EXT. TRAVELLING FAIR-MOSS'S SHOOTING GALLERY-DAY

One hand raised; a model SILVER GIRL rides a model motorbike on a spinning wheel.

CAPTION:1973

A panel of painted cheering crowds catches stray pellets; their garnished attire- pot marked.

SOUND OF PAINTED CROWD (brief) CHEERING.

A pellet slams a spinning male model rider down.

HARLEY (O/S)

Your good.

PING: another rider bites the dust. Now it's just the silver girl.

HARLEY

Bad- ass-superfly.

LAURA

Harley.

HARLEY

Bad ass ain't cussing mum.

It's a... it's a naughty donkey.

LAURA SKY (30s, aka Albatross) smiles.

HARLEY SKY (13, aka Smudge, aka Cloud Buster) eyes her dream socket set: prize for shooting down all three spinning riders.

A mother-of-pearl charm bracelet with a silver MERMAID charm(prize)lies on top of it.

Harley squeezes her father's wedding ring, chained round her neck. Hanging from her belt, a silver transistor radio crackles music.

MOSS (60s, owner) presses a button; speeding the wheel up; whizzing the silver girl.

Harley skims Moss a scowl, her eyes cage the silver girl.

Harley desperate need to have the socket set melts Moss's tough heart.

He presses a button to slow down the spinning wheel to snail pace.

SHELLEY SKY (16) aims the pellet rifle at the silver girl-

PEBBLE (shaggy dog) bounds into him; spoiling his shot: his pellet scars the painted crowd.

A GIRL chases Pepple.

GIRL

Bad Dog.

Harley gapes at the spinning silver girl. The shock of her brother missing tunnels to temper.

She boots a jutting rock fails to budge it. Head down aims a savage kick at it.

LAURA

You'll hurt your toes.

Harley halts her boot mid-swing grins at her mum.

His fingers twisted with arthritis, Moss hands Harley a consolation bagged goldfish.

Harley's oil-stained hands smudge the bag as she rises the goldfish to her eyes.

HARLEY

(Naming the goldfish)

Lady Drift.

Shelley peeks under the goldfish.

SHELLEY

(About the goldfish)

It's a boy.

Confused, Harley scans its nether regions.

EXT.UNDER CANOPY-DAY

Wheelchair bound, LEON eyes mist as he stares at a faded PHOTO: Angel's café, Eifel Tower shadows CLAIRE (17, long dyed BLOND hair, his daughter) her hand entwines Leon's as she hugs him. A silver ANGEL pennant hangs around her neck. (Claire died a year after the photo was taken from cancer.)

Blazing sun.

MAL1 the Rolls-Royce's number plate.

It dusts the heat haze.

Pulls up.

A glitter girl rides a diamond on TRIxie GLITTER SPICE'S (18) thigh as her leg yawns out the Rolls.

She pops her parasol, dons' shades. Strokes the Roll's angel as she sashays to Leon-breaking his reverie.

Leon snaps close the photo's silver case before Trixie can see the photo.

LEON

(To Trixie about the bike)

Sorry it's out of bounds.

SKYBLAZER: beautiful dirt bike.

Trixie smiles at Leon, checks her glittered nails.

Her PHOTOGRAPER stares at the Rolls.

PITT CARVER (40s, big, Mal's bodyguard) gets out.
Grinds Brazilion nuts with a scorpion tattooed clenched fist.

INT.LAURA'S MOBILE TRAILER-DAY.

FRAMED PHOTOS: LUKE (Harley's dad) pushes a young Harley on a swing.

YOUNG HARLEY (V/O)

Higher daddy higher.

Hair streaming, hand reaching to touch heaven, Laura leaping a river on Skyblazer.

Eyes on the Laura photo, Harley gulps chocolate milk. She wipes her mouth smearing oil, from her hand, and chocolate over her face.

Laura wipes the stains of Harley's face, strokes Harley's DARK short spiky hair.

Harley's hand entwines with Laura's.

Laura looks at a photo of a farmhouse and corn fields.

LAURA

We're going to get our home back
Smudge...just one last puddle to leap.

EXT.DANCING SCORPIAN CANYON-DAY

A ramp angles over the canyon, another receiving ramp on the other side.

A sheer death drops to rocks, the Colorado river a sliver of blue.

