SCENE 1:INT. TAYLOR RESIDENCE MID DAY.

A house full of people at a wake. BRAD, ROBIN, MEGAN and NICK stand in a line as people line from the door as they offer condolences. Among the line are BETH, JASON, SHANNON and TISH.

SHANNON

Robin. Nick. Megan. Bradley. What can you say? It's so awful.

ROBIN

I know, Mrs. McKinnon. Thank you. It means the world that you came.

SHANNON and TISH leave to mingle with everyone else.

BETH

Robin...

ROBIN

Mrs. Ryan.

BETH

Call me Beth, love. You're an adult now.

ROBIN

Thank you... Beth.

BETH

Peter and Emma were such good friends to me. They were so helpful to me when Henry and I... But I can't even begin to imagine...

ROBIN

It's going to be hard for all of us. It means the world to us that you came.

BETH

Let me know if you need something... anything. I'll be right next door.

BRAD

Thank you Beth.

BETH and JASON leave to mingle. Enter LIAM

LIAM

Megan.

MEGAN

Liam?

LIAM

You want to talk?

MEGAN

Yeah. Yeah, I would.

They move to a corner away from everyone else. the line keeps moving.

LIAM

I just wanted to know whether you thought streamers were a good idea?

MEGAN

What?

LIAM

For Tish's birthday party. We were going to organize it, unless you know something I don't?

MEGAN

You came here now to ask me this?

LIAM
I've been trying to call you for
days.

MEGAN
I'm at a wake.

LIAM
A wake? (Beat) Megan, I'm sorry,
I...

TISH
Hey.

MEGAN
Hi Tish.

TISH
Baby! What are you doing here?

LIAM
I just heard.

TISH
That's so sweet. (She kisses him)

LIAM
Your Mum?

TISH
She knows, remember.

LIAM
Sorry, reflex (TISH laughs, MEGAN
leaves)

ROBIN approaches JASON

ROBIN
Jason, hi.

JASON
Robin.

ROBIN

I saw you before, sorry I didn't
wave or something, I just...

JASON

I know. I get that I'm the
thousandth person today to ask
but are you okay?

ROBIN

Yeah. I'll be fine. We'll cope.
You came all this way to see us?

JASON

Yeah... Well, no not really. I'm
moving back to town.

ROBIN

Really?

JASON

I was placed here now I've
finished all the theory stuff, so
I guess I'll see you if you speed
or something... Sorry.

ROBIN

It's okay. You've seen Brad?

JASON

Yeah, we got to chatting a little
while ago. What about you? What
happened to you since I left?

ROBIN

This and that, I left school
before year 12. I took a bit of
time working for my parents at
the cafe.

JASON

Okay.

ROBIN

I have to go.

JASON

Yeah.

ROBIN

Thank you.

JASON

You're welcome.

SHANNON approaches NICK

SHANNON

Hello Nicholas

NICK

Mrs. McKinnon. How are you?

SHANNON

Well, considering. Are you still going to go to university this year.

NICK

I accepted, but I haven't thought about it after...

SHANNON

I understand. But you're only sixteen.

NICK

Fifteen.

SHANNON

So young. I wish Tish knew what she was doing after she leaves school. What are you studying?

NICK

Medical Science.

SHANNON

How long will that take?

NICK
Four Years.

SHANNON
So, you could be a doctor when
you're...

NICK
Nineteen. Yes.

Enter TISH and LIAM

TISH
Mum, we might go home.

SHANNON
Alright, I'll go with you. Nick
can you tell Robin that this
month's rent has been paid for?

NICK
Thank you Mrs. McKinnon.

BETH approaches BRAD

BRAD
Mrs. Ryan.

BETH
Call me Beth please. Actually,
Brad I have been meaning to talk
to you about something.

BRAD
Yes?

BETH
I know that after this you will
be stunted for cash.

BRAD
We still have the cafe, we should
be okay.

BETH

I know, but... Small businesses
don't make much money. Would you
come and work for me at
fitzpatricks?

