterly shocked

ICHIGO

Me know way

MEOWTH/MUMMYMON

Yes way

ARUKENIMON

He who is the TITUN of the sun is said to be the leader of the TITUN

ICHIGO was left speechless

SORA

So what are we?

ARUKENIMON

MIHOESHI is the TITUNESS of ADRASTREA
SASAMI is the TITUNESS of NAMAKA and you
SORA is the TITUNESS of VENUS

MIHOESHI and SASAMI both looked at their HPYER S

SORA

Typical

SORA shrugged her shoulders and rolled her eyes

MUMMYMON

And IZZY is the TITUN of IXION.

IZZY

How? And who assigned us to these particular planets

MUMMYMON looks up to the sky referring to the HEAVILY ONES each other universes GODS such as the DIGIMON SOVEREIGNS.

ARUKENIMON

It's actually been assigned to you long before you born. You guys were prophesied to become leaders that does GODLY deeds and restore order to the MULTIVERSES.

MEOWTH

The name TITUNS also comes from a great leader as well. KING TITUS was amongst many beings who like yourselves who came together to bring peace to their worlds and stop the evil ANUNNAKI from enslaving worlds and others like it

ARUKENIMON reflects on the Beginning story of the TITUNS

JESSE

It began with rebels of NAZARETH who first tried to slay the ANNUNAKI and failed

ICHIG

ANNUNAKI

IZZY

I've heard of them before they're supposed to be an unknown group of elite humans said to be out of space and to once rule the earth

ARUKENIMON

That much is so

JAMES

The leader of the rebels has special powers and foresaw his brother doing great things such as defeating the ANNUNAKI that brother was TITUS

MUMMYMON

TITUNS was kept away on an island but his brother left some instructions for him to

follow TITUS did just that and eleven-thousand beings formed together all across the cosmos formed together to defeat the ANANAKI and thus the legend of the TITUNS were born

ICHIGO

ELEVEN-THOUSAND!

ARUKENIMON and JESSE shook their head yes. ICHIGO and the other newcomers were completely mystified by the tale of the TITUNS.

IZZY

So SORA your I guess your theory on this situation being bigger than the DIGI-DESTINED was right

SORA

I hate it when I'm right

GODZOOKIE

How in the world are you going to find 11,000 TITUNS in one day that will take forever?

ORIHIME

They claim that not all the TITUNS are here in WITCHENLY just mainly the ones that the PRINCIPALITIES were able save from the ULTIMATES. JAMES thinks it's about a hundred of them out there or so

ICHIGO

That's still a lot how are we going to find them all.

MUMMYMON

My friend in this place it's possible. WITCHENLY operates much like the other DIGITAL WORLDS a week in your human worlds equal five years in WITCHENLY time goes relatively fast here

ARUKENIMON

But this new human week starts a leap year
year which makes time go incredibly fast a
whole year here equals one day so we have
a better chance in finding them all

ICHIGO

What's the purpose in coming here in the
first place won't the ULTIMATES find us
here too

MEOWTH laughs

MEOWTH

WITCHENLY is a very secret place its
protected by magic so no one can come in
and out

TENTOMON

Then how did we get in

MUMMYMON

Because the PRINCIPALITIES they're the
only ones who has ultimate access to all
the worlds. WITCHENLY can't be detected by
absolutely no one not even the ULTIMATES
themselves

ICHIGO

So we're safe here

MUMMYMON smiled

MUMMYMON

Just about but that's not all LADY-
MYOTISMON is said to be amongst the least
strongest of the bunch so the strategy is

ICHIGO

To nail the weakest out of the bunch I
like that plan so what are we waiting for
let's go find the others I can't bear the
thought of my sisters being out there all
on their own.

MEOETH

Are you talking about YUZU and KARIN
KUROSAKI?

ICHIGO

Yeah you know them

MEOETH

Man those two could handle themselves
they're the only ones who could easily
passed through this world

ICHIGO was shocked

MEOETH

What? Did you think that they were yelling
at video games while they were in their
room or going out to play KURIN is the
TITUNESS of TELESTO and YUZU the TITUNESS
of CALPYSO they're team SATURN all the way
I would trust those girls with my life

ICHIGO was very pleased by the news.