Shelley checks the ramp's sturdy structure; a splinter stings his finger.

EXT.UNDER CANOPY-DAY

Prostrated on Skyblazer, Trixie pierced tongue laps (Golden flower the stud's head).

The Photographer snaps her.

PHOTOGRAPER

(To Trixie)

We're done.

Shelley strides past the Rolls and Pitt, notices Leon's growling face.

He's shading under Trixie's parasol: marks in the sand show where Pitt has dragged Leon; in his wheelchair.

Trixie lifts her shades.

TRIXIE

Hi sweetie.

SHELLEY

Shelley

He offers her his hand; she ropes climbs his arm...her fingers
feather his face.

TRIXIE

Trixie...

She pinches glitter from pouch on her glamour belt, sprinkles
Shelley with stars, unicorns, and angel's glitter.

TRIXIE (CONT'D)

Glitter Spice.

Plucks her parasol of Leon as Shelley escorts her to the Rolls.
Its tinted window buzzes down.

MAL SHERMAN (O/S)

My green paid for that pretty
bike (Skyblazer)boy!

SHELLEY

She's pretty

(Gives Trixie a smile)

But you don't own her-boy!

On Shelley saying boy, Trixie giggles.

The Roll's door is shoved open, and Mal's manicured hand beckons
Trixie- vipers a slap to send her reeling.

SHELLEY

Animal!

Pitt clamps Shelley before he can get at Mal.

Snake's skin his boots, belt and gaze, MAL SHERMAN (50s) steps out the Rolls.

MAL

You know what I do
own boy-a tent cent whore...

His fingers greases Laura's signature on a contract.

MAL (CONT'D)

Got the whores' mark right
here. And I reckon
(Licks his lips)
Colorado will be getting her
wet tonight.

SHELLEY

Contracts can be broken.

Shelley struggles to snatch the contract.

Harley charges Pitt-stamps on his foot.

HARLEY

(To Pitt)

Let him go!

MAL

(To Shelley about Harley)

So can little girls' backs.

Mal slides into the Rolls; Pitt frees Shelley.

Rocketing to her tiptoes, Harley thrusts Pitt the finger.

Plastic hand fan cooling her face, eyes on Shelley, Trixie yawns into the Rolls.

Harley scowls at her, dusts a glitter star of Shelley it spins in the air.

EXT.DANCING SCORPIAN CANYON-DAY

A helicopter buzzes the sky trailing a banner: DANCING SCORPION CANYON'S 100 THOUSAND DOLLARS CHALLENGE.

SILKY SPARKS'S (HOT news reporter) toothpick rolls inside her mouth she's wearing CARL "the maddest" MUSTARD'S star-spangled cowboy hat.

SILKY

(To Carl)

Wallflower or rocking it
with the scorpion?

SPLIT SCREEN:1 runs footage of Carl's daredevil stunts. 2 CARL MUSTARD (40s, tough, star-spangled jacket: Evel Knievel) and Silky.

CARL

Ain't a bone I ain't broken...

He stares hard at the canyon.

CARL (CONT'D

Laura-the Albatross got more
grit than the Rockies

(beat)

More gravel than me.

Albatross emblazon on her jacket, Laura kisses Leon's cheeks.

LEON

Glide the ramp at a hundred
you'll Albatross it.

She hugs and kisses Shelley.

SHELLEY

You don't have -

Her fingers touch his lips.

HARLEY

Touch heaven mum.

Harley hugs her mum.

Laura dons her helmet, mounts Skyblazer.

CHEERLEADERS

Albatross your so fly you
touch the sky.

Wheeling, Laura waves at the crowd.

RAISED PLATFORM: NIGEL (Mal's salesperson) demonstrates a toy bike with a Laura doll rider on it.

NIGEL

We are doing fifty thousand units
a week, projected to be Santa's
number one sack filler.

MAL

You'll shift a million tomorrow...

Mal switches on the battery motorized bike-it clatters of the table spilling the Laura doll.

MAL (CONT'D)

after they scrap the whore of
the canyon's wall.

CRYSTAL BOWL: engraved in silver it depicts a forlorn MERMAID watching her PRINCE on a marble cliff reaching for a glowing gold flower (Sky Flower); stars form a zodiac scorpion: Pearl's Lake.

Oysters lie in the bowl's melting ice.