BRAD

Real Estate?

BETH

If you attend a week long course
I will take you in a heartbeat,
and the pay is very good. It
would be the least I could do...

BRAD

Thank you Mrs. Ryan...

BETH

Beth.

BRAD

Beth, I'm sorry. I'm not sure
what our plans are. Can I let you
know?

BETH

Thank you, Brad. You've all grown
up so much, your parents would be
proud.

BRAD

Thank you.

SCENE 2: INT. MCKINNON HOUSE. AFTERNOON.

Enter SHANNON, TISH and LIAM

SHANNON

I'm think I need a lie down. Are
you guys alright?

TISH

Yeah, thanks Mum.

LIAM

Actually, Mrs McKinnon?

SHANNON

Yes?

The camera follows the two down the hall out of reach of TISH

LIAM

I just wanted to know if we were still on for Friday?

SHANNON

Oh, for the P.A.R.T.Y?

LIAM

Yeah, just wanted to see if it was still cool?

SHANNON

Yeah, that should be fine.

LIAM

Is Tish catching on?

SHANNON

I don't think so. We always goes to the movies for her birthday. She'll probably be expecting that.

LIAM

Yeah. good. Thanks Mrs. M.

SHANNON

Pleasure Liam.

The camera follows LIAM back into the lounge room. TISH is looking at a photograph of her, MEGAN and Emma Taylor.

LIAM

Hey.

TISH

I forgot about this.

LIAM

What is it?

TISH

Megan took me to the snow every year with her family. One night the boys-and Robin, she didn't like to miss out- Went to go get pizza, but they were stuck in a traffic jam on the way back. So Mrs. Taylor, Megan and I built a tent out of blankets and washing pegs and we had the best night. Its strange how memories like this slip away from you.

LIAM

Yeah.

SCENE 3: INT. RYAN HOUSE. EVENING

HEATHER is sitting at the computer writing a novel. Enter BETH and JASON

BETH

Hey Heather. Did my phone ring?

HEATHER

Yeah, like a thousand times.

BETH

Did you answer? Never mind.
(Checks Phone.) I'll go sort this out. Can you have a think about what you want for dinner? (Exit BETH)

HEATHER

How was the wake? Catch up with old friends?

JASON

Didn't get recognized much. Had a good chat with Brad though.

HEATHER

Not the sibling I was talking about. I want to hear about Robin.

JASON

Yeah, only a short one though. She was busy.

HEATHER

You ask her out? What? You're adults you can do that.

JASON

It was a wake.

HEATHER

Next time then.

JASON

What makes you think I like her?

HEATHER

Because I know crushes, and you, my brother, are easy to read anyway.

JASON

That was two years ago.

HEATHER

And you don't feel the same way now?

JASON

No.

HEATHER

Bullshit.

JASON

Whatever. (Enter BETH)

BETH

Well you tell Terry if he has another sick day I'll kick his ass and then fire him personally.
(Hangs up) Have we decided?

JASON

No.

HEATHER

Yes. Can we have the Taylors over for dinner?

BETH

Might leave them be, judging by the shape of them. Maybe tomorrow.

HEATHER

Sounds good. (She glares at JASON)

BETH

Megan's in your year at school isn't she?

HEATHER

Yeah.

BETH

You should be friends with her.
(HEATHER mouths this line along with BETH)

HEATHER

Why?

BETH

Well, aren't you always complaining that you don't have enough female friends? And Megan looks like she could use a friend right now.

HEATHER

Megan's popular. She has plenty of friends. Assuming she doesn't do something stupid.

SCENE 4: INT. TAYLOR HOUSE. DUSK.

BRAD, MEGAN and NICK are washing, drying and putting away plates while ROBIN tapes up a cardboard box. She is in emotional agony, but won't let anyone see.

ROBIN

Well, I think that's the last one. Salvo's should send us a thank you note. Can I help out there?

BRAD

We're okay, I think.