ICHIGO

Well that's good to know. So if we are to
use the DIGIMON and POKEMON to destroy the
first two ULTIMATES how come I don't have
one?

**ARUKENIMON, TEAM ROCKET, and MUMMYMON exchanged curious
looks at each other**

ARUKENIMON

The DIGIMON SOVEREIGNS works in mysterious
ways perhaps you would find one later on
in your journey or he will find you

ICHIGO

How would I know?

JESSE

Or trust me you'll know it would be like
you just discovered a part of yourself
that you never knew you had and then
that's when ZAP that connection instantly
happens

**ICHIGO reflects on the shock he got from touching GODZOOKIE
and ICHIGO looks into GODZOOKIE eyes**

ICHIGO

Strange zap?

GODZOOKIE

That happened to us earlier could this
mean that I'm ICHIGO's partner

MUMMYMON and JAMES giggles

GODZOOKIE

But I don't how I mean I'm not partner
material I don't even think I could
DIGIVOLVE

MUMMYMON

Nonsense you're part DIGIMON the
possibility is endless

GODZOOKIE was worried that he would fail ICHIGO

ICHIGO

Don't worry you'll be alright trust me you
got the coolest partner ever you stick
with me and you'll be fine

GODZOOKIE cheered up exchanging a nice grin with ICHIGO

MIHOESHI

So whose are partners?

SASAMI giggles

SASAMI

LUNAMON and NEEDMON silly

MIHOESHI

Oh yeah I forgot that they said they've been waiting on us.

LUNAMON

I've searched everywhere for you SASAMI

Both chuckled.

ORIHIME

Wow now everyone got one MIME JR.

MIME JR. leaps up for joy

MIME JR.

MIME! MIME!

JAMES

We go looking for the others boy RUKIA is going to be excited to find out that we found her boyfriend

JAME teases ICHIGO about being in love with RUKIA

ICHIGO

She's not my girlfriend! Wait RUKIA's here too

JESSE

Yeah she's the TITUNESS of PALLAS she and TOSHIRO HITSUGAIYA are the ones who brought us to WITCHENLY just before we were about to be canned. I've learned a lot from those two

ARUKENIMON

Yes before I met them I was all about

getting revenge on the DIGI-DESTINED but TOSHIRO taught me that if all I am seeking in live is revenge then I'm already asking for death and I shouldn't be like that and that's when I had a change of heart

TENTOMON/BIYOMON

Thank goodness

SORA/IZZY

BIYOMON/TENTOMON

ICHIGO

So where is she is she out looking for the other TITUNS

ARUKENIMON

Yes our hold group is out

SORA

Group

ARUKENIMON

Before you guys showed up it was about 50 TITUNS roaming around WITCHENLY some of us separated into our own sect.

ARUKENIMON made references to the other VETERAN TITUNS that spit into groups.

ICHIGO

(I haven't seen RUKIA sense we defeated AIZEN I wonder if she even remembers me)

ICHIGO thought to himself. Suddenly there was loud screaming coming from afar

SORA

What was that?

The TITUNS were alerted by a loud scream

ORIHIME

That sounds like my friend CHIZURU

ORIHIME recognizing her friend's voice

ICHIGO

She sounds like she's in trouble

RIVER AREA

The TITUNS ran into CHIZURU and LOTAD who were running out of harm's way while YASUKE's TREECKO and URYU's PLATYAMON fought a MORI-SHELLMON

ORIHIME

CHIZURU

CHIZURU

Oh am I glad to see you

URYU

ICHIGO! ORIHIME!

TREECKO and PLATYAMON put up a decent fight against JUNGLE-MOYJAMON. TREECKO used attacks not known for any other grass type POKEMON to use. Moves like SHADOW CLAW and ENERGY BALL via his tail. JESSE and JAMES were amazed

JESSE

Wow that is some TREECKO it fights like a human

JAMES

It human guardian is YASUKE YAMAMOTO he's the great-grandson of CPT. YAMAMOTO of the thirteen court guard he is also the TITUN of SATURN

IZZY, SORA, and ICHIGO were amazed. YASUKE his half-African AMERICAN half Japanese he appears to have dark skin like his father. He wears a green t-shirt that says "trust" and blue jeans with green and black shoes on.

ICHIGO

So the old geezer had kids after all huh?