Mal slits open an oyster's suck- swallows it contents as he leers at Trixie.

Roped of tarmac stretches to the ramp. Laura races up it, turns at the top, kisses her chained crucifix-revs Skyblazer.

Crowds roaring as she flashes by them; her speed monitor nudging ninety.

Shelley closes his eyes, doesn't see Pebble bounding towards the ramp the girl chasing him-Leon does.

He shoves his wheelchair gets tangled in the cordon ropes as he tries to intercept the dog.

LEON

Harley!

Harley darts under the cordon rope-Pebble dodges her.

Laura's bike speed monitor hits a hundred-Laura slams on the breaks. Skidding, she shaves Pebble-smashes into one of the ramps supporting post.

SLOW MOTION: a trapped piece of Trixie's angel glitter is flung free from Skyblazer.

Laura is catapulted, broken arm failing, clings onto the edge of the ramp one handed; a hundred feet below her death on the rocks awaits.

Her hand slips.

Harley dives; Laura gripes Harley's hand-dragging Harley over the ramp's edge. Knowing she is pulling Harley to join her in death, she LETS GO- too soon: Shelley dives supporting Harley.

HARLEY

Mum!

Trixie's silver glitter angel lands on Harley's tear-stained cheek.

Roaring crowd goes silent; MAL smiles, slits an oyster finds a PEARL-crushes it between his perfect white teeth.

INT.BONNIE AND CLYDE'S DINNER-DAY

CAPTION: one year later.

MUSIC PLAYING: RAY PETERSON (Tell Laura I Love Her).

Name sewed into her uniform, PEARL SUMMER (17) sings as she cleans chocolate of CURT'S (boy) fingers.

His farther watches.

PEARL

(sings)

Tell Laura I love her; tell Laura
I need her; tell Laura I may be late
there something I need to do- (sings fast)
clean chocolate fingers-that cannot wait.

She checks Curt's clean fingers.

PEARL

(To Curt)

Sparkling.

BILLY CARR (17) gives Pearl's back shy furtive glances.

Nervously, he forks holes, shapes a love heart in his fried egg.

Behind the counter, BONNIE GOODSOUL (70s, black) reads her bible, sniffs the air.

INT. BONNIE AND CLYDE'S KITCHEN- (CONT'D)

CLYDE GOODSOUL (70s, black) deliberately burns burgers. Smoke, from them, dodges a dying fume extractor.

Pearl tags an order onto a tack.

Bonnie bustles in, eyes her husband.

BONNIE

Them burgers sinners?

CLYDE

Nope.

BONNIE

Then why you are sending them

to hell?

PEARL

(To Bonnie)

Sheriff wants them fried
like a...

CLYDE

(Imitating sheriff Hogg)

Death row convict.

BONNIE

(To Clyde)

Hush!

Bonnie bustles to exit, slows as Clyde sings.

CLYDE

(sings)

Tell Bonnie I love her; tell
Bonnie, I need her..

INT. BONNIE AND CLYDE'S DINNER-DAY.

Pearl places the plated burgers in front of sheriff ROY HOGG. Pinned to his shirt is Paster Eugene church badge (Pearl wears the same badge).

From her apron's pocket, Pearl takes out a special hot sauce (red devil design) puts it on the table.

Hogg smiles at Pearl.

HOGG

Much obliged Pearl.

TEENAGERS finish their milkshakes. One slaps the back of Billy's head as he passes.

TEENAGER

(To Billy)

Been lighting anymore fires-
Billy boy?

Billy keeps his head down.

They rag him; eyes on Hogg's back so he doesn't turn round and spot their actions.

One of them, squirts Ketchup on Billy's overalls.

TEENAGER

(To Billy)

Liar, liar- your pants
are on fire.

Pearl moves to shoo them; Hogg turns his stare stampedes the teenagers out the dinner.

Billy crushes the love heart, poked in the egg, before Pearl can spot it.

Pearl gives Billy tissues; he wipes his overalls.

When Billy speaks, he always covers his mouth with his hand; like he's hiding a harelip.

BILLY

(Head down not looking at Pearl)

Last night of the travelling fair...
you going?

Billy doesn't see Pearl shake her head: her heart is crying out to help him.

BILLY

Billy, do you want to take me?

He gives her a nervous glance, expecting she's joking.

