to be a scientist.

Treveyon laughing.

TREVEYON
Dad it's okay you work hard. I
told my friends you would be at
the game today.

Now Deborah with a stern face asks again.

DEBORAH
What time is it that you said you
got home last night.

DONALD
About twelve (smiling) ...
guessing 12:30.(pause)

Now Donald looking serious

DONALD (CONT'D)
I think we came up on something
really big this time.

DEBORAH
What do you mean big, what did you

(door bell ringing)

Just then one of the boys jumps up and runs to the door.
They look through the key hole even though she said her

TREVEYON

because she cute)

DONALD and Deborah both coming into the living room to
greet Evelyn. Deborah smiling

EVELYN
Sorry to bother you Deborah

DEBORAH
It's always pleasure to see you

FADE TO:

EXT. DAY POLICE HEAD QUARTERS PARKING LOT.

DONALD and Evelyn pulls into the parking lot of the head quarters. Just as they began to park the car they see Paul the guy from last night getting out of his car. They can see his shield on his shirt meaning that he too is a policeman.

EVELYN and Donald pokes at each other in disbelief.

DONALD
See why we had to run. This is big

EVELYN
Let it go.

DONALD
No seriously we don't know who's behind this. It could be any of us for this to go on for so long.

EVELYN
So now we the bad guys.

DONALD points to the cop that was standing with the bad guys and were shooting at them last night.

DONALD
You don't see.

The bad cop look at them and then enters through the door intering the building, They did notice that he didn't recognize them. Just as the bad policeman entered the building Evelyn and Donald felt some sort of relief seeing that the cop didn't notice them.

INT. HALLS OF THE POLICE DEPARTMENT BUILDING

Hallway full of people in the building some speaking to and some not speaking to each other.

EVELYN
(whispering)I knew his face looked familiar. I just couldn't figure..)

DONALD
Figure what.

EVELYN
Where I had seen him before

DONALD
You didn't figure nothing out we
both see him now.

EVELYN looks at Donald with disbelief.

EVELYN
Follow him see what office he goes
to, we need to see what's up with
him is he under cover or not.

DONALD
Why don't you follow him?

EVELYN
Because I have to go to the
bathroom.

DONALD waving his hand towards the bathroom.

DONALD
Go, go.

EVELYN walking hurriedly to the bathroom

Policemen in uniform walking the halls

DONALD is following Paul. Paul is walking through the hall
towards the front desk and along the way he is waving at
buddies before he gets to the front desk. People are also
speaking to Donald and he is waving them off as to be in a
hurry.

Paul is now entering the front desk area

Just then an officer from the detectives unit stops Donald
and to tell him something.

POLICE OFFICER 1
Hey snowflake. How's the wife and
kids doing?

DONALD
Were doing fine, all year around.
and stop calling me snowflakes.

DONALD walking away headed towards Paul.

Paul is now at the front desk and Donald is fast approaching off to the side so that he can hear what Paul is going to ask the front desk captain.

PAUL

Captain can you run this license plate for me. Umm it was in an accident that left the scene.

CAPTAIN

Can you read the numbers and or letters out to me.

DONALD looks on..

PAUL

Capital WEM six five four two zero.

As the Captain began typing in the plate numbers, Donald began walking away from the front desk as fast as he could.

CAPTAIN

The name is Donald Taylor and the address is one five zero two Marbury Dr.

CUT TO:

Donald running through the hall way heading towards the bathroom. he knocks on the door yelling.

DONALD

Evelyn come out come out

FADE TO:

Paul began to walk away from the desk when the captain thinking that it might be the wrong plate number that he was given.

CAPTAIN

Maybe that was the wrong plate number that you were given. That plate number belongs to one of our own detective.

Paul looking baffled had already began to memorize the address. Not wanting to alarm the captain walked back and put the paper on his desk. He didn't say a word just turned back around and made a phone call.

HALL WAY - WOMEN BATHROOM

Back to the hallway by the bathroom where Donald and Evelyn is and Evelyn is now out of the bathroom listening to Donald.

DONALD

Excitedly

We have to go. He's getting the license plate number and he surely not getting it to shake our hands.

EVELYN

How do you know he's bad.

DONALD looking frustrated.

DONALD

Because good cops don't shoot at people for watching them unless their bad.

Coming to grips with what Donald said they both starts running to the car. Again they see the bad cop getting into the car and again he looks at them but it doesn't register to him because he didn't get a picture just a name and number which was to thier advantage.

EXT. DAY EXPRESS WAY.

Car moving along the express way going at high speeds

INT. CAR

DONALD

I have to get to my family fast,
got to get them somewhere safe.

EVELYN

What have you gotten us into.

DONALD

I don't know but what ever it is to have a cop just walk in and get the plate of a police officer and not blink it's gotta be something big.

EVELYN biting her lips.

EVELYN

yeah, yeah something real big.

INT. DAY - INSIDE HOME OF DONALD AND DEBORAH

Hurriedly the kids are packing only what they can carry for about three to four days. Deborah going through business papers to make sure that she has all the important papers that she needs.

DONALD

Okay okay we have to go. They will be here any minute.

Just then you could here cars screeching out on the front.

EVELYN looks at Donald.

EVELYN

Go, I'll hold them back for a minute.

DONALD looks at Evelyn but knows he has his wife and kids in the back sitting in the car waiting for him. He don't want to go but he knows it's best.

EVELYN (CONT'D)
I'll be alright just go.

DONALD
I'll be waiting

DONALD rushes through the back door. Evelyn turns back towards the window and again begins shooting at the bad cop and bad guys from the night before. Bullets after bullets breaking glass in the glass cabinet sitting against the wall. Suddenly she is hit in the arm and screams out. She is mad and now is taking all out aim and she shoots one of the bad guys in the abdomen as he was getting closer to the house. He goes down.