SORA

Is that a MOJYAMON it looks different

BIYOMON

That's JUNGLE-MOYJAMON it's a distant
cousin of the regular MOJYAMON but their
attacks and moves are about the same

**ICHIGO smirked amused at the fact that CPT.YAMAMOTO had a
family. YASUKE's TREECKO fought fairly hard against the
JUNGLEMOYJAMON.**

JUNGLE-MOYJAMON

You POKEMON have no right to be here

TREECKO

Oh believe me I don't want to be here but
I'm not about to let you run us out like
that

JUNGLE-MOYJAMON

Oh yeah JUNGLE BONE!

**JUNGLEMOYJAMON attacks TREECKO with his JUNGLE BONE attack.
TREECKO leaps up into the air and dodges the attack firing
his BULLET SEED on JUNGLEMOYJAMON whom protected himself
with his arms. JUNGLEMOYJAMON was enjoying the fight with
TREECKO laughing and mocking him. He calls his BONE from
out of nowhere to knock TREECKO out of the sky.**

YASUKE

TREECKO!

YASUKE rushes to TREECKO's aid

JUNGLEMOYJAMON

I'm going to say this again you POKEMON
doesn't belong here GET OUT

RENAMON

DIAMOND STORM!

Out of nowhere, RENAMON (DIGIMON TAMERS) appears out of nowhere to help the her fellow TITUNS she was joined by RIKA, SASUKE, ZAK, TAKATO MASUKI (DIGIMON TAMERS), BULLA, MIMI, RUKIA, JOEY, TOSHIRO, JOE, TK, JOE, TOMMY, MICHAEL PHIL, and VEGETA.

TENTOMON

Whoa a RENAMON

BIYOMON

I haven't seen one in a while

ICHIGO

RUKIA? TOSHIRO?

IZZY

KARI! GATOMON!

KARI

Hey you two

KARI waved at her friends. JUNGLEMOYJAMON was furious at their sudden appearance

JUNGLEMOJYAMON

More humans

RUKIA

MOJYAMON I thought we had this discussion before about you picking on innocent creatures

JUNGLEMOJYAMON

There's nothing innocent about a POKEMON they're creepy little critter's that's like to intrude in your personal space just like this one

TREECKO

That's a lie you attacked us for no reason.

JUNGLEMOJYAMON

QUIET! JUNGLE BONE!

TOSHIRO

AGUMON!

AGUMON

AGUMON digivolve to...

SNOWAGUMON along with many of the other TITUN'S DIGIMON uses the evolution processing sequence of DIGIMON ADVENTURE TRI. For the evolution theme music were going to re-cycle the one from DIGIMON TAMERS SNOWAGUMON evolves into ALLOMON his champion level form

ALLOMON

ALLOMON!

ALLOMON slaps JUNGLEMOYJAMON's attack out of the air protecting TREECKO

ALLOMON

Fetch doggy

JUNGLEMOYJAMON was infuriated by ALLOMON's attack and charged at him with his "JUNGLE KICK".

TOSHIRO

DIGIMODIFY!!! ICE DEVIMON's ZERO FREEZE!
Activate

TOSHIRO used a modify card to allow ALLOMON to use the ICEDEVIMON's ZERO FREEZE attack

ALLOMON

ZERO FREEZE!

ALLOMON froze JUNGLEMOYJAMON solid thus letting out a might roar for his victory

TOSHIRO

Chill out

ALLOMON left the newcomer TITUNS stunned he then regressed back to SNOWAGUMON

TOSHIRO

Well done AGUMON

RUKIA

Is everyone alright

ICHIGO

Yeah now that you guys have showed up long
time no see

RUKIA smirks

RUKIA

Yeah it has been a while has it

ICHIGO

Yeah

**The two exchanged loving looks at each other for a brief
moment**

RIKA

Well if you look at that RUKIA reunited
with her boyfriend

RIKA teases RUKIA making her blush

RUKIA

He's not my boyfriend

HOOTMON flew onto RUKIA's shoulders

HOOTMON

Oh really how come you couldn't stop
talking about him all week

RUKIA

That's because I missed him that's all

RUKIA blushed even more

RIKA

Yeah whatever. Hye I'm RIKA NONAKA the
TITUNESSS of DIONE nice to meet you

RIKA shook ICHIGO's hand

RIKA

Wow KURIN is right you do have like a
carrot coloring to you hair

ICHIGO was appalled

RENAMON

RIKA be nice

ORIHIME

Whoa who are all these people?