ROBIN

So, which casserole do we want for dinner then? we could have chicken from Mrs. Stevenson, beef from Miss Finos or lamb curry from Mrs. Dietz? (General silence) I'll pick then (Taking the lamb curry and scooping it into a large bowl) I think there's something we need to talk about.

MEGAN

Okay.

ROBIN

Who's going to move in to Mum and Dad's room? (Beat) I just think it would be practical, that's all. I mean, we're all growing up, so we can't keep sharing rooms, and this way we can use both bathrooms.

NICK

Maybe you should move in then Rob?

ROBIN

I... Okay, all in favor? (MEGAN, NICK and BRAD's hands rise. ROBIN does so in after thought) Okay, it's decided. (She places the bowl into the microwave. There is a knock at the door. NICK goes to answer it. Enter HEATHER.)

HEATHER

Oh, hi is Megan there?

NICK

Megan, there's someone at the door.

MEGAN

Hi.

HEATHER

Hi.

MEGAN

Can I help you?

HEATHER

Oh, I just heard that you're going through a hard time and I thought I'd just say that if you needed anything...

MEGAN

I'll let you know. Thanks. Do I know you?

HEATHER

I'm in your year at school.

MEGAN

What's your name?

HEATHER

Heather. Heather Ryan.

MEGAN

Oh. Really?

HEATHER

Never heard of me?

MEGAN

Sorry.

HEATHER

That's okay. Umm. Bye. I'll see
you at school.

MEGAN

Around...yeah. (exit HEATHER)

NICK

Who was that?

MEGAN

Heather Ryan.

BRAD

Jason's sister? Why did she ask
to see you?

MEGAN

I don't know. I thought she'd be
ugly as.

ROBIN

Megan...

MEGAN

It's just what I heard.

BRAD

You know, Jason's back in town.

ROBIN

Yeah, I saw him. This is good,
you guys were such good friends.

BRAD

Yeah it is. (The microwave
dings)

SCENE 5: INT. MCKINNON HOUSE. NIGHT.

TISH and SHANNON are eating a home cooked meal.

SHANNON

It's good when it's just you and
me isn't it? Without your brother
around stinking up the place?
(TISH laughs politely) You know
who's grown up a lot? Nick
Taylor?

TISH

I didn't notice.

SHANNON

And he's going to uni isn't he?

TISH

Yeah, to be a doctor.

SHANNON

And he's only 15...

TISH

I'm not going to date Nick
Taylor, Mum.

SHANNON

I didn't say that...

TISH

You didn't have to, you had the
"Let's have him over for dinner
voice" going on.

SHANNON

Well, he's just so sensible, and
he knows what he wants.

TISH

He's nerdy.

SHANNON

You should be nice to nerds, one
will be your boss one day.

TISH

Nick is Megan's little brother, I
don't want to be seeing my best
friend's brother. Plus I love
Liam.

SHANNON

What?

TISH

It was today, when he came to the
funeral. It just... It felt so
right you know?

SHANNON

Have you told him this?

TISH

No, I think I will soon though.

SHANNON

Does he feel the same?

TISH

I don't care. I do, and I know
that he's older than me, but...
I'm not trying to be an adult, I
just...

SHANNON

Feel it.

TISH

Yeah. Is that how you felt about
Dad?

SHANNON

I still do, but that's only how it starts. I can't even begin to describe where you are 20 years down the road.

SCENE 6: INT. MEGAN'S BEDROOM. NIGHT.

Megan and Robin are sitting on their respective beds.

MEGAN

43 Maybes? are you serious?

ROBIN

What's that?

MEGAN

15 attending, 8 not attending and 43 maybe attending, so tomorrow we're expecting somewhere between 15 and 50 people.

ROBIN

How much pizza are you getting?

MEGAN

I dunno. What is it 10 a pizza?

ROBIN

Something like that.

MEGAN

So 5 per person, looking at something like...

ROBIN

Somewhere between seventy five and two hundred and fifty.

