

INT. BAR - NIGHT

Patrick sits on the couch talking on his phone. Doug sits next to him, trying not to feel sad that Patrick is being rude. Steven comes over and sits next to Patrick, putting two beers on the table.

PATRICK

(on the phone)
It was good to see you again too...we should keep in touch...congratulations once again...bye.

Patrick hangs up the phone.

STEVEN

Who was that?

PATRICK

Do you remember Jennifer?

DOUG

Yeah, she had some talent.

PATRICK

Damn right she did.

STEVEN

She was nice.

PATRICK

She was nice, and now she is pregnant. I ran into her at the grocery store.

STEVEN

Wow. And you're keeping in touch with her? That's very mature of you.

PATRICK

Hell no, I'm not keeping in touch with her, there's already someone in there. It would be wrong.

STEVEN

I take it back, you are a completely selfish whore of a man.

PATRICK

and proud of it.

DOUG

Wait, how pregnant was she?

PATRICK

About eight months.

STEVEN

And when did you two stop seeing each

other?

PATRICK
About eight months ago...

Patrick takes a second, then realizes it.

PATRICK
shit...

EXT. APARTMENT DOOR - DAY

Patrick stands at the door with Steven and Doug on each side of him.

PATRICK
I don't know if I can do this.

STEVEN
It's a rule buddy.

PATRICK
Rule eight hundred and nineteen: A man must take responsibility for his illegitimate children, unless he is in politics.

DOUG
I just hope that this has taught us all a valuable lesson.

PATRICK
It has. To double wrap. Wish me luck.

Patrick walks to the door and knocks. After a second JENNIFER, attractive and pregnant opens the door.

JENNIFER
Patrick?

PATRICK
It's me and I'm sorry. I will take full responsibility and I'll even take the little guy to the park. I'll be honest though, I will use him to get some. Babies are chick magnets and it would be irresponsible not to use him in such a way.

JENNIFER
what are you talking about?

PATRICK
Our love child.

JENNIFER
We don't have a love child.

PATRICK
We don't?

JENNIFER
I told you it wasn't yours at the grocery store.

PATRICK
really?

JENNIFER
I think you were busy staring at my breasts.

PATRICK
They have gotten bigger since the pregnancy.

DAVE, Jennifer's boyfriend, walks up next to her.

JENNIFER
Patrick, this is the father of my baby.

PATRICK
Congatulations, man! You must be happy.

DAVE
I cry myself to sleep.

PATRICK
That was information I didn't need to know. Anyways, it was nice seeing you again, feel free to name the little guy after me. I'll give you a call.

Patrick leaves with a grin on his face.

EXT. PARKING LOT - DAY

patrick struts up to Steven and Doug, both waiting at the car.

STEVEN
how'd it go?

PATRICK
It wasn't mine.

DOUG
Yeah! Happy japanese ending!

The three do a high five, which we freeze on...

THE END