EVELYN knows that she is losing a lot of blood, so she tries to run and make it through the back door of the house, where Donald and his family is waiting for her. While trying to make it through the back door she is shot in the back and can't make it down the stairs. She looks at Donald and Donald and his family looks in disbelief, just then one of the bad guys John shows up at the back door and with her last breath Evelyn says go. She die lying on the back porch, almost making it to her partners car where she would have had the opportunity to live another day. Donald and John stare at each other before he takes off.

EXT. DAY - RESTAURANT.

Wade is sitting down at a table in the middle of the restaurant with Bodi and Ryan.

WADE
The girl looks nice. I mean she's different. She should bring a big price from the buyers. Yeah if all goes right. Without anymore interruptions.

BODE
Yeah she was in the mall when we got her. You told us that you wanted a brown haired blue eye'd young girl. Well that's what we got.

WADE
Was she by herself?

Ryan looking disturb because he knows that they could be identified in a line up.

BODE
(laughing)
She was with some lady

WADE
Did this lady just happen to be her mom.

BODI looks at Ryan for help, trying to get Ryan to chime in.

RYAN
We just tried to get what you wanted Wade.

WADE raises up out of his chair. Animated.

WADE
So you think that I wanted you to abduct a senators daughter. Is that what you dip shits think. Yeah she was what I wanted but she isn't the one I wanted.

RYAN
No Wade but you did want a nice classy girl and that's what we got. How did we know it was the senators daughter.

WADE
Well unlike the rest of the girls they gonna come looking for her so we need to lay low until we know that the people that was in the car last night spying on us is dead.

Just then the phone rings, Wade sits back down, he is hoping for some good news.

PASSENGER 2 PAUL (V.O)
One of them got away but we did kill the girl. They were cops.

WADE
How do you know?

PASSENGER2 PAUL (V.O)
Seen them at the precinct, both detectives.

WADE
What happened to the other one?

PASSENGER2 PAUL (V.O)
He got away. He's gonna be
trouble.

WADE Kicks a chair from under the table and it flies across the room.

WADE
Okay bring it in.

Hang up.

WADE is now headed to the basement of the restaurant to take a look at the girls that he has hiding. He knows that before the restaurant opens that he will have to take the girls to a new location especially since one of the detectives that knows where they are will be coming back soon.

He opens a locked door down in the cellar and enters the room with the girls that he has for sex trafficking slaves.

Ryan and Bodi enters the room behind Wade their boss. Bodi has his gun out and he is waving it about to let the ladies know that he wants them to get back and be quiet.

WADE (CONT'D)
(Looking at Lisa)
So your the Senators daughter that
the news is raving about.

Lisa looking stern faced and confident about being saved from being sex trafficked by these ruthless thugs.

LISA
My father will come looking for
me.

BODE and Ryan starts laughing until Wade turns around and looks at them with a mean face.

WADE
So Dadies gonna come looking for
his little girl, by the time he
discover who took you we will be
long gone.

BODE grabs Lisa she's beginning to get closer to Wade. Wade waves Bodi off of Lisa.

BODE
But Wade

WADE

Let her go. she's a fiesty one.

LISA

Let us all go and I want say
nothing to my dad.

BODE, Ryan and Wade all laughing.

WADE

We gotta round all the girls up
and we are going to move them to
the bosses big mansion in the
boonies.

BODE

What's the boonies ?

WADE and everyone looking at Bode and no one answers.

LISA

(LOOKING AT WADE)

You really want to work with these
guys. I mean what is he on.

WADE

They have their uses. And it's not
your problem.

Bode and Ryan rounds up the girls and once out of the back door Lisa is giving the guys trouble she don't want to be touched by them and puts up a fight. The other females aren't as tough as Lisa and aren't as fortunate to be given a bit more leniency. It's a mexican guy outside in the alley smoking on his break and he see's that Lisa is giving the guys a hard time so it catches his attention, but Wade gives the guy a look.

Two days and no one has called for ransom no one has called for nothing. What is it that these people want with my daughter.

Another agent from the FBI comes over confidently to speak with the Senator this way the FBI can keep a fresh handle on the situation and compare notes.

FBI AGENT2

Sir we are doing all we can. But we have little to go on. I have to be honest with you. You know that recently there have been a string of abduction of young and teenage girls being sold into the sex and drug trafficking ring.

Mrs. Johnson screams Mr. Johnson holds her a little tighter.

SENATOR
(Dejected)
Its strange but if that's true
maybe our daughter is still alive.

FBI AGENT2

to look at all the angles to try
and save your daughter. Some of
these girls get sold
internationally.

Mrs. Johnson lets out a weeping sound She is very emotional
and distraught.

DONALD walking towards his wife and his sister Inlaw has a definite look on his face. He knows that it is serious and don't want any more blood shed from family and friends.

DONALD

I don't want anyone from my family
to die and these guys means
business. These girls need our

so young.

DEBORAH

Yeah they killed one cop already

BIG BOBBY
We got another buyer that's looking for some fresh young meat. This time just be careful who you take. But we gotta do what we gotta do.

WADE
Big Bobby we gonna have to get rid of the Senator girl real soon because she's a hazard to our operation. We weren't able to sale any of the girls the other night so we need to be even more careful.

Locke and John is shown ready to step up and speak on Lisa's behalf. They believe that she is still the best trafficker to bring in the money from over seas.

JOHN
Mr. Big Bobby, I think that she is still the girl that will bring in the most money. What the other girls went for what about 10-15 grand.

WADE feeling uneasy

WADE
She might bring in more money but she's a risk. None of the other girls are a risk.

BIG BOBBY

Let me worry about the risks and
you worry about transportation and
this time not in back of the
restaurant. I got some good news.
The buyers from the other night
did come back and buy the girls
that they were looking at and like
you said they didn't want to touch
the senators daughter.

WADE gives John and Locke a stare down.