MEGAN

How do you do that?

ROBIN

It's a gift.

MEGAN

So what if I buy 25 pizzas and
only 15 people come?

ROBIN

Brad'll eat the rest. (They laugh
Enter BRAD)

BRAD

You're talking about me. That's
not fair, What's going on?

MEGAN

Nothing. (Beat)

ROBIN

What do you want?

BRAD

What? A guy can't just hang out
with his sisters?

MEGAN

So, I went bra shopping
yesterday.

ROBIN

Really? did you find something
nice?

MEGAN

I found this pink one with
frills...

BRAD

Alright! I get it, girl talk
(Exit BRAD. MEGAN raises her
voice so he can hear her)

MEGAN

Do you want me to put it on for
you?

ROBIN

Definitely, give me a look.
(MEGAN closes the door) He'll
figure out we're bluffing one
day.

BOTH

Nah. (Beat)

ROBIN

Facebook is so impersonal anyway.
Why didn't you just send
invitations around?

MEGAN

It's a surprise party, I can't
hand out written invitations
otherwise Tish might see
something.

ROBIN

You know, if you're getting
stressed about it, maybe you
should take a back seat. I'm sure
she will understand under the
circumstances...

MEGAN

No.

ROBIN

I just don't think it's healthy.

MEGAN

Hey, don't you have your own room
to sleep in? (Beat) Hey, I'm
sorry. I understand, take your
time. (ROBIN takes a box of her
things and leaves.) I'm sorry!
Rob?

ROBIN walks out into the hallway and stands at her
bedroom door. she opens the door and leaves the box just
in the door.

SCENE 7: INT. TAYLOR LOUNGE ROOM MIDNIGHT

ROBIN is asleep on the couch. Enter NICK who turns the lights on.

NICK
Oh, I'm sorry.

ROBIN
It's alright. What time is it?

NICK
About 12:30.

ROBIN
What are you doing up?

NICK
Can't sleep. Figured I'd watch some TV, but...

ROBIN
It's okay. Put on a sitcom and you have a deal.

NICK
Really?

ROBIN
May as well use the Foxtel while we have it. Besides, I could use a laugh.

NICK
Okay. (Turns on the TV and starts channel searching.) So, why aren't you in your bed?

ROBIN
Can't do it. It's just... It's too much.

NICK

I get it, but why can't you just stay in your old room? (Beat) You don't have to be that person.

ROBIN

What person?

NICK

The one who takes care of everyone. You think like that because you were always in charge when Mum and Dad ever went away.

ROBIN

And because Brad is hopeless.
(They both laugh quietly.) How can you just psycho analyze people like that?

NICK

Didn't Mrs. McKinnon tell you yet? I'm going to be a doctor when I'm 19. (Beat) Look, no one expects you to be superwoman. I don't. I think no one would have stepped up to move into Mum and Dad's room if you didn't. (Beat)

ROBIN

We'll get through this, right?
I... I don't feel like this is going to get any better.

NICK

Megan and I can get jobs, and Brad isn't as useless as you guys give him credit for. (Beat) Hey, why don't you sleep in my bed tonight? I'm not gonna sleep.

ROBIN

Are you sure?

NICK

Yeah.

ROBIN

I might do that. Thank you Nick.
(Hugs him.) I'll see you
tomorrow. (Exit)

NICK

Sleep tight.

SCENE 8: INT. RYAN HOUSE. MORNING.

HEATHER is sitting on the couch in her PJ's. Enter JASON in police uniform.

HEATHER

Ooh! It's Jason's first day! How
does it feel?

JASON

Like I have a stick up my ass?

HEATHER

Perfect! (Knock, enter BRAD)

JASON

Hey! What's going on?

BRAD

Ah, just wanted to wish you a
happy first day!

JASON

Thanks man, I appreciate it. You
never told, me what you're doing
with yourself nowadays.

BRAD

Oh, well Rob and I are trying to
get the cafe up and running
again. Apparently we have a
business meeting at 0900.