Billy nods shyly.

PEARL

I'll meet you outside here at six.

Pearl joins Bonnie: she has been watching them.

BONNIE

(About Billy)

Poor child.

Billy shuffles out the dinner.

INT. TRENT'S GARAGE-DAY.

SANDY (Small dog) sniffs at a poisoned rat trap.

Billy enters, scoops her up.

Under a car, TRENT'S CARR (40s, wiry) hand shoots out, Billy flinches.

TRENT

Screwdriver!

Several screwdrivers to choose from, Billy panics- hands one: Trent slings it.

Faded love heart tattoo on his arm, Trent swift to his feet.

Fixes Billy his intimidating stare.

TRENT

Your fucking useless.

BILLY

Sorry Pa.

TRENT

Where you been?

Billy looks down, he never looks directly into Trent's eyes.

BILLY

Bonnies.

Trent seethes with contempt.

TRENT

Pearl, you're ain't going to
catch rainbow trout. Best you
hope for is a blind catfish.

BILLY

(mumbles)

Where going to the fair.

Billy flinches as Trent boots a wrecked starting motor into the air.

EXT.FIELDS-DAY

Riding her dirt bike, Harley glides... lands, jumps of her bike.
She shifts a flag to mark the new distance she has jump.

She rides the ramp-lands in a rut- flies over the handlebars.

Shelley sprints to her.

Harley clambers springs to her feet (silver laces in her boots),
checks her bike.

HARLEY

(To Shelley about her bike)

Nothing broken.

She plants her flag forward to the new distance she has jumped.

Catches Shelley pushing her bike; wrestles it from him.

HARLEY

I've just started.

SHELLEY

School's in.

Leon sits behind a table loaded with textbooks.

Harley's schoolbooks cover has her logo draw on it: silver girl, hand raised, riding a motorbike.

Leon selects an A level maths book (Well advanced for someone of Harleys age).

Harley eyes the ramp.

Leon places a pint of chilled chocolate milk onto the table.

MILK BOTTLE: chocolate cow smacking its lips.

LEON

(Emphasizes MOO)

MOOlicious.

Harley grins, sits down at the table.

INT.BONNIE AND CLYDE'S DINNER-DAY

Using a pencil, tipped with a mermaid rubber, Pearl guides a wasp out of the window.

Pearl's POV through window: DIRT and NELSON (Stone scorpion bikers) lounge on their gleaming chrome hogs (Harley Davis bikes).

Harley pulls up, dismounts.

A filthy stone scorpion badge rags Dirt's leather jacket. He hoists up his bike chain belt.

DIRT

(To Harley about her not the bike)

Nice ride does it come with fur?

Nelson laughs.

HARLEY

It comes with this.

She thrusts him the finger.

DIRT

Popsicle.

HARLEY

Goldfish dick.

Pearl grins.

Dirt fuming, Harley skips into the dinner...

at name tag) Pearl.

Harley gives Bonnie a flyer (Promoting River jump.)

HARLEY

It's poured; Harley goes to pay.

PEARL

It's on me.

BONNIE

It's on the house.

They watch as Harley drains the glass in one go.

Clyde pokes his head out of the kitchen.

CLYDE

Bonnie gone to bible class?

Unseen by them, Bonnie's bible on the counter.

PEARL

Trent points at a car wreck.

He drops his winning hand, scatters the pot's dollars as he scrambles to intercept Pearl.

TRENT

(To Pearl)

He stood you up.

Trent throws Billy a look of disgust: Still working on the wreck.

Trent sucks in Pearl's scent.

TRENT

(About Pearl)

Peaches and cream.

Pearl thinks he is talking about the boxed apple pie she has brought for Billy.

PEARL

It's apple pie for Billy.

Trent plucks it off her.

TRENT

I'll make sure he gets it.

You lonesome?

He gestures to his smoke-filled office; Beer and Cole leer at her.

Pearl shakes her head.

PEARL

Bye Billy.

Billy sneaks her a nervous glance.

She backs out; Trent dogs her...one last sniff then his eyes strip her as she half flees.

Grinning at Billy, Trent pops the box-bites into the apple pie, cream spills onto his face.

EXT.STREET-CONT'D

Pearl breezes across a level crossing heading for the dinner.