JAMES

These are all the other TITUNS ORIHIME
well some of them

ORIHIME

OOH! It's very nice to meet you all

KARI and the others reunited with the other DIGI-DESTINED

SORA

KARI! You guys alright where have you
been?

KARI

It's a long story actually

TAKATO

Oh my god GUILMON can you believe this we
are in the presence of the SORA and IZZY
oh cool I wish TAI and MATT were here that
would really make my day.

ZAK

Nerd

ZAK whispered under his breath

KARI

Now now ZAK be nice

SORA and IZZY were completely confused

SORA

Ohm do we know you

TAKATO

Not really but I watched your show

MIMI

TAKATO says that all the battles that we went through in the past were exists in the form of the TV SHOW can you believe it we're movie stars

IZZY and SORA weren't amused by MIMI excitement.

IZZY/SORA

We're in utter dismay

Using sarcasm

GODZOOKIE

Hye guys long time no see

LUCARIO proceed to attack GODZOOKIE kicking him into a tree

ICHIGO

Hey what's the bid idea?

SASUKE

GODZOOKIE what are you doing here I thought we told you to stay away

ICHIGO

He's with me

SASUKE

And you are

ICHIGO

ICHIGO his partner

SASUKE was appalled

SASUKE

That's impossible GODZOOKIE isn't a DIGIMON nor POKEMON he can't have a partner

GODZOOKIE

I am too I'm a little both

LUCARIO

Quiet

ICHIGO

Back off what did he do to you anyways?

SASUKE

He's a creature out of this world he doesn't belong here he only causes trouble

SASUKE hurt GODZOOKIE's feelings

RUKIA

SASUKE that's enough we don't need to be trying to start a fight with each other we need to regroup with the other quickly

RIKA

Yeah UPA says that the others are all gathered up well those that they could found we better go now

NEERO

There you are I've been looking all over for you DIGI-DESTINED

NEERO appears with GHIDDORAHMON (in the air)

ZAK

Oh no its dude with the crazy silver hair
he's here too

GOTSUMON

Drats!

NEERO

I missed you you missed me hmhmhmhm

(COMMERICAL BREAK)

FOREST AREA

**NEERO just discovers the TITUNS in the forest area and will
try to pursue them yet again.**

NEERO

You guys ought to know better by now that
you can't run from me

ICHIGO

RUKIA who is this another one of your
TITUN friends?

IZZY

No this is NEERO he's an evil DIGI-
DESTINED that was sent to capture us by
some unknown evil DIGIMON

TENTOMON

He has strange powers like no one has ever
seen before he's a real big deal

ICHIGO

Tssh this guy doesn't look so tough

NEERO

Oh look you made friends tell me would
they like to meet out master

ZAK

Correction your master not ours we don't

want to go anywhere with you so back off

GHIDDORAHMON

DIGI-DESTINED why are you making this so hard just surrender while you still can or else be destroyed

TOSHIRO

I'm afraid that we can't allow you to do that

NEERO materializes his ZANPATSO shocking ICHIGO, URYU, RUKIA, and ORIHIME.

NEERO

Then you leave me no choice

ICHIGO

This guy has a ZANPATSO how he has a ZANPATSO

TAKATO

A what

NEERO plunged towards the TITUNS. LUCARIO acted immediately and protected the TITUNS with his bone staff. NEERO breaks it with the immense power of his ZANPATSO and kicks LUCARIO out of the way.

NEERO

Silly DOGGY tricks are for kids' mhmhm

SASUKE attacks with his sword at NEERO. NEERO destroys the sword without moving a flinch then he used a KI-BLAST attack to hurl SASUKE backwards to the ground. NEERO laughs at SASUKE mocking him

NEERO

You really needs to work on your swordsmanship

GHIDDORAHMON attacks the PARTNERS

RENAMON

DIAMOND STORM!

HOOTMON

MIDNIGHT TALON!

GHIDDORAHMON laughs

SNOW-AGUMON

FROZEN WINDS!

GATOMON

LIGHTENING PAW!

ELEKID uses THUNDERBOLT on GHIDDORAHMON the massive DIGIMON reflected their attacks at each other knocking them off their feet.