WADE

You just said that it was ok to
still try to sell the girl.

BIG BOBBY

No! John said that she is still
worth more than all the girls and
I said to you let me worry about
the risks. And I still say that to
you. I will handle the risks but
in the meantime lets see what we
can do.

WADE

Ok your the boss.

BIG BOBBY

I hope you took care of the
problem. I don't need nothing
coming to my door.

JOHN and Paul look at each other and then look at wade to
speak on their behalf.

WADE

We took care half of the problem
and we found out that they both
are policemen but we killed the
girl and the man got away we are
looking for him and got some men
at the precinct and at the
children school.

BIG BOBBY looking confused and un amused.

BIG BOBBY

Why at the children school.

WADE puts out his hand to give John the floor.

JOHN

When we searched the house we found out what school the children went to. One of the kids are on the basketball team.

WADE picks up the conversation from there.

WADE

Seeing how the boys' basketball team are scheduled to play I decided to take a chance and send two of the men.

BIG BOBBY

I don't know about wasting men at the school. But yeah the precinct is a good idea. If he needs help he might go there.

EXT. DAY - GYM

The detective and his family is now at Treveyon's basketball game they are sitting in the stands. The wife and Jeremy are pointing towards Treveyon who is shown standing on the floor waiting for the game to start.

DONALD is browsing looking around the gym looking to see if he could spot someone out of the ordinary in the crowd.

JEREMY

Dad why are we here at the game when the guys that tried to kill us today are somewhere out there looking for you.

The mother looks at her son Jeremy.

DEBORAH

No one is going to look for us here. NO one is going to look for us over your aunt Stella's house.

DONALD

Son don't worry I wont let nothing happen to you.

Jeremy thinking to ask another question.

DEBORAH

What is it Jeremy, what is it that you want to ask.

Now feeling looser and more unafraid.

FADE TO:

Gym

Lock and Ryan are seen watching the detective and his family from a distance at the gym.

JEREMY
Did Auntie call uncle Luke for help.

DEBORAH
Yeah, she did. She alerted him that we need his help.

JEREMY
Well we better stay clear from the city because it's not gonna be the same until he's gone.

DEBORAH
It'll be okay Jeremy.

Jeremy looking at his dad.

JEREMY
Mom remember that time when dad tried to arrest uncle Luke the first time that they met.

DONALD feeling and looking a little embarrassed.

DONALD
That was a long time ago and I didn't know anything about him.

JEREMY
Well he beat up all the guys in your precinct dad. You just kept calling saying man down.

DONALD is shaking his head and his wife looks at him. Donald knows what Luke is capable of doing. Donald and his police buddies once tried to arrest Luke for carrying several weapons but was intercepted by the united states government. Even though Luke had beaten up most of the policemen that had shown up to help the officers.

DONALD
How was I supposed to know that he was a G12 level clearance and a registered martial arts expert.
(MORE)

DONALD (CONT'D)
That could do or go where ever he pleased. Let alone carry any type of weapon he seemed fit.

GYM

The high school basketball team tip off is underway and the teams are running up and down the court. A pass is made to Treveyon and he misses the shot but gets the rebound and scores. The other team takes out the ball and runs down the court and the ball is thrown out of bounds. The family is watching the game and the crowd is screaming for their individual teams. Jeremy is seen rooting and shouting out his brother's name.

The car is seen backing up, and the passenger is seen jumping out of the car onto the streets. He grabs the young girl from behind and pushes the beautiful teenage girl inside as she drops her head phones on the ground. BIG BOBBY

I was on the phone before you guys came over talking to Cosgrove and some of the boys.

WADE had a concerned look on his face along with Paul the problem that Big Bobby thought was over was still a problem that the criminals were still dealing with.

WADE

Boss, we have a bigger problem than I first thought.

Big BOBBY throws his hands up in the air and rubs both of his hands through his hair. He then waves Paul and Wade closer to him.

BIG BOBBY

(Pattting wade on the face.)
What's the problem again.

BIG BOBBY is now looking at Paul

BIG BOBBY (CONT'D)
Your the police right. So you

WADE stepping back from Big Bobby.

WADE
Ryan and Locke hasn't been heard

couple of hours ago.

BIG BOBBY looking waiting

WADE (CONT'D)
He and Locke followed the
detective that could identify us
to the airport and I told them to
kill him and his family when they
got the first chance.

PAUL
Yeah and we been calling and no

this isn't right. I have a family.

The girls are distraught, and scared at what would happen to them.

LISA (CONT'D)

My Mom and dad will give you
money.

WADE then looks at Big Bobby, knowing that lisas' face has been all over the news he wonder if that might be an option.

BIG BOBBY

Don't even think about it Wade. We
don't sell back to where we get
these girls from we sell for sex
and money.

WADE

You know we are already taking a
chance with this girl. I say we
just kill her and get it over
with.

John is looking at Wade like he is losing it, and forgetting the purpose of why we do this.

BODE

We can't just kill the girl, she's
a commodity and that's the only
way we gotta look at it.

Lisa looks relieved she knows that even if a buyer comes that it will give her an opportunity to live longer and possibly be saved by her dad.

The two kidnapped females has been tied up along with the other female captors and taking in all of what is a head of them.

DONALD

We could see his badge and his
gun. I followed him to the desk
and he asked who was the owner of
this license plate, which then he

the Senator that he would first order a cup of coffee and
then would head right over.

SENATOR

My son thought highly of you, he respected you.

LUKE

LUKE

mine free. I don't see any reason
why you shouldn't.

LUKE looks at the cashier for reference to the free coffee and she looks and nods in his favor.

CHARLOTTE

Well since you put it that way
maybe I deserve a blessing.

The cashier hands Luke the receipt and he takes it and writes down his phone number and hands it to Charlotte the beautiful brunette.

LUKE

When your not busy, IF you don't
mind call me.

