"TRIP TO SPACE SEQUENCE"

INT. GRIFFIN LIVING ROOM - DAY

Peter is sitting on the couch, watching TV. The TV shows a flashy "WIN A TICKET TO SPACE" promo by MOON PIZZA.

PETER

Lois!

Lois is in the kitchen, cleaning dishes. She hears Peter and looks irritated.

PETER (CONT'D)

Lois!

CUT TO:

INT. KITCHEN

Lois continues cleaning the dishes, deliberately ignoring Peter's calls.

PETER (O.S.)

Lois! You need to see this!

Lois rolls her eyes, sighs, and reluctantly heads to the living room, still wearing her dish gloves.

BACK TO:

INT. GRIFFIN LIVING ROOM - CONTINUOUS

Lois enters and sees Peter excitedly pointing at the TV.

LOIS

(exasperated)

Peter, you're not going to win that!

Peter proudly displays a mountain of MOON PIZZA boxes. Lois is surprised and a bit worried.

LOIS (CONT'D)

Oh, Peter. You wasted all that money on pizza? You really think you can win?

Peter starts opening the boxes and tossing the pizza aside. Suddenly, he pulls out a piece of paper with the words "CONGRATULATIONS, YOU WIN A TICKET TO SPACE."

PETER

(triumphantly)

Ha! In your face, Lois! We're going to space!

LOIS
 (sighs, shaking her head)
 Great, just what we need... more zero
 gravity.

Stewie enters, looking intrigued.

STEWIE
 Did someone say space? Oh, this is
 going to be delightful.

Brian pokes his head in from another room.

BRIAN
 As long as there's no alien probing
 involved, I'm in.

Peter jumps up, excitedly.

PETER
 Pack your bags, everyone! We're
 blasting off!

The family looks at each other, half excited, half
 apprehensive.

CUTAWAY TO:

TITLE SEQUENCE

INT. MOON PIZZA'S OFFICE - DAY

The director of Moon Pizza, Harry, is lounging at his desk,
 feet up, reading a magazine. His secretary, looking
 concerned, approaches him.

HARRY'S SECRETARY
 Sir!

Harry glances up lazily.

HARRY
 What is it now?

HARRY'S SECRETARY
 We have a problem.

Harry raises an eyebrow.

HARRY
 What's that, hm?

HARRY'S SECRETARY
 There's a family outside demanding
 their ticket to space!

Harry sits up, intrigued but unfazed.

HARRY
That's the problem?

CUT TO:

EXT. MOON PIZZA'S OFFICE - CONTINUOUS

Peter is outside with his family, shouting and waving a piece of paper.

PETER
(trying to enter the office)
Where's my ticket?

A security guard blocks him. Meanwhile, Stewie sneaks past everyone unnoticed and enters the building.

BACK TO:

INT. MOON PIZZA'S OFFICE - CONTINUOUS

Harry and his secretary are startled to see Stewie standing there.

STEWIE
The ticket! You said we WON!

Harry tries to maintain his composure.

HARRY
Oh, little boy, we have a process for that. Where's the proof?

Stewie pulls out the winning ticket. The secretary gasps.

HARRY'S SECRETARY
(shocked)
He has the proof, sir!

Stewie jumps onto Harry's desk, glaring at him.

STEWIE
Where's the ticket?

Harry, now irritated, hands over a single ticket marked "FOR A SINGLE TRIP - ONE PERSON."

HARRY
Okay, here's your ticket. Now leave me alone.

Stewie snatches the ticket, looks at it, and frowns.

STEWIE
It's not for a family trip. What is this?

HARRY
Your ticket?

The secretary whispers to Harry.

HARRY'S SECRETARY
Sir, he wants a family ticket!

HARRY
(whispering back)
We don't have that.

Stewie glares at Harry, determined.

STEWIE
I'm going to end this.

Peter bursts into the office, having bypassed the guards.

PETER
Where's my ticket—

Stewie waves the ticket at Peter.

STEWIE
Here!

Peter grabs the ticket and examines it, realizing it's only for one person.

PETER
What is this?

HARRY
The ticket?

STEWIE
That's what I said.

PETER
Where's the ticket for a family?

Harry, now exasperated, sighs.

HARRY
(to secretary)
Give them three more tickets.