GHIDDORAHMON (HEAD 2)

Puny insects

GHIDDORAHMON (HEAD 3)

You're no match for us

ELEKID

Is this guy made of steel?

GATOMON

Or just very tough skin

TOYAGUMON

That's GHIDDORAHMON he's an ancient mythical DIGIMON who's fully evolved

URYU

What does fully evolved mean?

GATOMON

That he's stronger than us

GHIDDORAHMON

DRAGON WINDS!

GHIDDORAHMON releases immensely powerful hot winds that formed into nine dragon heads at the TITUNS. The impact was devastating throwing the TITUNS across the skies and back onto the ground. The attack also deleted JUNGLEMOJYAMON as well.

NEERO

Time to collect my bounty

GODZOOKIE

HELIOS SPHERE!

GODZOOKIE attacks GHIDDORAHMON from behind with his "HELIOS SPHERE" the attack was pretty effective damaging GHIDDORAHMON in the area under the arm. GHIDDORAHMON let out a mighty roar in pain

GODZOOKIE

Leave them alone

NEERO

Hmmm

NEERO analyzed GODZOOKIE and found nothing on GODZOOKIE

NEERO

What are you?

GODZOOKIE

If you hurt my friends I'm your worst nightmare

NEERO smile. ICHIGO and the other TITUNS were slowly recovering from the impact.

GHIDDORAHMON (HEAD1)

You'll be the first to destroy

GHIDDORAHMON almost tail whips GODZOOKIE but GODZOOKIE reacted quickly and leaps high into the air then use his "HELIO SPHERE" attack on GHIDDORAHMON. One of the heads plunged forward to GODZOOKIE but GODZOOKIE leaps over the head and slides down the neck firing at the other heads

NEERO

Impressive lizard but he's no match for
GHIDDORAHMON

GOMAMON

Wow look at him go

BIYOMON

He moves so fast

RENAMON

GODZOOKIE is a Pokémon-DIGIMON hybrid

TK

How is that possible

RENAMON

He said that he was created in a lab by a mad scientist that was able to travel from realm to realm and studying creatures. In this journey the mad man grew fond of the DIGIMON and POKEMON and wanted to create a super creature to take over the world his plan was ruined by a group of five people but only his latest project GODZOOKIE remained GODZOOKIE was abandoned here in WITCHENLY afterwards

The group of people that RENAMON is referring to is the team of H.E.A.T from GODZILLA: the Series (1999). GODZOOKIE is product of the GODZILLA (1998) FANGLONGMON, and various dragon POKEMON such as TYRANITAR. The mastermind behind the experiment was DOCTOR WINTERS who had stopped from taking over the world. The subject would appear again later in WWC.

NEERO

Now for you guys

TAKATO and ZAK found strength to stand up before the others

TAKATO

Back off

GUILMON growled intensely. NEERO chuckled then summons his sword

NEERO

DELETER!

As NEERO slashed his sword at the TITUNS. MIME JR. used "PROTECT" in a similar fashion that ORIHIME uses her "SHUN SHUN RIKA". NEERO bounced backwards like a ball across the forest floors.

TOHSIRO

ORIHIME

ORIHIME

That wasn't me it was MIME JR. he did it

URYU

New powers now I get it the DIGIMON and POKEMON are just like us

MIME JR.

Mime (repeat 4 times)

MEOWTH

He's telling us to run

ORIHIME

No but MIME JR.

MIME JR.

Mime (repeat 8 times)

MIME JR. smiled

MIME JR.

MIME JR said he could take care himself

ORIHIME

MIME JR.

RUKIA

Come on ORIHIME we can't stay here

The TITUNS got up from the ground and began to run

LUCARIO

You guys go ahead we'll be alright

SNOWAGUMON, RENAMON, HOOTMON, and LUCARIO stood behind as the other fled. NEERO slowly get back up and charged to MIME JR. by twirling around (once) MIME JR. Teleports away on top of NEERO's head. NEERO attempts to knock him off his head but MIME JR. Teleports on his sword then it uses FOCUS PUNCH on NEERO punching in the face.