CHARLOTTE

(smiling)

If I am not busy I will call you.
but to be on the safe side why
don't I call you now and you lock
me in.

LUKE

Yeah that's a good idea.

CHARLOTTE

Yeah that way you can pick up the
phone instead of hiding from one
of the ladies.

LUKE smiles.

LUKE

Ok i'll put your name and lock you

The waitress walks away and Luke keeps an eye on her hoping that she follows his plan by stopping and talking to one of the male waiters. He knows if she stops that it is only to let the waiter know that I am on to the sex trafficking ring.

The waitress stops and talk to a waiter and they both heads through the kitchen door. The waiter more hurried than the waitress.

LUKE still seated but with an watchful eye on the waiters one waiter seems to be looking down at his cell phone probably reading a text message from the boss. The waiter is headed towards Luke reaching into his pants pulling out a 38 caliber fire arm, he aims and fires at Luke.

LUKE gets down and pulls out a fire arm from his holster he lets loose a couple of rounds hitting the waiter in the chest.

LUKE

I am only gonna say this once. If I don't get the answers that I want your a dead man.I have a reputation for only saying things once.

The waiter is frightened, but he can see another waiter coming behind Luke brandishing a gun and it is aimed at Luke. The mexican waiter is hoping that Luke doesn't realize that the waiter is approaching. Just as the waiter was about to pull the trigger, in the nick of time Luke look through the mirror and falls to the floor. He turns and kills the waiter shooting him while lying on the floor.

The Mexican waiter that had given up runs out of the door into the streets.

I have his address in my wallet let me get to it.

LUKE

Ok give it to me. Be real careful because I got a nervous trigger finger.

POLICE OFFICER 1 SEX TRAFFICKER goes in his wallet and hands Luke a card with Big Bobby and his address on it.

LUKE (CONT'D)

How do I know I can trust you? your the police. people suppose to be able to trust you but you have given up all of that. I will come back and Kill you.

LUKE puts the derringer back into his pocket and pulls out a miniature tape recorder that had been recording the whole time that the two officers had been talking about the sex trafficking ring that they was involved in.

POLICE OFFICER 1 SEX TRAFFICKER
You been recording me. So are you gonna give me the tape that you got. I gave you what you asked for, that tape recording will take me down for sure.

LUKE
That's so that I wouldn't kill you not turn you in. You need to go down.

The Police officer sex trafficker 1 knows that he's been recorded, and that the tape would end his career. He knows that he must do something to prevent Luke from going public with the tape. So he goes for his gun that was still on the floor. Luke reaches into his pocket and pulls out a throwing knife and throws it into the officer heart that was involved in the sex trafficked ring. The first officer that had left comes back into the locker room and sees that his police buddy that was involved in the sex trafficking ring along with him now ly dead on the floor.

POLICE OFFICER 2 SEX TRAFFICKER
What is going on?

He goes for his revolver, Luke knowing that he could'nt let the officer get a chance to fire off a round from his weapon because it would alert all the officers in the precinct. So Luke throws his hands up in the air. The officer then approached Luke to handcuff him.

Luke abruptly half turns and hit the officer with a back hand knocking him backwards into the wall. The officer dazed and off balance relentlessly tries to approach Luke again and Luke hits him with a right cross to the side of the face and knocks the officer out.

Another officer hears the commotion in the locker room and enters the room. Luke pulls him by the arm and the officer tries to pull his weapon with his other arm and Luke gives the officer a chop to the throat and the officer grabs his throat with both hands and Luke sweeps him to the floor with a leg sweep and leaves out of the locker room and out of the building.

INT. DAY - BASEMENT OF BIG BOBBYS' HOUSE

Lisa is talking to the girls that has been kidnaped to be sold and sex trafficked to different parts of the city or country.

LISA

Girls we have to stick together.
Our parents are looking for us we
just have to make sure that every
chance we get. We have to make a
scene.

The girls are frightened and scared.

GIRL FOR SEX TRAFFIC

We don't want anymore trouble.
Some of the girls they beat.

Lisa shaking her head in disagreement.

LISA

That's exactly what they want. for
us to be scared. Ok so what
happened to the other girls that
didn't scream or make a scene. Did
they let them go.

GIRL FOR SEX TRAFFIC

I was here before you. I would
have probably been sold that night
in the alley along with the other
girls that was sold another day.
Some girls they sell quick.

LISA

What happens to the girls that
they don't sell.

The girls in the background waiting for an answer.

GIRL FOR SEX TRAFFIC

Maybe they let us go if no one
wants us.

Lisa grunts and knows that the girl is naive.

LISA

They are not going to release us I
don't care what they say. We have
to help our selves when and how
ever we can.

One of the girls in the back steps up.

SEX TRAFFIC GIRL IN THE BACK
So what do you suggest we do?

LISA
Scream bite what ever. IF they
kill all of us then they get
nothing. So we need to fight.

Sex trafficked girl turns to Lisa.

SEX TRAFFIC GIRL
How did you get here?

The mood is a sad one.

LISA
I was shopping in the mall with my
mom when these two goons grabbed
me but I fought them off. My mom
tried but they knocked her down.

Lisa is crying the girls are crying. Some saying they want
to go home.

SEX TRAFFIC GIRL IN THE BACK
I was on my cell phone listening
to music not paying any attention
when this guy got out of his car
and dragged me in. It happened so
quick that I did not get a chance
to scream.

SEX TRAFFIC GIRL
I wasn't paying any attention
either. We must pay attention to
our surroundings and make ourselves
a harder target. It might not stop
them but it could help. Who knows
maybe someone could have gotten a
license plate number or something.

All the girls agreeing that that is how it usually happens.

LISA

SENATOR JOHNSON (CONT'D)

We believe that the train stations and airport are a good place of interest and should be looked at as an intergral part of the selling phase or at least the get away phase. Ever since my girl was kidnapped at the mall I have been pushing for new laws that will give sex traffickers life sentences if proven guilty.