They both laugh

JASON

Good, at least your sister's
whipping you into shape.

HEATHER

Jason won't do anything I say.

JASON

That's cause you're so little.
Hey mate, When I'm done tonight,
what say you, me and Rob grab a
beer? Assuming you make it out
alive?

BRAD

Yeah, sounds great, thanks. You
can tell us about all the crooks
you locked up.

JASON

Yeah, right, forms filled out is
more like it.

BRAD

Yeah, well, have fun.

JASON

I'll try. See ya.

Exit BRAD

HEATHER

Very suave.

JASON

What are you talking about?

HEATHER

"You, Me and Rob"? I'm just
saying.

JASON

Don't you have to study or
something?

HEATHER
Holidays. Get used to it.

JASON
One month to go right?

HEATHER
Good luck! Don't get distracted
by...

JASON
Bye Heather!

Exit Jason.

SCENE 9: INT. TAYLOR HOUSE. MORNING

MEGAN and LIAM are sitting on the couch while ROBIN has her head in a folder at the desk

MEGAN
What about streamers?

LIAM
We have to have streamers.

MEGAN
So, we'll have to decide on
colours.

LIAM
What are her favourites?

MEGAN
You don't know? (Beat) Orange and
Green!

LIAM
Ah, so we should wrap orange and
green streamers around stuff!

MEGAN
No.

LIAM

Okay.

MEGAN

I'll deal with the streamers.

LIAM

Okay.

MEGAN

And I got a few more RSVPs as well, so we're looking at 20 attendings.

LIAM

Well that's good.

MEGAN

It's not enough.

LIAM

Once people start saying yes, it's gonna snowball.

Enter BRAD

BRAD

Hey, guys (Walks up to ROBIN) How are we going?

ROBIN

We're not.

BRAD

What do you mean?

ROBIN

Well, we all decided we would help to work for the cafe to save money right?

BRAD

Yeah

ROBIN

Well, the figures are saying that we will barely have enough to support ourselves, with the electricity, and the rent and food.

BRAD

Well then, we can just tighten our belts until we get more business. We've done it before.

ROBIN

Okay, that's fine, but I still haven't factored in another deduction.

BRAD

What's that?

ROBIN

Dad used to cook.

BRAD

Yeah, he was an excellent cook.

ROBIN

But that's the problem: None of us can cook.

BRAD

You can fix a good burger though.

ROBIN

I mean real food, Brad. Cafe quality food.

BRAD

Then we can hire someone.

ROBIN

Okay. Let's plant in the backyard
the money that Mum and Dad didn't
leave us so we can get a money
tree then. Paid chefs charge a
lot. Especially without any
assistance. I could take a class
or something, but that costs more
money.

BRAD

Sell the business

ROBIN

You know that's not an option.

BRAD

Don't forget that all of us are
in this together. We'll help you
through this, Rob.

ROBIN

Okay, but that's not going to
help now.

BRAD

What have I told you since we
were twelve years old?

ROBIN

Give me the remote or I'll tear
your hair out?

BRAD

No! Don't underestimate me. (Exit
BRAD)

SCENE 11: INT. SHOPPING MALL MIDDAY

MEGAN and LIAM are holding bags of party items.

LIAM

So that's Balloons, streamers and
poppers, that should be it right?

MEGAN

No.

LIAM

Oh. What else then?

MEGAN

Food?

LIAM

Food, right. Who eats at these things then?

MEGAN

Everyone.

LIAM

Oh yeah, I forgot you're still 16. We need to cater for the people who's mummies don't let them drink, am I right? (Holds up his hand for a high 5) Sorry.

MEGAN

It's okay. I'm fine.

LIAM

Actually, I forgot I need to make one more stop.

MEGAN

Alright, but make it quick.

LIAM heads into the liquor store.

The grog shop? Seriously?

LIAM comes back out

Did you just steal all that?