The secretary hands over more tickets. Peter counts them, then grins broadly.

PETER
Ha! We're going to space!

Stewie, still glaring at Harry, smirks.

STEWIE

That's right, and you better not try
to weasel out of this again.

The family cheers as they leave the office, leaving Harry
and his secretary looking relieved and confused.

CUT TO:

EXT. SPACECRAFT LAUNCHPAD - DAY

The Griffin family walks towards the spacecraft in slow
motion, dressed in their astronaut suits. The scene is
accompanied by epic, dramatic music. They look determined
and ready for their space adventure.

Peter suddenly trips and falls flat on his face, causing the
epic walk to come to an abrupt halt. The music screeches to
a stop.

PETER

(muffled, from the ground)
I'm okay, just keep going.

Lois, Stewie, Brian, and Chris stop and look down at Peter.
Lois sighs and helps him up.

LOIS

Peter, can you please try not to
embarrass us before we even leave
Earth?

Peter gets up, dusting himself off, looking sheepish.

PETER

Sorry, these suits are just so...
spacey.

Stewie rolls his eyes.

STEWIE

Yes, Peter, it's called an astronaut
suit for a reason.

Brian smirks.

BRIAN

Let's just hope you don't trip in
zero gravity. That could get
interesting.

Chris, excited and oblivious to the mishap, bounces in
place.

CHRIS

I can't wait to see aliens! Do you
think they'll look like in the
movies?

LOIS
Let's just focus on getting into the
spaceship first, Chris.

The family resumes their walk towards the spacecraft, this time at a normal pace, the epic music resuming but at a lower volume. Stewie, who has a mischievous grin on his face.

STEWIE
(to himself)
This is going to be delightful.

The scene transitions to the spacecraft door opening, the family stepping inside, ready for their adventure.

SMASH CUT TO:

EXT. SPACECRAFT LAUNCHPAD - DAY

The spacecraft blasts off into space.

INT. SPACECRAFT - CONTINUOUS

The Griffin family floats in zero gravity as they reach outer space. Brian looks queasy, holding his stomach.

BRIAN
I don't feel so good...

Brian suddenly vomits, and the vomit floats in the air. Everyone recoils in disgust.

STEWIE
Yuck. Really, Brian?

PETER
(floating, excited)
Guys, I'm floating!

Peter vomits as well, adding to the chaos. Lois looks exasperated.

LOIS
This is not going well.

Stewie rolls his eyes and floats toward the control room.

INT. SPACECRAFT - CONTROL ROOM - DAY

Stewie enters and notices two attractive female astronauts at the controls. He straightens his posture and tries to look suave.

STEWIE
Well, hello there, ladies.

The female astronauts turn around, surprised to see a baby.

FEMALE ASTRONAUT 1
What are you doing here?

STEWIE
Just, uh, inspecting the... controls.

Stewie nonchalantly presses a RED BUTTON near the door. Suddenly, the spacecraft's windows open to reveal the vast universe, and a strong suction threatens to pull everything out into space.

STEWIE (CONT'D)
That... was not good.

The family starts panicking as they feel the suction.

PETER
(shouting)
We're all going to die!

LOIS
Stewie, what did you do?

BRIAN
I always loved my life...

CHRIS
I don't want to die like this!

The female astronauts, still strapped to their seats, quickly shut off the view, restoring normalcy. The Griffin family floats back into the spacecraft, breathing sighs of relief.

PETER
(grinning)
That was cool!

Stewie tries to recover his composure, giving a sheepish smile to the female astronauts.

STEWIE
So, ladies, how about a tour of the galaxy later?

The female astronauts exchange amused glances.

FEMALE ASTRONAUT 2
Maybe when you're a bit older, kid.

EXT. EARTH - FROM SPACE

A serene, peaceful view of Earth from space. The Griffin spacecraft moves into view, blocking the picturesque scene as it descends back to Earth.

INT. SPACECRAFT - CONTINUOUS

The family prepares for re-entry, strapped into their seats.

LOIS
Let's just get home in one piece,
please.

PETER
(cheerful)
Hey, that was an adventure, right?

STEWIE
And an experience I won't soon
forget.

EXT. EARTH - FROM SPACE

The spacecraft re-enters Earth's atmosphere, heading back to
home sweet home.