LUKE again returns fire shooting one of Cosgroves' men in the chest, then fires a few more rounds and shoots Character1 in the side and thigh. Cosgrove continues to fire and searches out Wade, he recognizes the Take Over.

COSGROVE
(To WADE)
I know this man. He isn't a
policeman he is an agent for the
United States government.

WADE
What?

COSGROVE

This man works Army Intelligence.
Who have you got, in the basement.

LUKE (CONT'D)
And I come for the girl.

BIG BOBBY

LUKE quiet, and it only serves him to get hit again by one of the men that came with Cosgrove. You can see that they both are taking a good beating as the men continue to hit Luke, Donald is hedged over still bleeding from his back.

BIG BOBBY (CONT'D)

One of Big Bobby's boys go and get the girls. once arrived

WADE (CONT'D)
Ok. He's not gonna talk. Then kill him.

JOHN
Yeah maybe we could have more fun with the agent.

JOHN takes out his gun while Paul, and the Asian guy looks on along with Wade.

Quickly Luke clicks his heels together and a knife flies out to the tip of his shoe. A shiny blade ready for use.

As John is standing in front of Donald and in front of Luke. Luke stretches out and in one motion kicks the rope slicing them apart and lunging for John.

LUKE grabs John gun and while they both has control of the gun Luke shoots the Asian guy in the head and Wade turns gunfire. Just at that moment Luke uses Johns' body to shield his body and Wade winds up shooting John. Wade again feeling overwhelmed ducks behind a boiler.

Luke takes shots but misses. Luke kicks down Donalds Chair as Paul takes aim missing both men. Now at this point Wade and Paul heads for the door. Waiting on the other side of the door is Stella with rifle in hand fires at Wade and Paul, shooting them dead.

STELLA

I received this tape from a reliable source and I am sure that it will exonerate officer Donald and Officer Evelyn from any wrong doings.

The Commissioner looking puzzled along with Detective Bennett and Jones.

COMMISSIONER

Tell me that your reliable source isn't some police informant named Billy.

STELLA

No. I don't listen to police informants they all got an angle of some kind.

commercial airliner passengers looks on in disbelief, Luke
isn't wearing any army gear piloting a fighter jet. The Jet
takes off from the plane and leaves the kids on the
commercial plane in awe of the speed of his jet. He flies
in the sky doing maneuvers of a fighter pilot.

Time has passed by it is now night time here and midmorning
in London.

INT. INSIDE JET

LUKE

good time to read your clearance
manual sir.

TOWER OPERATOR ruffling through pages in the book of
operations. (O.S)

AIRPORT TOWER (O.S)

The air space is granted, Mr.
Dalton. Your'e coming in a little

LUKE is seen coming out of the airport revolving doors
walking into the cab section area. He asks the questions to
the cab drivers, one by one.

LUKE

(To first driver)

Have you seen this girl.

First driver looking at photo

FIRST DRIVER

No I haven't seen her.

Luke moves on to second driver.

LUKE

Have you seen this girl.

SECOND DRIVER

Yes I seen the girl. I remember
because she was with a group of
girls that seem to be Americans.

LUKE happy to get the info but he shows no signs of
outwardly excitement.

LUKE

Ok so tell me the spot in the city
where I can get some good action
for some sex for cash.

Driver shaking his head

SECOND DRIVER

No sir no no. It is very bad you
don't want to go there.

LUKE waiting.

SECOND DRIVER (CONT'D)

Their is not a driver that will
take you there, but I will take
you close enough to where you can
find it. You gonna need lots of
money for the girls.

LUKE gets in the car.

Just before Luke gets into the car you could see these two men parked at the curve and they have been watching Luke all along to see what he will do. Anytime that an American comes through the airport someone is their spying to let the boss of their criminal and gang activity know what is going on. LUKE and the cab driver pulls off and is headed to the worst part of town where everything is sold for a price. The car that was parked by the curve blending in to be a taxi takes off and follows behind. The driver of the taxi isn't paying any attention to his surroundings but of course Luke the take over is very observant and after a few blocks he spots the tail trailing behind.

INT. INSIDE OF TAXI

LUKE taps the driver. The drive looks at Luke and Luke points to the car tailing the taxi.

The taxi drive looks out the window of his mirror and sees this green sedan following behind them.

LUKE

I hope you know the city well
you're gonna have to put a move on
it.

Luke reaching into his jacket pulling out one of his many weapons. The taxi driver looking none to pleased but ready. The taxi driver takes off in a squeal he looks back at Luke.

SECOND DRIVER

Don't worry I used to be get away
driver years ago.

Both cars swerving in and out through traffic. Pedestrians scrambling around getting out of the way. after a minute of this Luke looks at the driver.

The green sedan is gaining on the taxi.

INT. TAXI

LUKE

Could you go any faster than this.
I thought that you said you use to
be a getaway driver.

SECOND DRIVER discontent.

SECOND DRIVER

I'm trying, I did

LUKE

(Luke Interrupts.)

Hey Hey, If you don't lose them in
the next minute were going to have
a bigger problem on our hands.

The taxi driver looks through his mirror to take a look at Luke.

The driver still going fast as he can for conditions still not gaining any distance from the green vehicle driven by the thugs of the sedan. Luke none to pleased.

LUKE (CONT'D)

On the next right stop the car and
wait for me.

SECOND DRIVER

Ok. I will stop the car and wait
for you.

LUKE hands the driver some cash.

EXT. DAY - STREET.

Coming up to the next corner the driver takes a right turn and stops the car. Luke gets out of the car with his weapon drawn and is now standing in the middle of the streets with both weapons drawn waiting for the guys in the green sedan to come sqeeching around the corner, to be hit with a hail of bullets.