LIAM

No, I know the guy at the desk.
(Beat)What? I work there. You
said be quick. Anyway, I got this
for you.

LIAM hands MEGAN a large bottle of Vodka

MEGAN

Thanks, but I don't need this..
We're hosting, remember?

LIAM

You'll want it by the end of the
night, I guarantee it.

MEGAN

I won't.

LIAM

Well, I'll put it in your bag
then shall I? As a... social
experiment.

MEGAN

Fine! 10 says I'll hold off until
the end of the night.

LIAM

Done.

They shake hands

Food then?

MEGAN

Chips, pretzels and red frogs

LIAM

Easy.

Enter SHANNON and TISH

TISH

Megan, Liam, hi.

LIAM

Hi Tish

MEGAN

Hi, Tish

TISH

What are you guys doing?

MEGAN

Shopping.

LIAM

Shopping

TISH

What for?

MEGAN

Groceries.

LIAM

Medicine.

MEGAN

I was asked to go shopping for groceries, and Liam's dad got the flu, so he had to pick up medicine for him.

TISH

She looked fine last night.

LIAM

It's more of a recent cold thing.

TISH

Sounds terrible. We're just going to the movies.

MEGAN

Movies? Now?

TISH

Yeah, Mum's taking me for my
birthday.

MEGAN

Oh, it's your birthday today?
Happy Birthday!

TISH

Yeah. Anyway, we're going to be
late, so...

MEGAN

Yeah, see you later

LIAM

Bye Shannon

SHANNON

Bye Liam.

Exit SHANNON and TISH

TISH

Fuck.

LIAM

What is it?

TISH

She knows.

LIAM

No she doesn't.

TISH

You didn't hide the shopping well
enough. She obviously saw in the
bag. And medicine? Why can't you
say groceries, like normal
people?

LIAM

You're being paranoid

TISH
I'm not paranoid.

LIAM
You wanna bet?

TISH
Ten?

LIAM
Done.

SCENE 10: INT. FITZPATRICKS REAL ESTATE. MIDDAY

BETH is sitting at the computer, typing, the phone rings

BETH
Hello Fitzpatricks Real Estate,
this is Beth, how may I help you?
Good morning Mr. Hall.

BRAD enters, BETH holds up her index finger, indicating "One minute" BRAD nods in agreement.

No, it has 20 metres of street frontage. Actually, Mr. Hall, it is legal. Yes, it is. Mr. Hall, did you attend Real Estate classes for Four years? No? And how long have you been working in the Real Estate industry? Exactly. Mr. Hall, would I walk into your bank and tell you how to do your job? Then kindly refrain from telling me how to do mine. Now, would you be interested in buying or selling properties? Okay then, goodbye Mr. Hall. No, goodbye!

BETH slams down the phone, and looks at BRAD

BETH

Fucking prick! Hello Bradley, how
are you today?

BRAD

Terrific, thanks Mrs. Ryan.

BETH

How can I help you?

BRAD

I was wondering if you still had
that job for me?

BETH

Of course, Bradley. There's
always a spot for you here, as
long as you want it.

BRAD

I do.

BETH

Great. Can you start tomorrow?

BRAD

Sure.

BETH

You can only work the desks until
you get your certificate, but if
you like, I can schedule a class
for you. It's on Monday nights
from 5 to 8, and it's the bill is
on Fitzpatricks.

BETH hands BRAD a brochure

BRAD

You had this planned, didn't you?

BETH

It is a great opportunity
Bradley, and us career types have
a knack for sniffing each other
out.

BRAD

Thanks for this.

BETH

Glad I can help.

BRAD exits. The phone rings again. BETH picks up the phone.

Hello Mr. Hall. Yes, 15 metres of
frontage is also legal. Do we
need to have this discussion
again? Goodbye Mr. Hall. I'm
saying goodbye now. No. Because
I'm not allowed to date clients.
(hangs up)

SCENE 12: INT. PUB. AFTERNOON

ROBIN and BRAD and sit down at a table with three drinks.