LUCARIO

Looks like you've getting beating by a POKEMON hmhmhm

NEERO

A what? POKEMON don't exists in the DIGITAL WORLD unless no way the TITUNS

LUCARIO

So you know about us

NEERO

I was sent to find the DIGI-DESTINED so that they wouldn't turn to the likes of you and that's what I'm going to do

NEERO uses his ZANPATSO delete. RENAMON and LUCARIO dodged his attack and then kicks him in the face and in the side in the rib. NEERO releases a psycho wave knocking the two backwards. SNOW-AGUMON attacks from behind only to be thrown telekinetically into some trees.

NEERO

You will be stopped all of you

Meanwhile, as the others ran they notice that GODZOOKIE was struggling against GHIDDORAHMON from the distance huge smoke was coming from afar.

GOTSUMON

What are we doing we should be out there
helping them fight back there

SASUKE

Save your strength you don't have enough
energy to fight especially that guy NEERO

GOTSUMON

I'll be fine but GODZOOKIE will not

SASUKE

Who cares about that abomination he's just
trouble anyways

GOTSUMON

He's risking his life to save us and I'm
going to help him

GUILMON

Me too

ZAK Agrees

ZAK

I'm coming with you

TAKATO

Yeah

ICHIGO

I'm right behind you

RUKIA

No way! You all staying with the group.
You don't have the power to defeat them
yet

ICHIGO

Believe it or not GODZOOKIE is my BEAST

GUARDIAN I don't have my powers anymore so
I need him and I'm going to help him

ZAK, TAKATO, and ICHIGO ran with GOTSUMON and GUILMON to
the battlefields leaving the other standing where they were

TOSHIRO

That ICHIGO never backs down from a fight

RUKIA smiled greatly. Meanwhile GODZOOKIE was trying his
best in battle against GHIDDORAHMON and was failing badly

GHIDDORAHMON

You're a strong creature worthy enough not
to be killed why won't you just give up
and join me and my masters on their raid
to destroy the TITUNS

GODZOOKIE

I'm sorry but I rather pass I like the
TITUNS and I won't let anyone harmed them

GHIDDORAHMON (HEAD3)

Oh but they don't seem to like you they
think that you're an abomination

GODZOOKIE

Not all of them one of them is my partner
now and he cares a lot about me and I feel
the same way about him. I won't let you
destroy that

GHIDDORAHMON (HEAD 2)

Very well then meet your doom TRI-BLASTER!

**GODZOOKIE leaps out of the way of the attack but got caught
in it and fell hard to the ground. On the other side of the
forest NEERO single handled the other BEAST GUARDIANS with
his ninja like stealth attacks. LUCARIO's bite mark was
reacting causing him to be in severe pain.**

NEERO

Time to catch em' all

NEERO laughs

GOTSUMON

ROCK FIST ATTACK!

GUILMON

PYRO SPHERE

NEERO got hit in the back by the two DIGIMON's attack not paying attention he almost got punched in the face by ICHIGO had he not flash stepped out of the way.

ICHIGO

Damn I missed

NEERO

Did you come back for more or did you finally decided to surrender?

ZAK

Ain't going to happen captain

NEERO

Don't be so stubborn

NEERO summons his sword

BIYOMON

SPIRAL TWISTER!

TREECKO

Try some of this BULLET SEED!

TREECKO used his Bullet seed attack on NEERO. LOTAD followed with a WATER GUN attack and MERILL with AQUA JET

TENTOMON

SUPER SHOCKER!

GATOMON

LIGHTENING PAW!

GOMAMON

MARCHING FISHES

BETAMON

BETA SLINGER!

TOYAGUMON

TOY FLAME!

PLATYAMON

METAL TAIL SHARDS

CALUMON

ZERO BEAM!

NEERO attempted to deflect the BEAST GUARDIANS attacks but couldn't

MUMMYMON

SNAKE BANDAGE!

MUMMYMON wrapped NEERO in his mummy wrappings

JAMES

Try to move out of that

ICHIGO

What happened to getting out of dodged

TOSHIRO

When did you ever known us to back down

ICHIGO smiled

NEERO

How are you so strong?

YASUKE

That my friend is the will of TITUNS

KARI

My friends are not just DIGI-DESTINED anymore they're TITUNS which makes them now stronger than they were before when we TITUNS clash together we make one heck of a noise

RIKA

And you just heard it.