The green sedan hits the corner, Luke is standing in the streets and the driver of the sedan sees Luke standing in the streets with weapons drawn. He tightens up on the wheel and he tries to get out of the way of the hail of bullets. Luke Sprays both sides of the sedan shooting the passenger and the driver a like.

LUKE slowly and patiently walks back to the car where the Second Driver is awaiting.

Transition.

SECOND DRIVER

Sir next time, can you come in a
hurry. We got policemen in this
country.

LUKE getting into the taxi.

LUKE

Their never around when you need
them.

The taxi drives off, residential streets are seen nice residences are being passed by green grass is shown people walking by talking to each other. As the taxi driver continues to drive you can picture that the neighborhoods are getting poorer as now you begin to see trash on the ground and run down homes. The taxi begins to slow down.

You can see men standing guard that not supposed to be guards just street corners but they are protecting the girls that are walking the streets. Luke is paying attention to details and spots where the guards are adjacent to the living quarters of which he figures the girls might be staying. The car passes through the guarded area and stops.

SECOND DRIVER

This is where you want to get out
its away from the guards view.

LUKE smiling.

LUKE

You really did use to be a get
away driver. Yeah I can see that.

LUKE takes out a few dollars and tears them in half and
hands it to the taxi driver.

LUKE (CONT'D)

If you can come here in exactly 1
hour I would have the other halfs
of those hundreds. I'm gonna need
a ride. A car that they want be
looking for.

Second Driver scratches his head.

SECOND DRIVER

So you will give me the other
halves to these bills.

LUKE

I will.

SECOND DRIVER

1 hour exactly just enough time
for a coffee and a doughnut.

LUKE gets out of the car and the taxi drives away.

LUKE

(To himself.)

They don't know I'm coming this
time.

LUKE begins to peek around the corner and gets the ruse of
the guards.

INT. SEX TRAFFICKING HOUSE.

BIG BOBBY, Cosgrove and the men are having drinks in the
living room. Two guys holding AK-47s are watching the
windows at different time intervals a female is seen in the
background.

BIG BOBBY

I don't want these girls for
working the streets.

(MORE)

BIG BOBBY (CONT'D)
We got girls on the streets
already. These American girls are
for sale.

The men nodding their head in agreement.

COSGROVE
It was never our intention to put
young girls on the street. It's
better to sale to the highest
bidder and let them handle the
girls how ever they like.

Again one of the guards peers his head into the window.
Luke looking up into the apartment sees the armed guard and
realizes that is the apartment holding the American teens.

INT. INSIDE OF THE ROOMS IN THE SEX TRAFFICKING APARTMENT.

The doors are ajar and inside one of the rooms you could see Lisa chained up to a bed post along with one of the other girls. You could see rooms around the apartment and each room it's either a girl chained up or drugged out. The girls are in bad shape. One young girl that is maybe a little older than the other girls is pouring drinks to Big Bobby and Cosgrove.

Intro - Jivka is a girl that was once a sex slave used for prostitution. She is of German decent, has long blonde hair and shapely. she now acts as Cosgroves' girl friend. She walks over to the table to pour Cosgrove another drink and he smacks her on the butt she don't move and she says nothing. She sets the bottle down on the table.

To Jivka

COSGROVE
Isn't their something you should
be doing?

Again Cosgrove smacks that butt. She snarls at him.

COSGROVE (CONT'D)
I can send you back on the streets
if you don't like being my woman.

Again she don't respond to him. she do however gets up and do what needs to be done. She Walks into one of the rooms to tell one of the young ladies to get ready for a client.

JIVKA

You are going out, so get ready.
You have a client wanting to see
you again.

The girl is of German decent and has already been used as a prostitute by Cosgrove. She has tears in her eyes but she knows that there is no where to turn. She must give in and do what she is told if her family is to survive. The German girl gives no response as Jivka turns and walks out of the room. The American girls are frightened by what they heard.

TRANSITION LIVING ROOM OF SEX TRAFFICKED HOUSE

BIG BOBBY

The men haven't called us
something not right..

Cosgrove now holding Jivka in his arms.

COSGROVE

I will tell you what's' not right.
He the agent got away and he will
find us. We have about ten hours
on him. He need to take a flight.
Then he needs to find us. For him
want be hard.

EXT. DAY RESIDENTIAL STREET.

LUKE is about to make his move and come from out from behind the building as the guard closest to him began to turn and walk away. Just then his cell phone rings and it reads Charlotte, he looks down at the number and see that it's the girl from the Coffee shop. He steps back again behind the building. He knows that if he don't show himself that the guard will call it in to let them know that they might have a buyer or a client. Which he is neither.

LUKE sees a liquor bottle in the streets and picks it up and comes from behind the building staggering with bills in one hand and liquor bottle in the other. To the guard he appears to be a drunk.

GUARD

Hey come here. you got money.

LUKE staggers towards the guard.

Continued, guard looking around hoping no one noticed the drunk holding all the money. He looks up to the window and he see no one.

GUARD (CONT'D)
I have a girl for you. She likes
Americans.

LUKE flinging the money in one hand and the bottle in the other hand. He gets close enough to the guard to whack him in the head with the liquor bottle and knocks the guard out as blood flows down the side of the guard head as he falls to the ground. Luke drags him behind a car on the road. Now he is headed towards the other guard as he looks up he could see a guard in the window with an AK-47 but he keeps walking waving the money in his hand.

BANK TELLER

Good day Sir. How can I help you.

TAXI DRIVER2

I was given these torn bills as a gift. I just want to know if it is worth keeping or looking forward to the other halves of these bills.

He hands the bills to the teller. The teller takes them to a manager. The manager takes them and hands them back to the teller.

BANK TELLER

My manager says yes that the bills are good. I would think that it would be worth to find the other parts of the bills.

TAXI DRIVER2

Thank you I must go now have to hurry.