BRAD

This place looks different during
the day.

ROBIN

Really? I wouldn't think you'd
remember.

BRAD

That's harsh sis.

ROBIN

So go on. What did you want to
tell me?

BRAD

Well, I got a job.

ROBIN

A job?

BRAD

Yeah, as a Real Estate agent. I'm getting paid about 600 a week, that should be enough to help pay for a chef, right?

ROBIN

Well yeah...

BRAD

What's wrong?

ROBIN

You won't be working at the cafe then?

BRAD

Well, no, but you, Megan and Nick will be right? And I'll be there on the weekend. That'll be enough at least to start with, then when we get more customers, we can hire more staff, right?

ROBIN

Well, Megan's at school starting February, and Nick's going to be at uni, so really it'll be just me all day. Did you think of that?

BRAD

Rob...

ROBIN

Have you accepted this job yet?

BRAD

Yes, but...

ROBIN

You never think do you?

Enter JASON

JASON

Hey guys... I'm not in the middle
of something, am I?

ROBIN

Well...

BRAD

No. How are you, mate? How was
the first day?

JASON

Oh, it was brilliant

JASON sits down and begins to talk about his day.

SCENE 13: INT. MCKINNON HOUSE. EVENING

MEGAN, LIAM and about 50 other kids are hiding in the dark behind couches and in hallways. SHANNON enters

SHANNON

She's coming!

Enter TISH

ALL

Happy Birthday!

TISH

Oh my god!

The party dissolves as people stop paying attention to Tish and start talking between themselves. LIAM and MEGAN approach TISH

I can't believe you guys did
this! This is amazing! Thank you!
Both of you!

MEGAN

You deserve it!

LIAM
So let me get this straight! You
didn't see this coming at all?

TISH
Completely by surprise.

LIAM holds his hand out to MEGAN. MEGAN hands him a ten dollar note.

SCENE 14: INT. PUB. NIGHT

ROBIN, BRAD and JASON are sitting at a table, the three are laughing, chatting and drinking.

ROBIN
Or, what about the time when you (JASON) were over, and we had to make those lamingtons for Mum and Dad's charity thing, and we ended up with chocolate all over the kitchen walls, the spongecake was in pieces, and the coconut... what happened to the coconut.

JASON
We didn't end up opening the bag, remember?

ROBIN
Oh, that's right.

JASON
I might go get another round.

ROBIN
See ya!

Exit JASON

Brad, I'm...

BRAD

I know. We've all had a hard time, you most of all.

ROBIN

Yeah, but you're all going through the same thing as I am.

BRAD

That's not true.

ROBIN

What?

BRAD

You have been amazing! I couldn't have worked out the financial situation of the cafe, I couldn't have organised the funeral. That's why we need you. Because you're so amazing to deal with all of that.

ROBIN

Thanks.

BRAD

I have to go.

ROBIN

I'll go with you.

BRAD

No. Just stay here and... hang out. You need a break. I'll clear up the dishes.

Exit BRAD. Enter JASON

JASON

Hey.

ROBIN

Hi.

JASON
Got you a beer.

ROBIN
Thanks.

SCENE 15: EXT. MCKINNON HOUSE NIGHT

MEGAN is sitting on the lawn, as a group of drunken teenagers walk past. Enter TISH who sits down with her.

TISH
Hey.

MEGAN
Hi. Enjoying yourself?

TISH
For sure. It was totally sweet,
what you did, thank you. You
didn't have to...

MEGAN
Yeah, I did. You knew though,
didn't you?

TISH
Totally.

Beat. More people walk past.

I think we need to have a talk.

MEGAN
What?

TISH
I couldn't function when Dad
died, and it looks like you're
well... You did all this for me.
I just don't know if it's
healthy...

Enter LIAM

LIAM

Tish, you gotta see this, Hey
Megan.

MEGAN

Hey.

LIAM

Damo's on the roof!

TISH

Fuck! I'll be back, Megan,
alright?