NEERO fluttered with anger

JESSE

ICHIGO go be with GODZOOKIE he needs you
at the moment

GHIDDORAHMON picks GODZOOKIE with one of his tails

GHIDDORAHMON

It's such a shame that I have to destroy
you

ICHIGO runs into the scene to aid GODZOOKIE

ICHIGO

HEEY put him down

GHIDDORAHMON

Oh what's this another victim

GODZOOKIE

ICHIGO ruun!

GODZOOKIE calls out to ICHIGO in a weakened voice

ICHIGO

Come on I ain't afraid of you I fought
things way bigger and badder than you so
show me what you got

**ICHIGO's spirit aura (gold) materialized like flames around
himself and GODZOOKIE. GHIDDORAHMON fired at ICHIGO but his
spirit aura ignited full circle**

GODZOOKIE

ICHIGO!

GODZOOKIE was blanked in aura and found himself in a golden

world before him was a gold silhouette of a city thus coming before him was GODZILLA(1998) he slowly walks up to him and leans down to stare at him face to face. GODZOOKIE recognized the creature from his dreams FANGLONGMON was behind them

GODZOOKIE

Papa you're here

FANGLONGMON

So am I

GODZOOKIE

Who are you?

FANGLONGMON

I am FANGLONGMON and I am apart of you as so as ICHIGO feel his aura and let it run through your veins. LET YOUR SOUL IGNITE!

GODZILLA (1998) let out a powerful roar allowing GODZOOKIE to DIGIVOLVE!

GODZOOKIE

GODZOOKIE digivolve to!

GODZOOKIE DIGIVOLVES into GOJIRAMON using the evolution processing of DIGIMON ADVENTURE TRI.

GOJIRAMON

GOJIRAMON!

GOJIRAMON performed the iconic GODZILLA roar. The ghostly heads of GODZILLA (20140 and GODZILLA-1998 appeared in the background. The TITUNS were completely stunned including NEERO. ICHIGO was saved due to his might (aura) he falls hard to the ground panting heavily before him he sees a shared with the crest of courage on it he curiously picks it up.

JOEY

Get out of here the little gold lizard could actually DIGIVOLVE

IZZY

It make sense seeming that he's half
DIGIMON he's probably more DIGIMON than
anything

PALMON

GOJIRAMON huh he's huge

MIMI

Yeah and scary looking

LUCARIO

His spiritual aura is immense

SASUKE

Yeah no kidding

GHIDDORAHMON

So you DIGIVOLVED big deal you're still
WEAK!

**GHIDDORAHMON attempted to tail whip GOJIRAMON but GOJIRAMON
grabbed his tail and tossed GHIDDORAHMON to the ground hard**

ELEKID

Yeah boy that's the way to do!

**ELEKID cheers. GHIDDORAHMON gets back up from the ground
and fires at GOJIRAMON with his TRI-BLASTER attack but
GOJIRAMON intercedes with his HELIUM BLASTER attack the two
attacks canceled each other creating a huge shock wave that
vibrated across the skies. CALUMON almost flew away due to
the immense force of the attacks. TOMMY catches CALUMON as
he flew away**

TOMMY

I got you CALUMON

**GOJIRAMON punches and tail whipped GHIDDORAHMON several
times but GHIDDORAHMON still came strong. He tries to flew
away and attack from the air. GOJIRAMON's spines clew
rapidly thus causing him to radiate energy from the sun
into his mouth.**

GOJIRAMON

SOL DESTROYER!

GOJIRAMON unleashed a powerful force of energy from his mouth that was stronger than GHIDDORAHMON's attack thus sending GHIDDORAHMON flying backwards into the air.

JOE/TAKATO

AWESOME!

GOJIRAMON let out a mighty roar signaling his victory over GHIDDORAHMON.

(COMMERCIAL BREAK)

FOREST AREA

GOJIRAMON just defeated the GHIDDORAHMON and regresses back into GODZOOKIE. ICHIGO and the other BEAST GUARDAINS cheered him on.

GOTSUMON

Man you roasted that fool

BETAMON

Good job GODZOOKIE

ICHIGO

Not bad

GODZOOKIE smiled and fell onto of ICHIGO both fell fast asleep

BIYOMON

GODZOOKIE

MARILL

They're fine they just used up majority of their aura power?