The cab driver takes the bills, looks at his watch and run quickly out of the bank. He knows that he is running late he hurries to get in his vehicle.

INT. INSIDE OF SEX TRAFFICKING APARTMENT.

BIG BOBBY who you never has seen with a gun pulls a gun from his jacket and he is waving it around with his wrist.

BIG BOBBY

Who do this fucking guy think he is. Gonna come into my town and raise shit about what we do. I'll teach him to mess with my money and my stock.

The girl that was once clinging to Cosgrove is now seen shaking as Cosgrove is also up and upset.

COSGROVE

Why did you have to go to America for girls. We have girls here but you felt like American girls will bring more money, but you didn't think about the problems.

BIG BOBBY

He's one man, just one man.

BEDROOM:

Lisa is seen in her room sitting up in the bed waiting for her rescue to be complete. She is telling the other girls to pray.

LISA

We need to pray, We need all the help that we can get. We have to keep faith. I know someone is out there coming for us but we must pray that he make it because he and God is all we got.

EXT. DAY STREET.

LUKE is sitting behind the car with his back against the vehicle. He has mustered up enough strength to take another shot at the building. He knows that there are two snipers waiting for him to come from behind the vehicle. He looks out and gun fire is returned in his direction. He must make a move.

LUKE gets the idea to break the side mirror off of the car he's leaning against and uses it to spot the window of the two guards keeping him under attack. Now he can see the two guards in the window and make an escape from behind the vehicle and into the building.

He looks through the broken mirror see's the guard in the window. He veers from behind the vehicle and lays down by the front bumper closest to the curb and shoots several rounds into the windows shooting one of the guards. The guard falls through the window assuring Luke that he is dead. Luke gets up gun still firing and runs to the side of the building out of firing range from the apartment that is holding the sex traffic girls.

LUKE is seen scampering his way to the building of Big Bobby and his lynch man Cosgrove. He stops at the glass window door and looks inside and is met with gun fire. he ducks away from the gunfire and returns gun fire hitting the guard with straight shots to the abdomen. He now enters the building.

INT. INSIDE OF THE SEX TRAFFICKING APARTMENT.

BIG BOBBY yells to the guard, not knowing that Luke has killed yet another bad guy.

BIG BOBBY
Detmer, Detmer.

BIG BOBBY gets no answer and he turns to look at Cosgrove. It is now just he and Cosgrove to fight off the Take Over.

COSGROVE
We will end this.

COSGROVE yells down to Luke.

COSGROVE (CONT'D)
How would you like it if we killed
the girls. I will shoot every last
one of the girls if I have too.

LUKE knowing that if the girls are going to have a chance that he must end this now and only then will they have a chance to survive this ordeal.

Jivka also has friends in the apartment that is run by Cosgrove she looks frantic. She knows that he means business. She looks at the AK-47s that ly on the floor with anticipation.

LUKE
That is not something that you
want to do. It isn't profitable to
you. I am the one that you want.

LUKE now thinking hard to himself. Looks at his watch and see that he has gone past the hour mark. He wonders if the taxi driver would even show, let alone be on time.

BIG BOBBY
Like he said, we will kill the
girls if we have to.

JIVKA walking closer to Cosgrove, but slowly and carefully.
She stops.

JIVKA
You just gonna kill the American
girls. Baby

COSGROVE looks her in the eyes.

COSGROVE
I will kill all the girls.
including you if I have to.

She steps back near the window.

LUKE
I'm coming to get the girls.

He starts heading up the stairs, he stops to listen.

BIG BOBBY heads towards one of the rooms with the girls inside, he began to point his rifle at one of the girls that is chained up to the bed pole. Jivka reaches for the AK-47 still lying on the floor and aims and fires hitting everything but her target. Big Bobby gets down losing all thought of killing the girls in the room.

LUKE, hearing the gun shots rushes up the stairs with no hesitation he seems desparate to know whats going on.

As Luke is running up the stairs Cosgrove looks at Jivka and fires several rounds hitting her in the upper parts of her body and she falls to the floor.

LUKE still scurrying up the stairs trying to get to the top as fast as he can with out getting shot himself. As he comes up to the top of the stairs he could see Big Bobby still crouching on the floor. Big Bobby looks up and see's Luke and tries to take a few shots but before he can grab his weapon off of the floor Luke dives into the room firing several rounds into Big Bobby as he hits Big Bobby several times. Cosgrove moves into another room behind the walls.

Luke see Jivka lying on the floor gasping for breath. She's not dead. Jivka gives Luke a hint as to where Cosgrove is hiding and Cosgrove Shoots Jivka in the head killing her.

LUKE (CONT'D)
Was that necessary.

Waiting for a response Luke looks around into the sex traffic rooms in the apartment and he could see that the girls are tied up. He looks at one of the girls and they are smiling and crying. It is Lisa.

LUKE (CONTINUED)

LUKE (CONT'D)

I see now that you will kill for free. It's not really about the money with you Mercenaries it's really all about the killing.

COSGROVE coming from behind the wall and he throws down his gun. He is moving slowly towards Luke.

COSGROVE

I want to kill you with my bare hands up close and personal where I could see your eyes roll into the back of your head.

LUKE is thinking to himself, while he is bleeding from the face, tired from all of the beating in the basement. The jumping over the buildings to the roofs. He knows that Cosgrove haven't been through anything and is in better fighting shape at this time.

LUKE comes from behind the wall, he stands up with his weapon in his hands. Cosgrove comes to a complete stop.

COSGROVE (CONT'D)

Throw down your weapon and fight like a man. I know you Americans like a good fight.

LUKE now with the weapon down by his side. Can barely see out of one eye because of the blood running down his face and almost into the other eye. He is beat up pretty bad already.

LUKE

So looking at me, you think that it would be a fair fight. Seeing how your men beat me in the basement. Shot at me in the streets.