Hands trembling, she shoves them into her summer jacket's pockets...pulls out Harley's pass.

Harley notices the crowd's indifference rides to Leon.

Leon is selling a weathervane to a punter (figurine pedals a cycle as the sails catch the wind, he makes them himself)

HARLEY

He's late.

LEON

Plenty of time.

A ramp arches over the narrow river (Climax of the show). Harley scowls at it.

HARLEY

Let me jump it- a
chocolate cow could jump it.

LEON

Maybe I'd risk a chocolate
cow but not my CLOUD BUSTER
(Giving Harley her moniker).

HARLEY

I'm going to flip a pancake.

She revs- hits the ramp screeching, flips her bike 360degrees;
Dean snaps her.

Lands, waits for the sound of cheering; crowd hasn't noticed her
spectacular feat.

EXT.FIELDS-NIGHT

HARLEY'S RADIO playing ISLEY BROTHERS (Summer Breeze) plays.

Harley steams along.

HARLEY

(To herself)

A chocolate cow could jump it.

A jutting rock catches her boot- her kick doesn't budge it.

She bends her head, aims a mighty kick at it.

PEARL(O/S)

You'll hurt your toes.

LAURA (V/O)

(Harley hears)

You'll hurt your toes.

She looks up, rock forgotten.

(To Shelley)

Barnacle's biting?

She pincers her thumb and forefinger together like a crab.

SHELLEY

A crackling crab.

(Spots Pearl)

A mermaid.

PEARL (O/S)

Pearl.

Harley frees a crayfish trapped in Shelley's net.

HARLEY

You haven't even caught a
goldfish.

SHELLEY

I need tastier bait.

He swings his sister over the water...lands her gently.

(To Harley in French, English subtitles)
you were magnificent tonight but please
no more flipping the pancake: my old
heart can't take it.

Leon clutches his bouncing heart; Harley grins, slows down.
They enter the travelling fair grounds.

HARLEY

(In French, English subtitles)
You used to read that to us when
we were little.

LEON

(In French, English subtitles)
Yes.

HARLEY

(In French, English subtitles)
Shelly cried when Esmeralda died ...
why did Quasimodo lay down and die next
to her? I mean she didn't love him, she
loved the solider.

LEON

(In French, English subtitles)

Would you have shed your tears if
he had packed up his hump and skipped
away singing the bells the bells.

Harley grins.

They arrive at the candyfloss store.

LEON

(To vender)

Two candyfloss please.

He pays, gives Harley the two candyfloss; she mingles them
together.

Leon spots Dean.

LEON

(In French, English subtitles)

You have an admirer.

Harley spots Dean: he gives her a wave.

She launches her middle finger-crashes it back into her palm
before she gives Dean the finger.

LEON

(In French, English subtitles)

Has my D'artagan broken her duelling finger.

He checks Harley's middle finger.

Circles in the sand going round and round..
where you go, I will follow for we
are bound together..

SHELLEY

You have a soulful... haunting
voice, your song?

PEARL

It's the mermaid's song for
this is her lake.

SHELLEY

(Teasing)

I thought mermaids were salty fish.

Pearl grins.

PEARL

Not this mermaid. She swims in
pristine water away from the
sharks and razor clams.

EXT.FANTASY PEARL'S LAKE-MORNING

A MERMAID(Pearl)sings. Tiny seashells weaved in her hair, silver
heart scales her fish tail.

A lovestruck SCORPIAN dances to her song.

Its sting draws a love heart in the sand.

PEARL (V/O)

She sings for her true love
Prince Moonshell.

The scorpion hides behind a rock as PRINCE
MOONSHELL(Shelley)brings the mermaid flowers.

A flower falls from Pearl's hand and unseen by them, the
scorpion steals it.

PEARL (V/O)

Each morning he would bring her
the wildflowers she adored,
but the SKY FLOWER she craved more
than anything.

Sunbeams rainbow through the marble cliff, high up the glowing
gold SKYFLOWER gleams.

PEARL (V/O)

Its petals contained the power
of metamorphosis. Her tail could
become feet and she run with her Prince
amongst the wildflowers.

MERMAID

DAD

One second honey.

Dad fires: his pellet kills the silver girl rider.

DAD

Got her!

EXT.DANCING SCORPION CANYON-DAY

Harley kiss Dean, smudges her silver lipstick

HARLEY

I'll see you on the other side.