MEGAN

Yeah.

Exit LIAM and TISH. MEGAN takes out a bottle of alcohol,
stares at it for a while, then opens and puts the bottle
to her lips.

SCENE 16: INT. TAYLOR HOUSE NIGHT

NICK is sitting watching TV. Enter BRAD

NICK

Hey. How was your night?

BRAD

Okay. Got some stuff cleared up.
What you watching?

NICK

Anatomy for beginners.

BRAD

Is that his lungs?

NICK

Yeah.

BRAD

And he's blowing into... Oh god!

NICK
It's interesting

BRAD
It's sick! I can't believe you would deal with the.. stuff for a living! (They both laugh) I'm going to do the dishes. (He goes into the kitchen and one dirty dish is on the sink.) Right. (He turns on the tap.)

SCENE 17: EXT. STREET. NIGHT

ROBIN and JASON are walking down the street. They both laugh.

JASON
That lady's face though!

ROBIN
This is my table!

JASON
So classy.

ROBIN
I can't believe she actually spat on it.

JASON
I think I went to school with her at one point.

ROBIN
The crazy table lady? Really?

JASON
I think she has a real name. I want to say Celia?

ROBIN
When you told her you're a cop!

JASON
Classic. (Beat)

ROBIN
I've had a really good time
tonight.

JASON
Yeah, me too. We need to do it
again.

ROBIN
Definitely!

SCENE 18: EXT. MCKINNON HOUSE

MEGAN is vomiting on the lawn. Enter TISH and LIAM.

TISH
Meags! Are you okay babe?

MEGAN
I'm fine, really! This is *healthy*
right?

TISH
Meags, I didn't mean for you
to...

MEGAN
You did!

TISH
What?

MEGAN
You did mean to! Look at Megan,
she's so sad, and coping so well,
let's see what happens when she
gets taken down a (Vomits)

LIAM
Megan...

MEGAN

You know what? This is your fault too! You wanted this party to happen, it was your idea! If we went to Maccas like we used to, I would have been kicked out by now.

LIAM

I'll walk her home.

TISH

I think that would be a good idea.

LIAM

Alright.

TISH

You coming back later?

LIAM

I might head home. Dad hasn't seen me in a few days. Figure he might be a little worried.

TISH

Sure.

SCENE 19: EXT. TAYLOR HOUSE

ROBIN and JASON stop in front of the house.

ROBIN

Well, this is me. I'll see you around.

JASON

Wait. Do you want to come to the movies next Saturday?

ROBIN

Next Saturday? Yeah, I'd like that

JASON

Great. See you then.

ROBIN

Bye.

Exit JASON. ROBIN enters the house to find BRAD and NICK watching TV.

Oh, excellent! I love Anatomy for
Beginners! What is that?

NICK

That, my dear sister would be the
gentleman's rectum.

ROBIN

What's that hose for then?

ALL

Oh!!!!

ROBIN

That's nasty.

BRAD

Sorry Nick, I think I should go
to bed.

Exit BRAD

ROBIN

I think I might go too.

NICK

I wouldn't sleep in Megan's room.

ROBIN

Why not?

NICK

Well, I would hypothesize that
she has a homosapien of the
opposite gender in her bedroom.

ROBIN

Nick...

NICK
Sorry Dr. Gunther Von Hagens
brings it out in me.

ROBIN
She has a boy in there?

NICK
In so many words.

ROBIN
That's okay. I can sleep
somewhere else then.

SCENE 20: INT. MEGAN'S BEDROOM. NIGHT

MEGAN and LIAM are kissing on MEGAN's bed

MEGAN
Shhh!

LIAM
Why?

MEGAN
You're being too loud!

LIAM
I'm not, you're being louder than
me! (MEGAN laughs) You can't tell
Tish. She might be upset!

SCENE 21: INT. TAYLOR HOUSE NIGHT.

ROBIN walks down the hall to her new bedroom. She gingerly opens the door and lays down on the bed with out the covers on.