COSGROVE

Fight like a man. Put the gun down and I will show you.

Lisa is seen on camera inside of her room shaking her head and begging. Luke can hear her. screaming.

LISA
Don't do it, please don't do it.
Shoot him shoot him.

Luke again takes a look at his watch. He looks at Jivka who died before his very eyes after giving him a clue where Cosgrove were. He looks into the room where Lisa is. He knows that, that is the senator's daughter.

LUKE
(To Cosgrove)
I will throw down my gun but first
I will make it even.

COSGROVE starts running towards the Take Over. He aims and shoots Cosgrove in the leg and then the arm. Cosgrove drops to the floor.

COSGROVE
This is your way of fair fight.

LUKE
This is my way of winning the
fight. You kill little girls and
sell them for your pleasure. I'm
as fair as you are.

COSGROVE begins to get to his feet. He's standing next to Luke. Cosgrove takes a swing and Luke catches his fist swings around Cosgrove and begins to choke him. Cosgrove tries to wiggle out from out of the choke hold but Lukes grip is too strong.

LUKE (CONT'D)
Is this personal enough for you.
The thing is you know who I am and
you still came at me. That's
stupidity on your part. You should
have left the girls and left town.

COSGROVE
Fuck you American.

That was Cosgroves final words.

LUKE again looks at his watch, digs into Cosgroves' pocket and brings out keys to unlock the girls. He hopes that he and the girls has a way out of here.

LUKE scurries to the room where he finds Lisa with the biggest smile. He unchains her and gets to unchaining the other young females in the room.

LUKE

Your the Senators' daughter. I
come for you and the girls.

LISA

I never gave up. My brother use to
tell me about a man he knew. I
always knew my father would call
you to come for me.

LUKE

We have to get the other girls,
take this key and release the
others.

LUKE goes and look out the window and see several people gathered onto the streets. He know that police should be arriving shortly. He also knows that if police are coming that most likely they are going to be the ones that allowed for the sex trafficking and the sell of forced prostitution to go on.

He gathers up the Ak-47 and then he goes and round up the girls. He goes room to room and some of the girls embraces Luke and tells him thank you. Luke pushes the girls gently away from him. He knows that their is still work to be done.

LUKE (CONT'D)

Ok, we have to be moving. stick
close together. Don't move to fast
and don't get in front of me.

LUKE and the girls are seen leaving the apartment headed down the stairs.

LISA

Okay girls, don't be afraid we
have to listen to him. we have to
stay close together.

One of the girls looking suspicious about the reason why he would save them.

SEX TRAFFIC GIRL IN THE BACK

Do you know him. why should we
trust him. who is he.

LISA

He's a friend of the family. I
told you from the beginning that
my father would come for me.

The girls continue out of the apartment and down the stairs. Once down the stairs and out onto the streets some of the girls run separate ways.

Police cars now making in on the scene see's the girls running and goes after the girls. These are the German girls that was force to prostitute for Cosgrove and Big Bobby. The police knows the girls by name.

LUKE turns around and see that the policemen knows the girls by name and is ready to act.

LUKE
Girls stay calm and stay inside of the building.

He leads them back to the front of the building where they could look out and see him, he is approaching the policemen and he has his weapon aimed at them.

LUKE (CONT'D)
Get away from the girls. I am only going to say it once.

The police looks at Luke then each other.

POLICE KNOWING THE PROSTITUTES
Oh so you are an American. So you are a tough guy.

The other policeman raises his weapon to shoot at Luke and he fires his Ak-47 he kills the crooked officer.

LUKE
But the weapon is foreign.

FADE TO:

The girls inside the hallway.

The girls are screaming and closing in together to be as tight as they can.

BACK TO:

Luke and the policeman knowing the prostitutes.

LUKE (CONT'D)
The girls has been through enough.
you allowed it but now they can go home to their families as best they can.

LUKE turns around to leave. The German girls scream out and Luke turns around and fires his AK-47 and hit the officer

just as he had done the first time to the other crooked officer. The officer goes down.

Luke looks at the girls and they began running down the streets to safety. Luke heads back to the American girls waiting for him in the building.

LUKE waves for the girls to come out. He could hear sirens, getting closer.

LUKE (CONT'D)
Hurry, we have to get to the end
of the block.

The girls all five of them are rushing about trying to stay safe. Trying to make it back to the United States. They have been away from family and friends now for a few days. It is a foreign place and no one knows what will happen if the police were to stop them but right now the police are not around but they are coming. LUKE to the girls wait here. Lisa is seen as the leader of the girls. The girls know that Lisa is a fighter and knows that she has their back. She always did. She help them to survive.

LISA
We now has to believe that we can
trust him. We just seen what he
did for those girls to escape.

The girls looks on and all shake their heads in agree.

LUKE, rushes the girls behind some bushes on the streets. It's not the best hiding place but he hopes that he is not too late. He don't know if the taxi driver has been there and if he has would he becoming back. It's now been about thirty minutes past the hour. Luke is in the bushes now as police cars come speeding around the corner headed towards the sex trafficking apartment. Luke is still covered in blood so it will be hard for him to explain his situation. He is sitting with American girls that is there illegally but it still doesn't give him authority to kill. Even though he has a license to kill.

The cars swoop by and Luke again stands to see if the taxi driver is going to come. Still no taxi driver

LISA (CONT'D)
What are you doing? We can't stay
here.

LUKE
Shhhh, stay down.

LUKE comes from behind the bushes and the taxi driver is seen pulling up. smiling.

The two other African American girls are seen getting into the car.

LUKE
Take these girls to the American Embassy, and I mean take them inside and let them know that they are from Chicago and that they have been kidnapped.

LUKE then hands the taxi driver the halves of the four one hundred dollar bills and gives him one hundred dollars more.

TAXI DRIVER2

The taxi is seen taking off and the girls yelling thank you to The Take Over.