BIYOMON

AURA POWER

AMI

Yes you see TITUN BEAST GUARDIANS are not like regular POKEMON and DIGI-DESTINED DIGIMON who requires the help of their human partners or trainers to get stronger regularly they rely on the bond of their HUMAN GUARDIANS their soul power when there is a strong connection to the soul each and every one of us can ignite our AURA and allow our BEAST GUARDAINS to evolve but we have to shout out SPIRIT AURA IGNITE and scan it without D-DEX to do so but just like now that's not always the case. The bond was really close between the two

URYU

How they just met

AMI

Well sometimes people click together fast that way and I think that's what happened to those two.

JESSE

So what are we going to do with ZEERO over there?

TOSHIRO

That's a good question

NEERO burst out of the wrapping

RUKIA

Ooh you haven't learned your lesson haven't you

NEERO

This isn't the last of me I will regain my strength and when I do you all will be mine

NEERO flash stepped away into the thickets

GOMAMON

He's getting away

SNOWAGUMON

Let him go

JOE

But we can't let him escape he's going to
get us into some serious trouble

JOEY

Nonsense he's in WITCHELNY there is little
he can do here but I know one thing when
he does come back we're going to be ready
right buddy

ELEKID

You got that right

ELEKID agrees

YASUKE

We all will

FOREST AREA

**OROCHIMARU examines the battle from one of MERCURIMON's
mirrors**

MERCURIMON

They're formable foes these TITUN friends
of yours

KABUTO

Now do you see why we need your help
MERCURIMON these kids could lead us to our
destruction they must be stopped

MERCURIMON bowed his head

MERCURIMON

I'm at your service KABUTO

OROCHIMARU smiled. Little JERAI the TITUNESS of HELENE and

LUMINAMON were watching from the thickets

LUMINAMON

You sure you want to do this JERAI

JERAI

Yes LUMINAMON I have no choice I must
reveal myself to them

JERAI places a pivotal role throughout WWC. She is the
reincarnation of the great savior and holds an incredible
amount of power

JERAI

For their sake

FADE OUT:

We see JERAI standing up in the thickets wondering about
the fate of the worlds and her fate as well unknown to her
and the other TITUNS that they are being watched by an evil
DIGIMON named GANKOOMON was watching the entire area just
curious to who these new beings were but he wasn't alone
other beings were with him one sat in a chair amused by the
appearance of the new TITUNS and their motives this person
was none other than LORD AIZEN (BLEACH) completely revived by
unknown forces waiting to seek his revenge on ICHIGO and
his friends.

(ENDING SEQUENCE)

The theme song for World's Collide for the movie to the
last episode of Season 1 which is episode 54 will be R&B
singer Joe's song "Dear Joe (2011)." **WITH HIS PERMISSION.**
I chose this song because its epic and it sort of got that
malevolent theme to it that something has happened and it
has shaped into something huge, love this song and I
thought it would be perfect for world's collide.

For the opening schema we see ICHIGO, YOH, SASUKE, and
VEGETA standing in a battlefield of many defeated beings
opposite of a cloaked figures exchanging evil stairs at
each other thus in an instant they all clash one by one
attacking these cloak members with their best attacks and
thus sending a ripple within time and space. The battle is
epic and everything in their path is almost destroyed. The
scene is switched to space where we see GOHAN, YUMICHIKA,

TOSHIRO, IKKAKU, RYOKO, and ZAK fighting in space against other mysterious beings using their best attacks on the villains.

Next the scene is switch to TITUNS fighting in the middle of an ocean where they can walk upon. JOE and ZUDOMON tries to approach a cloaked fiend to discover that she was MADISON TAYLOR, who had turned against the TITUNS due to the fear of losing them. Shocked JOE couldn't finish her off but was defeated by a CHAOSSEADRAMON.

THE final scene we see ICHIGO fighting MALIK, the malevolent leader of the GLUTTONS the two clashed hard in space thus the other TITUNS followed clashing with their foes destroying everything and anything that stood in their way. Finally the battle ends with the TITUNS being slain by one of their own thus YASUKE preys under his breathe for time to be rest and time is reset all the way back to the big bang then is fast forward to ICHIGO, SASUKE, SORA, ZAK SASAMI, YASUKE, and their BEST GAURDIANS standing on the edge of a cliff by the sea during a sunset.