Dean runs to a rope bridge that spans the canyon.

She kisses Leon's cheeks, on the back of her silver jacket: her Cloud Buster logo.

Her silver jeans flair over silver boots.

Mother-of-pearl sequins sparkle.

Her silver radio strapped to her leg.

HARLEY

Don't worry I won't flip a
Pancake.

(sings)

I just know that something good
is going to happen... on top of the
world, looking over the edge...

(Kate Bush sings in Cloud Busting)

She slips on her silver helmet, mounts Skyblazer.

MAL'S RAISED PLATFORM:

Mal gives the Harley doll, astride a toy battery bike, a look of hate.

NIGEL

Star Wars dolls are killing us.

Nigel pulls out a Luke Skywalker doll, twist off its head.

MODEL

Everyone loves Cloud Busters'
gear.

Her smile dazzles, she cocks her Cloud Buster logoed baseball hat.

Mal beckons the model to get closer- into slapping range.

CROWD: everyone seems to be wearing Harley's Cloud Buster clothing range.

Wheeling, Harley roars past the cheering crowd.

Brakes in front of Mal's platform- thrusts him the finger.

On her father's back, clutching a bagged goldfish, the girl from Moss's shooting gallery.

GIRL

(As Harley gives Mal the finger)

Bad ass!

Harley motors to the top of the strip of tarmac.

She doesn't seem to see or care about the roaring crowd screaming her name, looks up to the heavens.

She revs- races down the asphalt.

Speedometer: 80, 90,100- she slams on her brakes; burns wood as she skids up the ramp... just stops the bike from going over the edge.

Bob and Jake guard each side of the ramp, they look up at her.

Harley tears off her helmet tosses it to Jake-frees her hair from its silver tie.

Peels off her gloves tosses them to Bob.

Tattooed on her fingers, in silver, names: Luke (her farther), Laura, Shelley and Pearl.

She kisses the silver ANGEL pendant.

HARLEY

Time to play with the angels.

Press on her RADIO: MUSIC: KATE BUSH (Cloud Busting) plays.

She storms tarmac, spins at the top-roars down it.

Wheels smoking, exhaust firing- she hits the ramp.

SOARS.

In the middle of the rope bridge, Dean waits.

He snaps Harley in mid jump- FREEZE FRAME:

Harley her hair streaming behind her, hand raised touching heaven.

EXT.ANGEL'S CAFÉ-DAY

Eifel Tower shadows Leon (We are at the same café as Leon's PHOTO)

An opened French paper has the headline TRADEGY and photos of Laura and Shelley.

Leon misty eyed as he looks at his PHOTO.

He looks up and smiles.

Closes the silver case.

Opens the paper to the front page it shows the photo Dean took of Harley with her hair streaming, hand raised.

We don't see the headline yet: TRIUMPH.

FLASHBACK: DANCING SCORPION CANYON-DAY

FREEZED FRAME: Harley hair streaming behind, hand raised to heaven.

Her silver ANGEL pendant catches the sun rays- blazes.

LEON (V/O)

Not ever angel needs wings to fly.

MUSIC: KATE BUSH (Cloud Busting): that rousing start when the violins' hearts thump their wooden chests... building...tension rising- UNFREEZE FRAME.

Harley smiling as she glides the sky, Dean sprints.

Harley's bike hits the ramp- bounces, skids to a stop.

She leaps off it- jumps into Dean's arms.

They kiss.

Fireworks explode above them; they contain parcels of glitter angels which snow down.

Mal slams the crystal bowl; it flies off the table- SHATTERS.

EXT.ANGEL'S CAFE-DAY

Her hair dyed BLOND, Harley hugs Leon her hand entwines his.

Dean takes a snap of them: Harley looks like Claire's identical sister.

HARLEY

(In French, English subtitles to waitress)

3 chocolate milkshakes please.

Harley and Dean sit down.

She writes out a check for a million dollars for cancer research.

HARLEY

(TO Leon)

I could jump it.

LEON

You'll need a big ramp.

The waitress brings their shakes.

Harley downs hers in one go, smudges chocolate over her lips.

She gives the Eifel Tower a scowl.

HARLEY

(About the Eifel Tower)

A chocolate cow could jump it.

FADE OUT:

END.
