"#You are dead"

FADE IN:

INT. LIVING ROOM - NIGHT

HAILEY (18) and SARAH (17) are sitting on the couch, watching reality T.V, their phones on their sides.

HAILEY

Her voice totally sucks.

SARAH

Can we switch channels please?

HAILEY

Hell no, I'm the guest, I choose what to watch.

The Iphone next to Hailey flashes.

SARAH

Who is it?

Hailey looks at her phone.

HAILEY

It's Kristi, she sent me a Snapchat.

Hailey opens her phone and is taken directly to snapchat; she looks at Kristi's message. A beautiful blonde sticking her tongue out takes over her phone for 3 seconds.

HAILEY

Come on, get in for a picture.

Hailey and Sarah make a kissy face and take a picture, Hailey starts typing.

HAILEY

Sleep over with bae, hashtag turn
up

SARAH

I feel bad for not inviting her.

HAILEY

She'll be fine, she has a date anyway.

Sarah switches the T.V channel.

SARAH

Oh look. 23 in-laws and counting
is on.

HAILEY

Yaasssss!

SARAH

Didn't even watch the last episode.

HAILEY

I don't even know why he would dump
Britney like that.

SARAH

Oh please, she's not even natural.

Hailey's phone flashes again, she checks the picture, this time
Kristi is smiling in front of a window, a shadow stands behind
it. Sarah leans in to see.

SARAH

Who's behind her?

The picture disappears.

HAILEY

There was someone behind her?

SARAH

Yeah, behind the window, you didn't
see?

HAILEY

Well, it was a three second snapchat.
Should we ask her?

SARAH

Yes.

Hailey brings the phone up to their faces, they smile.

HAILEY

No, make a frowny face, like you're
curious.

Hailey and Sarah both frown, Hailey takes the picture and looks
at it.

HAILEY

No one frowns with a duckface, you need to look pretty, and natural.

SARAH

Well it's hard for me to look pretty when I'm frowning.

HAILEY

She has seen your face before, she knows how you look when you frown.

Hailey raises the phone up to their face and take a second picture. Hailey repeats what she's typing.

HAILEY

Who's behind you?

Hailey sends the picture.

SARAH

And I can't even believe what Jason said to her last week, I mean it wasn't even relevant how -

HAILEY

Wait.

Hailey is still looking at her phone.

SARAH

What?

HAILEY

Who is SerialKiller69?

SARAH

SerialKiller69?

HAILEY

Yeah, he just sent me a snapchat.

SARAH

Open it.

Hailey taps her phone. A picture of Kristi facing away from the window appears. The words "#shedead" and "lolrunbitch" in front of the 3 second snap.

SARAH

What the hell?

HAILEY

I got a new snap from Kristi.

The blonde takes over the screen with the words "lol wut?". Behind her in the window, a shape is taking a selfie.

SARAH

Tell her to get out of the house.

HAILEY

Wait I got a new snap from
SerialKiller69

Hailey opens the snap, a covered face with a hoodie, holding up a knife. The words "#Canttouchothis" and "#lolstab" disappear in 5 seconds.

SARAH

Tell her to get out of the house!!

Hailey takes a picture of herself smiling, writes the words "Get out of the house. Explain later" and sends it.

HAILEY

Do you think this is a joke?

SARAH

I don't know!

HAILEY

New snap from SerialKiller69.

Hailey opens the snap, a black screen with the words "Vine: KillDisBitchLol"

HAILEY

He wants me to go on his vine.

Hailey opens vine, she talks as she types.

HAILEY

KillDisBitchlol

She looks at the first vine: A man, whose face is covered with a hoodie is filming himself, he begins talking.

MAN IN HOODIE (on Phone.)

When I stroke your hair and call you beautiful, a "Thank you" would be nice, don't give me this "how did you get in my house" bullshit.

Sarah chuckles, she covers her mouth and snorts into it.

HAILEY

It's not funny. What if he really wants to kill Kristi?

SARAH

Oh please, it's obvious this is a joke. Look at the next vine video.

Hailey scrolls down to the next video, this one shows the man in the hoodie again, making another vine.

MAN IN HOODIE

When the McDonalds bitch gets my order wrong.

The vine instantly cuts to the man viciously stabbing a burger.

HAILEY

He is psycho though, I would still eat the burger.

SARAH

You got a new snapchat from him.

She opens snapchat and taps the snap, a one second picture of Kristi dead in a blood-filled tub takes over the screen.

SARAH

Oh my gosh! Was that really Kristi! Is this a fucking joke!

HAILEY

I don't know, it was literally a one second snap!! Oh my god I have a new snap!!

Hailey opens the snap, a black screen with the words #yournext.

SARAH

My next?

HAILEY

I think he meant to put you apostrophe r e.

SARAH

Ohh.

Sarah screams as loud as she can.

SARAH
Check his vine.

A new vine video, the man in the hoodie talking to his phone again.

MAN IN HOODIE (in video)
When bae calls you "daddy"

The video cuts to the Hoodie man laughing at the camera as he stabs a squirming Kristi in the bathtub.

Hailey and Sarah both scream, they run up the stairs.

INT. SARAH'S ROOM - CONTINUED

They lock the door and the lights go off, they scream.

SARAH
Did he cut the power?

HAILEY
I think so.

SARAH
Send him a snap.

Hailey opens up her phone, takes a picture with Sarah and looks at it.

HAILEY
Wait, you need to look scared, no more duck faces, if he sees you're scared maybe he won't kill us.

SARAH
Brilliant!

Hailey takes a picture again, Sarah in the background, squatting down with her hands up her chin and her mouth opened with terror.

Hailey looks at the picture.

HAILEY
Now that is more like it! What do I put?

SARAH
Ask him if he's in the house.

Hailey speaks as she's typing.

HAILEY

Are you in the house? Hashtag curious,
hashtag no makeup hashtag natural
reaction.

The snapchat is sent.

They wait, staring at the door with terror.

A white, bright light appears from behind them.

MALE VOICE

Oh shit, I forgot to turn off the flash.

Sarah and Hailey scream,

CUT TO BLACK

THE END
